# CAPRI MAGIC

---

There's a special magic that is Capri's alone. It's more than the relevant practicalities of size and weight. More than the sleek sophistication of European-inspired sports styling. More than the deep comfort of contoured bucket seats. Or the crisp precision of rack-and-pinion steering. More than the nimble response, flat cornering, and flat-out enjoyment from Capri's firm-riding suspension system. More even than Capri's optional Radial Sports Suspension. Or the sophisticated optional Rally Suspension system, with heavy-duty components computer-tuned to TRX radial tires and forged aluminum wheels. And sports options like a five-speed manual overdrive transmission and turbocharged engine. Capri Magic is all these things—and still more, with a wide choice of exciting options like a console, T-bar convertible roof, moonroof, raised white-lettered tires... or comforting options like air conditioning, speed control, leather seat cushion inserts, stereo radios, plus a Premium Sound System that gives you sparkling clarity at high and low frequencies. With a wide choice of engines and transmissions (see page 15) and an exciting array of models—Capri, Capri GS, Capri RS, Capri Turbo RS, and Black Magic, which has a magic spirit all its own. Capri Magic. It's that indefinable spirit you've been waiting for.

Some of the equipment shown may be available only at extra cost, and only on specific models. Please see pages 8 to 12 for specific information regarding standard and optional equipment.

*Mercury Capri in Tu-Tone Pewter with optional wire wheel covers.*

*Mercury Capri Turbo RS in Bright Red with TRX forged aluminum wheels and optional flip-up removable moonroof.*

*Mercury Capri RS in White with sport wheel covers.*

*Mercury Capri Black Magic in Black and Gold with forged aluminum wheels with Gold-colour finish and optional T-bar convertible roof.*

Mercury Capri is a sporty specialty car that seats four. It has a liftback third door. With the rear seat folded down, its cargo space is 926 litres. Many features are standard. Like a rear window defroster, 2.3 litre OHC four-cylinder engine, four-speed manual transmission with floor-mounted shift lever, power brakes, 14-inch radial tires and full instrumentation. Optional features are listed on page 8-11. And if you like, you can pair up an engine and transmission from the long list of available power trains on page 12.

For those who like to take it through the gears, there's Capri Turbo RS with four-speed manual transmission, Michelin TRX radial tires and forged aluminum wheels, Rally suspension package, sports-tuned exhaust system, and a feisty 2.3 litre turbocharged engine package. And more.

On the outside, Capri RS dresses up your car with blackout grille treatment, sculptured hood scoop, wide tape stripes, and rear spoiler; inside, a special sporty engine-turned finish on the instrument cluster. To match, there's a Radial Sport suspension package specially designed to give you sportier handling.

If you think you can handle it, opt for the Capri Black Magic. You'll recognize it by the Cat medallion on the front fender. And the distinctive gold and black accents inside and out. Also available in white with gold accents. Black Magic (shown here with the bold new T-bar convertible roof option) has a hood scoop and rear spoiler as well as a rally suspension system and Michelin TRX radial tires on forged aluminum wheels with a gold-colour finish. All of which helps make it a really special specialty car.

## FOUR CLASSY WAYS TO GO CAPRI

*Optional Recaro bucket seats in Blue cloth.*

In one glance you'll see that Capri's bold, exciting styling extends to its interiors. All Capris come with sporty low-back bucket seats with reclining seatbacks. And you have many choices of materials, colours, and configurations.

Wrap yourself in optional Recaro bucket seats, shown above left. They were designed for Capri by Recaro, a European manufacturer of specialty seats for aircraft and racing cars. Sections of these seats can be tilted, raised, lowered, and adjusted four different ways—to conform to your individual desires. And they're available on all Capri models except Black Magic.

Another choice is the luxurious Capri GS. The GS interior, shown above right with optional console, features new low-back bucket seats. It's available in soft luxury cloth or rich leather trimmed in vinyl. Other GS niceties are a luxury steering wheel, luxury door and quarter trim, 18-ounce carpeting, door map pockets, and light group. On the outside, black dual remote-control mirrors and a GS medallion affirm your good taste.

Gold cloth inserts and black vinyl seat trim highlight the sleek Black Magic interior, shown right. Note the three-spoke sport steering wheel and the instrument panel featuring six dials for tachometer, speedometer, and odometer, plus temperature, oil, fuel, and alternator gauges (standard on all Capris).

The Black Magic seat style shown right is standard on Capri, Capri RS, and Capri Turbo RS in cloth or vinyl. Please see page 11 for details.

No matter which interior you choose, you'll be in comfort in Capri.

*Optional leather interior. Low-back bucket seats shown in leather with vinyl trim, optional console.*

# GO IN CAPRI COMFORT

*Black Magic interior. Low-back bucket seats  
in Gold cloth with Black trim, optional console.*

# MERCURY CAPRI OPTIONS

**T-BAR CONVERTIBLE ROOF** with removable tinted glass panels for the open-air feeling of a convertible.

**LUXURY STEERING WHEEL WITH "TILT" FEATURE.** Tilt steering wheel adjusts to five different positions, to an angle just right for you. Also tilts to allow easy entry and exit from the driver's seat.

**TONNEAU COVER.** Keeps your cargo out of view. Cover pulls out from behind rear seat and rolls up when not in use.

**AM/FM STEREO RADIO** with cassette is one of seven Capri radio choices. Add optional Premium Sound System to any of the stereo radios for greatly improved sound quality. System includes 12-watt power amplifier and dual rear premium sound speakers.

**CONSOLE.** Includes electronic digital clock with date and elapsed time functions; also warning indicators for low washer fluid level, low fuel level, or failure of headlights or taillights.

**AIR CONDITIONING** adds comfort to your driving.

## POWER

- POWER DOOR LOCKS
- POWER STEERING

**MICHELIN TRX RADIAL TIRES** and three spoke 390mm forged aluminum wheels (left). Standard on Turbo RS and Black Magic.

**WHEELS AND WHEEL COVERS.** Dress up your Capri with (left to right) sport wheel covers, wire wheel covers, forged aluminum wheels (standard on Turbo RS and Black Magic), turbine wheel covers (standard on Capri, Capri GS, and Capri RS), styled steel wheels with trim rings.

## ☒ MAKE YOUR OWN CHOICES

### ☐ MERCURY CAPRI

#### Standard features on all Capris:

##### STANDARD EXTERIOR FEATURES

- Three-door hatchback design
- 14-inch turbine wheel covers
- Driver's-side remote-control sail-mounted mirror
- Dual sealed-beam halogen headlamps
- Dual bodyside accent stripes
- Wraparound taillamps
- Wraparound wide bodyside moulding
- Black and bright grille
- Bright windshield moulding
- Colour-keyed hood louvres
- Black cowl louvres
- Black headlight frames

##### STANDARD INTERIOR FEATURES

- Four-passenger seating capacity
- Vinyl low-back bucket seats with reclining seatbacks and inertia seatback release
- Deluxe colour-keyed seat belts with tension reliever
- Fold-down rear seat
- Visor vanity mirror
- Sport steering wheel
- Stalk-mounted controls on steering column for horn, turn signals, headlamp dim switch, windshield washer/wiper
- Instruments: tachometer; speedometer/odometer/trip odometer; oil pressure gauge; engine temperature, ammeter, fuel gauge; and warning lights for brakes and seat belts
- Day/night inside rearview mirror
- Woodtone instrument panel appliques
- Lockable glove box
- Passenger courtesy light
- Cigar lighter
- Colour-keyed 10-ounce cut-pile carpeting in passenger compartment
- Carpeted luggage area
- Colour-keyed door mouldings

##### STANDARD FUNCTIONAL FEATURES

- Rear window defroster
- Liftback third door
- 2.3 Litre OHC 4-cylinder engine with Holley-Weber 2-V carburetor
- Four-speed manual transmission with floor-mounted shift lever
- 3.08:1 axle ratio
- 40-amp alternator
- Maintenance-free battery
- P175/75R14 steel-belted radial tires
- Rack-and-pinion steering
- Power brakes, front disc/rear drum
- Advanced strut front suspension with stabilizer bar
- Four-bar link design coil-spring rear suspension
- Anti-theft door latches
- Inside hood release

- Electronic ignition system
- Electronic voltage regulator
- Full fender splash shields
- Fluidic windshield washer system
- Centre-mounted hand brake
- 8.6-quart cooling system
- High/low ram air ventilation
- Deluxe sound package

### ☐ MERCURY CAPRI GS

Includes all Capri standard features *plus* these additions and/or differences:

- Black dual remote-control mirrors
- Four-spoke luxury steering wheel with woodtone insert
- 18-ounce carpeting
- Luxury door and quarter trim
- Light Group
- GS medallion
- Upgraded seat trim

### ☐ MERCURY CAPRI RS

Includes all Capri standard features *plus* these additions and/or differences:

#### EXTERIOR

- Simulated hood scoop
- Rear decklid spoiler
- Bright dual tailpipe extension (standard with 2.3L Turbo; optional with 4.2LV8)
- RS bodyside identification
- Wide tape stripes
- Black dual remote-control sail-mounted mirrors
- Black grille
- Black window frame mouldings, door handles, and lock cylinders

#### INTERIOR

- Leather-wrapped steering wheel
- Simulated engine-turned finish on instrument panel
- RS medallion on instrument panel

#### FUNCTIONAL

- Suspension: increased diameter front stabilizer bar; special spring rates and shock valving, and rear stabilizer bar (except with 2.3L engine)

### ☐ MERCURY CAPRI TURBO RS

Includes all Capri standard features and Capri RS features *plus* these additions and/or differences:

- 8000 RPM tachometer
  - Turbo-function indicator lights on instrument panel
  - Bright Turbo plaque on hood scoop
  - Turbo RS tape identification on front fender
- #### FUNCTIONAL
- 15.3 x 5.9" forged aluminum wheels
  - Michelin TRX low-profile, steel-belted radial tires, TRX190/65R390
  - 3.08:1 rear-axle ratio
  - 2.3 litre 2V 4-cylinder turbocharged engine package. Includes 5.5-quart oil sump, larger oil pump capacity (73-88 psi), Holley-Weber-2 bbl. carburetor, heavy-duty connecting rods, forged aluminum pistons with chrome compression rings, modified piston offset and ring clearance, electrodrive cooling fan.
  - Rally suspension system: Includes thicker front and rear sway bars than on Capri RS; higher spring rates and high-rate shock absorbers.
  - Sports-tuned exhaust system
  - Wide-ratio 4-speed transmission (1st gear, 4.07:1; 2nd, 2.57:1; 3rd, 1.66:1; 4th, 1.00:1)
  - Larger capacity clutch—1299 psi
  - 46.8 litre fuel tank

### ☐ CAPRI BLACK MAGIC

Includes all Capri standard features *plus* these additions and/or differences:

- Choice of Black or White exterior paint with Gold accents
- Hood scoop
- Rear spoiler
- Gold tape stripe treatment
- Black bodyside moulding with Gold insert
- Black door handles and lock cylinders
- Black vinyl seat trim with Gold cloth inserts
- Michelin TRX low-profile steel-belted radial tires, TRX190/65R390
- 15.3" forged aluminum wheels with special Gold-colour finish
- Rally suspension system
- RH remote-control mirror, colour-keyed
- Black window frames and louvres (White louvres with White car)
- White taillights with White car

EXTENDED  
SERVICE  
PLAN

## THE FORD EXTENDED SERVICE PLAN

When you're choosing options for your Mercury Capri, consider the merits of ordering the Ford Extended Service Plan. Your dealer has full details. It provides extended repair cost protection, as specified, for parts and labour, for repairs to major components of the mechanical and electrical systems. The plan is offered by Ford Motor Company of Canada, Limited, and is honoured by participating Ford and Mercury dealers throughout Canada and the United States.

...FOR SURE

## QUALITY REPLACEMENT PARTS FROM FORD.

Your new Mercury Capri comes equipped with factory engineered and approved parts, including a dependable Motorcraft battery, Motorcraft spark plugs, Motorcraft shock absorbers, ignition parts and Long Life oil filter. For continued performance be sure to specify genuine Motorcraft parts whenever replacement is necessary.

This brochure has been prepared only as a general guide to the customer and every effort has been made to ensure that all information is correct at the time of printing. However, some errors may have been included and some of the information or specifications may have been changed since the time of printing. Your dealer will have full details of any changes and/or corrections and you should ask him to bring you up to date at the time of your purchase. Ford Motor Company of Canada, Limited reserves the right to change prices, colours, materials, specifications and models and to discontinue models without notice and without incurring obligations of any kind. Some features described or shown may be optional at extra cost. Some options are required in combination with other options.

## CORROSION PROTECTION

All Capri cars are protected with the DURAGUARD System, which includes 7 processes built in at the factory as standard equipment, to provide corrosion protection as follows:

- precoated steel on doors, quarter panels and other selected areas;
- galvanized steel on rocker panels, selected cowl tops and underbody parts;
- vinyl sealer on the underside of rear wheelhouses;
- phosphate coating on the entire car body after a super cleaning process;
- electrocoat process to apply corrosion resistant primer paint, also on the entire body;
- aluminumized wax sprayed into hard-to-reach lower body areas, the inside surfaces of doors and quarter panels;
- protective vinyl coating on the lower bodyside for resistance to stone chipping and road abrasion.

The DURAGUARD System is backed by a no-extra charge 36-month unlimited distance manufacturer's warranty against corrosion perforation. This warranty, transferable to succeeding owners during this warranty period, covers the cost of both labour and materials for repair of perforation of parts caused by corrosion. Exhaust system components are excluded. The basic 12-month/20,000 kilometre warranty covers corrosion, other than perforations, that are due to defective factory materials or workmanship. Ask your dealer for details.
