Introducing MBUX

Using the touchpad you can control the display of the multimedia system

Multi-gesture touchpad control

Introducing MBUX, the brand new Mercedes-Benz User Experience infotainment system that can be controlled via voice and touch input. The new GLE Coupé joins other models to feature this innovative way of communicating with your Mercedes-Benz.

MBUX (Mercedes-Benz User Experience) infotainment system comprises:

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Personalisation

- Turn the new GLE Coupé into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹ LINGUATRONIC off-board functions are currently only available for 3 years

Mercedes me connect.

Stay connected, any time, anywhere.

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Navigation Services (01U)

Visit the Mercedes me connect store or app for pricing.

Live Traffic Information¹

Your navigation system receives traffic data in real time, enabling it to optimise the dynamic route guidance, minimising drive time and offering more precise estimation of arrival times.

Available parking spaces

Locates parking spaces for you in multi-storey car parks and on the street. Saving you time and hassle.

Connect Store

In the Mercedes me connect Store you can purchase many digital services designed to make your everyday life easier and provide useful information relating to your networked vehicle.

TIDAL

Love music? Get a 3-month TIDAL HiFi subscription free with Mercedes me connect (worth £60) and unlock access to 58 million songs.

Local Search

This feature provides support in the local search for restaurants or hotels and much more.

Send2Car

Make your journey easier: set your destination using the Mercedes me app and send it directly to your car's navigation system.

Internet Radio

Listen to podcasts and radio stations from anywhere in the world.

Private Car sharing

Carsharing gives you the opportunity to share your vehicle in a straightforward and safe way with third parties who you authorise.

For more information speak to your local Retailer or visit the Mercedes me connect store at shop.mercedes-benz.com/en-gb/connect

¹Free of charge for first three years. Extension possible, visit the Mercedes me connect store for details on pricing

Mercedes me connect.

Stay connected, any time, anywhere.

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Vehicle Set-up (08U)

Visit the Mercedes me connect store or app for pricing.

Remote Vehicle Status

Check safety information, such as coolant level and brake pad condition, so you can be sure your car is safe and ready to drive.

Personal Profile

Store your preferences, such as your favourite radio stations and apps, to create your personal driver profile.

Parked Vehicle Locator

Forgot where you parked your car? No problem: you can locate and track your car, with the Parked Vehicle Locator.

Vehicle Tracker

Track the location of your car anywhere in the world.

Pre-Entry Climate Control

Programming of charging settings and Pre-Entry Climate Control for plug-in vehicles.

Remote Door Locking/Unlocking

Lock and unlock your car remotely, wherever you are in the world.

ECO Display

Monitor your driving style with ECO Display. It summarises your driving style from the start of the journey to its completion to help you achieve the most economical way to drive.

Geo-fencing

Set up a geographical boundary and receive alerts whenever your car enters or leaves this area.

For more information speak to your local Retailer or visit the Mercedes me connect store at shop.mercedes-benz.com/en-gb/connect

Sportiness meets elegance. The new GLE Coupé AMG Line Premium Plus truly stands out; featuring 22" alloy wheels in a 5-twin-spoke design, dark-tinted glass and a panoramic glass sunroof. AIRMATIC air suspension ensures for vehicle dynamics and comfort on and off the road. Inside, nappa leather sports seats are matched by anthracite open-pore oak wood

trim with the dashboard lining in ARTICO man-made leather. The information on the instrument cluster and media display is easily legible, thanks to the high-resolution 12.3-inch screens. The latest generation of the MBUX infotainment system is on board too, along with the Burmester® surround sound system to keep you entertained while on the road.

bp pulse home charger – simple, convenient, faster charging

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a bp pulse home charger. The 7kW bp pulse home charger delivers a full charge in under four hours – that's up to three times faster than using a 13A three-pin domestic plug.¹

bp pulse home charger 7kW: **£499*** incl. VAT & installation

Key benefits of the 7kW bp pulse home charger:

Robust and weatherproof, for indoor or outdoor use, and comes with a three year warranty

Installed in as little as two weeks

The cost for a fully-installed charge point at your home includes the £350 OZEV (EVHS) grant²

As a Mercedes-Benz driver, when you install a bp pulse home charger you will automatically receive three months FREE membership to bp pulse, the UK's largest public charging network with over 7,000 charge points

Questions?

- Simply email hcenquiries@bp.com or
- call their dedicated Homecharge team on 01582 399 412

!Warning

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

bp pulse

*Price includes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change. ¹Based on 7kW power output for plug-in hybrid vehicles

²The bp pulse home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV) and is provided and installed by bp pulse home charger plc. For full details and eligibility criteria for the OZEV EVHS Grant, see <https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>. Drive programmes

New logic with the telematics generation 6 introduction of two new drive programmes (Battery and Electric)

Drive Programmes		Vehicle characteristics
Individual	I★	Individual settings for the vehicle characteristics: Drive Suspension Steering ESP®
Sport	S	Sporty driving with the combustion engine and reinforced boost effect
Comfort	C	Comfortable and economical driving The selection of the matching drive type by the hybrid system depends on the driving conditions and the distance
Electric	EL	Electric mode - electric mode is possible up to 160 Km/h (99 mph) Adjustable power recuperation Adaptation of Active Distance Assist DISTRONIC for electric mode Limiting the maximum set speed for TEMPOMAT, Limiter and Active Distance Assist DISTRONIC to the maximum electrically drivable speed Activation of the combustion engine via the pressure point of the haptic accelerator pedal
Battery level	BL	Prioritised maintenance of the charge level of the high-voltage battery, e.g. for journeys in the inner city/low emission zones The selection of the matching drive type by the hybrid system depends on the driving conditions and the distance
Eco	E	Adaption and the coasting characteristics of the vehicle to traffic Full development of all intelligent hybrid functions The selection of the matching drive type by the hybrid system depends on the driving conditions and the distance

Become the AMG expert

Unleash a new level of performance.

All Mercedes-AMG customers are invited to a complimentary adrenaline-packed driving experience, under the guidance of our driving specialists at Mercedes-Benz World.

Discover AMG at Mercedes-Benz World

- Individually tailored to your ability
- No previous track experience necessary
- See how well an AMG performs when pushed to its limits
- Put your theoretical driving knowledge to the test on a real track
- Understand the cause and effect of understeer, oversteer drift, collision avoidance and track etiquette
- Get to grips with the Mercedes-Benz World's purpose-built track and dynamic driving facilities

TERMS AND CONDITIONS

The following customers only are eligible: the first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary Training as described in the brochure must be booked and taken within six months of delivery of your Mercedes-AMG. The Training is available Monday to Friday and is subject to availability. Requests for Saturday and Sunday will incur an additional charge. Upgrades are available for an additional cost: details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz Cars UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Invitation is emailed to the customer post-delivery. Permission via the customer contact preferences must be given to enable Mercedes-Benz World to contact. Retailer demonstrator vehicles are not eligible.

ENERGIZING package (standard)

ENERGIZING comfort control derives its innovative intelligence from the ENERGIZING COACH. This software-based service is able to offer individual programme recommendations. To achieve this the system first analyses current journey and vehicle data, including aspects such as traffic conditions, weather and journey time.

Second, it can also assess the driver's current physical and mental state, made possible by networking with available Garmin® wearables such as smart watches and fitness trackers.

Aspects such as sleep quality and stress are taken into account on the basis of the driver's vital parameters. The ENERGIZING COACH then selects a perfectly-suited fitness or wellness experience which you can start directly.

ENERGIZING COACH is only available as part of Mercedes me connect services. Please see the terms and conditions of use for information about availability of the service in different countries and model series, and the necessary optional equipment. Operation requires that your smartphone is connected to the vehicle as the main telephone. You must also ensure that you have connected the requisite Garmin® wearable to this smartphone via the Garmin Connect® app. As soon as you have consented to data transfer as part of the 'onboarding process' within the Mercedes me app or the Mercedes me portal, your data will be transferred directly from your wearable to the vehicle via Bluetooth®. Further information can be found in your vehicle's owner's manual.

Towing package

The GLE comes with Trailer Stability Assist. This system automatically recognises if the trailer is swaying, and will use the front brakes to help stabilise the trailer and keep you safe on the road.

Towing package (code DP8) – designed and priced as a package, including items as listed opposite.

Available on all models

Total incl. VAT £1,150.00

Electronically-folding tow bar (includes 13-pin socket; ESC)

Trailer Manoeuvring Assist

Towing package comprises:

Increased towing capacity – max. 3,500 kg

Trailer Manoeuvring Assist controls the steering angle of the towing vehicle at speeds up to 5 km/h. Dynamic guidelines show the course of the manoeuvre, vehicle width and distances to detected objects¹

Electronically folding tow bar (includes 13-pin socket; ESC: Electronic Stability Control)

¹In the case of trailers with a stabilisation device against swerving, the trailer or trailer tow hitch could be damaged. If a trailer coupling with Trailer Manoeuvring Assist is used, only use without a stabilisation device against swerving

Genuine Accessories

We've developed a range of Accessories you can add to help personalise and enhance your GLE Coupé. Your local Mercedes-Benz Retailer can advise on fitting costs of Accessories, where applicable. Further information on our full range of Genuine Accessories can be found [here](#) on the Mercedes-Benz UK website.

01 | LED Mercedes star projector (A2138204503)

The legendary three-pointed star logo is discreetly projected onto the ground alongside your vehicle every time you open the front driver or passenger door. The star automatically disappears once the doors are closed. Not in conjunction with Mirror package.

RRP £120.00 (incl. VAT), excluding fitting

02 | Door handle recess, small, two-piece (A2057604200)

An exclusive highlight: the refined, chrome-design door handle recesses lend the vehicle a polished, individual look. The stable, robust material is precision-tailored to the bodywork and protects the paintwork in the recess from scratches. Set of two.

RRP £43.32 (incl. VAT), excluding fitting

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

[Genuine Accessories](#)

41

03 | Floor mat trays (A16668036019051)

Made from robust, washable synthetic material for heavy use. Covers the entire footwell. The raised edges and structured surface help keep the floor clean and dry. With distinctive 'Mercedes-Benz' lettering.

RRP £159.50 (incl. VAT)

03

04 | Concertina load sill protector (A2536932000)

Foldable protective mat. Easy to attach. Protects bumper and load sill from scratches. Helps keep the load area clean. Helps protect clothing when loading boot/load compartment or roof box. Can be connected to boot tub and reversible mat. Space-saving stowage. Easy to clean.

RRP £41.50 (incl. VAT)

04

05 | Shallow boot tub (A2928140000)

The boot tub is suitable for transporting shopping. The tub shape with its slightly raised edge is precision-tailored to the load area. Made from impact-resistant, non-slip polypropylene. Cannot be used in conjunction with third row of seats or hybrid vehicles.

RRP £105.36 (incl. VAT)

05

Genuine Accessories

42

06 | Alustyle Easy-Fix II basic carrier bars for roof rails (A1668901593)

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes.

RRP £479.89 (incl. VAT)

07 | Mercedes-Benz roof boxes (part numbers vary)

An aerodynamic design, tailored to your Mercedes-Benz. In extremely durable material. Designed for quick, optimised attachment to the basic carrier bars. Particularly convenient loading and unloading thanks to the option of double-sided opening. Lockable from both sides. Available in various sizes.

RRP from £361.50 (incl. VAT)

08 | Alustyle bicycle rack (A0008900293)

Extremely lightweight bicycle rack, designed to allow you to attach a bicycle to the basic carrier bars for roof rails. Bicycles can either be attached to the rack once it has been fitted to the roof or, conveniently, before it is fitted. The support frame can also be folded down when not in use to reduce drag when travelling without cycles.

RRP £121.00 (incl. VAT)

09 | Ski and snowboard rack, Comfort (A0008900393)

The Comfort ski and snowboard rack is designed to hold a maximum of six pairs of skis (without sticks) or up to two snowboards, depending on the height of the bindings.

RRP £190.80 (incl. VAT)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

¹Figures according to Directive 80/1269/EEC in the currently applicable version

²The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging

³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wall box (three-phase) or standard socket (single-phase)

⁴If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle.

Do not use an electric vehicle 3-pin charge cable with an extension cord.

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your GLE Coupé, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a 5-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,* as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account. *To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
