Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Multi-gesture touchpad control

Using the touchpad you can control the display of the multimedia system

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Personalisation

- Turn the new GLE into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for three years

Mercedes me connect

Stay connected any time, anywhere.

Mercedes *me*

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

Infotainment – Online and Entertainment services from Mercedes me connect

Love music? Get a 3-month free subscription to Tidal when you connect your car.

Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Retailer or visit the Mercedes me connect store at shop.mercedes-benz.com/en-gb/connect

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

¹Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

Driving Assistance packages

The Driving Assistance package¹ contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency. This package is standard for AMG Line Premium Plus and Mercedes-AMG GLE 53 4MATIC+ Premium Plus.

Active Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided braking intervention

Active Braking Assist with cross-traffic function can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

Active Distance Assist DISTRONIC helps maintain the desired distance from the vehicle in front

Active Emergency Stop Assist: immediate emergency braking if evasion is impossible

Active Lane Keeping Assist

Active Speed Limit Assist ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

Active Steering Assist: targeted steering intervention to prevent unintentional drifting out of lane

Evasive Steering Assist can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

Pedestrian warning function near pedestrian crossings

PRE-SAFE[®] PLUS: when a rear-end collision threatens, it can initiate preventive measures, including warning following traffic and locking the brakes on standstill

Route-based speed adjustment: adaption of speed before curves, roundabouts and junctions

Traffic Sign Assist

The Driving Assistance Plus package¹ contains a few more safety features. Standard on Mercedes-AMG GLE 63 S 4MATIC+.

Active Stop-and-Go Assist

PRE-SAFE[®] impulse side moves occupants away from doors just before an imminent side impact

¹Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein

Plug-in Hybrid Electric Vehicle (PHEV) Benefits of driving a plug-in hybrid.

Our plug-in hybrids feature either a petrol or diesel powertrain, combined with a High Voltage battery and electric motor. Enjoy hybrid mode for maximum efficiency, or all-electric mode for local emission-free driving.

Lower running costs

Did you know that electric cars could cost up to a third less than a diesel or petrol car to run, as well as being cheaper to maintain? We've partnered with Go Ultra Low, a joint Government and car industry campaign, to give you unbiased advice on making the switch to an electric car. Use Go Ultra Low's cost saving calculator to see how much you can save.¹

[› Discover more](#)

Lower road fund license

Plug-in hybrid vehicles have lower emissions – this means you pay less for road tax.

Cleaner vehicle discount

Plug-in hybrid models qualify for the 100% cleaner vehicle discount within the London Congestion Charge zone.

Business benefits

With 100% first-year capital allowances² and lower Company Car tax, electric cars offer significant benefits to businesses and employees.

[› Click here for more information](#)

¹Please note that by clicking below you will be directed to the Go Ultra website ²100% first-year capital allowances only apply to vehicles less than 50 g CO₂/km

Plug-in Hybrid Electric Vehicle (PHEV) The GLE 350 de.

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

GLE 350 de 4MATIC
Diesel – 1,950 cc, 4-cylinder, 194 hp/143 kW
Electric motor – 136 hp/100kW

Available as: AMG Line Premium Plus

OTR from £76,080¹

Standard equipment	
AC charging system rated at 7.4 kW AC	
Charging cable – Mode 3 cable (8 metres, straight), for wallbox and public charging stations	
Charging socket	
DC charging system rated at 60 kW DC	
Pre-entry climate control	
Radar-based recuperation	
Remote and Charging Services Plus	
Technical details	
Equivalent All-Electric Range (EAER) ²	54 miles
Charging time	
Public Rapid charging (60 kW DC) 10–80% ³	20 mins
Charging station (7.4 kW AC Three Phase) 10–100% ⁴	3 hrs 30 mins
Wallbox (3.7 kW AC Single Phase) 10–100% ⁴	6 hrs 45 mins
Range power consumption, combined ^{2,5}	29.7–29.4 kWh/100 km
Battery type (usable)	lithium-ion (31.0 kWh)
Capacity on-board charger	3.7 kW AC Single Phase; 7.4 kW AC Three Phase; 60 kW DC

¹The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging

³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–80% charge using public rapid charging at 60 kW

⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase)

⁵The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

[Book a test drive](#)[Buy your GLE Coupé](#)[Find a Retailer](#)

Mercedes me Charge

One registration, one contract, one billing.

Mercedes *me*

Mercedes me Charge provides access to a multitude of public charging stations located in shopping centres, hotels or at motorway services. A smartphone app as well as the vehicle's navigation system show the precise location, current availability and price at the selected charging station.

Tens of thousands charging stations in the UK

Growing network of charging providers includes bp pulse the largest charging network in the UK. Customers also get six months free bp pulse+ membership which reduces the electricity price when charging.

Access to fast-charging stations

Enables customers to get access to charging stations of different providers with:

- Mercedes me app
- RFID card
- Mercedes-EQ Vehicle Head unit

Green charging

All charging using Mercedes me Charge, will be retrospectively 'greened' by Mercedes-Benz. Please click [here](#) for more info.

Transparent and easy billing

One invoice charging processes for payment.

Easy access

Charging stations are displayed in Mercedes me app and in MBUX multimedia system.

No fees

Mercedes me Charge is standard for one year with discounted IONITY rapid-charging for one year.

Mercedes me Charge Tariffs

Mercedes *me*

For more transparency and predictability, enjoy numerous features tailored to your charging habits with the new Mercedes me Charge fixed-priced tariffs S, M and L. Owners of a new Plug-in Hybrid model will be entitled to the Mercedes me Charge tariff M free of charge for the duration of 12 months.

Tariff L

Recommended for 'frequent drivers'

Choose our tariff L to benefit from the best fixed prices for public charging, including discounted rapid-charging at IONITY charging stations as well as all Mercedes me Charge features. This tariff is recommended for frequent and long-distance drivers.

Consisting of:

- All Mercedes me Charge features
- Fixed prices per kWh (AC: £0.30/kWh; DC: £0.39/kWh)¹
- IONITY rapid-charging stations discounted (£0.26/kWh)

£16.20/month

Tariff M

Recommended for 'regular drivers'

Should you wish to downgrade your tariff package after 12 months but still want to benefit from fixed prices, discounted rapid-charging at IONITY charging stations and complete transparency, choose tariff M. This tariff is recommended for regular drivers.

Consisting of:

- All Mercedes me Charge features
- Fixed prices per kWh (AC: £0.35/kWh; DC: £0.45/kWh)¹
- IONITY rapid-charging stations discounted (£0.45/kWh)

Free of charge for the duration of 12 months.

Thereafter:

£4.90/month

Tariff S

Recommended for 'casual drivers'

Should you wish to downgrade your tariff package after 12 months, there is the option to go for tariff S, which still offers you all the Mercedes me Charge features based on flexible prices per kWh. This tariff is recommended for casual drivers.

Consisting of:

- All Mercedes me Charge features
- Flexible prices per kWh

£0/month

¹Tariff rate excludes the BP Pulse charging network

Home charging with bp pulse Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a home charger. Charge your vehicle with the home charger up to 3x faster than using a standard domestic socket.

Home charging with bp pulse: £999* incl. VAT and standard installation

Key benefits of bp pulse:

bp pulse is one of the only full-service charging solution providers in the UK – producing and installing tens of thousands of their own smart-enabled and reliable Homecharge units across the country.

A comprehensive 3 year warranty.

The standard installation package includes up to 15m of external cabling.

It comes with a bundled offer of 3 month free subscription to the public network and 250 free miles of charge.

The bp pulse home unit is designed from the ground up to be user friendly, future proofed and feature packed with an exciting roadmap of over the air updates ahead.

The bp pulse public network consists of over 9,000 charging bays across the UK. Average costs are between £0.30–£0.55 per kW across fast, rapid and ultra-rapid charge points with the best rates on a subscription basis.

Choice of tethered or un-tethered units

OZEV Grant:

You may be entitled to claim for an OZEV grant towards the cost of your home charger.¹

To find out whether you are entitled please contact your local Retailer.

Questions?

Please contact your local Retailer to submit an enquiry to your chosen charging partner on your behalf. To find your local Retailer, please click the button at the top right hand corner.

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

¹Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

¹The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). For full details and eligibility criteria for the OZEV EVHS Grant, see <https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>.

Home charging with Pod Point Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a home charger. Charge your vehicle with the home charger up to 3x faster than using a standard domestic socket.

Home charging with Pod Point: £875* incl. VAT and standard installation

Key benefits of Pod Point:

Pod Point is one of the leading provider of EV charging in the UK with over 120,000 home chargepoints installed.

A comprehensive 3 year 'swap out' warranty is included.

Auto Power Balancing lets you adjust your charge so that your electrical supply doesn't get overloaded when your home is using a lot of energy.

Built-in earthing protection removes the needs for expensive earth rods.

The Pod Point public network consists of over 6,200 charging bays across the UK with over 80% of the charge points free to use.

The standard installation package includes up to 15m of external cabling.

Choice of tethered or un-tethered units.

OZEV Grant:

You may be entitled to claim for an OZEV grant towards the cost of your home charger.¹ To find out whether you are entitled please contact your local Retailer.

Become the AMG expert

Unleash a new level of performance.

Step into the world of performance and experience the AMG brand at Mercedes-Benz World – from the powerful sound of the engines to the smell of the leather to the unmistakable design of our vehicles.

Mercedes-Benz World invites all Mercedes-AMG customers to a complimentary adrenaline-packed driving experience. Feel the sensational AMG driving performance, develop your driving skills and even try your hand at power-sliding on the Wet Skid Circle. With expert one-to-one guidance from a Driving Specialist in the passenger seat, experience every inch of our Handling Circuits, Dynamic Straight and low friction surfaces.

[Click here for more information](#)

TERMS AND CONDITIONS
The following customers only are eligible: The first purchaser/ registered keeper of a newly registered Mercedes-AMG. The complimentary Training must be booked and taken within 12 months of delivery of your Mercedes-AMG, the Training is offered on specific days only and subject to availability. Upgrades are available for an additional cost, details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz Cars UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Invitation is emailed to the customer post-delivery, permission via the customer contact preferences must be given to enable Mercedes-Benz World to contact. Retailer demonstrator vehicles are not eligible.

Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your GLE.

Concertina load sill protector

Foldable protective mat. Easy to attach. Protects bumper and load sill from scratches. Helps keep the load area clean. Helps protect clothing when loading boot/load compartment or roof box. Can be connected to boot tub and reversible mat. Space-saving stowage. Easy to clean. (A2536932000)

Shallow boot tub

The boot tub is suitable for transporting shopping. The tub shape with its slightly raised edge is precision-tailored to the load area. Made from impact-resistant, non-slip polypropylene. Cannot be used in conjunction with third row of seats or hybrid vehicles. (A2928140000)

LED Mercedes star projector

The legendary three-pointed star logo is discreetly projected onto the ground alongside your vehicle every time you open the front driver or passenger door. The star automatically disappears once the doors are closed. Not in conjunction with Mirror package. (A2138204503)

Floor mat trays

Made from robust, washable synthetic material for heavy use. Covers the entire footwell. The raised edges and structured surface help keep the floor clean and dry. With distinctive 'Mercedes-Benz' lettering. (A16668036019051)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

--------	------------	----------------	-----------------------	--------------	--------------	---------------------	-------------------------	-----------------	--------------------	---------------------	----------------	------------------------

Alustyle Easy-Fix II basic carrier bars for roof rails

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes. (A1668901593)

Mercedes-Benz roof boxes

An aerodynamic design, tailored to your Mercedes-Benz. In extremely durable material. Designed for quick, optimised attachment to the basic carrier bars. Particularly convenient loading and unloading thanks to the option of double-sided opening. Lockable from both sides. Available in various sizes. (part numbers vary)

Door handle recess, small, two-piece

An exclusive highlight: the refined, chrome-design door handle recesses lend the vehicle a polished, individual look. The stable, robust material is precision-tailored to the bodywork and protects the paintwork in the recess from scratches. Set of two. (A2057604200)

Alustyle bicycle rack

Extremely lightweight bicycle rack, designed to allow you to attach a bicycle to the basic carrier bars for roof rails. Bicycles can either be attached to the rack once it has been fitted to the roof or, conveniently, before it is fitted. The support frame can also be folded down when not in use to reduce drag when travelling without cycles. (A0008900293)

Ski and snowboard rack, Comfort

The Comfort ski and snowboard rack is designed to hold a maximum of six pairs of skis (without sticks) or up to two snowboards, depending on the height of the bindings. (A0008900393)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

¹Figures according to Directive 80/1269/EEC in the currently applicable version

²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging

³The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–80% charge using public rapid charging at 60 kW

⁵Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase)

⁶Electrically limited ⁷Figures according to Directive 92/21/EC (kerb weight with fuel tank 90% full, driver, 68 kg, and luggage, 7 kg) for standard-specification vehicles. Optional extras and accessories will generally increase this figure and reduce the payload capacity accordingly ⁸All figures are based on a standard specification with the smallest tyre size ⁹The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence ¹⁰The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing pages.

Band	CO ₂ emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£) ¹	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
					Standard rate (£)	Premium rate (£) ²	Standard rate (£)	Premium rate (£) ²	Standard rate (£)	Premium rate (£) ²
A	0	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00
B	1 to 50	10.00	25.00	0.00	0.00	0.00	155.00	510.00	165.00	520.00
C	51 to 75	25.00	120.00	15.00	0.00	0.00	155.00	510.00	165.00	520.00

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price
¹Applies to all Mercedes-Benz diesel models which do not comply with RDE (Real Driving Emissions) Step 2 Certified (Euro 6d)
²Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your GLE, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover³. It gives you 7 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Retailer. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[➤ Apply for First Cover](#)

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers
are an independent intermediary dealing with selected insurers in respect of annual insurance

²Subject to full Terms and Conditions, dependent on date of registration, available upon request

³Terms and Conditions apply. We

Effective from September 2022 Production. Information correct at time of publication 21.06.2022
Prices and specifications are subject to change without prior notice.
