

SUBARU XV

SUBARU

Confidence in Motion

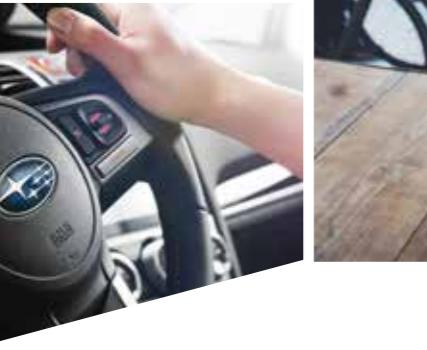

EMBRACE EVERY MOMENT OF YOUR JOURNEY.

Take a break. Look around. Savor the moment, and let it all soak in. Take time each day to pursue what you love. Cherish this wonderful journey that is your life, and enjoy the ride along the way. In a life full of adventures, make each a little more pleasant and a little more fun with the stylish and sporty SUBARU XV.

FIND ADVENTURE IN EVERY MOMENT.

Don't let anyone tell you otherwise. You can do whatever you want, whenever you want. Visit the mountains and the beach in the same day. Attend every outdoor music festival on the calendar next summer. Go to the slopes every weekend next winter. Embrace your social life, professional life, and all your passions and hobbies. Built to handle all the adversity and the adventure you can throw at it, the SUBARU XV is ready for your wild dreams and big plans.

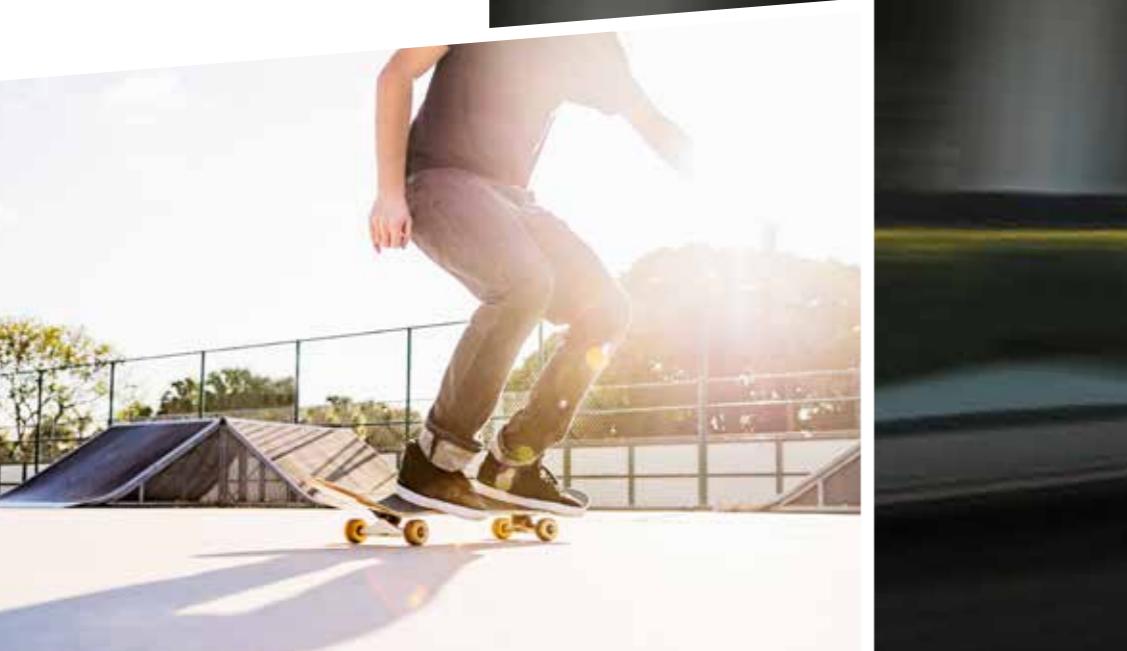

LET
THE ENDORPHINS
FLOW.

Make it turn, make it go, make it stop. Carve your own path. It's a feeling every Subaru was engineered to help drivers experience, and the SUBARU XV continues this tradition with a bold look to back up its lively performance. Made clear by numerous visual refinements, the SUBARU XV leaves an impression on the road.

URBAN JUNGLE FLAIR.

The SUBARU XV blends functionality and form like no other. Neither too big nor too small, never too flashy nor too dull, it grabs your attention but doesn't steal the spotlight. Daring and unassuming at the same time, the SUBARU XV is ready to take your life to new heights.

**NO CHALLENGE
TOO BIG.**

The SUBARU XV craves challenges and embraces adversity. With a cargo area that is increased by folding the 60/40-split rear seats down individually or together, the SUBARU XV has the capability to help you bring what you need. Even with four other passengers and extra gear, the SUBARU XV is ready to roll.

VERSATILE CAPACITY

The SUBARU XV can carry five passengers and package cargo or suitcases at the same time. 60/40-split rear seats mean the SUBARU XV has the versatility to hold a rear occupant and a bike at the same time. With 12.0 liters of cargo volume*, a nearly square rear gate and flat-folding rear seats, it'll take on your urban or outdoor excursions with ease.

* Measured by VDA (V214). Without sunroof.

PLUGGED INTO YOUR WORLD.

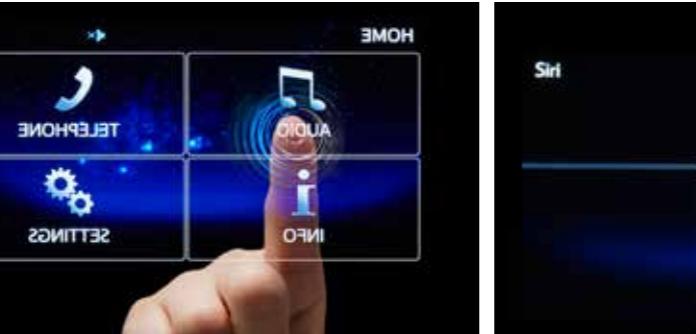

The stylishly rugged SUBARU XV has a well-cultivated inner-geek. The SUBARU XV is always on standby, ready to crunch numbers and manage playlists at your command.*¹

High-grade Multifunction Display*²

Need info? This display shows you time, temperature, self-check maintenance alerts, and safety information such as Vehicle Dynamics Control monitoring.

Track your fuel consumption so you can be kinder to Mother Nature on your epic road trips.

Touchscreen Control

The touchscreen is a useful way to select your music, just as you would on your smartphone. Simply connect your smartphone through Bluetooth®*³ or the USB port, and you can choose your music right on the touchscreen.

Voice Recognition*⁴ and Siri Eyes Free*^{2*5*6}

Your SUBARU XV has more hands-free options than ever before, thanks to intuitive Voice Recognition*⁴ and Siri Eyes Free*^{2*5*6} integration. Use Siri to link your compatible Apple*⁶ product, allowing you to make hands-free calls, play music, check emails and search the web. Even without Siri, you can still have hands-free interaction with telephone and audio systems for added ease in every drive.

*1 Driver is always responsible for safe and attentive driving. Please refrain from operating the touchscreen whilst driving.

*2 Optional.

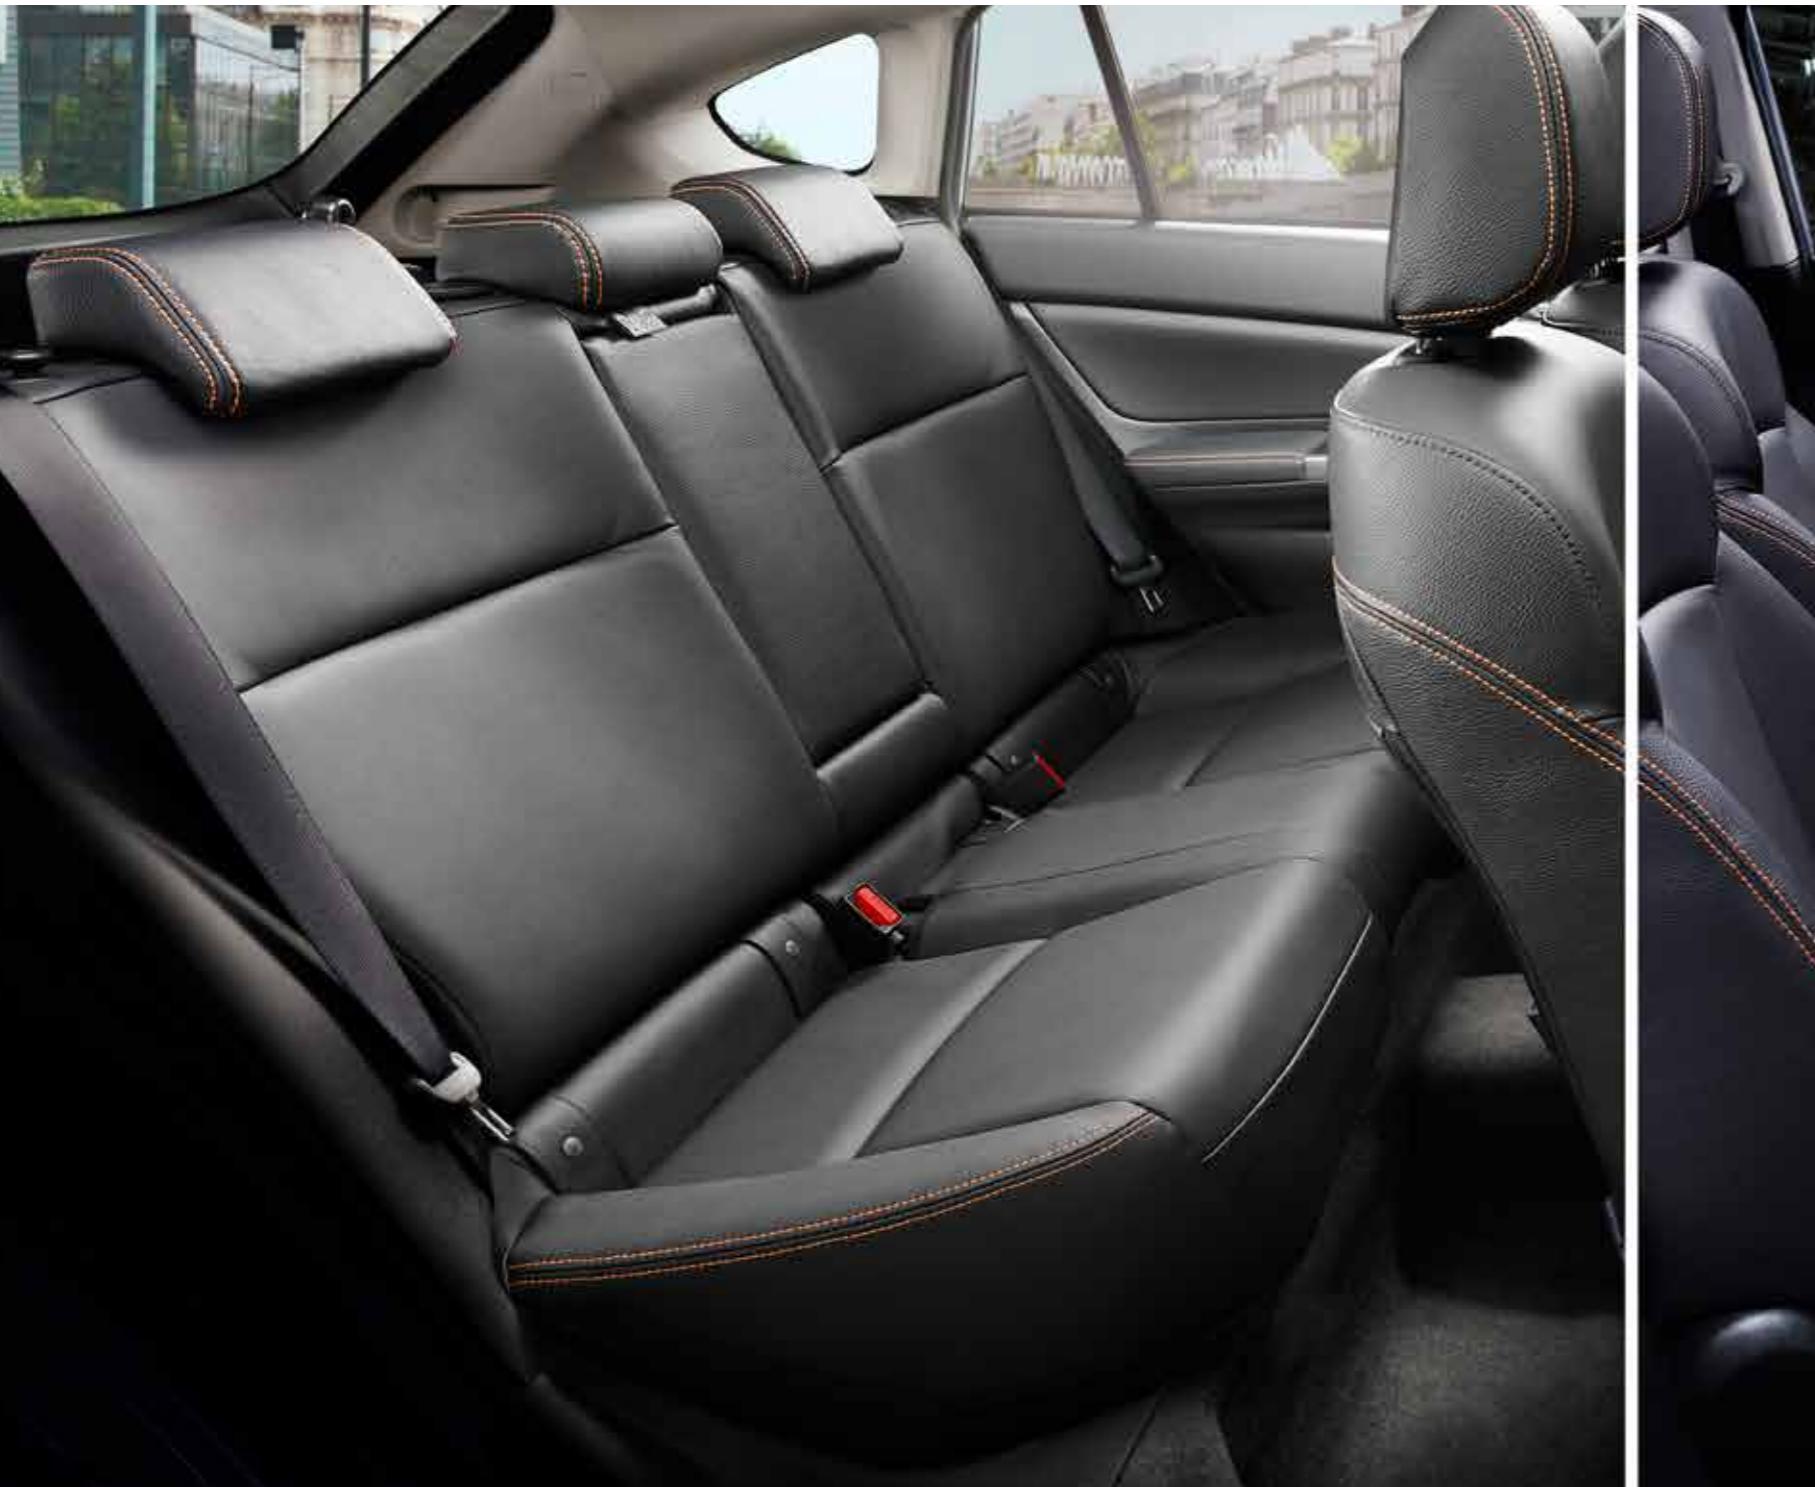

*3 Bluetooth is a registered trademark of Bluetooth SIG, Inc. America.

*4 Voice Recognition is compatible with select languages only and cannot accept all languages.

*5 Siri-compatible Apple product (iPhone, iPad, iPod touch, etc.) required.

*6 Apple, iPod, Siri, and iTunes are registered trademarks of Apple Inc. App Store is a service mark of Apple Inc.

Entertainment that makes an instant connection.

Play your soundtrack—all the time. Plug in your

iPod*¹ or other portable music player to the

standard AUX or optional 2 USB input jacks,

and listen to your favourite MP3 or WMA*² tunes

through the robust SUBARU XV audio system.

In addition, voice commands let you search your

music and access other commands.

INGENIOUSLY DESIGNED. EXCLUSIVELY STYLED.

Your space, your world. Cozy, connected, and convenient. A place you won't be spending downtime, or "go time." It's your very own rolling clubhouse.

More comfort for everyone.

The SUBARU XV features many innovations to put you and your passengers at ease. The seats are thoughtfully designed for long-term comfort with supportive, vibration-absorbing cushioning. For a better, more confident view of the road, it has an elevated hip point. And you'll find convenient touches such as a headrest, like a centre armrest that angle-adjustable headrests.

CONTROL YOUR UNIVERSE.

Once behind the wheel, the SUBARU XV is a reflection of you. Control your smartphone via the colourful touchscreen so you can easily stay connected to your contacts and all the music you love whilst staying focused on the road.*1

6- or 4-Speaker Premium Audio System*2

Let your music come alive with the powerful 4-speaker 140-watt system or 6-speaker 180-watt system*2. With speakers tuned for the SUBARU XV's acoustics, the resulting rich sound enraptures the senses. The 6-speaker option features USB input, Bluetooth®*3 hands-free calling, and two additional speakers integrated into the instrument panel, which further accentuate the mids and highs for a fuller sound.

Bluetooth®*3

With the ceiling-mounted microphone added, the available Bluetooth®*3 hands-free system automatically connects your compatible mobile phone for convenient, hands-free talking. It also enables you to wirelessly stream audio from the compatible Bluetooth®*3 music player and read your e-mails.

Rear Vision Camera*2

Enjoy the ability to manoeuvre the SUBARU XV in tight city spaces with ease using the Rear Vision Camera. When you shift into reverse, the camera displays a live colour image on SUBARU XV's infotainment display, along with guidelines to assist in parking manoeuvres.

*1 Driver is always responsible for safe and attentive driving. Please refrain from operating the touchscreen whilst driving.

*2 Option.

SYMMETRICAL ALL-WHEEL DRIVE

When you drive the SUBARU XV, there's little that can stop you from having a good time. That's because the SUBARU XV gives you the high ground clearance of an SUV, the low centre of gravity and balance of a sports sedan, and Symmetrical AWD. Matched to the SUBARU BOXER engine for a near-perfect symmetrical layout, it delivers gratifying power with exceptional traction, providing balance and stability for total control in ever-shifting road conditions. The result is vehicle that gives you peace of mind and confidence like no other - this is the essence of the Subaru driving experience.

Lineartronic + Active Torque Split AWD

The SUBARU XV achieves inspiring levels of response and efficiency with Lineartronic. By keeping the engine running in its optimal rev range and preserving the momentum that's often lost during a gear shift, this unique transmission dramatically maximises fuel efficiency. Lineartronic is also longitudinally paired with an active torque split AWD system that responds to traction conditions by continuously controlling the torque distribution front to rear.

6-Speed Manual Transmission + Viscous Centre Differential AWD

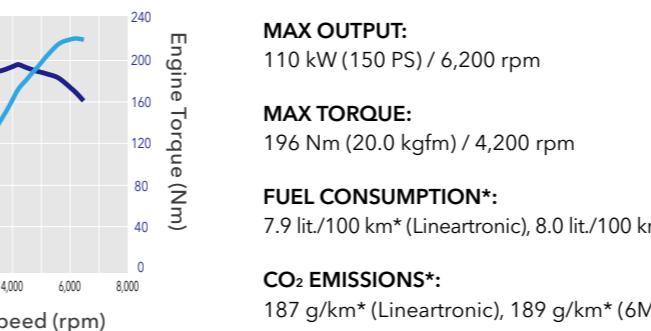

Geared for exciting response and control, the 6-speed manual transmission enables you to define your own driving style. It features Auto Vehicle Hold to help you avoid rolling when starting on a hill. The gearbox is paired with an AWD system utilising a viscous limited-slip centre differential (LSD). Whenever the balance of traction changes, the LSD instantaneously redistributes the torque to the front and rear wheels as needed.

SUBARU BOXER ENGINE

Few cars deliver the thrilling eagerness and spontaneity of the SUBARU XV. It's achieved with the horizontally-opposed SUBARU BOXER engine, which places the pistons 180 degrees apart for a lower, flatter profile compared to other engine types. This gives the powerplant – and by extension the whole car – a lower centre of gravity and more balanced weight distribution. In addition, the pistons' opposing movements counteract each other, which naturally reduces vibration.

2.0-litre DOHC SUBARU BOXER

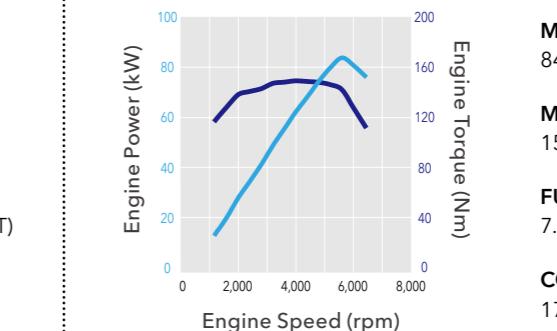

MAX OUTPUT:
110 kW (150 PS) / 6,200 rpm

MAX TORQUE:
196 Nm (20.0 kgfm) / 4,200 rpm

FUEL CONSUMPTION*:
7.9 lit./100 km* (Lineartronic), 8.0 lit./100 km* (6MT)

CO₂ EMISSIONS*:
187 g/km* (Lineartronic), 189 g/km* (6MT)

1.6-litre DOHC SUBARU BOXER

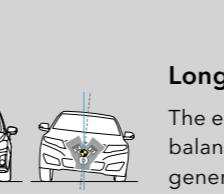

MAX OUTPUT:
84 kW (114 PS) / 5,000 rpm

MAX TORQUE:
150 Nm (15.3 kgfm) / 4,000 rpm

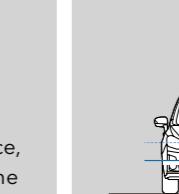

FUEL CONSUMPTION*:
7.3 lit./100 km*

CO₂ EMISSIONS*:
171 g/km*

Long-lasting Performance

The engine's flat design is inherently rigid and self-balancing to achieve durability and reliable performance, generating less vibration than V-type or 4-cylinder in-line engines in the same class.

Increased Stability

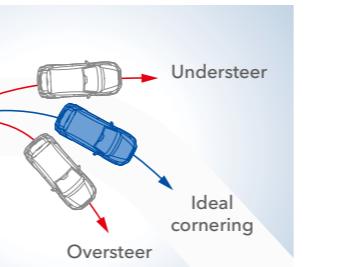

Because the engine block has a flatter profile and sits lower in the chassis, the overall vehicle is more stably balanced and resistant to side-to-side motion than other designs.

WE'VE GOT YOU COVERED.

To help you avoid accidents, and protect you when they can't be avoided, the SUBARU XV is equipped with an assortment of active and passive safety features. Subaru Active Safety helps you circumvent trouble with predictable handling, precise control and excellent visibility plus advanced technologies that help you avoid incidents before they happen. Passive Safety features include systematically placed airbags, whiplash-reducing front seats, retracting pedals and 3-point seatbelts—all there to help protect you if the unthinkable occurs.

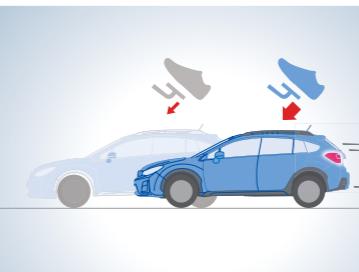

ACTIVE SAFETY

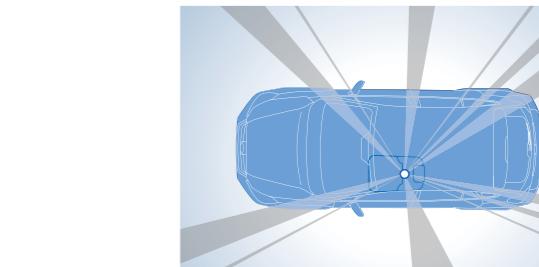

Vehicle Dynamics Control System

Via an array of sensors, the Vehicle Dynamics Control System monitors and analyses if the vehicle is following the driver's intended course. If a tyre slips or a high speed turn causes the vehicle off its intended path, the AWD torque distribution, engine output and brakes at each wheel are adjusted to assist in keeping the vehicle on course.

Brakes

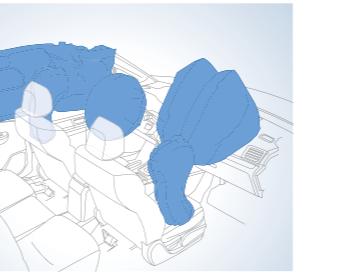

The Antilock Braking System includes electronic brake-force distribution to re-apportion front and rear braking pressure when the vehicle is loaded. For more predictable and controlled braking during an emergency, the SUBARU XV features both Brake Assist and Brake Override.

Visibility

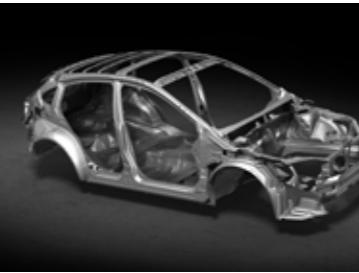

To avoid danger, you have to see it coming—and the SUBARU XV is designed for the driver to have maximum awareness of the surroundings. The high vantage point of the SUBARU XV and dynamic cabin-forward design with triangular window partitioning minimise blind spots with improved visibility. What's more, the available rear vision camera gives you an even clearer view of what's behind.

PASSIVE SAFETY

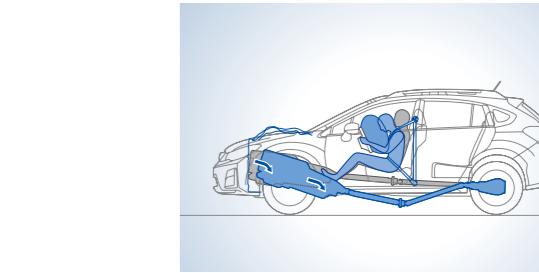

Seats, Seatbelts and SRS* Airbags

The SUBARU XV features whiplash-reducing front seats and energy-absorbing head restraints that can help better protect front occupants from injury during a rear collision. Even the rear seats have been optimised for protection, with the seating position set back to reduce the effects of a side impact. Front, front-side, and curtain SRS* airbags are standard on most models.

Ring-shaped Reinforcement Frame

The ring-shaped reinforcement frame strengthens the passenger cabin from the roof to the doors, pillars and floor. This helps divert and dissipate impact energy away from the occupants in a collision. The frame for the SUBARU XV features a high-tensile steel design that are strong and rigid yet lighter weight.

Cabin-protecting Layout

Every Subaru goes above and beyond common practice when it comes to your safety. In the event of a head-on collision, your SUBARU XV's SUBARU BOXER engine and gearbox are designed to avoid crashing into the cabin for your protection.

SUBARU XV 2.0i Premium

DIMENSIONS: L x W x H: 4,450 x 1,780 x 1,615* mm
 ENGINE: Horizontally opposed, 4-cylinder, DOHC 16-valve petrol
 CAPACITY: 1,995 cc
 MAX OUTPUT: 110 kW (150 PS) / 6,200 rpm
 MAX TORQUE: 196 Nm (20.0 kgfcm) / 4,200 rpm
 TRANSMISSION: Lineartronic, AWD

Ice Silver Metallic

Exterior Colours

Seat Material

Owing to printing locations, colours may differ slightly from those shown in this chart. In addition, colours and seat variations may vary according to the individual market.

Features

1 HID Headlamps with Auto-leveliser*
Available high-intensity discharge headlamps provide illumination that's more like daylight. The auto-leveliser helps to ensure that the headlamps are always pointed at the correct angle for the best visibility.

2 Power-folding Door Mirrors*
Aerodynamically designed, electrically adjustable side mirrors integrate LED turn signals. They can also be electrically folded in for narrow parking spaces.

3 Roof Rails*
Ready to support your life's accessories, roof rails on the SUBARU XV add more utility to your enjoyable drive.

4 Power Glass Surround*
The large, internally sliding sunroof with manual sunshade delivers a panoramic view and fresh breezes for front and rear passengers.

5 Keyless Access with Push-button Start*
Your key fob grants you complete keyless access. To lock / unlock the front doors or tailgate, simply grip the door handles. To start the engine, push the button. Using a 5-digit PIN code allows you to enter your Subaru even without your key fob.

6 Aluminium Pedals*
These motorsports-inspired pedals give the interior an exciting feel.

7 Dual-zone Automatic Air-conditioning System*
Manage airflow and temperature of the driver and passenger sides independently with the available dual climate control. A microscopic filter helps keep dust out of the cabin.

8 Rear Armrest with Cup Holders*
The rear armrest is for your passengers in the back seat. They can use it as an armrest as well as a cup holder.

* Optional.
