

'08 Mercury Milan

MERCURY | NEW DOORS OPENED

“Highest Ranked Midsize Car in Initial Quality,”
according to J.D. Power and Associates.

Mercury Milan received the lowest number of problems per 100 vehicles among midsize cars in the proprietary J.D. Power and Associates 2007 Initial Quality Study.SM Study based on responses from 97,390 new-vehicle owners, measuring 250 models, and measures opinions after 90 days of ownership. Proprietary study results are based on experiences and perceptions of owners surveyed in February–May 2007. Your experiences may vary. Visit jdpower.com.

MILAN PREMIER IN VAPOR SILVER METALLIC.

Put Your Style in High Gear.

WITH THE 2008 MERCURY MILAN, YOU CAN LEAVE THE ANONYMITY TO OTHERS.

Who wants to blend in? Certainly not you. And not the 2008 Mercury Milan. With stylish colors and satin-aluminum accents, Milan is instantly recognizable. "Catch a glimpse of the Milan's hindquarters from across a parking lot and Mercury's styling does its job," says *Edmunds.com*. "There are some undeniable European – maybe even Italian – elements to its taillamps, badging and rear quarter panels. Trim all around is executed in a satin-aluminum finish which is more subtle and effective in detailing the car's proportions than chrome." An available Reverse Sensing System alerts you to items behind the vehicle when backing up, while an available rear spoiler hints at Milan's racy side. Standard 17" wheels on Premier (shown) draw admiring glances, while dual chrome exhaust tips hint at the 221 horsepower that's under the hood of Milan V-6 models. Seeking an enviable balance of performance, style and 5-passenger comfort? You'll find just what you're looking for in Mercury Milan.

MILAN PREMIER V-6 IN SILVER BIRCH METALLIC. SHOWN WITH AVAILABLE EQUIPMENT.

Greet the Street With Confidence.

ATHLETIC PERFORMANCE AND EXCEPTIONAL EFFICIENCY.

Under the hood, Milan's available 3.0L Duratec V-6 engine is teamed with a 6-speed automatic transmission to produce a lively 221 hp and an EPA-estimated highway mileage of 26 mpg. Whether you're launching off the line with fervor or passing slower traffic, take confidence in knowing that Milan's V-6 answers quickly. Designed for a long, reliable life, it isn't due for its first tune-up for 150,000 miles.¹

If fuel economy matters most to you, Milan's 2.3L Duratec I-4 engine produces an EPA-estimated highway mileage of 29 mpg – and 160 hp – with the standard 5-speed manual transmission. A 5-speed automatic transmission is also available with the 16" 9-spoke aluminum wheels in the I-4 Auto Package. And all Milan I-4 models earn the Environmental Protection Agency's "Smart Way" designation – given to vehicles that the EPA feels are very good environmental performers.

¹Under normal driving conditions with routine fluid and filter changes.

MILAN PREMIER V-6 IN BLACK. SHOWN WITH AVAILABLE EQUIPMENT.

Go With the Glow.

AMBIENT LIGHTING ENHANCES ANY DRIVE.

The keys to a great driving environment are the special touches and attention to detail. And you'll see evidence of both throughout Mercury Milan. New this year, available ambient lighting¹ can give your 2008 Milan its own unique glow. You can scroll through 7 different colors to create the mood you want, with Light-Emitting Diode (LED) lighting illuminating the front and rear footwells, the front center console bin, and from within the front cupholders.

Premium cloth seating surfaces in your choice of Camel, Dark Charcoal or Medium Light Stone are standard. On Milan Premier, luxurious leather-trimmed seats in Camel or Dark Charcoal feature elegant contrasting stitching. To really wow 'em, go for a dramatic two-tone effect (left) on Premier with Medium Light Stone inserts between Dark Charcoal bolsters and light contrasting stitching. Whatever your desire, Milan makes it possible to create an environment that's as pleasurable as your other pursuits. And with your MP3 player broadcasting through Milan's standard audio input jack, it just may be more enjoyable.

¹Late availability.

MILAN PREMIER IN DARK CHARCOAL/MEDIUM LIGHT STONE TWO-TONE LEATHER TRIM.

A Breath of Fresh Flair.

TO DEPART FROM CONVENTION, PLEASE STAY SEATED.

Mercury Milan is so much more than mere transportation. Standard satin-aluminum accents set a cool, modern tone throughout the 5-passenger interior. For a more classic look, select the available Wales Mahogany Wood Appearance Package to outfit the center stack and instrument panel with a dark woodgrain. On the steering wheel, you'll find secondary audio and cruise controls that allow you to keep your hands on the wheel while you make adjustments. An available voice-activated, DVD-based Navigation System (shown) displays maps and menus on a large 6.5" color LCD screen, so locating the nearest ATM, hotel or restaurant is easy. In the center console, an audio input jack gives you plug-and-play capability with your MP3 player. When not in use, your MP3 player (or cell phone) can easily be stored in Milan's clever dash-top storage bin. Thoughtful touches like these can be found everywhere you look in the stylish 2008 Mercury Milan.

MILAN PREMIER WITH SATIN-ALUMINUM ACCENTS. SHOWN WITH AVAILABLE EQUIPMENT.

SYNC
Powered by **Microsoft**

Your Mercury. Your Life. Now in Sync.

Introducing the new standard for in-vehicle communications. Mercury SYNC™, developed in association with Microsoft®, is a voice-activated, customizable media system that fully integrates your vehicle with your Bluetooth®-enabled mobile phone and digital media player. Life doesn't stop when you enter your vehicle, so we engineered SYNC to keep you connected. With Microsoft Auto software actually embedded in your Mercury vehicle, SYNC allows you to operate most Bluetooth-enabled mobile phones and most portable digital media players using simple voice commands. Play a song? Make a call? Just say the word – in English, French or Spanish – and SYNC responds. *Jalopnik.com* says SYNC is "the most robust system we've yet seen for connecting your personal audio and communication devices to your car for in-auto infotainment. The system's just that good."

Sync Is

VOICE-ACTIVATED, HANDS-FREE CALLING

UNINTERRUPTED CONNECTIONS

RING-TONE SUPPORT

INSTANT VOICE RECOGNITION

AUTOMATIC PHONE BOOK TRANSFER

MULTILINGUAL INTELLIGENCE

SUPPORT FOR UP TO 12 PHONES

ADVANCED CALLING FEATURES

VOICE-ACTIVATED DIGITAL MEDIA PLAYER

SUPPORT FOR POPULAR PLAYERS AND FORMATS

ACCESS BY ARTIST, TRACK, GENRE, ALBUM, PLAYLIST

USB DEVICE CHARGING

PLAY "SIMILAR MUSIC" FEATURE

PODCAST AND AUDIO BOOK SUPPORT

BLUETOOTH® STREAMING AUDIO

MERCURY SYNC™ IS AVAILABLE ON MILAN, MOUNTAINEER AND SABLE.

MERCURY | NEW DOORS OPENED

mercuryvehicles.com

"Play Genre:
(rock)."

"Play Artist:
(name)."

"Play Track:
(name)."

SYNC YOUR MERCURY WITH YOUR DIGITAL MEDIA PLAYER.

Step 1: Connect your portable digital media player¹ to the system's USB port. **Step 2:** Press the "Push To Talk" (PTT) button on the steering wheel and simply say "PLAY TRACK (your favorite song)." **Step 3:** Crank up the volume on the audio system and enjoy for miles. With SYNC, your digital music collection now has wheels. Using voice commands, or through controls on the steering wheel and audio system, you call the shots. In the mood for more guitar riffs? Just tell SYNC, "Similar Music," and it will play tracks based on the genre and style of your current selection.

SYNC is compatible with nearly all digital media players, including iPod® and Microsoft Zune™ as well as flash drives. And because your media player is plugged into the system's USB port while your vehicle is running, SYNC charges the device. So just start talking. SYNC will do the rest.

iPod® is a registered trademark of Apple Inc. All rights reserved.

SYNC YOUR MERCURY WITH YOUR MOBILE PHONE.

As long as you have a compatible Bluetooth[®]-enabled mobile phone,¹ SYNC is ready to chat. Simply press the "Push To Talk" (PTT) button, say the name of the person you want to talk to, and SYNC will automatically place the call. You can also speak the number you are calling and assign Quick-Dial numbers to button presets on the audio system. To answer incoming calls, press the "Phone" button. It doesn't get much easier than that. And if you're in the middle of a conversation while entering the vehicle, SYNC will seamlessly transfer the call to the vehicle hands-free system so you won't miss a word.

¹Some digital media players and some mobile phones may not be fully compatible.

Research In Motion, the RIM logo, BlackBerry, the BlackBerry logo and Sure Type are registered with the U.S. Patent and Trademark Office and may be pending or registered in other countries – these and other marks of Research In Motion Limited are used under license.

Plug In.

VOICE-ACTIVATED NAVIGATION.

With Milan's voice-activated, DVD-based Navigation System (shown at left; optional on Milan Premier), it's easy to locate the nearest ATM, hotel or restaurant. Maps and menus are clearly displayed on a large, touch-screen 6.5" color LCD monitor. A split-screen mode even displays the map on the left and the planned turn list on the right.

READY TO BROADCAST.

Thanks to the standard audio input jack in Milan's center floor console (above left), you can connect your personal music player and broadcast all of your favorite tunes through Milan's speakers.

6 CDs. 8 SPEAKERS. 170 WATTS OF BLISS.

Milan's Audiophile[®] Sound System (above) features 170 watts of power, 8 strategically placed speakers (8" subwoofer included), and a 6-disc in-dash CD changer. It's available as a stand-alone option on Milan Premier, or as part of the available Moon & Tune Elite Package, which also includes a power moonroof and SIRIUS Satellite Radio.

FINGERTIP CONTROLS.

Convenient steering wheel-mounted cruise and audio controls (above right) are standard on both Milan models. Rocker-type switches on the left allow you to set the cruise control, while switches on the right allow you to increase or decrease audio volume.

SATELLITE READY.

Music matters. And with over 130 channels, optional SIRIUS Satellite Radio¹ delivers commercial-free music, along with news, sports and personalities. Available as a stand-alone option on both Milan models, or as part of the Moon & Tune Package on Milan and the Moon & Tune Elite Package on Milan Premier. SIRIUS Satellite Radio includes a complimentary 6-month subscription when ordered.

¹Service not available in Alaska or Hawaii. See your Lincoln Mercury Dealer or contact SIRIUS at 1-888-539-7474 for more information.

FUN, AND FUNCTIONAL.

Settle in, look around, and you'll quickly discover that Mercury Milan is designed to accommodate you in style. With a high degree of functionality and lots of storage compartments, you'll enjoy its spacious, practical interior.

Up front, Milan's clever dash-top storage bin is the perfect place to store your cell phone or MP3 player. The front center floor console features two-tiered storage and doubles as an armrest. Rear beverage holders (2 of the 6 that you'll find in Milan) are conveniently located in the fold-down center armrest. Available heated front seats keep the chills away, while an overhead console is the perfect place to rest your shades. The analog clock that centers the instrument panel adds a touch of Mercury refinement.

Underneath Milan's short, muscular rear decklid, which can be fitted with an available rear spoiler, is a surprisingly large, flat and roomy 15.8 cu. ft. of trunk space. And because the 60/40 split-folding rear seat is spring assisted, pulling the release handle in the trunk folds the seat down quickly to open up even more space for longer items. In fact, with a fold-down front-passenger seat (shown at left), you can fit items almost 9' long into Milan.

To bring the outside in, Milan Premier's available power moonroof is the perfect finishing touch to this stylish sedan. It's part of the Moon & Tune Elite Package, which also includes an Audiophile® Sound System and SIRIUS Satellite Radio.

MILAN PREMIER V-6 IN SILVER BIRCH METALLIC. SHOWN WITH AVAILABLE EQUIPMENT.

Gain Some Valuable Traction.

AVAILABLE AWD GIVES MILAN V-6 THE INSIDE TRACK ON THE OPEN ROAD.

Dodge those potholes with ease. Negotiate rush-hour traffic with conviction. And hug an S-curve so tightly you may have to say you're sorry. Thanks to an advanced Short- and Long-Arm independent design up front, plus a multilink independent in the rear, Mercury Milan's responsively tuned suspension can handle it all. "It's clear that driving dynamics and driver interaction were a priority in its design," says *Edmunds.com*. "This car consistently demonstrates willingness to corner and change directions at speed with enthusiasm."

To enhance that control and performance, an optional Intelligent All-Wheel-Drive (AWD) system on Milan V-6 models reacts automatically to changes in traction for confident all-weather driving. This active AWD system seamlessly distributes torque between front and rear wheels for optimum traction. And since the wheels with the best grip always receive the most power, Milan AWD really enhances control when the weather turns nasty. Combined with Traction Control, AWD even directs torque side to side on each axle, allowing you to continue in motion even if only one wheel has grip.

APPEARANCES MATTER. MAKE THE MOST OF YOURS.

In Silver Birch, Black or White Suede, a Mercury Milan I-4 or V-6 model equipped with the available Appearance Package can't help but get you noticed. The body-color rear spoiler catches eyes first, followed closely by the fog lamps and 17" wheels with painted pockets. Inside, stylish Dark Charcoal leather-trimmed seats feature contrasting stitching and Alcantara® inserts in Ice Blue. Door-trim inserts and contrasting stitching on the steering wheel and center console, in Ice Blue of course, complete the dramatic appearance.

MILAN V-6 IN SILVER BIRCH METALLIC. SHOWN WITH AVAILABLE APPEARANCE PACKAGE.

Safety is Our Standard.

A SUITE OF 6 STANDARD AIRBAGS ENHANCES YOUR PROTECTION.

In picking their Best Family Cars 2007, editors at *Parents* magazine were looking for vehicles that perform strongly in government and industry crash tests and provide "a perfect mix of performance, reliability, comfort and bang for the buck." *Their only domestic winner in the sedan category:* Mercury Milan. An impressive array of standard occupant protection systems is designed to help keep you and your passengers safe. The Personal Safety System® coordinates safety belt and front-airbag management to enhance driver and front-occupant protection in certain frontal collisions. Front-seat side airbags enhance chest protection for the driver and front passenger, while side-curtain airbags provide enhanced head protection for both front- and rear-seat outboard occupants. An Anti-lock Brake System (ABS) helps maintain steering control during hard braking.

ADVANCED HIGH-STRENGTH STEEL AND ENERGY-ABSORBING MATERIALS HELP CONTROL AND DISPERSE IMPACT ENERGY.

Comparisons based on 2007 competitive models (Midsize Sedan class starting under \$21,000. Excludes Mazda6), publicly available information and Ford certification data at time of printing. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of the catalog, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Lincoln Mercury Dealer is the best source for up-to-date information. Lincoln Mercury reserves the right to change product specifications at any time without incurring obligations.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at www.fordcredit.com.

Ford Motor Company Insurance Services Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at www.fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Extended Service Plan For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP; the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Peace of mind comes from a 3-year/36,000-mile bumper-to-bumper **New Vehicle Limited Warranty** that covers repair, replacement or adjustment of parts at no additional cost, as well as a 5-year/60,000-mile powertrain limited warranty which features no deductible and is fully transferable. Roadside Assistance for 5 years or 60,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details.
