

# OUTBACK

**SUBARU**

*Confidence in Motion*

## START LIVING RIGHT NOW.

The time is now—it's never too late to start doing what you love to do, as much as you possibly can. That's why Subaru vehicles are built to help you get the most out of life. With an emphasis on adventure, the Outback is outfitted with features that fuel activity, so you can find a better connection to what you're passionate about—and a better connection to your life.

# IT'S YOUR ROAD.

---

## FOLLOW IT.

Never miss an adventure again. The Outback inspires confidence and reduces limitations to take you wherever you'd like to go. Its styling reinforces its tough and rugged personality, whilst its comfortable interior offers refined, durable materials and friendly technology to keep you at ease and relaxed wherever you go.

# THE CHALLENGE

---

## IS THE ADVENTURE.

### X-MODE engaged

X-MODE helps to give you reliable control with a push of a button. The technology of X-MODE takes command of the engine, transmission, Symmetrical AWD, brakes, and other components to safely navigate through challenging road conditions and varying terrain. When X-MODE is activated, Hill Descent Control automatically helps to maintain a constant speed when the Outback is travelling downhill.

Very little stands in your way in the capable Outback. Symmetrical All-Wheel Drive ensures outstanding grip in snow, rain or rough roads, and X-MODE with Hill Descent Control helps you conquer more difficult driving situations with increased confidence and poise.

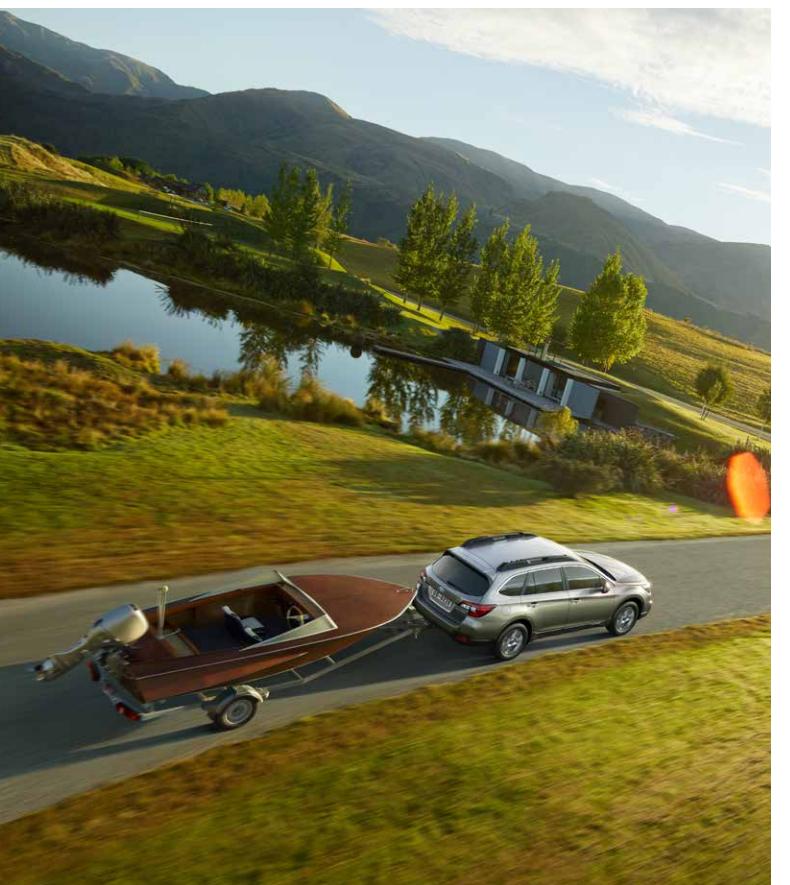

# OWN THE ADVENTURE.

## OWN THE ROAD.

Great care was taken to optimise the driver's connection to the road. Symmetrical AWD with an improved chassis and steering makes the Outback more responsive and nimble, whilst still being as smooth and controlled as ever.

### Towing Capability

With its unexpected towing talents, the Outback was built for people who work hard and play harder. With this kind of capability, you can feel free to fully indulge in the activities and passions you live for every day.

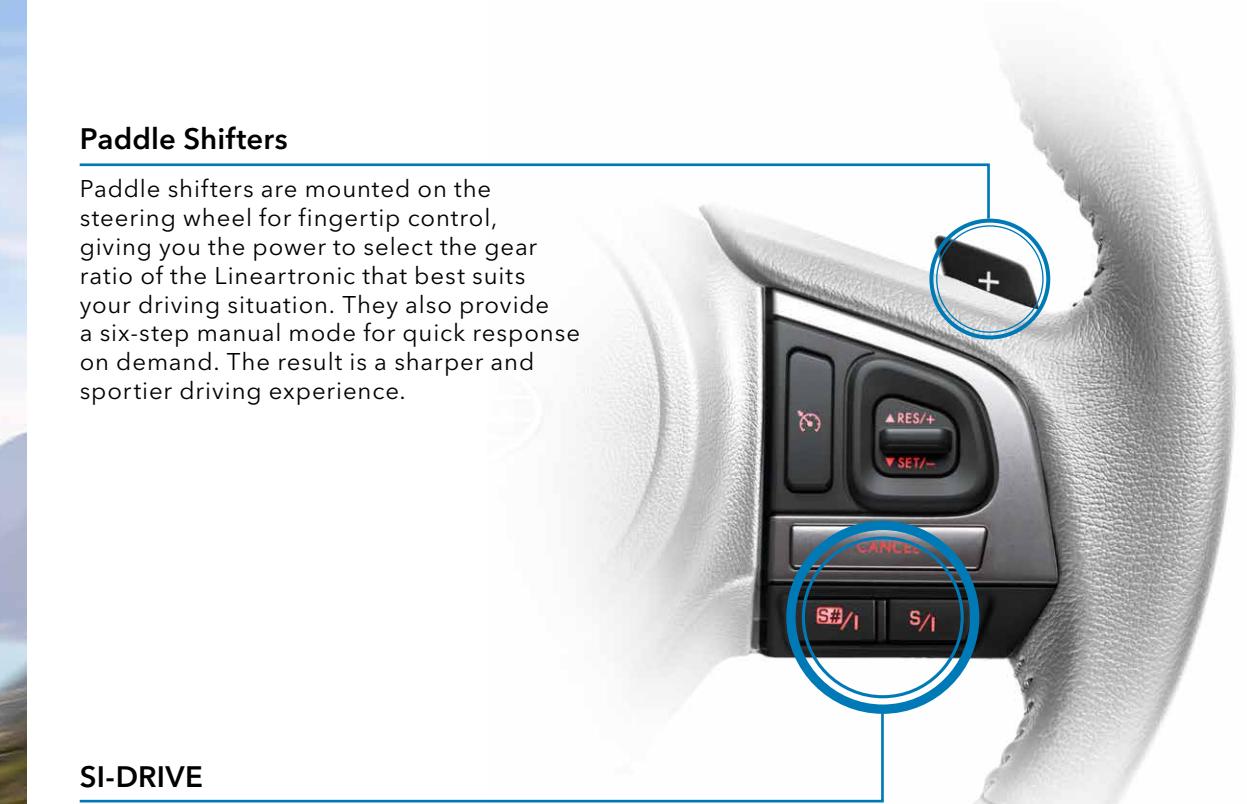

# RUGGEDLY EQUIPPED. FULLY PREPARED.

Make bold plans. The Outback can take you on almost any road you'd care to venture, and thanks to the reliable SUBARU BOXER engine with class-leading fuel consumption, it can take you farther than ever. Rugged in appearance and performance, it also has the looks and durability to traverse a trail or make a new one.

## Paddle Shifters

Paddle shifters are mounted on the steering wheel for fingertip control, giving you the power to select the gear ratio of the Lineartronic that best suits your driving situation. They also provide a six-step manual mode for quick response on demand. The result is a sharper and sportier driving experience.

## SI-DRIVE

Based on your driving style, SUBARU Intelligent Drive (SI-DRIVE) can adjust the throttle and shifting response to give you immediate power and agility when you crave it in nearly any scenario.

### Sport Sharp Mode\*

When you want powerful engine performance, select Sport Sharp Mode for quick acceleration and sharp response. Use the paddle shifters and take even more control. To enjoy sporty driving, this mode unleashes the engine's maximum potential.

### Sport Mode

This highly responsive mode is well suited for all-round conditions with its immediate acceleration. It puts the enjoyment back into high-speed driving on motorways or on winding roads.

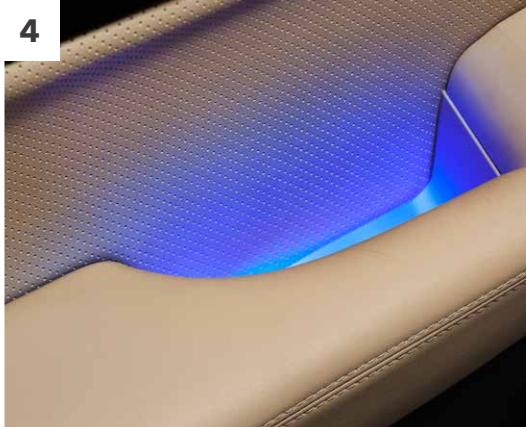

### Intelligent Mode

Offering gentle power delivery, this mode is ideal for cruising around town on local streets, covering long distances, or achieving high fuel efficiency. It also provides flexible control in the rain or on snowy roads.

# AN INTERIOR THAT ENHANCES THE JOURNEY.

Relax and enjoy. Rich materials and useful technology mean there's much to enjoy inside the Outback.

1

## Large sunroof\*

Enjoy a more open feel with the large, panoramic sunroof. The inner sliding sunroof includes tilt-up and auto-reverse features to bring in plenty of light at your command.

2

## Centre console box

The large centre console box can hold more CDs now and even has specially created holders for cards, pens and coins.

3

## Comfortable rear seats

The cabin of the Outback was designed to provide ample space for rear passengers, and the capability to recline their seats for enhanced comfort on longer drives.

4

## Lighting

A blue illuminated interior light\* lends a cool, sophisticated feeling to the Outback. The cup holder and console box also have that welcoming blue glow, making them easier to find in the dark.

\* Standard on 2.5i-S and 3.6R-S.

# TECHNOLOGY THAT FUELS THE ADVENTURE.

Make your day-to-day brilliant. The ingenious design and technology of the Outback work exceptionally well and are especially useful. A 7-inch centre touchscreen and LCD meter centre display give you access to it all. A new premium audio system with 12 Harman/Kardon speakers or standard audio with six speakers is available for your enjoyment. Plus the entire infotainment system is compatible with smartphones, making it easy to stay connected.\*<sup>1</sup>

## 1 Touchscreen control

The touchscreen is a useful way to select your music, just as you would on your smartphone. Simply connect your smartphone through Bluetooth®\*<sup>2</sup> or the USB port, and you can choose your music right on the touchscreen.

## 2 LCD meter centre display

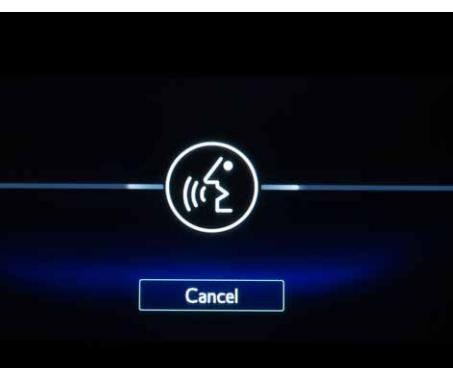

The LCD meter center display supplies the driver needed information at a glance without having to look to the side. It also features an efficiency display that allows you to track your fuel economy. It's the data you need to stay informed and confident that your drive stays as efficient as possible.

## 3 Voice Recognition\*<sup>3</sup> and Siri Eyes Free\*<sup>4\*5\*6</sup>

Your Outback has more hands-free options than ever before, thanks to intuitive Voice Recognition\*<sup>3</sup> and Siri Eyes Free\*<sup>4\*5\*6</sup> integration. Use Siri to link your compatible Apple\*<sup>5</sup> product to your Outback, allowing you to make hands-free calls, play music, check emails and search the web. Even without Siri, you can still have hands-free interaction with navigation, telephone and audio systems for added ease in every drive.

## 4 Harman/Kardon Audio System\*<sup>7</sup>

Featuring Harman/Kardon's latest technology, GreenEdge, the premium audio system in the Outback includes 12 Harman/Kardon speakers and improved acoustics for a richer audio experience.

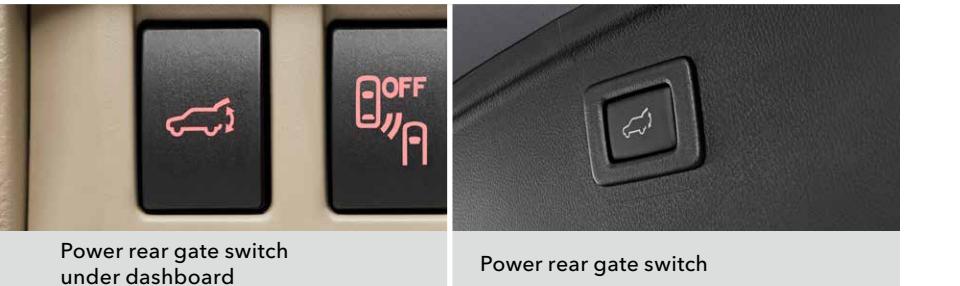

\*1 Driver is always responsible for safe and attentive driving. Please refrain from operating the touchscreen whilst driving.

\*2 Bluetooth is a registered trademark of Bluetooth SIG, Inc. America. \*3 Voice Recognition is compatible with select languages only and cannot accept all languages.

\*4 Siri-compatible Apple product (iPhone, iPad, iPod touch, etc.) required. \*5 Apple, iPod, Siri and iTunes are registered trademarks of Apple Inc. App Store is a service mark of Apple Inc.

\*6 Standard on 2.5i-S and 3.6R-S. \*7 Standard on 3.6R-S, optional on 2.5i-S.

### Luggage and seat combinations

There's more room for more of your life. Cargo capacity has been increased to make room for up to four 80-litre suitcases, and the floor has been made even flatter to allow for greater luggage capacity. You can also change the seating configuration in an instant—thanks to the 60/40 folding rear seats—allowing you to haul large items and various passengers needed.

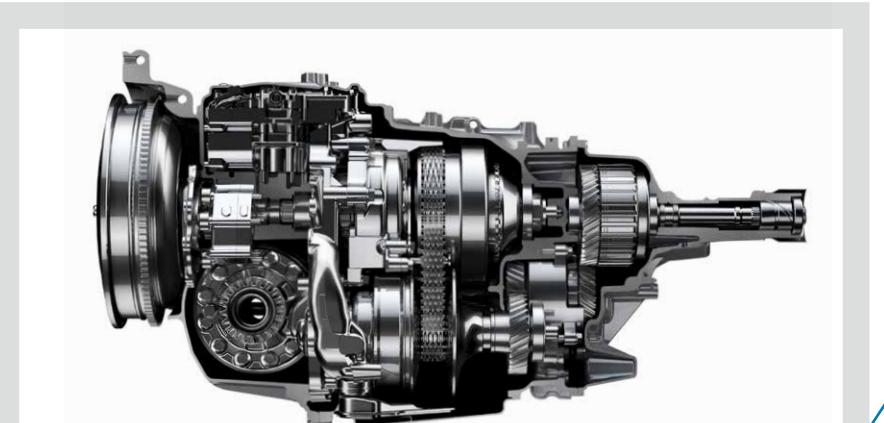

## FLEXIBLE SOLUTIONS.

As the demands of life are varied, it's good to know the Outback can easily rise to meet them. At the push of a button, the power rear gate\*<sup>2</sup> gives you instant access to the cargo area, making it especially easy to load up and go.

\*1 Requires purchase of an attachment to load cargo on the roof rails. \*2 Standard on 2.5i-S and 3.6R-S, optional on 2.5i.

# SYMMETRICAL ALL-WHEEL DRIVE

Control leads to confidence, and stability creates an agility that excites in the Outback. Subaru vehicles are gifted at inspiring confidence behind the wheel, thanks to the inherently stable design of Symmetrical AWD paired with the uniquely balanced SUBARU BOXER engine. This system delivers power to all four wheels at all times for enhanced control on all roads and in poor conditions. It has excellent side-to-side balance and handling precision, thanks to its main components being aligned longitudinally, whilst its low centre of gravity creates an especially engaging and responsive drive. The unique advantages of Symmetrical AWD make for exceptionally rewarding handling and empower you to better avoid danger.

## LINEARTRONIC

Designed to get the most out of your SUBARU BOXER engine and Symmetrical AWD, the efficient Lineartronic Continuously Variable Transmission keeps the engine in its ideal power range to give the Outback its class-leading fuel consumption. Shift controls keep the ride light, smooth and responsive on both the 2.5-litre and 3.6-litre engines, whilst the Lineartronic in 3.6R-S also handles the higher-torque output with less mechanical noise for a smoother, quieter drive. The shift controls have a stepped variable control that stays in tune with changes in vehicle speed and engine speed, allowing the driver to feel shift points when accelerating to form a strong and comfortable connection between car and driver.

## SUBARU BOXER ENGINE

Few other cars drive with the self-assured confidence of the Outback, so you won't be surprised by how uniquely it is accomplished. The horizontally opposed configuration of the SUBARU BOXER engine places the pistons 180 degrees apart, for a lower, flatter profile than other engine types. This gives the engine, and therefore the overall vehicle, a lower centre of gravity and better sense of balance. Further, the pistons' opposing movements inherently counteract each other, naturally helping to reduce vibration.

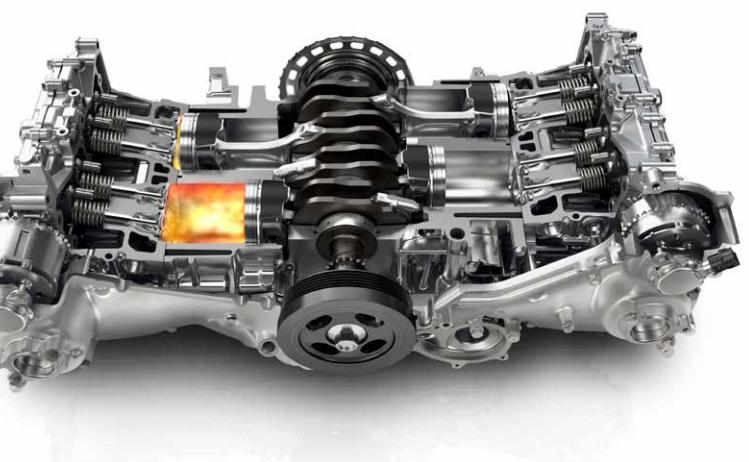

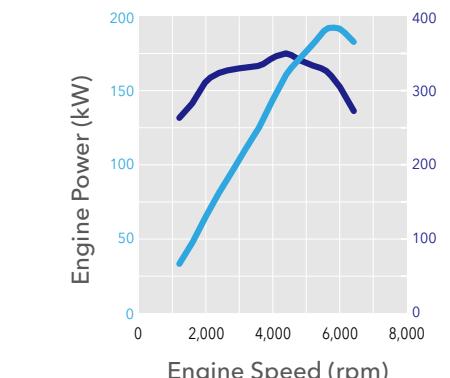

### 3.6-litre DOHC SUBARU BOXER

MAX OUTPUT:  
191 kW (260 PS) /  
6,000 rpm

MAX TORQUE:  
350 Nm (35.7 kgfm) /  
4,400 rpm

FUEL  
CONSUMPTION\*:  
9.9 lit./100 km

CO<sub>2</sub> EMISSIONS\*:  
230 g/km

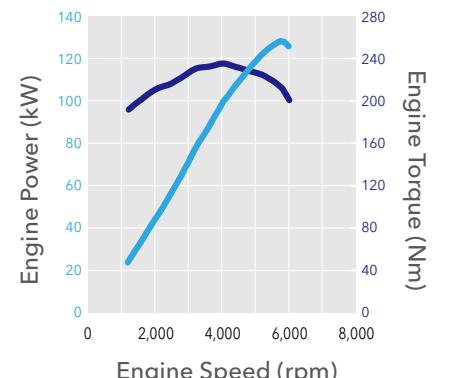

### 2.5-litre DOHC SUBARU BOXER

MAX OUTPUT:  
129 kW (175 PS) /  
5,800 rpm

MAX TORQUE:  
235 Nm (24.0 kgfm) /  
4,000 rpm

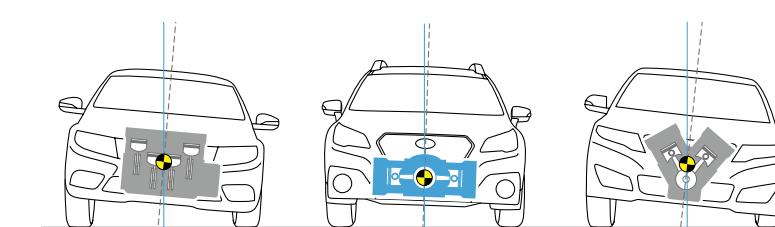

FUEL  
CONSUMPTION\*:  
7.7 lit./100 km

CO<sub>2</sub> EMISSIONS\*:  
177 g/km

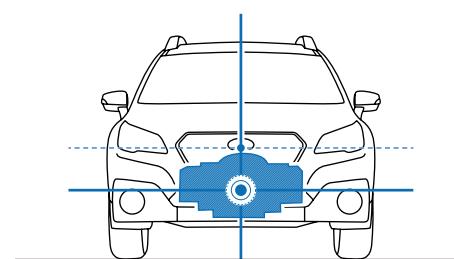

## Long-lasting performance

The engine's flat design is inherently rigid and self-balancing to achieve durability and reliable performance, generating less vibration than V-type or 4-cylinder in-line engines in the same class.

## Increased stability

Because the engine block has a flatter profile and sits lower in the chassis, the overall vehicle is more stably balanced and resistant to side-to-side motion than other designs.

\* Fuel consumption and CO<sub>2</sub> emissions: According to ECE R101-01.

# SAFETY FOCUSED.

Knowing the importance of all that's aboard, the Outback does a lot to protect you and your passengers with high-quality safety systems like seven SRS\*<sup>1</sup> airbags, Ring-shaped Reinforcement Frames and even a cabin protecting layout. There may be risks in life, but we make sincere efforts to make sure that what you value most is well protected in your Outback.

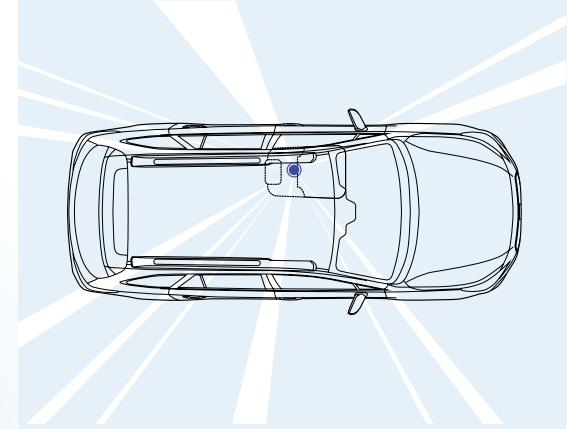

## 5-Star Euro NCAP Rating

The Outback has been awarded the maximum five-star safety rating in the latest round of Euro NCAP (The European New Car Assessment Programme) safety performance test.

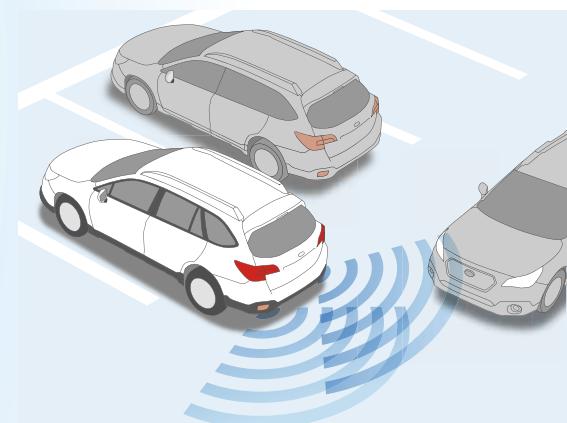

## Ring-shaped Reinforcement Frame

The Ring-shaped Reinforcement Frame strengthens the passenger cabin from the roof to the doors, pillars and floor. This design helps to divert and dissipate impact energy away from the occupants in a collision. It also contributes to strengthening and lightening the chassis, leading to greater, reinforced protection.

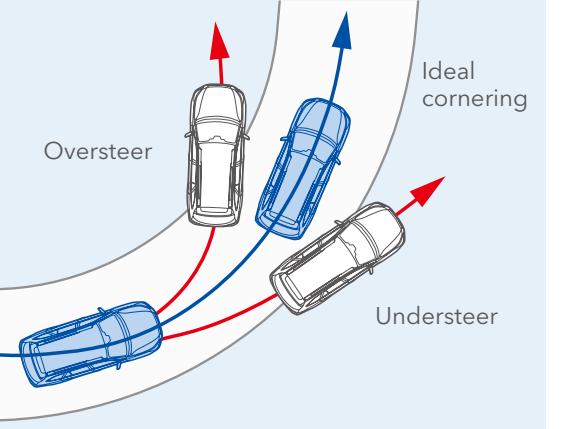

## Increased visibility

We adjusted the frame to increase your visibility and decrease your blind spot area. We also installed front quarter windows with door-mounted side mirrors to reduce the front blind spot for increased forward visibility.

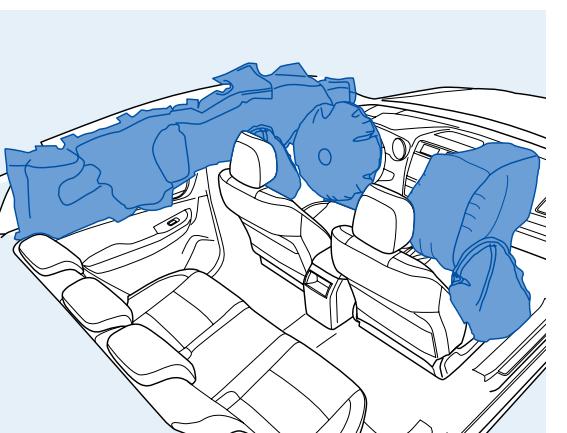

## Advanced Safety Package\*<sup>2</sup>

For increased awareness and visibility, the Advanced Safety Package includes two innovative new features—High Beam Assist (HBA) and Subaru Rear Vehicle Detection (SRVD). HBA can automatically toggle between high and low beams depending on road conditions such as speed and oncoming traffic, enhancing visibility for you, and other drivers as well. SRVD uses sensors placed around the vehicle to alert you of vehicles in your rear blind spots for safer lane changes, and can also warn you of potential collision danger, whilst driving in reverse into a street with cross traffic.

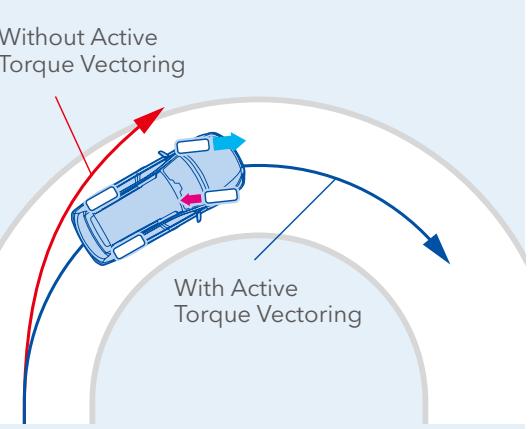

## Vehicle Dynamics Control System

Vehicle Dynamics Control System monitors and analyses if the vehicle is following the driver's intended course via an array of sensors. If a tyre slips or a high-speed turn moves the vehicle off its intended path, the AWD torque distribution, engine output and brakes at each wheel are adjusted to assist in keeping the vehicle on course.

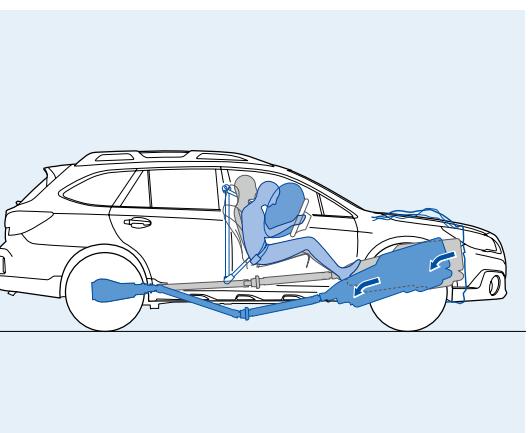

## Seats, seatbelts and SRS\*<sup>1</sup> airbags

Standard on the Outback are front SRS\*<sup>1</sup> airbags, front-side SRS\*<sup>1</sup> airbags, curtain SRS\*<sup>1</sup> airbags and knee SRS\*<sup>1</sup> airbags. Height-adjustable front seatbelts feature pretensioners to hold passengers firmly in place, and load limiters that ease peak forces to the chest.

## Active Torque Vectoring

When cornering, Active Torque Vectoring applies the brakes and distributes less torque to the inside wheels and more torque to the outside wheels. It helps make sharp turns and handling more precise. In combination with the Vehicle Dynamics Control System, it helps to keep you out of harm's way, granting you a comforting sense of security.

## Cabin-protecting layout

Every Subaru goes above and beyond common practice when it comes to your safety. In the event of a head-on collision, your Outback's SUBARU BOXER engine and gearbox are designed to avoid moving into the cabin for your protection.

**OUTBACK 3.6R-S**

Dimensions: L x W x H: 4,815 x 1,840 x 1,675 mm  
 Engine: Horizontally-opposed, 6-cylinder, DOHC, 24-valve, petrol  
 Capacity: 3,630 cc  
 Max output: 191 kW (260 PS) / 6,000 rpm  
 Max torque: 350 Nm (35.7 kgfm) / 4,400 rpm  
 Transmission: Lineartronic, AWD

Tungsten Metallic

**OUTBACK 2.5i-S**

Dimensions: L x W x H: 4,815 x 1,840 x 1,675 mm  
 Engine: Horizontally opposed, 4-cylinder, DOHC, 16-valve, petrol  
 Capacity: 2,498 cc  
 Max output: 129 kW (175 PS) / 5,800 rpm  
 Max torque: 235 Nm (24.0 kgfm) / 4,000 rpm  
 Transmission: Lineartronic, AWD

Ice Silver Metallic

**OUTBACK 2.5i**

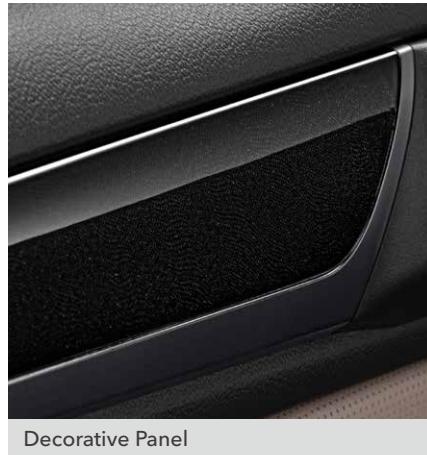

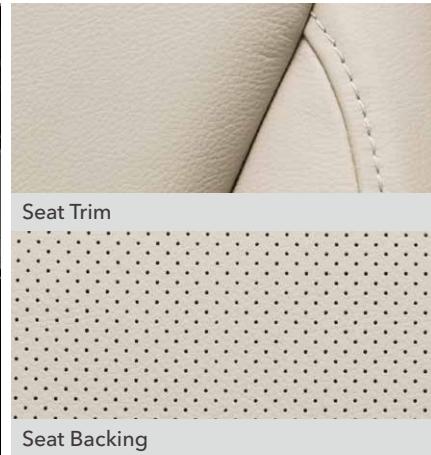

Dimensions: L x W x H: 4,815 x 1,840 x 1,675 mm  
 Engine: Horizontally opposed, 4-cylinder, DOHC, 16-valve, petrol  
 Capacity: 2,498 cc  
 Max output: 129 kW (175 PS) / 5,800 rpm  
 Max torque: 235 Nm (24.0 kgfm) / 4,000 rpm  
 Transmission: Lineartronic, AWD

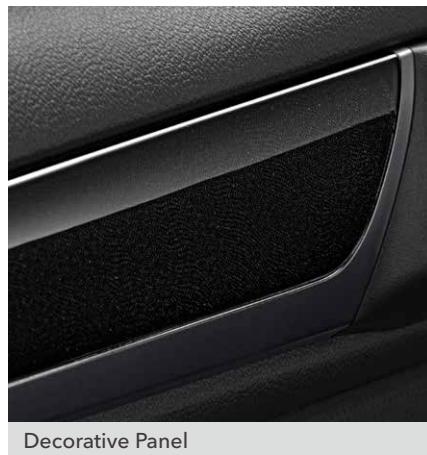

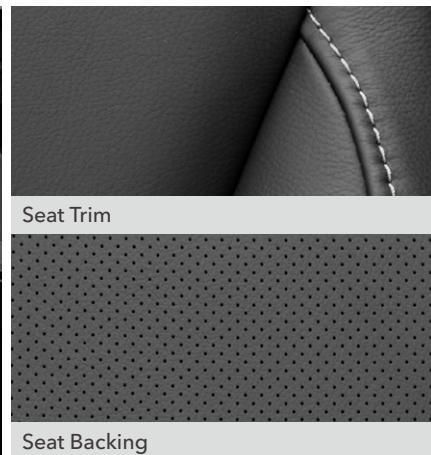

Crystal White Pearl

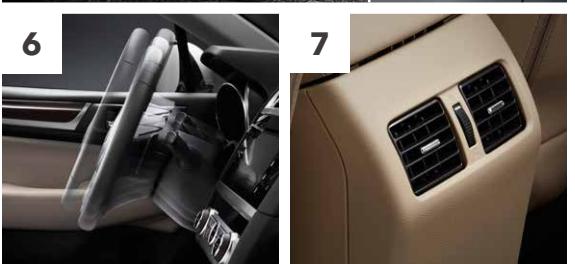

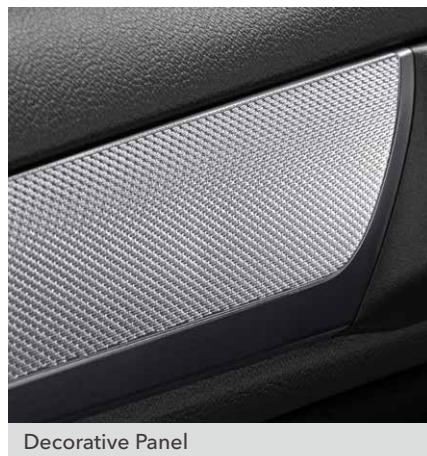

## LEATHER IVORY (2.5i-S / 3.6R-S)

## LEATHER BLACK (2.5i-S / 3.6R-S)

## FABRIC BLACK (2.5i)

**1**  
**LED headlamps with auto-leveliser\***  
Get maximum illumination the instant you turn these headlamps on, and the auto-leveliser will adjust the headlamps to keep them pointed at the correct angle for optimum visibility. The welcome lamps also turn on automatically when you're entering or exiting the car, to enable you to move safely even in the dark.

**2**  
**Roof spoiler**  
Sophisticated and aerodynamic, the roof spoiler of the Outback is integrated seamlessly into the rear gate. The back side of it is coloured in black without coating to give it an outdoor feel and to help hide any scratches made when you're loading cargo on the roof carrier.

**3**  
**18-inch aluminium-alloy wheels**  
Multi-spoke 18-inch aluminium-alloy wheels have an Outback-exclusive, rugged appearance and an aerodynamic design for improved fuel efficiency. Together with the 225/60R18 high-performance tyres, they make an attractive addition to Outback 2.5i-S and 3.6R-S models.

**4**  
**Automatic rain-sensing windshield wipers**  
When rainfall is detected, the available automatic windshield wipers will turn on, and adjust their wiping intervals and speed accordingly.

**5**  
**Keyless access with push-button start system\***  
Your key fob grants you complete keyless access. To lock/unlock the front doors or tailgate, simply grip the door handles. To start the engine, push the button. Using a 5-digit PIN code allows you to enter your Subaru even without your key fob.

**6**  
**Tilt-adjustable/telescopic steering wheel**  
To help ensure you're comfortable whilst driving, the adjustable steering wheel tilts up and down, and telescopes in and out.

**7**  
**Rear ventilation system**  
Offering added comfort for rear passengers, the Outback models include adjustable rear-cabin air vents on the back of the centre console box.

**8**  
**8-way power adjustable driver's seat (with lumbar support)\***  
Find your ideal driving position with this 8-way power adjustable driver's seat.

\* Standard on 2.5i-S and 3.6R-S, optional on 2.5i.

# Make your Outback truly yours.

Tailor your Outback to you and your lifestyle with SUBARU accessories. Add convenience, enhance functionality, or personalise your Outback's appearance, all with SUBARU accessories designed with the same fit and quality as your SUBARU vehicle. For more details, ask for the accessory brochure or visit your nearest SUBARU dealer.
