

TRACK TOUGH. STREET WISE.

**Mercury Capri SCCA Trans Am
Manufacturers' Champion**

1985 Mercury Capri 5.0L

Mercury Capri has what it takes to win! Specially prepared and modified Mercury **Capris** have dominated the Sports Car Club of America's Trans Am racing series this year. The Capris, in winning eleven of sixteen races, defeated a field of Chevrolet Corvettes and Camaros, Pontiac Trans Ams, Porsches and Nissan ZX's. This dependable and consistent performance earned Mercury Capri the S.C.C.A. Manufacturers' Championship. Not only did the **Capris** win... they finished first, second and third.

Mercury Capri...a winner on the track and now priced to be a winner on the road. See and drive the Mercury Capri 5.0L today!
