Everything ventured. Everything gained.

The 2014 Subaru Outback

Not all who wander are lost. Outback has what you need to explore whenever and wherever with confidence. With Subaru Symmetrical All-Wheel Drive and a rugged suspension, you get car-like handling with SUV capabilities. And Outback is also available with an innovative driver-assist system: EyeSight®, a combination of four systems that help the driver watch for and avoid trouble ahead.¹ So grab some gear, a few fellow adventurers and go make some stories.

¹ EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.

Outback 2.5i Premium in Twilight Blue Metallic with accessory equipment.

Efficient

The SUBARU BOXER® engine and Lineartronic® CVT combine to get up to 30 highway MPG and over 550 miles per tank¹—helping you do more with less.

Convenient

Outback offers the latest in technology. Voice-activated navigation, standard Bluetooth® connectivity, and steering-wheel-mounted controls—all help you focus on getting to your destination.

Versatile

Smartly equipped with retractable and adjustable cross bars, ample cargo room, and an array of places to store, stash, hook up and tie down, Outback is ready for all you've got.

Protective

A 2013 IIHS Top Safety Pick Plus², the Outback pushes protection even further with the available EyeSight® Driver-Assist System³, making a safe Subaru even safer.

5 | 2014 Outback

Scan this page to see how practical the retractable cross bars are.

- ¹ Driving range based on 18.5-gallon fuel tank capacity and EPA estimated fuel economy for 2014 Subaru Outback 2.5i Lineartronic CVT at 30 highway MPG. Actual driving range may vary.
- ² Top Safety Pick Plus winners must earn good ratings for occupant protection in at least 4 of 5 evaluations, with no less than acceptable in the fifth test. Ratings based on Insurance Institute for Highway Safety's (IIHS's) 40-mile-per-hour moderate overlap frontal crash test, 40-mile-per-hour small overlap frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. For more information, contact IIHS or visit their website at www.iihs.org.
- ³ EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.

Go where stories are made.

Outback 2.5i Limited in Deep Indigo Pearl with optional Special Appearance Package.

Capable, comfortable
and connected.

Outback 2.5i Limited with Warm Ivory Leather and optional equipment.

Interior Features

There's a lot to enjoy in the 2014 Outback. Rich materials and a remarkably roomy cabin with reclining rear seats keep everyone comfy. While the available full-color, LCD multifunction display gives you access to helpful info such as fuel economy, vehicle settings and the available EyeSight® Driver-Assist System.¹

There's also an available touchscreen navigation system to help you find your way. It includes the Aha™ connected service² via the Subaru STARLINK™ system, with seamless access to web content such as podcasts, internet radio, audiobooks and personalized restaurant and hotel searches.

¹ EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.
² Compatible smartphone and free Aha app required. For Aha to operate, latest version of Aha application and optional integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Incorporated. Your wireless carrier's rates may apply.

Capable, comfortable
and connected.

Outback 2.5i Limited with Warm Ivory Leather and optional equipment.

Rear Seat Entertainment System

Help everyone enjoy the drive with the accessory Rear Seat Entertainment System. It includes two 7-inch LCD monitors and two DVD players integrated right into the front-seat headrests. The dual-screen system allows rear passengers to watch movies, listen to music or play games either simultaneously or independently of each other. There's also a remote control and wireless headphones¹ for your convenience. Plus it's iPod^{®2} and MP3 compatible, and includes an A/V jack for game consoles and more.

¹ Headphones are for rear passengers use only.
² iPod accessory is not included.

Make room for more doing.

The spacious cabin and clever designs found on every Outback make getting in, getting out and getting all of your gear easier for you and your passengers. Generous legroom in the back, plenty of hip room in the front and spacious headroom all around make everyone comfortable. Yet with over 34 cubic feet of cargo volume behind the rear seats, there's still room for plenty of stuff. Fold down the 65/35-split seats and you can boost your cargo capacity to more than 71 cubic feet when big plans call for big things.

There's more to Outback than meets the eye.

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight^{®1} warns you, applies brakes to help avoid a collision, and at lower speeds can even help you stop your Subaru.

Adaptive Cruise Control

Traffic doesn't always flow, so EyeSight[®] doesn't only keep a set speed. The system looks ahead and helps automatically adjust to keep your distance, even in stop-and-go highway traffic.

Pre-Collision Throttle Management

You put the car in Drive instead of Reverse. EyeSight[®] cuts power when it sees an object in your path to help you avoid accelerating into it.

Lane Departure and Sway Warning

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight[®] watches for lane markers and chimes to warn you before you leave yours.

¹ EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.

Scan this page to watch how EyeSight[®] works in the real world.

Outback 2.5i Limited in Venetian Red Pearl with optional equipment.

Go bigger. Climb steeper. **Roam farther.**

Outback 2.5i Premium in Ice Silver Metallic. Production model may vary.

Ready, willing and oh so able.

Symmetrical AWD

With an almost perfectly symmetrical layout, our unique all-wheel drive system offers better balance for stability and a more efficient flow of power to all four wheels for greater grip and control.

Suspension

With its rugged 4-wheel independent suspension and up to 8.7 inches of ground clearance, your Outback has the capability to take you to destinations ordinary cars can't. Yet it drives with a smooth ride and responsive handling few SUVs can match.

Exceptional Control

The balance of the SUBARU BOXER® engine and the grip of Subaru Symmetrical AWD help give you the power and responsiveness you need on those twisty roads and unpredictable conditions. This poise is combined with VDC electronic stability control, which can intervene to help you stay in control.

Versatility

Outback is filled with handy designs like the unique retractable cross bars of the roof rack system. These cross bars feature an adjustable spread that will help keep your stuff neatly packed and under control. While a spacious cargo area and a 65/35 split-folding rear seatback make loading, hauling and accessing cargo easy.

Rewarding Technology

Available features like a dual-zone automatic climate control system help keep you comfortable, while a USB for your iPod®, HD Radio®, SiriusXM® Satellite Radio¹ and Bluetooth® hands-free connectivity keep you connected and entertained. Now it also includes Aha™ connected service² via the Subaru STARLINK™ system with seamless access to web content such as podcasts, internet radio, audiobooks and personalized restaurant and hotel searches.

Innovative Safety

A 2013 IIHS Top Safety Pick Plus and Top Safety Pick for four years running (2010–2013)³, the Subaru Outback is comprehensively engineered to help keep you safe on the road. Protecting the passenger area, there's a Ring-shaped Reinforcement Frame, six standard airbags⁴ and the SUBARU BOXER® engine that's designed to push down and away from the passenger area in a collision. There's also EyeSight®, an available driver-assist system⁵ that monitors the road ahead and if necessary will deliver a warning or even apply brakes to help your Outback avoid an accident.

1 Three-month trial subscription included when a dealer- or port-installed accessory or a four-month trial subscription included when factory-installed. Activation and required monthly subscription sold separately. See your dealer.
2 Compatible smartphone and free Aha app required. For Aha to operate, latest version of Aha application and optional integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Incorporated. Your wireless carrier's rates may apply.
3 Top Safety Pick Plus winners must earn good ratings for occupant protection in at least 4 of 5 evaluations, with no less than acceptable in the fifth test. Ratings based on Insurance Institute for Highway Safety's (IIHS's) 40-mile-per-hour moderate overlap frontal crash test, 40-mile-per-hour small overlap frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. For more information, contact IIHS or visit their website at www.iihs.org.
4 Always wear seatbelts. Children should be properly restrained in the rear seat.
5 EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.

“Few vehicles on the market can equal the Subaru Outback’s ability to conquer tough terrain while simultaneously delivering carlike fuel economy. Safety buffs will appreciate its perfect crash test marks and the availability of the segment-exclusive EyeSight driver assistance system.”¹

— KBB.com, 2013 Outback Review

“Subaru has racked up more endorsements by independent arbiters of automotive quality and safety than just about any other manufacturer.”²

● Standard ○ Optional — Not equipped □ Available dealer-installed accessory

1 2014 Outback 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 2 2014 EPA fuel economy estimates. Actual mileage may vary. 3 Available only with Special Appearance Package. See optional equipment listing. See your dealer. 4 Requires Alloy Wheel Package. 5 Requires Power Moonroof Package. 6 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your dealer. 7 Requires EyeSight® Driver-Assist System. 8 EyeSight not available with Crystal Black Silica exterior color. Not available with manual transmission. EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. The Pre-Collision Throttle Management System is designed to reduce acceleration and minimize the severity of certain frontal impact. Adaptive Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving. The Lane Departure and Sway Warning operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash. 9 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat. 10 Not available with Navigation System Package. 11 Requires Navigation System Package. 12 Compatible smartphone and free Aha app required. For Aha to operate, latest version of Aha application and optional integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Incorporated. Your wireless carrier's rates may apply.

2014 Outback | Accessories

All-weather Floor Mats. Custom-fitted, heavy-gauge protective mats. Help protect vehicle's carpet from sand, dirt and moisture.
Not intended for use on top of carpeted floor mats.

Dog Guard/Compartment Separator. Separates pets and cargo from the passenger area.
Not for use with child seats requiring tether straps.

Trailer Hitch. Heavy-duty rated at up to 3,000 lbs towing capacity and 200 lbs tongue weight. Hitch ball not included. Trailer brakes may be needed. 2.5i: 2,700 lbs; 3.6R: 3,000 lbs.

Auto-dimming Mirror with Compass and HomeLink®. Darkens when headlights are detected from behind the vehicle. Includes a compass and three integrated HomeLink® buttons that are programmable for most garage-door openers and other HomeLink®-compatible devices.

Rear Seatback Protectors. Provide additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Use in conjunction with the Rear Cargo Tray.

Puddle Lights. L.E.D. lights activate when vehicle doors are unlocked using the keyless entry. A soft glow illuminates the ground, aiding entry and exit of the vehicle.

Body Side Moldings. Attractive color-matched moldings coordinate with the styling of the vehicle, while helping to protect doors from unsightly dings.

Wheel Arch Molding Kit. Black textured moldings help protect the wheel arch areas, while adding a rugged, yet classy look. The wheel arch moldings look great with the addition of the accessory Splash Guards.

Splash Guards. Help protect the vehicle's paint finish from stones and road grime.

Side Window Deflectors. Let the fresh air in while helping to keep the weather out. Deflector design includes integrated chrome insert to match window frame trim.

Side Window Deflectors may not be legal in all states. Please check the laws of your state.

Remote Engine Starter—Smart Engine Start. Allows vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air-conditioning controls to help bring the interior temperature to a more comfortable level prior to entry. Smart Engine Starter works in conjunction with the Keyless Access and Start system. Operating distance is up to 75 feet away, depending on vehicle obstructions. May not be used in conjunction with the Mobile Internet.

Remote Engine Starter. Allows vehicle to start from the convenience of home or the office (up to 400 feet away depending on obstructions) so that the vehicle's interior temperature is more comfortable upon entry. Remote confirms when vehicle engine has been started.

2014 Outback | Owner Benefits

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru dealership and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your dealer has full coverage details.

Warranties

Repairs to the following items will also be covered under Wear Item Limited Warranty:

- Brake Pads
- Wiper Blades
- Clutch Linings
- Transmitter Batteries

Rust Perforation Limited Warranty

5 years, unlimited mileage.

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayak scuffs and snowboard scratches. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on their car, and let everyone know how they experience the world. Which one would you get?

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 96% of all the vehicles we've built in the last 12 years are still on the road today.¹ We also share your desire for a cleaner, greener world. Select 2014 Outback and Legacy, plus every 2014 non-turbo Forester and Impreza, and XV Crosstrek models achieve Partial Zero Emission Vehicle—PZEV²—status, because of their exceptionally low emissions. What's more, in 2004 Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Cherry Hill, NJ.

Find out more about our efforts to
keep it cleaner and greener.

Outback 2.5i Premium shown with accessory Kayak Carrier on front cover.

¹ Based on Polk U.S. Vehicles in Operation registration information for MY 2001–2013 as of January 2013. ² 2014 Outback 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information.
