# SUBARU FORESTER

SPECIAL EDITION

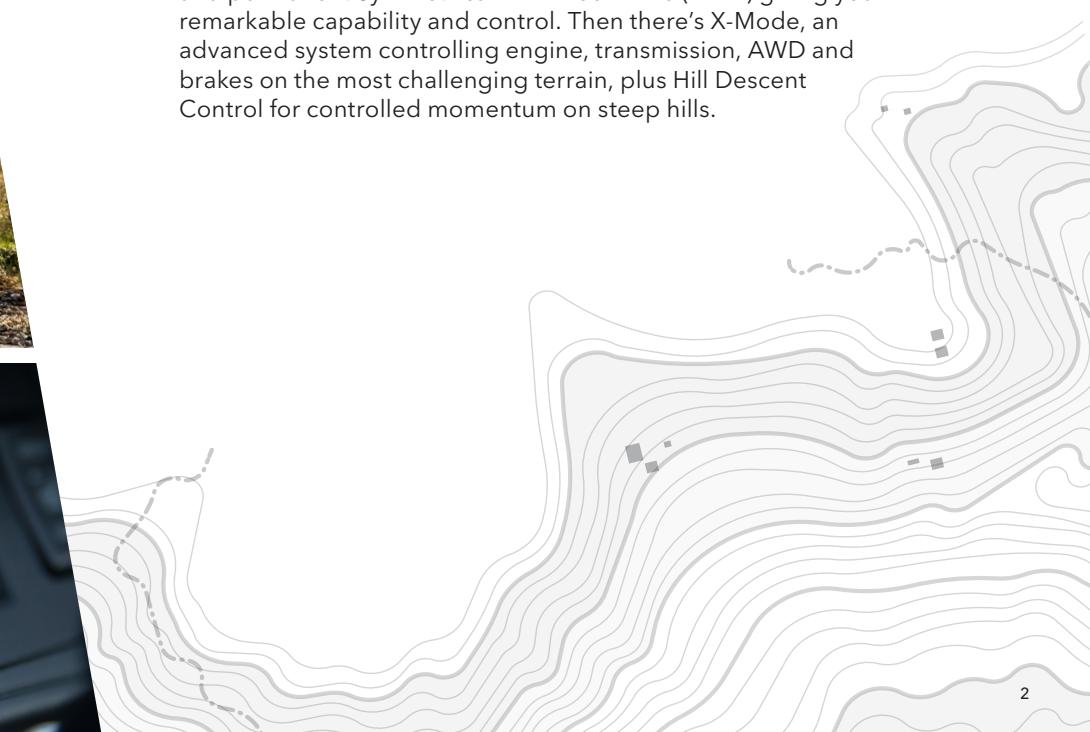

## THE SPECIAL EDITION FORESTER IN HUNTER GREEN, WITH ADDITIONAL ACCESSORIES AT NO EXTRA COST.

The Subaru Forester pioneered the crossover sector and it's still out on its own. With the Subaru Forester you get the poise of a dedicated road car, the off-road agility of a full-blown 4x4 and the interior space of a mid-sized people carrier. All in one rugged, beautifully put-together package.

The Forester comes with a low-centre of gravity BOXER engine and permanent Symmetrical All-Wheel Drive (AWD) giving you remarkable capability and control. Then there's X-Mode, an advanced system controlling engine, transmission, AWD and brakes on the most challenging terrain, plus Hill Descent Control for controlled momentum on steep hills.

## A SPECIAL EXPERIENCE, INSIDE AND OUT.

Based on the Premium Forester models, the Special Edition comes with a host of added extras. In addition to unique Hunter Green metallic paint, the Special Edition Forester boasts front, side and rear protective under guards, wheel arch extensions and stainless steel cargo step panel, as well as luxurious Sienna Tan leather seats, interior door grips, centre armrest and centre panel uprights. That's £1,500 worth of additional equipment at no extra cost.

Two versions of the Special Edition Forester are available, starting at £29,995 for the petrol Lineartronic and £31,495 for the diesel Lineartronic. Based on the XC Premium and XE Premium, each has Continuously Variable Transmission (CVT) and comes with Subaru's comprehensive 5 Year/ 100,000 mile (whichever is sooner) Limited Warranty.
