

The all-new Mercedes-Benz A-Class Limousine

Mercedes-Benz

More spacious feeling.

Knows the way home and your habits.

Petrol Engine

The 4-cylinder engine runs very quietly and is highly refined.

A win-win situation is achieved courtesy of the numerous high-tech coatings: they enhance efficiency and reduce wear and tear.

- A turbocharger controls the charge pressure electronically – more flexibly, more quickly and more precisely, primarily in the partial load range
- Complex coating system, including extremely hard cylinder barrels featuring NANOSLIDE® technology (iron-carbon) – they provide for ideal lubrication, reduce friction and form the basis for low wear
- Piston rings with DLC (diamond-like carbon) – is extremely abrasion-resistant and dissipates heat excellently
- Pistons with friction-reducing coating made of graphite/carbon fibres, among other materials – this also protects the material and reduces consumption

Diesel Engine

These 4-cylinder diesel engines of the latest generation give a lot but take little. This is thanks to their particularly light, compact design and minimal frictional losses. Significantly less noise and vibrations bring the level of refinement virtually to that of petrol engines.

- All-aluminium construction with low cylinder spacing, camshaft drive at the rear, Lanchester balancer shafts on the left and right positioned next to the crankshaft instead of beneath it: exceptionally compact and light design
- Plastic engine mounts: quieter and less vibrations
- NANOSLIDE®: ideal lubrication, reduced friction and maximum wear resistance thanks to extremely hard cylinder contact faces with minuscule pores for oil absorption

Automatic Transmission

8G-DCT (Available with A 200d)

- 8-speed dual clutch transmission consisting of two sub-transmissions, each with its own clutch
- 8 forward gears and 1 reverse gear
- DIRECT SELECT lever on the steering wheel
- High quality steering wheel shift paddles – on the left for downshifts and on the right for upshifts

Automatic Transmission

7G-DCT (Available with A 200)

- 7-speed dual clutch transmission consisting of two sub-transmissions, each with its own clutch
- 7 forward gears and 1 reverse gear
- DIRECT SELECT selector lever on the steering wheel to engage the gear
- Steering wheel gearshift paddles - left to change down and right to change up a gear

Mercedes-Benz A-Class Limousine

Design

The stylish new body of the A-Class Limousine

- Diamond radiator grille with pins in black, painted single louvre and chrome insert
- Side sill panels painted in the vehicle colour
- Visible tailpipe trim elements and rear apron with trim in chrome
- 43.2 cm (17-inch) 5-twin-spoke light-alloy wheels
- Chrome-plated beltline and window line trim strip
- Luxury seats incl. Seat Comfort Package (seat cushion depth adjustment)
- Folding seat backrests in the rear
- Upholstery in ARTICO man-made leather
- Multifunction sports steering wheel in leather, with black topstitching and chrome-plated bezel
- Brown open-pore walnut wood trim
- Light and sight feature available

LED High Performance headlamps

- The LED High Performance headlamps provide more safety at night and an unmistakable, distinctive look
- LED technology illuminates the road ahead better than conventional headlamps – and it uses less energy

Panoramic sliding sunroof

- Tilt position, automatically adapts to the vehicle speed in three stages
- Electronic roller sunblind
- Convenience closing via air recirculation button
- Automatic rain-sensor closing function

Parking package with reversing camera

- Can also master narrow parking spaces with ease.
- The Active Parking Assist with PARKTRONIC is already looking for a parking space for you and then assists with parking.
- Helps in avoiding expensive sheet metal damage with an overview to the rear.

Mirror package

- Exterior mirrors fold in and out electrically via a button in the control panel of the driver's door
- Via the menu, the driver is able to define whether the exterior mirrors are to be automatically folded in when the vehicle is locked and folded out again when it is unlocked
- The driver's side exterior mirror and the interior mirror automatically dim smoothly in response to the amount of glare and ambient light

Widescreen display

- The high-resolution media display networks you with the car in a large format 26 cm (10.25 inch).
- It is touch-sensitive in responding to your input.
- Symbols make operation easier and improve concentration.
- Highly appealing combination: when the media display is combined with the larger instrument display, the result is a Widescreen cockpit.

All-digital instrument display

- The large, high-resolution 26 cm (10.25-inch) display is individually configured by you – for example in the classic form, with the speedometer on the left and the rev counter on the right.
- Visually impressive and easy to read: travel and driving assistance information is superimposed using the full display area.

Smartphone Integration

- Links the mobile phone with the media system via Apple® CarPlay® or Android Auto®.
- Convenient access to the most important apps on your smartphone and third-party providers such as Spotify etc.

Hard-disc navigation

- Save time through fast hard disk navigation with flexible inputs via touch control or voice input.
- In this connection, the 3D displays of points of interest, for example, are also a visual delight.
- The intelligent system guides you reliably to your destination using both local and the most recent online data.

Leather multifunction sports steering wheel

- Perfect vehicle control, not just on the road surface. It connects you with the vehicle and becomes a control centre.
- The Touch Control buttons on the left and right operate various navigation, telephony and entertainment functions.
- The speed/proximity control: everything under control without taking your hands off the steering wheel

Cruise control

- Enjoy relaxed, fuel-efficient motoring on longer journeys.
- For this you preselect your desired speed and your vehicle takes over control of the speed.
- The limiter helps you to observe a maximum speed.
- This enhances road safety and protects you from expensive speeding tickets.

DYNAMIC SELECT

- DYNAMIC SELECT rocker switch in the centre console allows selection of four different drive programs: “ECO”, “Comfort”, “Sport” and “Individual”
- The drive programs influence engine, transmission, steering, ECO start/stop function, air conditioning and/or, depending on the equipment/model, the suspension (with adjustable damping)

Wireless charging system for mobile devices

- Wireless charging for compatible mobile phones according to the Qi standard
- Quick establishment of connection between the multimedia system and mobile phone via Near Field Communication (NFC) for mobile device identification
- Stowage compartment for wireless charging is located in the front oddments tray in the centre console

Stowage compartment in centre console with retractable cover

- Stowage compartment with roller cover
- Integral 12 V and USB ports
- Cup holder, removable
- It can house typical everyday items such as the smartphone, wallet or various keys

Double cup holder

- You can always have a refreshing or warm drink within reach. This is made possible by the double cup holder in the front section of the centre console. You can safely deposit two bottles or mugs in it. And if you remove the double cup holder, you add a large stowage tray to the interior

Ambient lighting

- All 64 colours can be selected individually
- Eight colour schemes each consist of two colours – the cockpit and the footwell are kept in the same colour, while the centre area of dashboard forms a contrast
- The colours are static or slowly replace each other in Dynamic mode to produce a constant change of colour
- Special emotively appealing effects: a light show welcomes the driver, and the climate control indicates in colour via the ambient lighting whether a warmer or colder temperature is being set

THERMOTRONIC automatic climate control

- The THERMOTRONIC controls the individual temperature in two zones. And you never have to readjust, because the sensitive sensors even register changes in conditions, such as sunlight.
- The activated charcoal filter works very efficiently, and apart from particulate matter, it also eliminates harmful substances and unpleasant odours.

Light and Sight package

- More light sources for good orientation – and they look good too: for example, transparent lenses in the overhead control panel create a three-dimensional crystal effect
- The vanity mirror in the sunblind is illuminated for a quick glance or when putting on make-up

Electrically adjustable with memory function

- All seat adjustment functions such as seat height and fore-and-aft position, seat cushion angle and seat backrest inclination
- The exterior mirrors and the optional head-up-display are also integrated
- Dynamic seating while driving. Small movements of the seat cushion and the backrest in three programmes and two speeds

Comfort Seats

- It ensures good long-distance comfort and is extensively adjustable for length and height.
- You are also able to change the angle of the seat surface, and even lengthen it.
- Also impressive is the choice of upholsteries and optional comfort functions such as seat climatisation or multicontour seats

Seat Comfort package

- Front passenger seat height adjustment
- Seat cushion angle adjustment for the driver and front passenger seat
- Seat cushion depth adjustment for improved seating comfort thanks to a 60 mm greater supporting surface for the thighs
- Special seat design

4-way lumbar support

- For an ergonomic seating position and relaxed back muscles.
- It adapts the seat contour to your lumbar spine and gives it support.
- Four settings are possible: higher, lower, weaker or stronger

Rear armrest

- Relaxed seating position
- Their ride comfort is also enhanced thanks to two integral cup holders for drinks

Velour floor mats

- They are finished in black and feature elegant topstitching in the respective appointments colour.
- They protect the footwell against dirt and can be removed easily to be hoovered or cleaned

Mercedes-Benz A-Class Limousine

Technology

MBUX features in the A-Class Limousine

LINGUATRONIC voice control system

- Just two words “Hey Mercedes.”
- Obeys every command and talks to you.
- Check the destination weather, changes the radio station or takes you home on the fastest route.

Individualisation

- Change the ambient lighting
- Configure the display styles on the instrument cluster and multimedia system display.
- Individualise the Touch Control buttons on the steering wheel.

Artificial Intelligence

- Remembers your favourite songs and the way to your work.
- Automatically adjusts the right radio station or shows the fastest route.

Touchpad and Touch Control

- Give you control of every feature like the Ambient Light or navigation system.
- The touch-sensitive surface can identify your handwriting too.

Mercedes me connect allows drivers to stay in touch with their vehicles from anywhere in the world and to obtain assistance at the touch of a button.

Mercedes *me*

Vehicle Monitoring

Vehicle Tracker: Track your vehicle from anywhere, as your vehicle's GPS coordinates are seen on your phone App.

Parked Vehicle Locator: It can locate your parked vehicle within a radius of 1.5 kilometres and show you on a map how to make your way back to the vehicle.

Navigation Connectivity package

The combination of the standard-fit communication module (LTE) and the hard-disc navigation makes sure that you always reach your destination as quickly as possible by the best route.

Vehicle Set-Up

Remote Retrieval of Vehicle Status: Information on Mercedes me App or the Mercedes me Portal.

Remote Door Locking and Unlocking: You can conveniently remotely lock or unlock your vehicle from the Mercedes me App.

Speed Alert: Receive an alert if your vehicle exceeds a certain speed.

Send2Car function: Send your address to your vehicle via an app.

Remote Engine Start

Mercedes-Benz emergency call system

The Mercedes-Benz emergency call system can save you vital minutes in an emergency. If an accident is detected, a communications module with its own SIM card automatically triggers an emergency call which could shorten the time until rescue services arrive.

Please note that certain services are offered free of cost for a period of three (03) years and may be chargeable at the expiry of three (03) years from the date of activation of such services. If you wish to continue using those services, you may renew the same through Mercedes Me Store (as and when it is available). Please get in touch with your preferred Franchise Partner for more details.

Mercedes *me*

Vehicle Finder (enables horn and light flashing)

Find your vehicle in large parking lots with ease. Simply blow the horn or flash the headlamps through the app to locate your vehicle

Mercedes me Service app: Your digital assistant

Keep a tab on your Star's maintenance with ease. Get timely maintenance and service reminders. Book a service appointment and search for nearest showrooms with a single touch.

What's more, access expert tips to keep your Star in its best shape with car care videos.

Geo-fencing

Set a perimeter for the car movement and receive notifications in case of vehicle movement beyond the parameter. Hence the feature enables easy monitoring when vehicle is being driven by others.

Windows/sunroof open close from App

Open/Close the windows and sunroof of your Mercedes-Benz remotely through the app. This enables better ventilation before you get into the car.

Please note that certain services are offered free of cost for a period of three (03) years and may be chargeable at the expiry of three (03) years from the date of activation of such services. If you wish to continue using those services, you may renew the same through Mercedes Me Store (as and when it is available). Please get in touch with your preferred Franchise Partner for more details.

Additional Mercedes me connect features

Alexa Home Integration with Mercedes me

connect: Conversations with Alexa are now more fun when the systems connect with your Mercedes Benz via cloud and give you real time updates. This feature can be used from an Alexa Echo device setup at home, office or also from phone's Alexa App The command starts with “Alexa, Ask Mercedes to...” or directly initiate a command by saying “Alexa, tell Mercedes to <command>”.

Google Home integration with Mercedes me connect: Google Home integration is also offered for Google home users. In a similar way, once the Mercedes me connect is linked to Google Home, you can start issuing commands.

Parking location POIs (Points of Interest): The introduction of new Parking solution, shows Parking lots available across different parts of the cities. The Parking POIs (Points of interest) can be seen easily on the navigation system or alternatively also on the Mercedes me App maps section.

Please note that certain services are offered free of cost for a period of three (03) years and may be chargeable at the expiry of three (03) years from the date of activation of such services. If you wish to continue using those services, you may renew the same through Mercedes Me Store (as and when it is available). Please get in touch with your preferred Franchise Partner for more details.

Mercedes-Benz A-Class Limousine

Safety

Active Brake Assist

- Active Brake Assist is always attentive to you and can help to avoid serious accidents due to insufficient distance or inattentiveness. The system then gives a visual and acoustic warning of an impending collision. If you then brake too weakly, it offers you braking assistance appropriate to the situation.

Active Bonnet

- The active bonnet system minimizes pedestrian injuries by lifting the rear edge of the hood when you are involved in an accident. Raising the hood creates additional space that can serve as a cushion between the hood and the engine improving pedestrian protection.

The 8 years you'll be looking forward to.

The all-new A-Class Limousine isn't just best-in-class when it comes to road presence and impressive features. There's more to the Star than meets the eye. To give you an experience like never before, enjoy an 8-year warranty on engine and transmission from the date of the purchase.

Get exclusive benefits such as:

- Honoured at any of our authorized Mercedes-Benz Franchise partner nationwide
- Warranty work and repairs performed using Genuine Mercedes-Benz Parts
- Warranty transferable to the next owner in the event of a sale.

Coverage of the parts such as:

- Engine and Transmission
- Torque Converter
