

The GLC _{SUV}

Overseas model shown throughout.

Mercedes-Benz

The talented all-rounder. More so than ever before.

The new GLC SUV with its diverse talents is your practical companion. The sporty design underscores its dynamic character, while from within it impresses with high-quality materials and a digital cockpit. Innovative assistance systems* make it the ideal choice, whatever you're planning.

*Driver assistance and safety systems/features included in Mercedes-Benz vehicles are driver assistance aids only and the driver at all times remains solely responsible for maintaining proper control of the vehicle, ensuring safety and monitoring the driving environment and complying with all applicable laws including but not limited to road rules (eg: adjusting the speed of the vehicle in accordance with the designated speed limits). Systems and features have limitations and may not be accurate in all instances.

Overseas model shown. Wheels and Night Package shown not available in New Zealand.

Technology meets luxury.

The digital cockpit with the central display inclined towards the driver, the new steering wheel and high-quality trim elements represent modern luxury. Exclusive materials ensure a unique level of comfort that you can feel – on every journey.

Overseas model shown. Ambient Lighting Plus shown currently not available in New Zealand.

One of its many talents: Flexibility.

The many features of the new GLC SUV make day-to-day life more convenient. The boot has grown to 620 litres and the revised space concept improves usability quite perceptibly. Practical: the EASY-PACK tailgate comes as standard for the first time alongside the Boot Compartment Package to enhance practicability even further.

The dynamic SUV.

Clear lines and dynamic proportions characterise the design of the new GLC SUV. The pioneering DIGITAL LIGHT with projections (optionally available) can enrich your driving experience and make it safer. The sporty front including pronounced powerdomes and the star grille in the AMG Line, exude elegant sportiness.

*Overseas model shown. Wheels shown not available in New Zealand.

A wide-angle, low-perspective shot of a car's interior, focusing on the front seats and dashboard. The seats are upholstered in dark blue/black leather with a prominent diamond-quilted pattern. The dashboard and center console feature wood-grain trim. A large, illuminated circular air vent is visible on the right side of the dashboard, glowing with a red light. The ambient lighting strips along the edges of the dashboard and center console also glow with a red light. The steering wheel is visible in the background, and the instrument cluster is illuminated. The overall atmosphere is one of luxury and modern design.

Your comfort is what counts.

The ambient lighting concept adapts to your mood – with up to 64 different colours.

*Overseas model shown. Upholstery and Ambient Lighting Plus shown not currently available in New Zealand.

Makes hearts beat faster.

The two-part rear lamp with its three-dimensional inner workings is one of the design highlights of the new GLC SUV and serves to round off the powerful tail end in truly dynamic style. The new running boards, which remind you of the car's dynamic character every time you climb aboard, provide the perfect complement.

Takes it personally: MBUX.

The new GLC SUV has a host of features that adapt to you. Thanks to the latest generation of MBUX*, the driving experience is digitally connected as never before. MBUX recognises your favourite radio stations, playlists or navigation routes via individual user profiles. Find out more.

*Unless stated otherwise, all use of applications, multimedia, connectivity and software solutions (Applications and Data Content) contained within or associated with the vehicle are provided to users subject to terms and conditions. In some cases, the Applications and Data Content may be provided by third parties, not Mercedes-Benz New Zealand Limited (MBNZ) and may be subject to third party terms and conditions. Whilst MBNZ shall use its reasonable endeavours to provide an uninterrupted experience, we cannot guarantee ongoing or uninterrupted supply noting that such services may be subject to interruption, change, discontinuance or limitations. In some circumstances, specific features or services may no longer be able to be supplied or will need to be supplied in a different form (eg where there is a change to our third party service providers on which the feature or service relies; where there is a regulatory change or change in law affecting the feature or service; where, in our discretion, we amend or replace the feature or service). We will make efforts to inform you of such changes where they materially affect the services you receive. Please refer to the relevant terms and conditions for more information including device compatibility, connectivity and capability requirements.

Exclusively equipped.

The new GLC SUV leaves nothing to be desired. Intelligent assistance systems* such as the Parking Package with the 360° camera and Traffic Sign Assist can increase your ride comfort by taking some of the strain off you. The transparent bonnet, giving you a virtual overview in off-road terrain, is positively groundbreaking.

*Driver assistance and safety systems/features included in Mercedes-Benz vehicles are driver assistance aids only and the driver at all times remains solely responsible for maintaining proper control of the vehicle, ensuring safety and monitoring the driving environment and complying with all applicable laws including but not limited to road rules (eg: adjusting the speed of the vehicle in accordance with the designated speed limits). Systems and features have limitations and may not be accurate in all instances.

DIGITAL LIGHT.

With DIGITAL LIGHT (optionally available) you experience brilliant lighting conditions. This HD system works like a projector and responds with constantly adapted light to changing traffic, road or weather conditions.

Load compartment capacity of 1640 litres.

The new GLC SUV comes with the EASY-PACK tailgate as standard. It is spacious, functional and designed to a high standard. The GLC is made even more comfortable by the Boot Compartment Package that is included as a standard feature.

Dynamic and efficient: new 4-cylinder engines.

The newly developed 4-cylinder petrol engine was developed in order to reduce consumption and emissions, without relinquishing ride comfort or performance. Impressing with its effortlessly smooth and quiet running.

Overseas model shown.

AMG Line.

The AMG Line interior lends your vehicle a more visible and tangible sense of sportiness. The numerous highlights include upholstery in ARTICO and AMG sports pedals. The expressive bodystyling of the AMG Line lends the exterior a sporty, exclusive touch. The technical features, including the AGILITY CONTROL suspension provide you with tangibly more driving fun.

Technical data.

GLC 300 4MATIC

Displacement (cc)	1.999
Rated output (kW [hp])	190
Acceleration from 0 to 100 km/h (s)	6.2s
Top speed (km/h)	240
Indicative fuel consumption ⁴ (l/100 km)	10
Urban	6.3
Extra-urban	7.7
Indicative combined CO ₂ emissions ⁴ (g/km)	175

Petrol engines

The best for the engine:
Mercedes-Benz genuine engine oils.

*Fuel/energy consumption figures stated are based the results of testing conducted under controlled conditions using the NEDC test cycle regime. 3P-WLTP figures are converted by the New Zealand government from the results of NEDC testing and are for comparison purposes only amongst vehicles tested under the same testing regime. Real world fuel / energy consumption is influenced by many additional factors such as individual driving style, load, traffic, ambient temperature and vehicle condition. To find out more, please refer to the Rightcar NZ - Vehicle ratings website for further information.

Dimensions.

All figures in millimetres. The dimensions shown are mean values. They are valid for vehicles with standard equipment and in unladen condition.
