2016

WRX/STI

Love. It's what makes a Subaru, a Subaru.

The best-handling, best-performing WRX and WRX STI ever.

“The WRX is a 2015
AUTOMOBILE Magazine All-Star.”

Automobilemag.com, November 2014

1 | 2016 WRX / STI

Cornering

The WRX has all the hardware needed to corner with grace and speed. Starting with the suspension, the WRX has an enviable setup—a rigid unibody chassis with reinforced suspension mounting points, aluminum front lower control arms with pillow ball joint mounts, and a double-wishbone rear suspension with pillow ball bushings. Aided by its sticky Dunlop® Sport Maxx RT tires, the WRX achieves a remarkable 0.96g of lateral grip.¹ Add Subaru Symmetrical All-Wheel Drive, and you’ve got a recipe for world-class handling performance.

Responsiveness

Having excellent grip is only one half of the handling equation. The other half is the driver’s sensation of control and precision, which the WRX delivers with a quick 14.4:1 steering ratio, and the cornering poise provided by Active Torque Vectoring. Add in available 18-inch wheels with inverted front struts for even less unsprung weight and more cornering response.

Power

The powerful-yet-efficient 268-hp 2.0-liter direct-injection twin-scroll turbocharged SUBARU BOXER® engine propels the WRX from 0-60 mph in a blistering 5.5 seconds!¹ No matter which transmission option you choose—either the traditional 6-speed manual transmission, or the new-school Sport Lineartronic™ Transmission with SI-DRIVE and paddle shifters, you’ll have massive low-end torque instantly at your command.

Safety

The WRX backs up its potent performance features with appropriately robust safety measures. With a standard Rear-Vision Camera, and available Blind-Spot Detection and Rear Cross-Traffic Alert,² the WRX received an IIHS Top Safety Pick+ rating when equipped with optional EyeSight®^{3,4} Driver Assist Technology. Performance and safety don’t have to be mutually exclusive.

¹ Based on *Motor Trend* testing of 2015 WRX with manual transmission. December 2013.

² Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

³ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operation and limitations. Please remember to turn off EyeSight when going through a carwash.

⁴ WRX Limited with Sport Lineartronic™ Transmission and EyeSight®.

“It bites. It turns in. This is a Porsche 911 fighter for a third of the price. Oh, and one of the best cars you can buy today.”

Jalopnik.com, April 2014

Cornering

There's plenty of technology and smart engineering behind the legendary cornering performance of the WRX STI. Its track-tuned suspension features standard inverted front struts and aluminum front lower control arms for low unsprung weight, an attribute that can be enhanced by the available lightweight BBS® wheels. The standard Dunlop® Sport Maxx RT tires help the WRX STI achieve monstrous grip—0.97g to be exact.¹ You can hit apexes and exit corners with authority, thanks to Subaru Symmetrical AWD with Driver Controlled Center Differential (DCCD), dual limited-slip differentials, and Active Torque Vectoring.

Responsiveness

The WRX STI driving experience is a synergy between driver and car that's all too rare. You'll feel an invigorating sense of control, thanks to the ultra-quick 13:1 steering ratio, rigid unibody chassis and powerful Brembo® high-performance braking system, which helps you stop with authority. For more stability at higher speeds, the WRX STI's signature rear wing adds downforce for added control.

Power

It's a potent, race-proven package—a 305-hp 2.5-liter turbocharged SUBARU BOXER® engine coupled with a precise and durable 6-speed, close ratio transmission and SI-DRIVE for on-the-fly performance adjustments. Invigorating horsepower and addictive torque are always on tap, rocketing the WRX STI to a 0-60 time of just 4.6 seconds.¹

Heritage

For more than two decades, Subaru Tecnica International (STI) has applied lessons learned in motorsports to Subaru automobiles, enhancing performance through engineering that inspires confidence in drivers. Their holistic approach to performance results in vehicles that are more communicative, responsive, and easier to drive in more demanding situations.

WRX

Multifunction Display

WRX design accents

SUBARU STARLINK™ Multimedia Systems

Comfort and control from entry to apex.

Every drop of blood, sweat, and tears that went into the WRX would all be in vain if drivers and passengers weren't well taken care of. As a standard feature, SUBARU STARLINK™ in-vehicle technology gives you easy access to Pandora®, iHeartRadio®, Stitcher,™ and Aha,™ and connects via Bluetooth® or a USB port to both Android™ and Apple® smartphones.¹ It'll read or display incoming texts,² and you can control it easily with voice commands, steering-wheel-mounted controls or the high-definition touchscreen. Dial up the entertainment even more with the available 440-watt premium audio system with 9 Harman Kardon speakers.

WRX Limited with Carbon Black Leather and optional equipment.

STI

A new level of refinement and comfort.

The racer's touch is apparent when you settle into the bolstered, WRX STI-exclusive Alcantara®-lined performance-design front seats and grip the leather-wrapped flat-bottom sport steering wheel, grab the shift knob and get ready to go. For such a serious performance car, you may be surprised to know the WRX STI has class-leading cargo space, as well as standard SUBARU STARLINK™ in-vehicle technology for easy access to Pandora®, iHeartRadio®, Stitcher,™ and Aha,™ and connects via Bluetooth® or a USB port to both Android™ and Apple® smartphones.¹

WRX STI with Carbon Black Leather/Alcantara® and optional equipment.

¹ Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.

² STARLINK can read incoming texts out loud when the vehicle is traveling at speeds over 5 miles per hour, and can display incoming texts on screen when the vehicle is traveling at speeds lower than 5 miles per hour. 7" system required.

Cargo-ready. Passenger-ready.

Track-ready.*

An everyday sports car.

Compromises are few, thanks to a 12 cubic-foot trunk, 60/40 split-folding rear seatbacks, expansive rear legroom, and widened door openings. It's a commuter, an errand-runner, and a track-day weapon, all wrapped into one. Leave your dedicated sports car in the garage. Park the truck. Put your trailer in storage. This one can do it all.

We do not recommend racing your vehicle. Racing may void the vehicle warranty. See Warranty Maintenance Booklet for details. If you do race the vehicle, do it safely and lawfully on approved racing tracks. Drive responsibly at all times and obey all traffic laws.

WRX STI in WR Blue Pearl.

“It’s a great merger of premium small sedan and all-weather sports car, making it an excellent choice for everyday driving, no matter where you live.”

MSN.com, January 2014

“...that wave of midrange power slingshots you away like Voyager 2 breaking free of Jupiter’s gravity. Grins are induced as eyeballs struggle to focus forward.”

Edmunds.com, January 2014

“One of the best all-rounders on the market today, the WRX can truly do it all, from daily commuting to the occasional autocross event.”

LeftLaneNews.com, November 2014

2016 WRX & WRX STI | Trim Levels

WRX

WRX

- 268-hp twin scroll turbocharged 2.0-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission
- Sport-tuned suspension
- 17-inch aluminum-alloy wheels
- Low profile trunk spoiler
- Cloth upholstery
- Leather-wrapped flat-bottom steering wheel
- SUBARU STARLINK™ 6.2" Multimedia in-vehicle technology system with Pandora®, iHeartRadio®, Stitcher,¹ and Aha™ smartphone app integration,¹ high-resolution LCD touchscreen display, 6 speakers, AM/FM/CD player, HD Radio® with iTunes® tagging capability, USB port/iPod® control, SiriusXM® Satellite Radio²; Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- Sport-design electroluminescent gauges with 3.5-inch color LCD display
- 4.3-inch color multifunction display
- Automatic climate control
- Rear-Vision Camera
- 7 airbags

WRX Premium

- Includes WRX key features and adds:**
- Optional Sport Lineartronic™ Transmission with paddle shifters, 6- and 8-speed manual modes and SI-DRIVE
 - 18-inch aluminum-alloy wheels
 - Fog lights
 - Power-tilt/sliding moonroof
 - All-Weather Package

WRX Limited

- Includes WRX Premium key features and adds:**
- L.E.D. low-beam headlights
 - Auto-on/off headlights
 - Leather-trimmed upholstery
 - 8-way power adjustable driver's seat
 - Welcome lighting

WRX STI

- 305-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Driver Controlled Center Differential (DCCD) All-Wheel Drive
- Front and rear limited-slip differentials
- 6-speed close-ratio manual transmission
- Brembo® performance brake system
- High-performance STI sport-tuned suspension
- 18-inch aluminum-alloy wheels
- STI trunk spoiler
- L.E.D. low-beam headlights
- Fog lights
- Alcantara®/leather-trimmed upholstery with red bolster accents
- Leather-wrapped flat-bottom steering wheel
- SUBARU STARLINK™ 6.2" Multimedia in-vehicle technology system with Pandora®, iHeartRadio®, Stitcher,¹ and Aha™ smartphone app integration,¹ high-resolution LCD touchscreen display, 6 speakers, AM/FM/CD player, HD Radio® with iTunes® tagging capability, USB port/iPod® control, SiriusXM® Satellite Radio²; Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack

2 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer.

3 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

2016 WRX & WRX STI | Specifications

Engine and Drivetrain		WRX	WRX STI
Power Torque	2.0-liter DOHC direct-injected, intercooled, turbocharged aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS). 268 hp @ 5,600 rpm 258 lb-ft @ 2,000-5,200 rpm	●	—
	2.5-liter DOHC intercooled, turbocharged aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS). 305 hp @ 6,000 rpm 290 lb-ft @ 4,000 rpm	—	●
Intake System	Twin scroll turbocharger with intercooler. Maximum boost pressure: 15.9 psi.	●	—
	Turbocharger with intercooler. Maximum boost pressure: 14.7 psi.	—	●
SI-DRIVE performance management system	Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU) and by fine-tuning the electronically controlled throttle. For WRX models equipped with Sport Lineartronic™ Transmission, SI-DRIVE also adjusts transmission shift characteristics.	○	●
Transmission	6-speed manual with carbon 1st and 2nd gear synchros and Incline Start Assist	●	—
	Close ratio 6-speed manual with Incline Start Assist	—	●
	Sport Lineartronic™ Transmission with 6- or 8-speed manual mode and paddle shifters. WRX Premium and WRX Limited: Optional.	○	—
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
	Driver Controlled Center Differential (DCCD) All-Wheel Drive	—	●
Vehicle Dynamics Control (VDC)	Standard VDC electronic stability control utilizes sensors which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path. Includes performance-oriented Traction mode.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC applying braking power to the inside front wheel resulting in sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●
Fuel			
Fuel Economy	city/highway/combined ²	Manual: 20/27/23 mpg Automatic: 18/24/21 mpg	17/23/19 mpg
Fuel Requirement	Premium unleaded gasoline recommended (91 octane required for STI, 93 octane for maximum performance).	●	●
Fuel Capacity	15.9 gallons	●	●

2016 WRX & WRX STI | Accessories

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com.

Auto-dimming Mirror with HomeLink® Mirror darkens when headlights are detected from behind the vehicle. Includes electronic compass and three integrated HomeLink® buttons which can be programmed to operate most garage-door openers and other HomeLink®-compatible devices.

Rear Cargo Tray. Helps protect cargo area from dirt and spills. Can be easily removed and rinsed clean.

Body Side Moldings. Color-matched moldings help protect the vehicle's doors from parking lot dings while attractively blending with the lines of the car.

Fog Light Kit. Casts a low and wide beam to help enhance vision in inclement weather.

Side Sill Plates. Handsome, metallic-finished panels dress up the sill plate area of the WRX models. Set includes four pieces.

STI Performance Exhaust Systems. These exhaust systems feature smooth mandrel bend construction to help reduce exhaust flow restriction.

STI System shown. Also available on all WRX models.

STI Front Under Spoiler. STI Front Under Spoiler gives the WRX and STI models a mean, ground-hugging attitude.

STI Side Under Spoiler. Continue the mean ground-hugging attitude down the rocker panels of the WRX or STI. Kit includes left and right side under spoilers.

STI Rear Quarter Under Spoiler. Complete the ground-hugging look to the side of the WRX or STI with the addition of the rear quarter under spoilers. Kit includes both left and right under spoilers.

Vortex Generator. Add a stylish look of performance to the WRX or STI with the Vortex Generator.

10-inch Powered Subwoofer. The 10-inch powered subwoofer provides powerful deep bass and clean sound reproduction with its integrated 100W amplifier and a passive crossover network. Manufactured for Subaru by Kicker®.

Excludes models equipped with Harman Kardon speaker system.

Short-throw Shifter. Significantly reduces shift throw lengths for crisper shifts and sportier driving feel.

WRX STI Shifter shown. Also available on all WRX 6MT models.

2016 WRX | Sport Package

Take your **WRX** to the next level.

Give your WRX an exclusive, custom look. The available WRX Sport Package includes four STI 15-spoke black-finish alloy wheels, an STI performance exhaust system, STI short-throw shifter and an STI shift knob made of high-quality aluminum and leather.

STI Short-throw Shifter

STI Performance Exhaust System

STI 15-Spoke Black Alloy Wheels¹

WRX in Dark Gray Metallic with accessory Sport Package.

¹ 17-inch on WRX. 18-inch on WRX Premium and WRX Limited.

2016 WRX & WRX STI | Owner Benefits

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayak scuffs and snowboard scratches. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one will you get?

Durability

It's not disposable. It's family.

Life moves fast. Don't slow it down with a car you can't trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing, and with designs that are inherently tough and resilient. It's why our vehicles excel in the extreme rigors of rally racing. And why 95% of all vehicles sold in the last 10 years are still on the road today.² It's also why Subaru owners are so likely to stay Subaru owners for years and years. What's more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we've done our job.

Warranties¹¹

¹ Requires Sport Lineartronic™ Transmission. Not available on base WRX trim. ² 2016 EPA fuel economy estimates. Actual mileage may vary. ³ Available only with other features. See Optional Equipment listing. ⁴ Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. ⁵ Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. ⁶ Not available with Sport Lineartronic™ Transmission. ⁷ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impacts. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Departure and Sway Warning, and Lane Keep Assist operate only when lane markings are visible and system effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. Please remember to turn off EyeSight when going through a carwash. ⁸ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ⁹ The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. ¹⁰ Based on IHS Automotive: Polk U.S. Total Registrations MY2004–2013. ¹¹ All Subaru vehicles sold by Subaru of America, Inc., are designed and built for normal driving conditions. The Subaru Limited Warranty, as well as the Added Security program, excludes damage or failure resulting from modifications or participation in competition or racing events. See the Subaru Warranty and Maintenance booklet for further details.
