

# CAPRI '82

FROM LINCOLN-MERCURY

## MERCURY CAPRI. SHEER MAGIC.

Elusive. Exciting. Wild. Seductive. Sexy. Sleek. Sophisticated. Words can only suggest the special magic you'll discover in Mercury Capri.

There's the visual magic of European-inspired sports styling. The design magic of deep, contoured bucket seats. The precision of rack-and-pinion steering. The flat cornering and flat-out

enjoyment from Capri's firm-riding suspension system. Make no mistake. This is a car you'll love to drive.

It lets you express your individuality, too. With a wide, wide range of choices. Like an optional five-speed overdrive stick-shift transmission.\* Or the optional Radial Sport suspension. Or the ultrasophisticated TR Performance

Package. It features heavy-duty components computer-tuned to Michelin TRX radial tires and forged metric aluminum wheels. Magic in motion.

For the all-out performance enthusiast, Capri offers a 5.0 liter V-8 which teams up with the four-speed manual overdrive transmission. This powerhouse package includes a high-

performance cam shaft, large-capacity carburetor and air cleaner (which require a hood scoop to house them,) low-restriction, sport-tuned exhaust and cast aluminum rocker-arm covers. To keep the wheels on the road, this package also includes traction bars, Radial Sport suspension, larger 185/75R14 BSW tires, and Traction-Lok axle.

But keep going. With exciting options like a T-roof or flip-up open air roof, and raised white-letter tires. Or special entertainment from a superb choice of stereo radios and an optional Premium Sound System that lends your ears a new lease on listening.

Capri magic. Five exciting Capri models to put you under their spell.

\*Five-speed transmission standard in Washington, Oregon, Alaska, Hawaii, and California.

Some of the equipment shown may be available only at extra cost, and only on specific models. Please see pages 8 through 11 for specific information regarding standard and optional equipment.

Mercury Capri RS in Bright Red, with optional Michelin TRX tires, forged metric aluminum wheels, and T-roof.

## INSIDE CAPRI MAGIC.

There's a world of enchantment inside a Mercury Capri.

It starts with the standard equipment: deeply contoured bucket seats that recline at the touch of a handle. Also includes a deeply carpeted floor, full instrumentation

including a tach and trip odometer, a three-spoke sport steering wheel, seating for four, with a rear seat that folds down to create a carpeted cargo area of 30.3 cubic feet. That's the basic Capri, and that's a lot to start with. (Center console with graphic

warning display is standard on all but the base Capri model.)

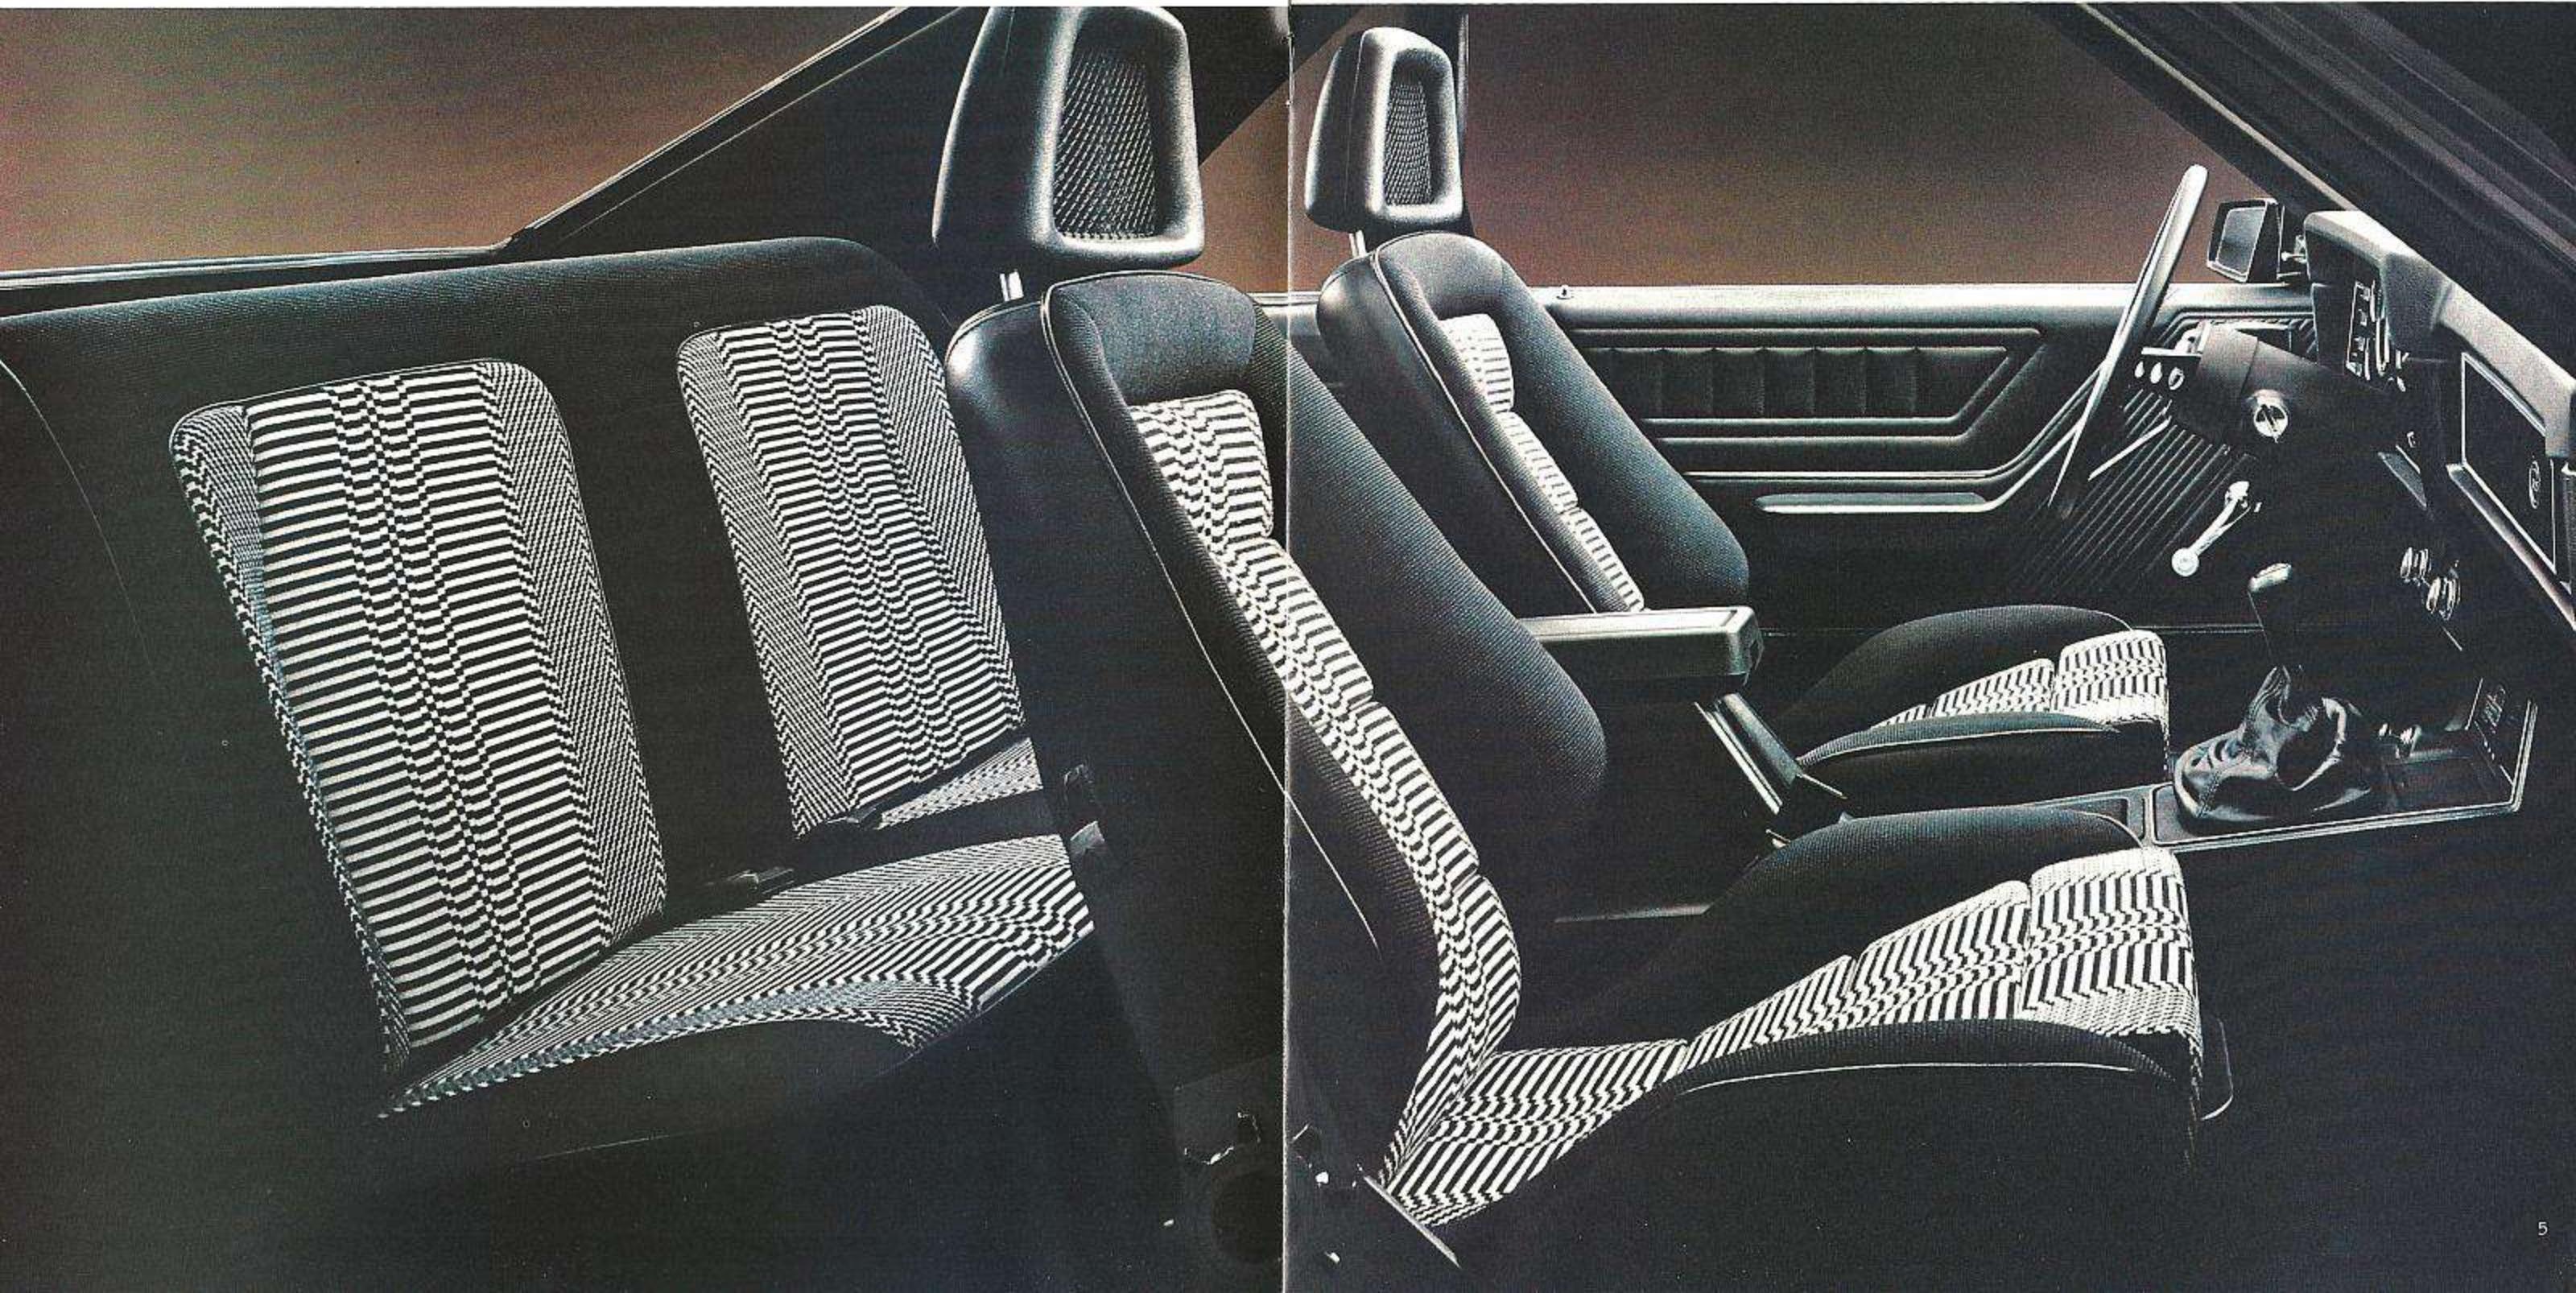

Where you go from there is up to you. Choose the optional Recaro bucket seats, shown below, in Black cloth, trimmed in vinyl. These remarkable seats are designed

by Recaro, a European manufacturer of specialty seats for racing cars and aircraft. In addition to their distinctive look, Recaro seats feature a removable lumbar support cushion, adjustable thigh depth-support cushion, and an

adjustable seatback recliner for exceptional personal comfort. (For more seating information, turn to pages 6 and 9.)

Also shown below are Capri's optional leather-wrapped sport steering wheel and five-speed manual overdrive transmission.

Capri magic. It's exciting to be in, exciting to be seen in.

## CAPRI'S MAGICAL MODELS.

In choosing from five different Capri models, you can start with the base Capri or Capri L (middle car, below). For starters, both are a lot of car, as you will note on page 8.

Then there's the Capri GS (below right) that puts the accent on interior luxury and convenience.

And the Capri RS (as shown on pages 2 and 3)—a real enthusiast's car, with such all-out performance features as a husky 5.0 liter V-8, efficient four-speed overdrive stick-shift transmission, traction bars, Radial Sport suspension, Traction-Lok axle, and large-size 185/75R14 BSW

tires. And its performance image is enhanced by such distinct styling cues as the blackout grille treatment, sculptured hood scoop, wide tape stripes, and rear spoiler; and inside, a leather-wrapped three-spoke steering wheel and special Black finish on the instrument cluster.

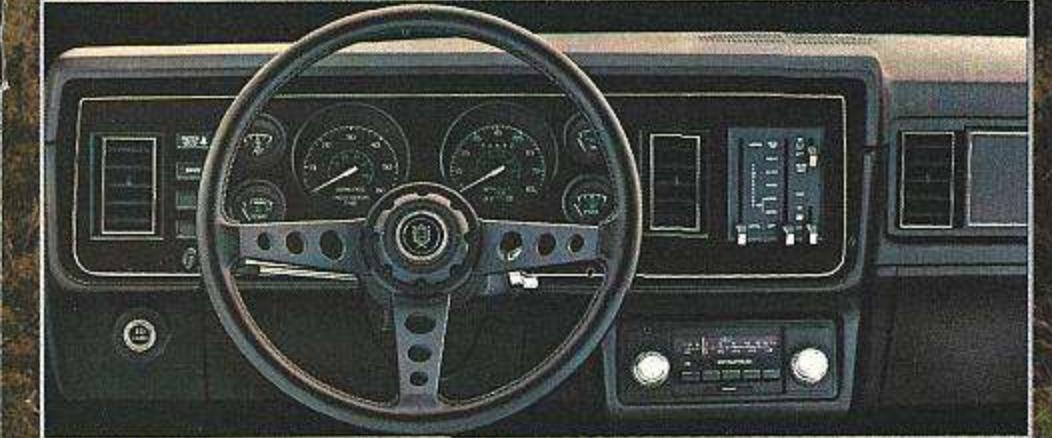

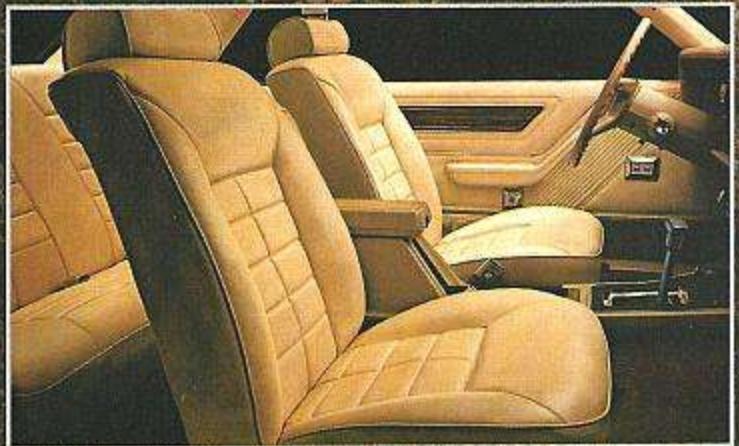

Then there's the unique Capri Black Magic (below left)—that special witchcraft we weave so well—with its distinctive Gold and Black accents, inside and out (available also in White with Gold accents). With hood scoop and rear spoiler, as well as the tough Rally suspension system with

Michelin TRX radial tires on forged metric aluminum wheels with a unique Gold-color finish.

But despite all these choices, every Capri comes on strong with many standard features, such as power front disc brakes, a cover for the cargo area, and for

1982, a 15.4-gallon fuel tank to lengthen the distance between gas stops. And there's a tethered fuel tank cap to help you keep what's yours, yours.

Capri magic. Presto, get it on.

Mercury Capri Black Magic in Black and Gold, with Gold-color forged metric aluminum wheels and optional T-roof.

Mercury Capri L in Medium Yellow, with standard turbine wheel covers.

Mercury Capri GS in optional Medium Bittersweet Metallic, with optional flip-up open air roof, and optional wire wheel covers.

Far left, GS interior. Low-back bucket seats in optional French Vanilla leather with vinyl trim, deep 18-ounce carpet, and luxury door trim.

Middle left, Black Magic Interior. Low-back bucket seats with unique Gold cloth seat insert and Black trim.

Left, Black Magic instrument panel, with Black brushed, easy-to-read, easy-to-operate instrument cluster, and three-spoke optional leather-wrapped sport steering wheel.

YOUR CHOICE OF CAPRI MODELS,  
WITH THEIR STANDARD FEATURES.

**CAPRI**  
STANDARD FUNCTIONAL FEATURES

- 2.3 liter 4-cylinder overhead cam engine
- Two-barrel carburetor
- Four-speed manual transmission, floor mounted\*
- High/low ram air ventilation
- Fluidic oscillating windshield washer system
- Inside hood release
- Theft-resistant decklid lock
- Antitheft door latches
- Power front disc/rear drum brakes
- Rack-and-pinion steering
- Advanced strut front suspension
- Four-bar link design with coil spring rear suspension
- Front stabilizer bar
- Improved corrosion protection
- Electronic ignition system
- Electronic voltage regulator
- Easily accessible fuse box
- Color-keyed front and rear bumper fascia
- Coolant recovery system
- 45 amp-hr maintenance-free battery
- P175/75R14 BSW steel-belted radial tires
- Full fender splash shields
- Center-mounted parking brake
- Halogen headlamps
- AM\*\* radio with dual front speakers
- 15.4-gallon fuel tank with tethered gas cap

STANDARD INTERIOR FEATURES

- Easy-to-read gauges and instruments
- Two sets of stalk-mounted controls on steering column
- Horn, turn signals, headlamp dimmer switch, and flash-to-pass
- Windshield washer/wiper

- European-type ISO symbols for operating control designations
- Woodtone instrument panel applique
- Bright window regulator handles
- Bright door-latch handles
- Bright door-lock plungers
- High-back vinyl-trimmed bucket seats
- Reclining seatbacks
- Deluxe color-keyed seat belts with tension reliever
- Color-keyed cargo area cover
- Full instrumentation, including tachometer
- Cigarette lighter
- 10-ounce cut-pile carpeting
- Cut-and-score headlining
- Trip odometer
- Hidden rear seat belt retractors
- Sport steering wheel
- Glove box lock
- Passenger door courtesy light switch
- Day/night inside rear view mirror
- Carpeted luggage area
- Fold-down rear seat
- Inertia seatback release
- Fully trimmed door panel

STANDARD EXTERIOR FEATURES

- Unique color-keyed hood louvers
- Dual rectangular halogen headlamps
- Black and bright horizontal grille theme
- Bright headlamp bezels
- "CAPRI" block letters on hood
- Mercury script on grille
- Unique fender/quarter panel appearance
- Unique fender and quarter panel dual pinstripes
- Left-hand remote-control sail-mounted mirror
- Unique wraparound extra-wide bodyside molding (Black with dual accent color stripes)
- Bright drip moldings
- Black cowl grille
- Black windshield wiper arms
- 14" turbine wheel covers
- Bright windshield and rear window moldings
- Black window frame moldings with bright bead accent
- Unique color-keyed rear pillar louvers
- Unique horizontal wraparound taillamps
- Liftback third door

**CAPRI L**  
Includes all Capri standard features, plus these additions and/or differences:

- L name badge on decklid
- Low-back bucket seats
- Console with digital day/date/elapsed time clock and graphic warning display
- Visor vanity mirror
- Carpeted lower door trim panel
- Deluxe sound package

**CAPRI GS**  
Includes all Capri L standard features, plus these additions and/or differences:

- 18-ounce carpeting
- Luxury cloth seat trim
- Luxury door trim
- Driver's door map pocket
- Light Group (see page 10)
- Four-spoke luxury steering wheel with woodtone insert
- GS name badge replaces "L"
- Black dual remote-control mirrors

**CAPRI RS**  
Includes all Capri L standard features, plus these additions and/or differences.

- 5.0 liter V-8
- Power steering
- Traction-Lok axle
- P185/75 R14 BSW tires
- Radial Sport suspension system
- RS medallion on instrument panel
- Black brushed instrument cluster and right side appliqués
- Leather-wrapped steering wheel
- Black grille
- Black window moldings
- Black rear pillar louvers
- Tape treatment (delete pinstripes)
- Hood scoop (nonfunctional, large style)
- Black door handles and lock cylinders
- Rear spoiler
- Black headlamp bezels
- Black dual remote-control mirrors
- Delete "L" badge

**CAPRI BLACK MAGIC**  
Includes all Capri L standard features, plus these additions and/or differences:

- 15.3" forged metric aluminum wheels painted Gold with chrome lug nuts
- Rally suspension system
- Michelin TRX tires

1. AIR CONDITIONING with  
manual temperature control  
adds cool comfort to your  
warm weather driving.

2. TILT STEERING WHEEL.  
Adjusts to five different  
positions. Also tilts to allow easy  
entry and exit from driver's seat.  
Requires power steering.  
Comes with luxury steering  
wheel.

3. AM/FM STEREO RADIO with  
cassette is one of five Capri  
radio choices. (See opposite  
page for full selection.)  
Optional Premium Sound  
System added to any of the  
stereo radios greatly improves  
the sound quality. System  
includes power amplifier and  
dual rear Premium Sound  
speakers.

4. MICHELIN TRX RADIAL  
TIRES and three-spoke  
390mm forged metric  
aluminum wheels put more  
spirit and sport in your driving.  
(Standard on Black Magic and  
included in TR Performance  
Package.)

5. WHEELS AND WHEEL  
COVERS. Dress up your Capri  
with (left to right) forged metric  
aluminum wheels (standard on  
Black Magic in Gold); cast  
aluminum wheels; wire wheel  
covers; styled steel wheels with  
trim rings; and turbine wheel  
covers (standard on Capri, Capri  
L, Capri GS, and Capri RS).

6. T-ROOF gives you the  
open-air feeling of a  
convertible. Features easily  
removable tinted glass panels.

7. FLIP-UP OPEN AIR ROOF.  
Easy-to-handle feature lets the  
moonlight in—sunshine and  
fresh air, too.

8. REAR WINDSCREEN  
DEFROSTER. Helps keep your  
rear window free of ice and  
snow.

## MAINTENANCE SCHEDULE

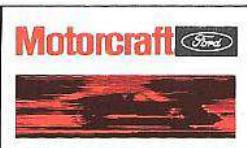

The Ford Motor Company wants to reduce both the frequency and cost of scheduled maintenance on its cars to an absolute minimum. And compared to just a few years ago, we're making strides in that direction. For example, in 1973, an engine oil change was called for each 4,000 miles. In 1982, Capri oil changes are recommended at 7,500-mile intervals. Other recommended intervals are now 30,000 miles between spark plug changes; 30,000 miles between air filter replacements; 50,000 miles or three years between engine coolant replacements. We're proud of these improvements, and we're working constantly to make them even better.

## CORROSION PERFORATION WARRANTY

Ford Motor Company offers a limited three-year corrosion perforation warranty excluding exhaust system components on all new 1982 Lincoln-Mercury automobiles. And at no cost to you.

The warranty states that any sheet metal part which, in normal use, develops perforation from corrosion within three years of retail delivery or first use will be repaired or replaced free of charge by the selling Dealer after inspection by a Ford representative. Exhaust system components or parts which develop corrosion perforation caused by accidents or other damage are not covered.

This warranty valid only in the 50 United States.

## ...FOR SURE

### QUALITY REPLACEMENT PARTS FROM FORD

Your new Capri comes equipped with factory-engineered and approved parts including a dependable Motorcraft battery, shock absorbers, spark plugs, long life oil filters, and motor oil. For continued top performance, be sure to specify genuine Motorcraft parts whenever replacement is necessary.

Ford Motor Company's optional Extended Service Plan covers major components on new Mercury cars for longer than the vehicle's basic warranty. The cost is so moderate for the protection you get that it could pay for itself the first time you need it. Ask your Lincoln-Mercury Dealer for complete details of the Plan, which is available on cars sold and normally operated in the 50 United States and Canada.

## FORD-PAID REPAIR PROGRAMS AFTER THE WARRANTY PERIOD.

Sometimes Ford Motor Company offers adjustment programs to pay all or part of the cost of certain repairs. These programs are intended to assist owners and are in addition to the warranty or to required recalls. Ask Ford Motor Company or your Lincoln-Mercury Dealer about such programs relating to your Ford or Lincoln-Mercury vehicle.

To get copies of any adjustment program for your vehicle or the vehicle of interest to you:

Call Ford toll-free at  
1-800-241-3673.

Alaska and Hawaii, call

1-800-243-3711.

In Georgia, call 1-800-282-0959

or write Ford at

Ford Customer Information System  
Post Office Box 95427  
Atlanta, GA 30347

We'll need your name and address; year, make, model, and vehicle identification number, as well as engine size; and whether you have a manual or automatic transmission.

## TECHNICAL SERVICE BULLETINS

All vehicles need repairs during their lifetime. Sometimes Ford issues Technical Service Bulletins (TSBs) and easy-to-read explanations describing unusual engine or transmission conditions which may lead to costly repairs, the recommended repairs, and new repair procedures. Often a repair now can prevent a more serious repair later. Ask Ford Motor Company or your Lincoln-Mercury Dealer for any such TSBs and explanations relating to your Ford or Lincoln-Mercury vehicle.

To get copies of these Technical Service Bulletins and explanations for your vehicle or the vehicle of interest to you:

Call Ford toll-free at

1-800-241-3673.

Alaska and Hawaii, call

1-800-243-3711.

In Georgia, call 1-800-282-0959

or write Ford at

Ford Customer Information System  
Post Office Box 95427  
Atlanta, GA 30347

We'll need your name and address; year, make, model, and vehicle identification number, as well as engine size; and whether you have a manual or automatic transmission.
