

1971 MERCURY MONTEGO

Mercury Montego MX Brougham 2-door hardtop

Start with the best ideas in intermediates. Add extra room and luxury. What you'll have is a better luxury intermediate, and the Montego MX Brougham is the best example.

Built on a handy-sized 117-inch wheelbase, the Brougham is a foot shorter than big cars, but with sleek lines, luxurious highlights and beautifully appointed, roomy interiors that give it an air of richness seldom encountered in a car of Montego's size and price range. A dramatic new grille and rear end treatment accent the overall distinctiveness for 1971, and a brilliant array of eleven new colors adds to the pleasure you will have in selecting the Montego MX Brougham.

Models include a 2-door hardtop, 4-door hardtop, 4-door sedan and a Montego MX Villager station wagon which is described in a separate station wagon catalogue available from your Mercury dealer.

Mercury Montego MX Brougham 2-door hardtop

Mercury Montego MX Brougham 4-door hardtop

Mercury Montego MX Brougham 4-door sedan and hardtop

Distinctive upper body paint stripes and bright metal trim distinguish the Brougham among Montego models. The deluxe wheel covers are also standard. Inside, the tastefully designed interiors are available in either cloth-and-vinyl or all-vinyl at no extra cost. Color-keyed deep-loop carpeting and a deluxe woodgrain steering wheel add to the overall look of quality and luxury. You can choose whatever performance level you desire as a 250 cubic-inch 6-cylinder engine is standard and three V-8's are offered at extra cost up to a 351-4V. Additional performance and comfort and convenience options are detailed on page 16 so that you can tailor your Montego MX Brougham to your driving requirements.

Mercury Montego MX Brougham standard equipment includes:

250-1V six-cylinder engine 3-speed manual transmission Dual upper paint stripe Deluxe wheel covers 3-pod taillamps Concealed windshield wipers Reversible keys Locking steering column E78x14 belted tires Color-keyed nylon-loop carpeting Front and rear foam-padded armrests Woodgrain appliqué on instrument cluster face Deluxe steering wheel Factory installed undercoating sound deadener Deluxe insulation package

Mercury Montego MX 2-door hardtop

Mercury Montego MX 4-door sedan and 2-door hardtop

One of Mercury's better idea family cars is the intermediate-sized Montego MX. It's built on a 117-inch wheelbase, is moderately priced and has considerable flair with its sleek overall appearance and beautifully styled, well appointed interiors. There's no skimping on chrome ornamentation either. The exceptionally smooth, quiet ride is the result of Mercury's better ideas in suspension design, and the impressive list of standard equipment shows you Mercury knows what value conscious buyers are looking for. In addition, a number of appealing options are offered for the Montego MX. These are detailed on page 16. Models include a 4-door sedan, 2-door hardtop and a Montego MX station wagon which is described in a separate station wagon catalogue available from your Mercury dealer.

Mercury Montego MX standard equipment includes:

- 250-1V six-cylinder engine
- 3-speed manual transmission
- Concealed windshield wipers
- Reversible keys
- Locking steering column
- E78x14 belted tires
- Woodgrain appliqué on instrument cluster face
- Color-keyed nylon-loop carpeting
- Front and rear foam-padded armrests
- Factory installed undercoating and sound deadener

Mercury Montego 4-door sedan

Mercury Montego 2-door hardtop and 4-door sedan

Available in a 2-door hardtop and 4-door sedan, the Mercury Montego offers budget-minded buyers a popular-price approach to the new style and spirit that characterizes the entire Mercury line for '71. Here is six-passenger roominess and comfort, ample luggage space, the smooth, steady ride of a big 117-inch wheelbase car and lively performance you can turn on with the big standard six-cylinder engine. Interiors display a level of luxury you wouldn't expect to find in a car in this price range. There is a wide array of options to select from, and these are detailed on page 16.

Mercury Montego standard equipment includes:

- 250-1V six-cylinder engine 3-speed manual transmission Concealed windshield wipers
- Reversible keys Locking steering column
- E78x14 belted tires Woodgrain appliqué on instrument cluster Front and rear foam-padded armrests Factory installed undercoating and sound deadener

Mercury Montego, Montego MX and Montego MX Brougham interiors

When you look at the interiors of the Montego, Montego MX or Montego MX Brougham you will know they were inspired by men with better ideas. The overall impression is one of richness and warmth with every consideration for driver and passengers.

1. The elegant interior on the left-hand page is that of the Montego MX Brougham. It features a distinctive door panel design with woodgrain appliqué. Shown here in light gray gold cloth-and-vinyl, it may also be ordered in all-vinyl at no extra cost. Colors include black, medium blue, medium green and light gray gold.

2. At upper left on this page is shown the standard Montego MX cloth-and-vinyl interior in medium green. It is also available in black, medium blue and light gray gold. A different bench seat may be ordered in all-vinyl at no extra cost. Colors include black, medium blue, vermillion, medium ginger, medium green, white and light gray gold. This seat may also be ordered in Comfortweave vinyl at extra cost. Colors include black, white and light gray gold.

3. Upper right shows the optional bucket seats in Comfortweave vinyl which may be ordered for the Montego MX. In addition to the medium ginger shown, colors include black, medium blue, vermillion, medium green and white.

4. At lower right is the standard Montego bench seat in black cloth-and-vinyl. It may also be ordered in medium blue and light gray gold; or in black, and light gray gold all-vinyl at no extra cost.

Rich woodgrain appliqué accents the handsome Brougham instrument panel shown at the bottom of the page. The deluxe 2-spoke woodgrain steering wheel is standard.

Montego Cyclone GT

Montego Cyclone

Montego
Cyclone Spoiler

Montego Cyclone, Cyclone GT and Cyclone Spoiler

Mercury's three high performance cars are loaded with competition-bred "better ideas" for '71: big V-8 power, sports car flair and bright new features to give a better sporty intermediate. All have bold new center grille sections. Cyclone features a performance hood with integral scoop and dual racing mirrors. And there are new tape stripes and identification for the Cyclone Spoiler. Each of these cars has its own personality and purpose, and the lists of standard features below say it all. A wide variety of options are offered as well. (See page 16).

Montego Cyclone standard equipment includes:

- 351-4V V-8 engine
- 4-speed manual transmission with Hurst Shifter®
- Cross country ride package
- F70x14 traction tires
- Performance hood with integral scoop
- Dual racing mirrors (left-hand mirror remote control)
- Cyclone running lights
- Dual pod taillamps with black painted lower back panel

Montego Cyclone GT standard equipment includes:

- 351-2V V-8 engine
- Select-Shift automatic transmission
- Cross country ride package (no cost option)
- G78x14 white sidewall tires or F70x14 white sidewall at no extra cost
- Performance hood with integral scoop
- Concealed headlamps
- Cyclone running lights
- Deluxe wheel covers
- Dual racing mirrors (left-hand mirror remote control)
- Full instrumentation including tachometer, oil gauge, temperature gauge and ammeter gauge
- Hi-back bucket seats
- Deluxe 3-spoke rim-blow steering wheel

Montego Cyclone Spoiler standard equipment includes:

- 351-4V V-8 engine
- 4-speed manual transmission with Hurst Shifter®
- Competition handling package
- Traction-Lok differential with 3.25:1 axle
- G70x14 belted tires with raised letters
- Front spoiler mounted under bumper
- Rear deck spoiler
- Distinctive new Spoiler tape stripes
- Performance hood with integral scoop
- Dual racing mirrors (left-hand mirror remote control)
- Cyclone running lights
- Hubcaps and bright trim rings
- Full instrumentation including tachometer, oil gauge, temperature gauge and ammeter gauge
- Hi-back bucket seats
- Deluxe 3-spoke rim-blow steering wheel

Cyclone GT instrument panel

Montego Cyclone, Cyclone GT and Cyclone Spoiler interiors

The interiors in Mercury's performance trio have the very business-like look that appeals to the hard-driving performance enthusiast, yet the comfort and luxury that distinguish all Mercury interiors is very much in evidence.

1. The standard Cyclone GT interior in white Comfortweave vinyl is featured on the left-hand page. It is also available in black, medium blue, medium green, medium ginger and vermillion. The seats may also be ordered at extra cost in a handsome houndstooth check cloth-and-vinyl offered in black, medium blue, medium green, medium ginger and vermillion. The same interiors are featured in the Cyclone Spoiler in the same color selection.

2. At upper left on this page is shown the optional bucket seats for Cyclone in extra-cost houndstooth check cloth-and-vinyl. Seats in this pattern may be ordered in black (shown) and medium blue. They may also be ordered in Comfortweave vinyl at no extra cost. The same two colors are available.

3. The standard Cyclone all-vinyl interior with bench seat is opposite. It is available in black and light gray gold.

The Cyclone GT instrument panel at the bottom of the page features the full instrumentation package including tachometer, oil pressure gauge, temperature gauge and ammeter. The rim-blow steering wheel is standard.

Genuine Autolite Parts — Your new Mercury comes equipped with factory engineered and approved parts such as the dependable Autolite Sta-Ful battery, Autolite Power-Tip spark plugs, Autolite shock absorbers, and an Autolite 6,000-mile oil filter. For continued top performance, be sure to specify genuine Autolite parts whenever replacement is necessary.

1971 Anti-Pollution Systems — All Mercury vehicles have positive crankcase ventilation for recirculating and burning crankcase emissions in the combustion chambers, an exhaust emission reduction system and a fuel evaporative emission control system as standard equipment. All 6-cylinder engines, and the 302-2V, 351-2V and 400-2V V-8 engines can use 91 octane regular gasoline.

Ford Motor Company Safety Design Features

- Dual Hydraulic Brake System with warning light
- Glare-reduced instrument panel padding, windshield wiper arms, steering wheel hub, horn ring, rearview mirror/mirror mounting and windshield pillar
- Energy-absorbing steering column and steering wheel
- Fuel tank evaporative emission control system
- Energy-absorbing armrests and safety-designed door handles
- Three-point restraint system with locking retractor, shoulder belt and mini-buckle for front outboard passengers (except convertibles)
- Front and rear lap belts, all other passengers
- Turn indicators with lane-changing signal feature
- Inside day/night yield away rearview mirror
- Energy-absorbing instrument panel with padding
- Padded sun visors
- Two speed or variable speed windshield wipers
- Windshield washers
- Double-thick laminate safety glass windshield
- Double-yoke safety door latches and safety hinges
- 4-way emergency flasher
- Backup lights
- Side marker lights and reflectors, coupled with turn indicators
- Energy-absorbing front seat back tops with padding
- Self-locking front seat backs (2-door vehicles only)
- Safety-designed coat hooks
- Safety-designed radio control knobs and push buttons
- Outside rearview mirror, driver's side
- Safety rim wheels and belted bias angle tires
- Corrosion-resistant brake lines
- Uniform transmission shift quadrant
- Parking lamps coupled with headlamps
- External headlight aiming adjustment
- Non-reversing odometer
- Safety design front end structure
- Front seat head restraints for outboard passengers
- Theft-Guard Ignition with warning buzzer, steering and transmission selector lever lock
