Lynx RS Station Wagon

Today, when America needs small, high-quality, fuel-efficient cars, Lincoln-Mercury is working to meet that need. Introducing Lynx. A car with the kind of four-passenger comfort, equipment, space, and contemporary styling you'd expect from Lincoln-Mercury.

Lynx is a world-class car. It was conceived, designed, and developed by Ford Motor Company engineers with years of experience worldwide—not only in America, but also in countries such as Germany, Japan, and Great Britain. However, Lynx is built in America to meet America's needs.

Lynx's sophisticated design brings you the technology of front-wheel drive, the riding comfort of four-wheel independent suspension, and the advantage of computer-designed aerodynamics. Lynx creates a special inner world that's a pleasure to be in. It could change the way you look at any automobile.

Lynx is available in three-door hatchback and four-door liftgate station wagon models. Your choices range from Lynx up to the elegant Lynx LS, depending on the level of equipment and luxury you desire.

We invite you to drive and discover: now the world belongs to an American automobile. The world belongs to Lynx.

Some of the equipment shown may be available only at extra cost, and only on specific models. Please see pages 17 to 19 for specific information regarding standard and optional equipment.

LYNX WORLD OF ENGINEERING

For all of its styling, comfort, and luxurious appointments, one of the most outstanding aspects of the new Lynx is its innovative technology.

FRONT-WHEEL DRIVE... significantly improves traction in rain, snow, and sand. Space-efficient front-wheel-drive design allows more passenger room by reducing the size of the engine compartment and eliminating the conventional driveshaft tunnel.

1. ENGINE: Lynx's all-new four-cylinder engine has a sophisticated compound valve hemispherical (CVH) combustion chamber design and overhead cam valve train to achieve high efficiency and optimum power for an engine of its size.

2. TRANSAXLE. Lynx features a completely new, fully synchronized smooth-shifting four-speed manual transaxle with an overdrive fourth gear. Its wide-ratio gearing permits fewer engine revolutions at cruising speeds than with a conventional transmission. A compact, innovative new three-speed automatic transaxle is optional. Its revolutionary "splitter" gear set helps eliminate slippage and attain significantly better fuel efficiency than in less sophisticated designs.*

3. SUSPENSION: Lynx's smooth ride and handling are due in part to its

four-wheel independent suspension. This system controls the movement of each wheel independently; thus shock and vibrations are not transmitted from one wheel to another or to the body.

4. BRAKES: Standard front disc (shown). Rear brakes are easily checked for lining wear without removing brake drums.

5. PUSH-IN MINI-FUSE PANEL: Fuses are replaced easily from front of instrument panel.

6. AERODYNAMICS: Lynx has a remarkable .40 wind drag

coefficient.** Aerodynamic refinements contribute to improved fuel efficiency.*

7. BODY CORROSION PROTECTION... engineered with the latest technology to provide many years of rust-free ownership. The three-year Corrosion

1. 1.6 Liter 4-cylinder overhead cam CVH engine.

Perforation Warranty is detailed on page 20. And it's free.

The diagram on the next page tells the inside story on Lynx. But the best way to get acquainted with Lynx's technology (and ride and handling characteristics) is to test-drive one yourself. You'll find you don't have to be an engineer to appreciate great engineering.

*EPA ratings not available at time of printing. Data may now be available. Please see your Dealer.

**C.D. European.

2. All-new automatic transaxle.

3. Fully independent suspension system.

4. Disc brake.

5. Mini-fuse panel.

6. Aerodynamics.

7. Body corrosion protection.

1. Chrome-plated high-strength light alloy bumpers.
2. Halogen sealed-beam headlights for bright, white light.
3. Valance panel and air dam to improve aerodynamics.
4. Axle ratio: 3.59 (MTX); 3.31 (ATX).
5. Easily accessible spark plugs.
6. All-new 4-cylinder overhead cam engine.
7. Flow-Thru ventilation with three blower speeds.
8. Inside hood release.
9. Soft instrument panel.
10. High-strength steel doorguard beams.
11. Sound insulation throughout.
12. Manual front disc brakes, rear drum. Split-diagonal braking system.
13. Front stabilizer bar.
14. Front-wheel drive. Improves traction, increases interior space.
15. Hydraulic, telescoping shock absorbers help provide a smooth ride on bumpy roads.
16. Rack-and-pinion steering for precise steering and feel-of-the-road handling.
17. Energy-absorbing steering column.
18. Solid-state ignition.
19. Fluidic windshield washer system designed for efficient cleaning action.
20. Stalk-mounted control levers for turn signals, horn, headlamp dimmer, and windshield wiper/washer.
21. Inertia seatback release (3-door) allows access to rear seat without use of a lever.
22. Helical coil springs contribute to smooth ride.
23. P155/80R13 steel-belted radial tires for traction in mud and snow.
24. Full-width-construction rear seat folds down for more cargo space.
25. Unitized body construction.
26. Full-width wraparound taillights (3-door).

MERCURY LYNX LS 3-door in Tu-Tone Silver with full styled steel wheels.

LYNX WORLD OF COMFORT

Enter the world of Lynx. Lynx seats four adults in comfort. The top-of-the line Lynx LS comes with the elegant interior shown left. Featured are comfortable reclining bucket seats trimmed in plush luxury velour cloth, deep 18-ounce cut-pile carpeting, four-spoke soft-feel steering wheel, console with graphic warning display, and rich woodtone accents on the instrument panel and console. Other Lynx LS niceties are AM/FM stereo radio and electric rear window defroster. To make your driving even more comfortable, consider optional air conditioning, speed control, power brakes and power steering.

A world of comfort awaits you in Lynx.

Shown left, LYNX LS interior with reclining bucket seats in Red velour luxury cloth.

Optional speed control.

Visor vanity mirror.

Optional digital clock (standard on LYNX LS and LYNX GS).

Optional AM/FM stereo radio (standard on LYNX LS).

62.4"

61 cu.ft.

MERCURY LYNX GS Wagon in Tan with full styled steel wheels and optional removable flip-up moonroof.

LYNX WORLD OF SPACE

Discover Lynx space: in the roomy interior that seats four with new, comfortably contoured bucket seats up front, full width rear seat in back. And in the handy 16.3 cubic feet of hidden cargo space behind the back seat, which expands to 30.6 cubic feet with the back seat folded down. For the maximum amount of Lynx space, get the Lynx Station Wagon (shown here). The rear seat folds down to give you a generous 61 cubic feet of carpeted storage area. The Villager Woodtone option, available on Lynx GL and Lynx GS Wagons, enriches the appearance of your Lynx with full-length woodtone trim along the bodyside and liftgate, accented with bright edges (shown on page 3). Also included with this option is a roof-mounted luggage rack for more carrying capacity.

A world of space surrounds you in Lynx.

LYNX GS reclining low-back bucket seats in Caramel vinyl.

Cargo area cover to keep your luggage out of view.

Optional rear window wiper/washer.

Standard steel-belted radial tires (WSW optional).

Shown left, MERCURY LYNX GS Wagon in Tan.

MERCURY LYNX 3-door in Dark Blue Metallic with semi-styled steel wheels.

LYNX WORLD OF VERSATILITY

Enjoy Lynx versatility: in the third door which lifts up to allow easy access to the storage compartment. In the fold-down rear seat for more cargo carrying capacity. And in the wide range of available trim levels and options. You can make your Lynx even more versatile with the optional roof-mounted cargo carrier (lower right) which is available with an optional cover to protect your gear on long trips. High-back reclining bucket seats, shown here in optional Blue cloth, are standard on Lynx GL (left). Other Lynx GL standard features are deluxe seat belts, consolette with molded-in cup holder and coin slots, and four-spoke steering wheel.

A world of versatility is ready for you in Lynx.

LYNX GL high-back reclining bucket seats in optional Blue cloth.

Lynx generous cargo space.

Optional roof-mounted cargo carrier.

Lynx full-width-construction rear seats.

Shown left, MERCURY LYNX GL 3-door in Bright Blue Metallic.

MERCURY LYNX RS 3-door in Bright Red with full styled steel wheels.

LYNX WORLD OF PERFORMANCE

Experience Lynx performance: with a four-speed manual transaxle and feisty 1.6 liter 2-bbl. four-cylinder CVH engine. With flat-cornering, four-wheel fully independent suspension system finely tuned to steel-belted radial tires. With an action-oriented handling package including upsized front stabilizer bar, heavy-duty shock absorbers, and stiffer front and rear springs. With a racy black four-spoke steering wheel and sophisticated instrument panel. All this and more is standard excitement on the Lynx RS. Blackout grille and moldings, special "RS" tape stripe/decal, black racing mirrors, and styled steel wheels mark the tough-looking, sporty Lynx RS.

A world of performance is rarin' to go in Lynx.

Optional reclining low-back bucket seats in Black vinyl.

Graphic warning display in console (optional on Lynx, Lynx GL).

Black remote-control racing mirrors (standard on Lynx RS).

Tachometer (standard on Lynx RS, Lynx LS, Lynx GS).

Shown left, LYNX RS instrument panel with tachometer, trip odometer, and temperature gauge.

OPTIONS

ELECTRIC REAR WINDOW DEFROSTER.

Helps keep your rear window free of ice and snow.

AM/FM STEREO RADIO WITH CASSETTE TAPE.

Lynx offers four radio choices (see page 18). Add optional Premium Sound System to either of the stereo radios for greatly improved sound quality. This System includes dual rear premium speakers and power amplifier.

WHEELS. Cast aluminum spoke wheels (optional all models); and styled steel wheels with bright trim rings, Argent hub covers, and bright wheel nuts (standard on Lynx GS, Lynx LS, and Lynx RS).

FLIP-UP, REMOVABLE MOONROOF. Let the sunshine, fresh air, and the moonlight in with this easy-to-handle, easy-to-like option.

MANUAL PIVOTING FRONT VENT WINDOWS. This comfort feature allows you to control the direction and velocity of the air flow.

POWER

- POWER BRAKES

☐ LYNX 3-DOOR

☐ LYNX STATION WAGON

Standard features on all Lynxes:

STANDARD EXTERIOR FEATURES

- Sealed-beam halogen headlamps
- Semi-styled wheels
- Bodyside paint stripe
- Bright left-hand outside mirror
- Bright grille
- Bright moldings and wheel trim rings
- Matte black rocker panel paint
- Front and rear long bumper end caps
- Wraparound taillights

STANDARD INTERIOR FEATURES

- AM radio (may be deleted for credit)
- Vinyl high-back bucket seats
- Folding rear seat
- 4-passenger seating capacity
- 2-spoke steering wheel
- Stalk mounted controls
- Bronze cluster and radio trim appliques
- Day/night rearview mirror
- Color-keyed swivel sun visors
- Full door and quarter trim panels
- 10-oz. passenger compartment carpeting
- Cargo compartment mat (3-door)
- Black load floor carpeting (wagon)
- Cargo area cover
- Front door dome light switches
- "Liftgate open" warning light (wagon)
- Coat hooks

STANDARD FUNCTIONAL FEATURES

- Front-wheel drive
- 1.6L 2-bbl. 4-cylinder CVH engine
- Solid-state ignition
- 4-speed manual overdrive transaxle with floor shift
- Manual front disc/rear drum brakes
- Manual rack-and-pinion steering
- MacPherson-strut front suspension
- Independent rear suspension
- P155/80R13 steel-belted radial tires
- Maintenance-free 36-amp-hr. battery
- Inside hood release
- Electric windshield washer/wiper
- Inertia seatback release
- Flash-to-pass headlamp feature

☐ LYNX GL 3-DOOR

☒ MAKE YOUR OWN CHOICES

☐ LYNX GL STATION WAGON

Includes all Lynx standard features *plus* these additions and/or differences:

- Reclining vinyl high-back bucket seats
- Deluxe seat belts
- Deluxe seat and door trim
- Consolette (includes molded-in cup holders and coin slots)
- Soft 4-spoke color-keyed steering wheel
- Visor vanity mirror
- Black load floor carpeting (3-door)
- Color-keyed load floor carpeting (wagon)
- Rear ashtrays
- Wide bodyside molding w/Argent stripe
- Bumper rub strips with Argent stripe
- Deluxe sound insulation package
- Black front air dam
- GL medallion

☐ LYNX GS 3-DOOR

☐ LYNX GS STATION WAGON

Includes all Lynx GL standard features *plus* these additions and/or differences:

- Reclining cloth low-back bucket seats
- Digital clock
- Instrumentation group (special instrument cluster with large round dials for speedometer and tachometer, small dials for temperature and fuel gauges, and a trip odometer)
- Intermittent windshield wipers
- Console with graphic warning display
- Woodtone cluster and radio trim covers
- 18-ounce passenger compartment carpeting
- Ashtray, glove box, dome/map lights
- Cargo compartment/engine compartment lights
- Glove box lock
- Headlamp-on warning buzzer
- Roof assist handles
- Dual remote-control color-keyed mirrors
- Full styled steel wheels
- P165/80R13 steel-belted radial tires
- Bumper guards, front and rear
- Dual color bodyside stripe
- GS medallion

Ford Motor Company's optional Extended Service Plan covers certain selected components on new Lincoln-Mercury cars for longer than the vehicle's basic warranty. The cost is so moderate for the protection you get that it could pay for itself the first time you need it. Your Lincoln-Mercury Dealer will be happy to give you complete details of the Plan, which is available on cars sold and normally operated in the 50 United States.

Buy or lease your Lynx from your Lincoln-Mercury Dealer.

CORROSION PERFORATION WARRANTY

Ford Motor Company offers a limited three-year corrosion perforation warranty excluding exhaust system components on all new 1981 Lincoln-Mercury automobiles. And it's free.

The warranty states that any part which, in normal use, develops perforation from corrosion within three years of retail delivery or first use will be repaired or replaced free of charge by the selling Dealer after inspection by a Ford representative. Exhaust system components or parts which develop corrosion perforation caused by accidents or other damage are not covered.

This warranty valid only in the 50 United States.

...FOR SURE

Your new Mercury Lynx comes equipped with factory-engineered and approved parts including a dependable Motorcraft battery, shock absorbers, spark plugs, long life oil filters, and motor oil. For continued top performance, be sure to specify genuine Motorcraft parts whenever replacement is necessary.

Specifications and descriptions used were in effect when this publication was approved for printing. Lincoln-Mercury Division reserves the right to discontinue models or options at any time, or change specifications, equipment or designs without notice and without incurring obligation. Standard and optional equipment listed are subject to change. Some features described are optional at extra cost. Some options are required in combination with other options. Availability of some models and features may be subject to a slight delay.

GAS MILEAGE

At the time this catalog was published, 1981 EPA estimates were not available. Lynx should, however, post good miles-per-gallon ratings. For the latest information, consult your Lincoln-Mercury Dealer or the 1981 EPA Gas Mileage Guide.
