SUBARU CORE TECHNOLOGY

The Subaru Difference

Subaru's core technologies identify the Subaru brand and give you the unique driving feel you can find only in a Subaru. These core systems allow Subaru vehicles to live up to its standards in performance, comfort, safety, and reliability while keeping its promise to deliver enjoyment and peace of mind to all passengers.

Dimensions

Dimensions are measured in accordance with standard measurement of SUBARU CORPORATION.

Not all features, options, or packages are available for all models and regions. See your specification sheet for availability. Please contact your local authorised Subaru retailer for more details.

SUBARU CORPORATION reserves the right to alter specifications and equipment without notice. Details of specifications, equipment, colour availability and the lineup are subject to suit local conditions and requirements. Please inquire at your local retailer for details of any changes that might be required for your area.

All vehicles sold through Subaru Indonesia official dealer network Plaza Subaru are equipped with a 5-year/180,000 km warranty, free servicing for 3 years/30,000 km (whichever comes first), and Subaru Roadside Assistance for 5 years, providing 24/7 emergency assistance. For more information, please contact a Subaru Sales Consultant or reach out via: WhatsApp at +62 851-8688-6060.
