2024

For a world *discovered*

A new generation of adventure

With an ethos as evocative as its name, Subaru Outback was always destined to be an SUV that could 'walk the walk, and talk the talk'.

Drawing inspiration from over 25 years of back-to-back adventure, the Symmetrical All-Wheel Drive Subaru Outback is the most luxurious and advanced Subaru SUV ever produced. Seamlessly fusing intelligent technology, sophisticated infotainment and cutting-edge engineering, it's a celebration of balance, control and substance.

Now this flagship model is supercharging adventures, with the turbocharged Subaru Outback AWD Sport XT and Outback AWD Touring XT. Driven by a 2.4-litre turbocharged horizontally-opposed direct injection Boxer engine, this newest incarnation pushes out more power and torque for increased acceleration and an impressive braked towing capacity of up to 2,400kg¹. So you can turbocharge your next adventure.

See what high-end adventure looks like by exploring Subaru Outback at www.subaru.com.au/outback

1. Subaru Outback AWD, Outback AWD Sport and Outback AWD Touring feature 2,000kg towing capacity with trailer brakes. Subaru Outback AWD Sport XT and Outback AWD Touring XT feature a 2,400kg towing capacity with trailer brakes and requires fitment of Electric Brake Controller if towing mass is greater than 2,000kgs and is only capable of towing a trailer with a maximum of 2 axles. Towing capacity is subject to regulatory requirements, tow bar and vehicle design and towing equipment limitations. Requires fitment of optional tow bar accessory. Refer to Owner's Manual for towing instructions. For further information, ask your local Subaru Retailer.

Subaru Outback AWD Sport shown with optional Subaru accessories sold separately.

The ultimate all rounder

Life isn't linear. Plans change and adventures are snatched between busy lives. The lines between work and play are blurred and the Subaru Outback takes it all in its stride. Curated to seamlessly traverse the space between city commutes and off-road weekends, Subaru Outback's generous spirit and effortless capability elevates every experience. Comfort, safety and practicality blend effortlessly to transform your journey and enable new possibilities.

Built for the great outdoors

An innovative collaboration between heart and mind, Subaru Outback is as respected and revered as the Australian outback itself.

Restless for adventure from the ground up, Subaru Outback draws on the inherent sure-footed dynamics of Symmetrical All-Wheel Drive and the rigid Subaru Global Platform for the ultimate in driving confidence and unbridled fun.

With an impressive 213mm ground clearance¹, and the terrain taming X-Mode, hidden camping spots can be reached effortlessly. Meanwhile, the openness of the great outdoors is mirrored by ingenious interior space and outstanding versatility.

The luxury of Outback

To many, the outback evokes thoughts of one of the harshest environments on earth. But to Subaru it represents the perfect alignment of beauty and sophistication, premium design and luxury distilled down to its purest form.

As the flagship Subaru SUV, the Subaru Outback redefines comfort in a way the whole family can embrace. The driver and front passenger are spoilt with power adjustable seats, advanced shaping for increased support and more overall room. Not to be overlooked are the backseat passengers with reclining rear seats, quick-charge USB ports and rear air vents.

The Subaru Outback AWD Touring and Outback AWD Touring XT feature high end luxury, with Nappa leather accented seat trim - including the option of tan Nappa leather². They also boast a dual memory function for the driver's power adjustable seat, electric sunroof, heated steering wheel¹ and a premium Harman Kardon^{®3} system with nine speakers, subwoofer and amplifier for a true bass performance.

1. Available on Subaru Outback AWD Touring and Outback AWD Touring XT only. 2. Tan trim colour at an additional cost, available on the Subaru Outback AWD Touring and Outback AWD Touring XT only. Talk to a Subaru Retailer for more information. 3. Harman Kardon® is a registered trademark of HARMAN International Industries, Incorporated.

Tech at your fingertips

Curate your drive with the tablet-like 11.6" infotainment screen with lightning fast response touch and crystal clear, high definition graphics. With the introduction of wireless Apple CarPlay® and Android Auto™ smartphone connectivity¹ standard across the range you can easily tap into your contacts, bring up maps, access apps, play podcasts and more. Plus the advanced, multi-function infotainment control centre can be controlled with the power of your voice or the flick of a finger, to select different driving modes and adjust the dual zone air-conditioning.

OUTSTANDING CONNECTIVITY

Tablet-like, infotainment screen with quick response touch and crystal clear graphics. With Apple CarPlay® and Android Auto™ smartphone connectivity¹ as standard.

SMART AIR-CONDITIONING

The stylish smart cabin stays chilled with an improved, voice-operated dual zone air-conditioning system, with humidity sensors to gauge temperature, comfort and monitor efficiency.

PADDLE SHIFT CONTROL

8-speed manual mode can be controlled via steering wheel paddles, providing the option of a driving experience similar to a conventional manual transmission.

VOICE COMMAND

Voice technology lets you send and access smartphone text messages, play music, make phone calls and more².

More command centre, than cockpit, Subaru Outback tech sets a new benchmark www.subaru.com.au/outback

1. Compatible Apple® or Android™ device required. 2. Requires compatible *Bluetooth*® enabled phone to be paired with the infotainment system.

Subaru Outback AWD Touring

Turbocharged adventure

The outback is a harsh environment where you want all the capability and off-road dynamics you can muster. The Subaru Outback AWD Sport XT and Outback AWD Touring XT have been built to take on long distance trips, with class leading infotainment and safety features that engender confidence at every turn. The all powerful 2.4-litre turbocharged Boxer engine pushes out increased torque, power and acceleration for character defining pulling power. With a hefty braked towing capacity of 2,400kg¹ and the generous 213mm ground clearance², there's adventure waiting around every corner.

Hands-free Tailgate¹

Integrated Cross Bars²

Packed with versatility

The need to escape tugs at our collective psyches like never before. So it's hardly coincidental that the Subaru Outback has made it easier, less fuss and more enticing than ever to getaway.

The large, 522L flat cargo space will easily swallow all the family's gear, while the wireless Apple CarPlay® and Android Auto™ smartphone connectivity³ is standard for added convenience. Pull-out, rear cargo tie down points will secure your load and the 12V power supply can have that mattress pumped up in no time.

Maximise interior space by utilising the fully integrated, fold out cross bars on Subaru Outback AWD, Outback AWD Touring and Outback AWD Touring XT. Or choose the Subaru Outback AWD Sport or Outback AWD Sport XT with strengthen roof rails designed to handle a heavy load. Caravan lovers can take advantage of the 2,400kg⁴ braked towing capacity of the Subaru Outback AWD Sport XT and Outback AWD Touring XT. While Subaru's hands-free powered rear tailgate¹ on selected variants makes unloading a breeze.

 See all the ingenious ways Subaru Outback makes the most of every inch of space at www.subaru.com.au/outback

1. Available on Subaru Outback AWD Sport, Outback AWD Touring, Outback AWD Sport XT and Outback AWD Touring XT only. 2. Available on Subaru Outback AWD, Outback AWD Touring and Outback AWD Touring XT only. 3. Compatible Apple® or Android™ device required. 4. Subaru Outback AWD, Outback AWD Sport and Outback AWD Touring feature 2,000kg towing capacity with trailer brakes. Subaru Outback AWD Sport XT and Outback AWD Touring XT feature a 2,400kg towing capacity with trailer brakes and requires fitment of Electric Brake Controller if towing mass is greater than 2,000kgs and is only capable of towing a trailer with a maximum of 2 axles. Subaru Outback AWD Touring

Wrap yourself in luxury

Slipping into the Subaru Outback cabin reveals a bold dimension where the senses are both awakened and indulged.

Beyond the generous 11.6" infotainment touchscreen the bright cabin delivers optimum visibility, with a sweeping dashboard showcasing refined textures and premium, soft touch finishes.

Ergonomic seats seduce the body with luxury that elicits an almost audible sigh. The Subaru Outback AWD Sport and Outback AWD Sport XT boasts water repellent¹ sports seat trim, with heated front and rear passenger seats² to soothe those muscles after a chilly dawn surf.

While Subaru Outback AWD Touring and Outback AWD Touring XT dial up the warmth, with a heated steering wheel and luxuriously soft Nappa leather accented seat trim, with the option of elegant tan Nappa leather¹.

1. Tan trim colour at an additional cost, available on the Subaru Outback AWD Touring and Outback AWD Touring XT only. Talk to a Subaru Retailer for more information. 2. Water repellent trim repels water so that the material is not easily penetrated by small amounts of water. Trim is not 100% waterproof. Intermittent cleaning may be required to maintain water repellent characteristics. 3. Heated seats - driver and front passenger. Not available on Subaru Outback AWD.

Subaru Outback AWD Touring

Heart and soul

Having rigorously honed many elements of the Subaru Outback, the creators were unanimous that some things remained sacrosanct.

Symmetrical AWD

Boxer Engine

The heart and soul of Subaru Outback owes its vitality to the intersection of two irreplaceable forces – the iconic horizontally-opposed Boxer engine and Symmetrical AWD system. Plus the Subaru Outback AWD Sport XT and Outback AWD Touring XT up the ante, with a 2.4-litre turbocharged horizontally-opposed Boxer engine. Designed to sit lower and flatter in the engine bay than traditional engines, the Boxer's unique design delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru Outback's symmetrical drivetrain, this configuration delivers innate balance from the ground up while driving engine power to all four wheels. With simultaneous power distribution, the Subaru Outback boasts twice the grip capacity, compared to conventional vehicles, resulting in better balance, superior handling confidence on slick city streets and outstanding driver enjoyment.

Safety and performance are built into the very core of Subaru Outback, learn more about the advanced engineering at www.subaru.com.au/safety-active

Never has it been easier to forge your own path, with the Symmetrical All-Wheel Drive and Subaru's most advanced X-Mode system making Subaru Outback more capable off-road than ever.

X MODE

Activated via a button on the infotainment touchscreen, X-Mode allows the driver to change modes to suit the conditions.

Designed to discover

With the push of a button on the touchscreen, X-Mode draws on intuitive rough road driving capability, to safely and confidently negotiate low speed driving by controlling engine torque and traction control.

In deep snow and mud, drivers select the mode which generates maximum torque to help prevent bogging, while snow/dirt mode controls torque to reduce wheel slip on loose and uneven surfaces. X-Mode can maintain maximum traction by controlling AWD drive force distribution across each wheel, along with front and rear axle limited slip function and Hill Descent Control. And with the Subaru Outback AWD Sport XT and Outback AWD Touring XT boasting the additional torque and power of a turbocharged Boxer engine, X-Mode takes control to deliver a robust off-road performance.

 Learn more about the unique features of the terrain taming X-Mode at www.subaru.com.au/outback

Subaru Outback AWD Sport

Power to explore

Whether traversing mountain ranges or hauling the camper trail, the Subaru Outback AWD Sport XT and Outback AWD Touring XT have an increased 2,400kg¹ braked towing capacity - with the extra power, more torque and increased acceleration of the 2.4-litre turbocharged Boxer engine.

For those with a lighter load to tow, and an eye on fuel efficiency, the 2.5-litre Boxer engine confidently pulls an impressive 2,000kg¹ braked towing capacity. Both powerful and reliable engines work in tandem with core Subaru technologies and the Subaru Global Platform (SGP). This streamlined framework features a rigid suspension base which helps maintain ideal tyre contact and grip, delivering responsive steering, confident cornering and optimum control.

Read the story behind every inch of the SGP's engineering at www.subaru.com.au/safety-protective

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

Towards zero fatal road accidents by 2030¹

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet - working towards zero fatal road accidents in a Subaru vehicle by the year 2030¹. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru Outback aims to provide inherent safety and peace-of-mind, to enjoy the magic of every single journey.

 Road user safety is expressed in the design of countless Subaru innovations www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html

A blurry, high-speed photograph of a landscape with green trees and a road, serving as the background for the entire page.

The fourth generation EyeSight® Driver Assist system, with enhanced functionality and collision avoidance features, is standard on the Subaru Outback.

EyeSight® Driver Assist

Second pair of eyes

This world-renowned preventative safety system operates like an ever-attentive second pair of eyes - to provide warnings, plus braking and steering intervention that is designed to help reduce driver burden, prevent accidents and save lives.

The EyeSight® Driver Assist system incorporates a host of primary functions - Pre-Collision Braking System, Pre-Collision Throttle Management, Adaptive Cruise Control, Lead Vehicle Start Alert, Lane Departure Warning, Lane Departure Prevention, Lane Sway Warning and Emergency Lane Keep Assist.

Enhanced features include Lane Departure Warning with vibrating steering wheel alerts if the vehicle is about to depart from its detected lane. Lane Centring Function works with Adaptive Cruise Control to provide steering assistance, accelerator and brake functions to maintain position in the detected lane. Autonomous Emergency Steering, using EyeSight® cameras and the rear radar system, assesses the presence of other vehicles before taking evasive automatic steering control. Speed Sign Recognition displays the detected speed limit in the Multi-Information Display (MID) unit, while the Intelligent Speed Limiter can automatically set the speed limiter to match the detected limit.

You'll look at safety with new eyes when you learn more about Subaru's advancements at www.subaru.com.au/safety-preventative

A smart assistant to have on your side, Subaru's Vision Assist uses embedded cameras, advanced monitors and radar technology to detect vehicles and obstacles you can't see. Combined with the forward vision features of EyeSight®, Subaru's Vision Assist empowers drivers with a sixth sense to support preventative safety.

Vision Assist

All knowing, all seeing

Subaru's Vision Assist can give drivers a greater awareness of the world around them. Blind Spot Monitor uses sensors to make lane changes safer, by warning of vehicles detected in the blind spot. While Lane Change Assist can detect fast approaching vehicles and warn the driver of their presence when changing lanes. Rear Cross Traffic Alert can warn the driver that another car is approaching when reversing out of a parking space. Meanwhile, if the vehicle detects an obstacle behind the vehicle while reversing, Reverse Automatic Braking can apply braking if the driver doesn't react first.

Front View Monitor¹ uses a front grille mounted camera to capture images of the area immediately in front of the vehicle to avoid damage when parking. The Side View Monitor¹ camera shows the vehicle's front passenger side quarter view, eliminating this blind spot when manoeuvring the vehicle. While, Adaptive Driving Beam automatically adjusts the headlight beam to prevent dazzling other nearby road users, while maintaining a high level of light and visibility.

Read more about the way Vision Assist innovations are keeping Subaru owners safe at www.subaru.com.au/safety-preventative

1. Available on Subaru Outback AWD Sport, Outback AWD Touring, Outback AWD Sport XT and Outback AWD Touring XT only.

Subaru tackles driver distraction and fatigue with a Driver Monitoring System – Driver Focus (DMS)¹ standard across the Subaru Outback range. This innovative system constantly monitors the driver's attention to help reduce the chance of accidents.

Driver Monitoring System¹

Always alert

Whether your journey is long or short, Subaru recognises that at times the driver may be distracted. Which is why DMS¹ has been developed to offer another layer of safety, coupled with personalised driver convenience.

The Subaru Outback's DMS¹ uses near infrared LEDs and a camera to recognise when the driver's attention is waning or if they start to fall to sleep. An alert can then warn the driver, reminding them to refocus on the road ahead.

The system's intelligent facial recognition can also identify five separate drivers and then automatically personalise the cabin to their preferences - adjusting the climate control and Multi-Information Display (MID) screen. While the Subaru Outback AWD Touring can also automatically adjust the driver's seat and door mirror position.

Learn how the DMS watches out for signs of driver distraction at www.subaru.com.au/safety-preventative

1. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details.

Subaru Outback AWD Touring

ANCAP
SAFETY

TESTED
2021

Designated crumple zones direct impact energy away from the ring-shaped passenger safety cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

Peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero fatal road accidents in a Subaru vehicle by the year 2030¹ represents Subaru's ambitious future target, decades of astute observation, structural development and design research has informed the remarkable safety advances built into the 5 star ANCAP² safety rated Subaru Outback.

The SGP and ring-shaped passenger safety cell absorb and direct impact force around the cabin, rather than through it.

An overwhelming feeling of protection is underpinned by Subaru Outback's carefully engineered body structure and Subaru Global Platform, including the ring-shaped passenger safety cell. The ring-shaped passenger safety cell that cocoons occupants has been designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the symmetrical layout of the All-Wheel Drive system and horizontally-opposed Boxer engine is designed to allow the engine to 'submarine' under the floor during a severe frontal collision - protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of eight SRS³ airbags in the Subaru Outback, including the front passenger seat cushion airbag, can help reduce the possibility of serious injury in the event of a serious accident.

Discover more reasons why Subaru Outback gives you peace of mind protection at www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html. 2. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru Outback tested in 2021. 3. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

Have it your way

G - Sapphire Blue Pearl	•	•	•	•	•
H - Magnetite Grey Metallic	•	•	•	•	•
I - Crystal Black Silica	•	•	•	•	•

1. Not all colour options are available on all models. Brilliant Bronze Metallic, Crimson Red Pearl and Cashmere Gold Opal not available on Outback AWD Sport.
Note: Paint colours are representative only and subject to variation due to the printing process.

Black cloth seat trim is standard on Subaru Outback AWD and water repellent¹ seat trim is standard on Outback AWD Sport and Outback AWD Sport XT. Luxurious Nappa leather accented seat trim in black or ivory/black features in Outback AWD Touring XT, while Outback AWD Touring adds the exclusive option of tan Nappa leather² accented seat trim.

SEAT TRIM COLOUR	Outback AWD	Outback AWD Sport	Outback AWD Touring	Outback AWD Sport XT	Outback AWD Touring XT
A - Cloth - black	•				
B - Water repellent ¹ - grey and black		•		•	
C - Nappa leather accented - black			•		•
D - Nappa leather accented - ivory and black			•		•
E - Nappa leather accented - tan ²			•		•

1. Water repellent trim repels water so that the material is not easily penetrated by small amounts of water. Trim is not 100% waterproof. Intermittent cleaning may be required to maintain water repellent characteristics. 2. Tan trim colour at an additional cost, available on the Subaru Outback AWD Touring and Outback AWD Touring XT only. Talk to a Subaru Retailer for more information.

The Subaru Outback range at a glance

There's a Subaru Outback variant for every adventure and lifestyle, with distinctive design, engineering and performance features. See the pages that follow for a full list of specifications and standard features or visit www.subaru.com.au/outback

Standard across the naturally aspirated range

- + 5 star ANCAP¹ safety rating (maximum 5)
- + Symmetrical All-Wheel Drive
- + 2.5-litre horizontally-opposed direct injection Boxer 4-cylinder, petrol engine
- + Lineartronic[®] CVT with manual mode
- + X-Mode - 2 mode
- + 2,000kg towing² capacity with trailer brakes
- + EyeSight[®] Driver Assist technology
- + Subaru's Vision Assist featuring:
 - Adaptive Driving Beam (ADB)
 - Blind Spot Monitor (BSM)
 - EyeSight[®] Assist Monitor
 - Lane Change Assist (LCA)
 - Rear Cross Traffic Alert (RCTA)
 - Reverse Automatic Braking (RAB)

SUBARU OUTBACK AWD

SUBARU OUT

1. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru Outback tested in 2021. 2. Subaru Outback AWD, Outback AWD Sport and Outback AWD Touring feature 2,000kg towing capacity with trailer brakes. Towing capacity is subject to regulatory requirements, tow bar and vehicle design and towing equipment limitations. Requires fitment of optional tow bar accessory. Ask your Retailer for details of Genuine Subaru tow bar capacity and availability details. Always refer to your Owner's Manual for towing instructions. 3. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details.

+ Driver Monitoring System - Driver Focus³ featuring:
 - Distraction warning
 - Drowsiness warning
 - Facial recognition
 - Climate control setting (last used)
 - Multi-Information Display (MID) (last used)

+ Rear view reverse camera
 + Auto Stop Start
 + Subaru Intelligent Drive (SI-Drive)
 + Integrated infotainment system featuring 11.6" LCD touchscreen and Apple CarPlay® + Android Auto™ connectivity⁴

+ SRS⁵ airbags - dual front, dual front side, dual curtain, driver's knee and front passenger seat cushion
 + Air-conditioning - dual zone climate control with rear vents
 + Tyre Pressure Monitoring System
 + Smart key with push-start ignition

+ Headlights - self-levelling LED headlights with auto off (dusk-sensing)
 + Door mirrors - heated and power-folding with indicators

Requires compatible Siri[®] enabled Apple[®] device to be paired with the infotainment system. 4. Compatible Apple[®] or Android[™] device required. 5. Harman Kardon[®] is a registered trademark of HARMAN International Industries, Incorporated. 6. Bluetooth[®] is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to the Bluetooth[®] wireless technology specification of individual's phone. 7. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 8. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 9. Every eligible 2024 onward Subaru Outback comes with Subaru's Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions, visit www.subaru.com.au/service/pricing/capped-price-servicing. 10. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program.

Welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you.

Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

SUBARU NEW CAR WARRANTY - 5 YEAR/UNLIMITED KILOMETRES¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit www.subaru.com.au/owners/warranty or ask your Subaru Retailer for more information.

SUBARU CAPPED PRICE SERVICING²

With our Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: www.subaru.com.au/service/pricing/capped-price-servicing

1 MONTH HEALTH CHECK AND CHAT

The 1 Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

SUBARU'S MAP UPDATES³

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program - guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 2. Every eligible Model Year 2024 onward Subaru Outback comes with Subaru's Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on 2024 Subaru Outback models purchased with the factory line fit Gen4.0 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/servicing/subaru-map-update-program.

SUBARU ROADSIDE ASSISTANCE¹

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

SUBARU CERTIFIED COLLISION REPAIRER NETWORK²

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru Outback accessories visit www.subaru.com.au/outback/accessories. For more information on Genuine Subaru Accessories, visit www.subaru.com.au/accessories-information.

SUBARU INSURANCE³

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 120-point quality inspection giving you peace of mind - from participating Subaru Certified Used Car Retailers.

AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 month/12,500km service intervals and 5 Year/Unlimited Km Warranty⁴. The SUV is not only affordable to run but allows you the freedom to enjoy where the fun takes you.

SUBARU FINANCIAL SERVICES⁵

When you fall in love and know it's the one, you don't want to wait. So why should you?

Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program. 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit www.subaru.com.au/retailers to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 5. Finance to approved applicants only. Credit criteria, fees, charges and T&Cs apply. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
