# Introducing MBUX

Using the touchpad you can control the display of the multimedia system

Multi-gesture touchpad control

Introducing MBUX, the brand new Mercedes-Benz User Experience infotainment system that can be controlled via voice and touch input. The new GLE joins other models to feature this innovative way of communicating with your Mercedes-Benz.

## MBUX (Mercedes-Benz User Experience) infotainment system comprises:

### Voice control

- Activated by the keywords "Hey Mercedes", the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say "I feel cold" and MBUX will adjust the temperature for you

### Personalisation

- Turn the new GLE into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

### Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

### Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

<sup>1</sup>LINGUATRONIC off-board functions are currently only available for 3 years

# Mercedes me connect.

Stay connected, any time, anywhere.

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

## Navigation Services (01U)

Visit the Mercedes me connect store or app for pricing.

### Live Traffic Information<sup>1</sup>

Your navigation system receives traffic data in real time, enabling it to optimise the dynamic route guidance, minimising drive time and offering more precise estimation of arrival times.

### Available parking spaces

Locates parking spaces for you in multi-storey car parks and on the street. Saving you time and hassle.

### Local Search

This feature provides support in the local search for restaurants or hotels and much more.

### Send2Car

Make your journey easier: set your destination using the Mercedes me app and send it directly to your car's navigation system.

## Infotainment

Visit the Mercedes me connect store or app for pricing.

### Connect Store

In the Mercedes me connect Store you can purchase many digital services designed to make your everyday life easier and provide useful information relating to your networked vehicle.

### TIDAL

Love music? Get a 3-month TIDAL HiFi subscription free with Mercedes me connect (worth £60) and unlock access to 58 million songs.

### Internet Radio

Listen to podcasts and radio stations from anywhere in the world.

### Private Car sharing

Carsharing gives you the opportunity to share your vehicle in a straightforward and safe way with third parties who you authorise.

For more information speak to your local Retailer or visit the Mercedes me connect store at [shop.mercedes-benz.com/en-gb/connect](http://shop.mercedes-benz.com/en-gb/connect)

<sup>1</sup>Free of charge for first three years. Extension possible, visit the Mercedes me connect store for details on pricing

## bp pulse home charger – simple, convenient, faster charging

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a bp pulse home charger. The 7 kW bp pulse home charger delivers a full charge in under four hours – that's up to three times faster than using a 13 A three-pin domestic plug.<sup>1</sup>

bp pulse home charger 7 kW: **£499\*** incl. VAT & installation

### Key benefits of the 7 kW bp pulse home charger:

---

Robust and weatherproof, for indoor or outdoor use, and comes with a three year warranty

---

Installed in as little as two weeks

---

The cost for a fully-installed charge point at your home includes the £350 OZEV (EVHS) grant<sup>2</sup>

---

As a Mercedes-Benz driver, when you install a bp pulse home charger you will automatically receive three months FREE membership to bp pulse, the UK's largest public charging network with over 7,000 charge points

---

### Questions?

- Simply email [hcenquiries@bp.com](mailto:hcenquiries@bp.com) or
- call their dedicated Homecharge team on 01582 399 412

### !Warning

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

\*Price includes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change <sup>1</sup>Based on 7kW power output for plug-in hybrid vehicles

<sup>2</sup>The bp pulse home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV) and is provided and installed by bp pulse home charger plc. For full details and eligibility criteria for the OZEV EVHS Grant, see <https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>. For full bp pulse home charger Terms & Conditions visit [https://chargemasterplc.com/terms\\_conditions](https://chargemasterplc.com/terms_conditions)

# Charging options

Charging capacity and charging time (preliminary specifications)		AC (Mode 2)		AC (Mode 3)	DC
Capacity	kW – A	1.8 – 8	2.3 – 10	7.4 – 16	60 – 160
Time	hrs/mins	15/00	11/30	3/25	0/20
Status of charge	%	10 – 100	10 – 100	10 – 100	10 – 80
					
		Charging cable, type 2 charging cable socket		Charging cable, type 2 charging cable socket	Combo type 2 plug
					
		Domestic power socket	Wall box and charging station		Charging station

# Drive programmes

New logic with the telematics generation 6 introduction of two new drive programmes (Battery and Electric)

Drive Programmes		Vehicle characteristics
Individual		Individual settings for the vehicle characteristics: Drive Suspension Steering ESP®
Sport		Sporty driving with the combustion engine and reinforced boost effect
Comfort		Comfortable and economical driving The selection of the matching drive type by the hybrid system depends on the driving conditions and the distance
Electric		Electric mode - electric mode is possible up to 160 Km/h (99 mph) Adjustable power recuperation Adaptation of Active Distance Assist DISTRONIC for electric mode Limiting the maximum set speed for TEMPOMAT, Limiter and Active Distance Assist DISTRONIC to the maximum electrically drivable speed Activation of the combustion engine via the pressure point of the haptic accelerator pedal
Battery level		Prioritised maintenance of the charge level of the high-voltage battery, e.g. for journeys in the inner city/low emission zones The selections of the matching drive type by the hybrid system depends on the driving conditions and the distance
Eco		Adaption and the coasting characteristics of the vehicle to traffic Full development of all intelligent hybrid functions The selection of the matching drive type by the hybrid system depends on the driving conditions and the distance
Off-road		Driving on less demanding cross-country terrain with the combustion engine No electric mode

# Become the AMG expert

Unleash a new level of performance.

All Mercedes-AMG customers are invited to a complimentary adrenaline-packed driving experience, under the guidance of our driving specialists at Mercedes-Benz World.

## Discover AMG at Mercedes-Benz World

- Individually tailored to your ability
- No previous track experience necessary
- See how well an AMG performs when pushed to its limits
- Put your theoretical driving knowledge to the test on a real track
- Understand the cause and effect of understeer, oversteer drift, collision avoidance and track etiquette
- Get to grips with the Mercedes-Benz World's purpose-built track and dynamic driving facilities

## TERMS AND CONDITIONS

The following customers only are eligible: the first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary Training as described in the brochure must be booked and taken within six months of delivery of your Mercedes-AMG. The Training is available Monday to Friday and is subject to availability. Requests for Saturday and Sunday will incur an additional charge. Upgrades are available for an additional cost: details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz Cars UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Invitation is emailed to the customer post-delivery. Permission via the customer contact preferences must be given to enable Mercedes-Benz World to contact. Retailer demonstrator vehicles are not eligible.

## ENERGIZING package (code PBP)

ENERGIZING comfort control derives its innovative intelligence from the ENERGIZING COACH. This software-based service is able to offer individual programme recommendations. To achieve this the system first analyses current journey and vehicle data, including aspects such as traffic conditions, weather and journey time.

Second, it can also assess the driver's current physical and mental state, made possible by networking with available Garmin® wearables such as smart watches and fitness trackers.

Aspects such as sleep quality and stress are taken into account on the basis of the driver's vital parameters. The ENERGIZING COACH then selects a perfectly-suited fitness or wellness experience which you can start directly.

### **ENERGIZING package** (code PBP) – designed and priced as a package

Standard on AMG Line Premium Plus, Mercedes-AMG 53 4MATIC+ Premium Plus and Mercedes-AMG GLE 63 S 4MATIC+

ENERGIZING COACH is only available as part of Mercedes me connect services. Please see the terms and conditions of use for information about availability of the service in different countries and model series, and the necessary optional equipment. Operation requires that your smartphone is connected to the vehicle as the main telephone. You must also ensure that you have connected the requisite Garmin® wearable to this smartphone via the Garmin Connect® app. As soon as you have consented to data transfer as part of the 'onboarding process' within the Mercedes me app or the Mercedes me portal, your data will be transferred directly from your wearable to the vehicle via Bluetooth®. Further information can be found in your vehicle's owner's manual.

## Towing package

The GLE comes with Trailer Stability Assist. This system automatically recognises if the trailer is swaying, and will use the front brakes to help stabilise the trailer and keep you safe on the road.

**Towing package** (code DP8) – designed and priced as a package, including items as listed opposite.

**Available on all models except AMG Line and AMG Line Executive**

**Total incl. VAT £1,150.00**

### Towing package comprises:

---

Increased towing capacity – max. 3,500 kg (all engines except GLE 300 d 4MATIC)

---

Trailer Manoeuvring Assist controls the steering angle of the towing vehicle at speeds up to 5 km/h. Dynamic guidelines show the course of the manoeuvre, vehicle width and distances to detected objects<sup>1</sup>

---

Electronically folding tow bar (includes 13-pin socket; ESC: Electronic Stability Control)

---

<sup>1</sup>In the case of trailers with a stabilisation device against swerving, the trailer or trailer tow hitch could be damaged.  
If a trailer coupling with Trailer Manoeuvring Assist is used, only use without a stabilisation device against swerving

## Off-Road package

Off-Road Engineering package

Underbody protection

The Off-Road package combines a host of features that come in handy when taking your GLE off the beaten track. An underguard for the engine, together with reinforced underfloor panelling the full length of the vehicle, helps to reduce damage caused, for example, by driving over obstacles.

**Off-Road package** (code DP9) – designed and priced as a package, including items as listed below.

**Only available on GLE 350 d 4MATIC and  
GLE 400 d 4MATIC Premium Plus**

**Total incl. VAT £1,695.00**

**Off-Road package comprises:**

---

<sup>1</sup>The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

<sup>\*</sup>Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

<sup>2</sup>GLE 300 d, GLE 350 d and GLE 400 d engines are RDE (Real Driving Emissions) Step 2 Certified (Euro 6d). This results in a lower VED and BiK rate as these engines will not be subject to the diesel surcharge. A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 71 for the relevant rate for the second and subsequent years

<sup>3</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

## Genuine Accessories

We've developed a range of Accessories you can add to help personalise and enhance your GLE. Your local Mercedes-Benz Retailer can advise on fitting costs of Accessories, where applicable. Further information on our full range of Genuine Accessories can be found **here** on the Mercedes-Benz UK website.

### 01 | Concertina load sill protector (A2536932000)

Designed to prevent the bumper from being scratched. Can be secured to boot tub or reversible mat. Helps prevent scratches when loading the load compartment or when loading the Mercedes-Benz roof box.

RRP £41.50 (incl. VAT)

### 02 | Deep boot tub (A1678140200)

The deep, fitted boot tub (approx. 25 cm at the sides, 8 cm at the load edge) is also suitable for transporting shopping. The HD-PE material is particularly tough yet flexible, as well as odourless, acid-resistant and easy-clean. Ribbed structure for added strength. Lightweight and easy to insert and remove. Cannot be used in conjunction with third row of seats or with hybrid vehicles.

RRP £199.00 (incl. VAT)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

➤ Book a test drive

➤ Find a Retailer

Genuine Accessories

62

### 03 | Shallow boot tub (A1678140100)

Suitable for transporting shopping. The tub shape with its slightly raised edge is precision-tailored to the load area. Made from impact-resistant, non-slip polypropylene. Cannot be used in conjunction with third row of seats or with hybrid vehicles.

RRP £88.00 (incl. VAT)

### 04 | Stowage crate (A0008140400)

The robust plastic stowage box creates order in the boot. The box can be divided into two sections using the enclosed rigid dividing element and be combined with the Mercedes-Benz boot tub thanks to the ribbed structure at the bottom. Capacity: 51 litres.

RRP £87.00 (incl. VAT)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

Genuine Accessories

63

#### **05 | Alustyle Easy-Fix II basic carrier bars for roof rails (A1678903000)**

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes.

RRP £256.80 (incl. VAT)

#### **06 | Mercedes-Benz roof box 450 (A0008400200)**

An aerodynamic design, tailored to your Mercedes-Benz. In extremely durable material. Designed for quick, optimised attachment to the basic carrier bars. Particularly convenient loading and unloading thanks to the option of double-sided opening. Lockable from both sides. Available in various sizes.

RRP £523.00 (incl. VAT)

#### **07 | Alustyle bicycle rack (A00890029364)**

Extremely lightweight bicycle rack, designed to allow you to attach a bicycle to the basic carrier bars for roof rails. Bicycles can either be attached to the rack once it has been fitted to the roof or, conveniently, before it is fitted. The support frame can also be folded down when not in use to reduce drag when travelling without cycles.

RRP £121.00 (incl. VAT)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

## Flacon perfume atomiser<sup>1</sup>

The winning composition of touch, smell, looks, comfort, sound and style adds to the feeling of enjoyment behind the wheel and the general sense of well-being on board. Step inside and feel an instant affinity with the vehicle's character.

### 08 | DOWNTOWN MOOD (A0008990288)

Transparent, floral combination of jasmine and lilac, with warm undertones of musk, ambergris and a cashmere note. Top notes include magnolia and rosewood for freshness, peach for softness and an intriguing metallic effect.

**RRP £56.00 (incl. VAT)**

### 09 | FREESIDE MOOD (A2228990600)

Citrus elements combine with tea at the heart of this perfume, which is rounded off elegantly with floral top notes. The base notes include hints of cedar, patchouli and ambergris.

**RRP £56.00 (incl. VAT)**

### 10 | SPORTS MOOD (A0008990188)

This perfume is surrounded by light, floral tones such as magnolia, gardenia and violet. The green top notes take their freshness and lightness from aspects of grapefruit and watermelon, while the base notes have a mossy nuance.

**RRP £56.00 (incl. VAT)**

### 11 | NIGHTLIFE MOOD (A0008990388)

Nightlife mood is enriched with complementary woody notes that give the perfume body. Cool spices such as cardamom and pink pepper give a freshness to the top notes. And the hint of a particular aldehyde balance adds a subtle cognac effect.

**RRP £56.00 (incl. VAT)**

### 12 | PACIFIC MOOD (A0008990900)

Take the coast road and feel the ocean breeze caressing your skin and hair. The scent of lemons and oranges wafts through the air, accompanied by an enigmatic blend of spices.

**RRP £56.00 (incl. VAT)**

<sup>1</sup>Only available as part of the AIR-BALANCE package in conjunction with the Premium Plus model lines All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

<sup>1</sup>Figures according to Directive 80/1269/EEC in the currently applicable version

<sup>2</sup>The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging

<sup>3</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wall box (three-phase) or standard socket (single-phase)

<sup>4</sup>If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle.

Do not use an electric vehicle 3-pin charge cable with an extension cord.

<sup>6</sup>Figures according to Directive 92/21/EC (kerb weight with fuel tank 90% full, driver, 68 kg, and luggage, 7 kg) for standard-specification vehicles. Optional extras and accessories will generally increase this figure and reduce the payload capacity accordingly

<sup>7</sup>All figures are based on a standard specification with the smallest tyre size <sup>8</sup>The choice of wheels and transmission may affect CO<sub>2</sub> emissions and corresponding Road Fund Licence

<sup>9</sup>The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

# Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO<sub>2</sub> emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence.CO<sub>2</sub> emissions and the relevant Excise Duty are shown on the model pricing page 38.

Band	CO <sub>2</sub> emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£) <sup>1</sup>	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
					Standard rate (£)	Premium rate (£) <sup>2</sup>	Standard rate (£)	Premium rate (£) <sup>2</sup>	Standard rate (£)	Premium rate (£) <sup>2</sup>

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification.

<sup>1</sup>Applies to all Mercedes-Benz diesel models which do not comply with RDE (Real Driving Emissions) Step 2 Certified (Euro 6d)

<sup>2</sup>Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge, number plates, fuel and VAT

# Services and insurance

## Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your GLE, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at [servicecarerates.mercedes-benz.co.uk](http://servicecarerates.mercedes-benz.co.uk)

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>1</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>2</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>2</sup>

## Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a 5-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.

For more information or to obtain a quote, click [here](#).

# Mercedes-Benz Finance

## Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

## Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit [www.mercedes-benz.co.uk/fandi](http://www.mercedes-benz.co.uk/fandi).

## Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

## Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

## At the end of your agreement you have three options to choose from.

### Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.<sup>1</sup> This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

### Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,<sup>\*</sup> as vehicle condition, excess mileage and other charges may be payable.

### Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.<sup>1</sup> This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

<sup>1</sup>Please note the 'Purchase Activation Fee' of £10 will be debited from your account    <sup>\*</sup>To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
