

JANUARY 2024

EQE

THIS IS FOR ALL THE SENSES.

Photo may vary from actual unit.

Luxury all along the line.

Even at first glance it is clear: the EQE embodies a new era. The main characteristic feature is the striking one-bow design - coupé-like shoulder line that flows sweepingly from the rear to the front, emphasising typical EQ features such as the three-dimensional Mercedes-Benz star pattern on the front.

Exterior.

EQE 300 Electric Art

Electric Art Exterior

Side skirts in black-grained finished with door trim strip in silver chrome

Black panel radiator grille with central Mercedes star and Mercedes-Benz pattern

Rear apron painted in the vehicle colour, lower part in grained black

Electrically folding exterior mirrors with surround lighting with brand projection logo

Digital Light with ULTRA RANGE high beam

50.8cm (20-inch) AMG 5-spoke light-alloy wheels

Comfort Suspension

Electric mobility for all the senses.

Driving with all your senses: sounds that respond dynamically to the way you drive, a sensuous mix of materials and fragrancing in the interior ensure that the time you spend in the EQE Saloon is always of the highest quality.
