

MERCURY GRAND MARQUIS 1999

The luxury to accommodate friends and family.

Out to restaurants. The theatre. Concerts. Weekend getaways and long vacations. Simply put, you're pretty hard to pin down. But one thing can certainly be said about you — you enjoy socializing. Knowing that, isn't it great to have a vehicle that can handle everyone? A vehicle like Mercury Grand Marquis. It has a generous interior few cars seem to have these days. Enough room to seat six people comfortably. And this is no ordinary space. It's filled with the kind of features you'll take pleasure in. So go ahead. Indulge yourself. It's something you deserve.

Appointments you'll enjoy keeping.

To make driving extra comfortable, the tilt steering wheel adjusts quickly and effortlessly to your ideal driving position.

An exterior keypad allows you to lock and unlock doors by entering your own personal code (standard on LS, available on GS). Or use the Remote Keyless Entry system's key fob that not only locks and unlocks doors, but turns on interior lights and opens the trunk from a distance. It even includes a panic button.

A 6-disc CD changer is available for your Grand Marquis LS. Now you can enjoy rich, clear sound, wherever you go.

Power lumbar support makes sure

Here's the kind of power you're looking for. Grand Marquis comes equipped with a smooth, quiet V-8 engine. And it's the only vehicle in its class with a standard V-8!

What makes this car such a joy to drive? It's due in large part to the PrecisionTrac™ suspension system. With the Watt's linkage rear suspension, you'll find the ride and handling very impressive indeed.

Speed-sensitive power steering helps you maneuver — especially in tight spaces.

Available Traction Control (requires ABS) helps you maintain directional stability and steering control through rain and snow at all speeds by

Optional LS leather seating surfaces shown.

It's not just where you're going, but how

The ride says it all.

you get there that counts. This is what

makes Grand Marquis such a

remarkable automobile. It has a

legendary reputation for a smooth ride

and exceptional comfort. And of

course, a powerful V-8 engine. So it's

not surprising that it has the highest

owner loyalty of any vehicle in its class.*

What better way to enjoy yourself, on

your way to enjoying yourself?

*According to the J.D. Power
Company's statistics for the
1997 model year, Mercury
Grand Marquis ranked highest for
having Mercury Grand Marquis
owning households return to Mercury
to purchase another Grand Marquis.

your ride is comfortable. Drivers side

lumbar support comes standard on LS.

Passenger's side is available with LS

Premium Package. What's more,

Grand Marquis comes with

an 8-way power driver's seat

with power recliner which is

operated through controls

conveniently located at

your side.

For the ultimate in comfort,

equip your Grand Marquis LS with

available soft, supple,

leather seating surfaces. It'll take your

car to the next level of comfort.

detecting and controlling wheel spin.

Optional ABS provides straighter stops and greater steering control during emergency stopping on most slippery road surfaces.

Among comparable basic large cars tested, Grand Marquis is the only large car with a double five star crash test rating — the government's highest possible rating.*

For LS models, an available universal programmable garage door opener located on the visor can control up to three garage doors or turn on house lights with additional equipment.

A dealer installed cargo net helps keep your trunk organized and prevents groceries and packages from sliding around.

*Driver and passenger front crash test. Government data only useful in comparing vehicles within 500 lbs.
