

It's not disposable. It's family.

Life moves fast. Don't slow it down with a car you can't trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing, and with designs that are inherently tough and resilient. It's why our vehicles excel in the extreme rigors of rally racing. And why 96% of all vehicles we've built in the last 12 years are still on the road today.¹ It's also why Subaru owners are so likely to stay Subaru owners for years and years. What's more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we've done our job.

Find out more about our efforts to
keep it cleaner and greener.

The edge is just the beginning.

We start with an insatiable desire to bring performance to the people. We take it to the limit with the street-scorching Impreza WRX, then push it unbelievably farther with the g-defying WRX STI. Which stirs you?

Subaru Impreza WRX STI

Subaru Impreza WRX

WRX STI Limited 4-door in Plasma Blue Pearl and WRX Premium 4-door in Dark Gray Metallic.

"Not only are the WRX and STI practically rally cars for the road, they're driveable sporty cars you can use even in snow, sleet, and any mixture in between from the worst-weather palette."¹

— TheCarConnection.com, 2013 WRX STI Review

1 Accolade based on 2013 Impreza WRX STI.

WRX STI Limited 4-door in Plasma Blue Pearl.

WRX

"The 2013 Subaru Impreza WRX offers an impressive amount of performance for the money, featuring plentiful power and tenacious cornering grip thanks to its firm suspension and summer performance tires."²

— Edmunds.com, November 2012

2 | 2014 WRX | STI

2 Accolade based on 2013 Impreza WRX.

WRX Limited 4-door in Ice Silver Metallic.

The 2014 Subaru WRX

Unflinching all-road performance and an unabashed design express the uncompromising soul of the WRX—a real-world sports car as forceful as its presence.

Thrilling

With turbocharged 265 horsepower and 244 lb-ft of torque, the WRX has a punch that is instantly and completely felt.

Responsive

A sport-tuned suspension with stiff rear subframe bushings dials up reflex-quick agility with surefooted composure.

Sharp

From hood scoop to side air vents to rear spoiler, WRX is styled to make bold promises and engineered to keep them.

WRX 5-Door

Scan this page to experience the thrill of the Subaru PUMA RallyCross Team.

WRX 5-door in WR Blue Pearl with accessory equipment and aftermarket snow tires.

WRX

7 | 2014 WRX | STI

Performance runs deep.

WRX

WRX Limited 4-door with Carbon Black Leather.

Commitment comes from the core.

Power

Passion is unleashed from the WRX and WRX STI as visceral power. The SUBARU BOXER® engine makes it, with a low-slung and uniquely balanced design for poise and agility. Subaru Symmetrical All-Wheel Drive channels it to all four wheels for traction and stability. And you feel it. 265 horsepower and a potent 244 lb-ft of torque at 4,000 rpm in the WRX. 305 horsepower and 290 lb-ft of vicious torque in the WRX STI. A pure and immediate rush. With innovative SI-DRIVE, you can tailor the way the WRX STI delivers all that power—from smooth and efficient to completely unrestrained. No matter how intense you like performance, the WRX and WRX STI are engineered to exhilarate at every level.

265

WRX Power (hp)

305

WRX STI Power (hp)

Turbocharger

The power produced by our famed 2.5-liter SUBARU BOXER® engine is intensified with a not-so-secret weapon—a high-performance turbocharger. The signature hood scoop force-feeds air to an intercooler that boosts output and response by enhancing the turbocharger's ability to deliver a potent fuel and air mixture.

WRX | WRX STI

Active Valve Control System

While turbocharging boosts power by pumping more air into each cylinder, for peak performance it's essential that the timing of the fuel and air delivery be precisely controlled. The Subaru Active Valve Control System (AVCS) on the WRX and Dual Active Valve Control System (DAVCS) on the WRX STI make sure to deliver the fuel and air mixture at exactly the right moment. And valve timing is adjusted to match engine rpm, to help create optimal response at any speed.

WRX | WRX STI

Brembo® Brakes

The WRX STI features the Brembo® performance braking system to help you keep a secure leash on all its power. Powerful ventilated front and rear disc brakes—the front ones span 13 inches—are teamed with 4-piston front and dual-piston rear calipers and 4-channel, 4-sensor Super Sport ABS with Electronic Brake-force Distribution (EBD).

WRX STI

Suspension

For the WRX STI, the suspension raises the bar with masterful handling and captivating control. Tight, tuned and tested at the limit to knife into corners with precise accuracy, while still soaking up uneven roads without upsetting the chassis. Inverted front struts help create an ideal balance of stability and precision, and the double-wishbone rear suspension responds to rough surfaces with smoothness that never compromises control.

WRX STI

Driver Controlled Center Differential

The WRX STI puts you in the driver's seat in more ways than one. With the exclusive Driver Controlled Center Differential (DCCD), you can define how Subaru AWD distributes power. Use three distinct automatic modes to fine-tune the system to conquer the road conditions you encounter, or use manual mode to help create the handling characteristics you desire.

WRX STI

Scan this page to watch Mark Higgins set a new record for the Isle of Man TT Course.

The 2014 Subaru WRX STI

All that we've learned in two decades of rally racing burns brightest in the WRX STI. For a generation of enthusiasts, it is intensity at its peak and performance at its apex.

Powerful

Horsepower is boosted to 305 and torque to 290 lb-ft, thanks to a more advanced valvetrain and more extreme turbo tuning.

Adjustable

DCCD All-Wheel Drive, Driver-adjustable SI-DRIVE and Vehicle Dynamics Control mean you can dial in your own performance.

Unmistakable

The signature aggressive style of the STI is capped by the 4-door's trademark rear spoiler to ensure its intentions are clear.

WRX STI

2014 WRX & WRX STI | Owner Benefits

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru dealership and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your dealer has full coverage details.

Warranties¹

New Car Limited Warranty

3 years or 36,000 miles, whichever comes first.

Powertrain Limited Warranty

5 years or 60,000 miles, whichever comes first.

Wear Item Limited Warranty

3 years or 36,000 miles, whichever comes first.

Repairs to the following items will also be covered under Wear Item Limited Warranty:

- Brake Pads
- Wiper Blades
- Clutch Linings
- Transmitter Batteries

Rust Perforation Limited Warranty

5 years, unlimited mileage.

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayak scuffs and mud-coated boots. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one would you get?

MySubaru.com

Use MySubaru.com to shop for your Subaru, tap into resources for your vehicle and read other Subaru owners' stories. It's a great tool after purchase to keep track of your vehicle's service records, get money-saving coupons, locate Subaru events and more.

● Standard ○ Optional — Not equipped □ Available dealer-installed accessory

1 All Subaru vehicles sold by Subaru of America, Inc., are designed and built for normal driving conditions. The Subaru Limited Warranty, as well as the Added Security program, excludes damage or failure resulting from modifications or participation in competition or racing events. See the Subaru Warranty and Maintenance booklet for further details. 2 2014 EPA fuel economy estimates. Actual mileage may vary. 3 Standard on 5-door. Available as an accessory on 4-door. See your dealer. 4 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. 5 Compatible smartphone and free Aha app required. For Aha to operate, latest version of Aha application and optional integrated audio and navigation system unit required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Incorporated. Your wireless carrier's rates may apply. 6 When equipped with Navigation System Package, SiriusXM® Satellite Radio and NavTraffic® hardware is standard. Activation and monthly subscription sold separately. See your dealer.

2014 WRX | WRX STI Accessories

Auto-dimming Mirror with Compass and HomeLink®. Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three HomeLink® buttons that are programmable for most garage-door openers and other HomeLink®-compatible devices.

Rear Cargo Tray. Helps protect cargo area from dirt and spills. Can be easily removed and rinsed clean. May not be installed with 10-Inch Powered Subwoofer.

Body Side Moldings. Color-matched moldings help protect the vehicle's doors from parking lot dings while attractively blending with the lines of the car.

Exhaust Finisher. Aluminum trim pieces add a serious performance look to the rear of WRX STI.

Roof Carrier Bars. New, improved design can be installed or removed in minutes. Fits both 4- and 5-door models and is compatible with most Genuine Subaru roof carriers and attachments. Consult vehicle Owner's Manual for total roof-load limit.

SPT Performance Exhaust System. These exhaust systems feature full stainless steel construction with smooth mandrel bends for low restriction and that famous boxer engine sound. WRX STI system shown. Available for WRX 4-door and 5-door.

SPT Oil Cap and Battery Hold Down v2.0. Replacement oil cap and battery hold down are manufactured from billet aluminum, anodized in Steel Gray or SPT Blue and feature laser-etched SPT logo.

SPT Carbon Fiber Trunk Trim. Give the Impreza WRX and WRX STI 4-door that high-tech look with this carbon fiber accent. The trim piece is made from real carbon fiber and has the SPT logo embedded in the clear coat.

10-Inch Powered Subwoofer. The 10-inch powered subwoofer provides powerful deep bass and clean, sound reproduction with its integrated 100W amplifier and a passive crossover network. Manufactured for Subaru by Kicker.® Sedan only. May not be installed with Rear Cargo Tray.

Turbo Heat Shield. The SPT Heat Shield works to retain heat within the turbocharger, helping to maintain turbocharger exhaust gas velocity. The shroud also helps keep heat generated by the turbocharger away from the intercooler.

Turbo Boost Gauge. Displays engine vacuum in inches of Hg and boost in PSI. Bright red illumination matches vehicle instrument panel lighting and goes dark when the engine is turned off. Includes mounting cup and bracket.

Short-throw Shifter. Significantly reduces shift throw lengths for crisper shifts and sportier driving feel. Available for both 5 M/T and 6 M/T transmissions.
