

ALL-NEW SUBARU  
**CROSSTREK**  
ALL-WHEEL DRIVE

2024

  
**SUBARU**

## move to the beat of your own drum

Ready to inspire you to move to the beat of your own drum, the all-new Subaru Crosstrek is here, delivering an irresistible blend of attitude and unmatched versatility.

In 2012 Subaru created the small SUV category with the launch of Subaru XV. Now Subaru creates history again, as the all-new Subaru Crosstrek redefines the category it pioneered.

This next generation compact SUV sets a new benchmark, with the unmatched off-road capability of Symmetrical All-Wheel Drive and a sporty 2.0-litre horizontally-opposed Boxer engine. A human-centred design approach is embedded into the all-new Subaru Crosstrek, so you can do adventure in comfort your way. While cutting-edge Subaru innovation adds the option of a robust Subaru e-Boxer engine to the line-up for lower emission, hybrid driving.

## ready for anything

The all-new Subaru Crosstrek is the real deal. With styling as rugged as its ability, Subaru Crosstrek boasts distinctive cladding, roof rails and bold new colours.

Powered by Subaru's sporty Boxer engine and legendary Symmetrical All-Wheel Drive, Subaru Crosstrek also boasts robust off-road capability with class-leading ground clearance<sup>1</sup>.

Eager for adventure, Subaru Crosstrek is fitted with Subaru's updated, and most advanced, X-Mode system allowing you to change modes to suit the driving conditions. X-Mode enhances rough road driving capability at low speeds and the reassurance of hill descent control gives you the confidence to tackle new heights and move to the beat of your own drum.

## a new body of work

With styling as robust as its ability on the exterior, the all-new Subaru Crosstrek debuts a harmonious interior design. Creating the space started with meticulously observing human movement. In collaboration with an expert medical school, Subaru designers studied the body's natural movement to take a human-centred design approach to every aspect of the ergonomic interior.

Backed by years of research and development, the intuitive nature of Subaru Crosstrek is a response to a range of intrinsic and physical human factors. From the position of the new centre information display, to the supportive seating, and the innovative dashboard design that reflects how sound and visual information is processed.

The result is an enlightened SUV that is intuitive to your needs. With advanced comfort, benchmark ergonomics, ingenious functionality and a unique connection between driver, vehicle, and road.

1. Compatible Apple® or Android™ device required. 2. Compatible Qi enabled and compliant device required.

## distinctive design

With its distinctive design, the all-new Subaru Crosstrek captures attention and imagination, showcasing bold styling, sharp aggressive lines, rugged capability, and an adventurous attitude that encourages you to embrace your individuality and move to the beat of your own drum!

Subaru Crosstrek AWD 2.0R

# in tune with you

A cabin intuitive to the rhythm of your drive starts with the new centre information display that features a tablet-like 11.6" touchscreen with quick response touch and crystal clear high definition graphics coupled with wireless Apple CarPlay® and Android Auto™ smartphone connectivity<sup>1</sup> as standard. The sleek modernist cabin keeps you in tune with your contacts, podcasts and favourite apps, digital radio<sup>2</sup> (DAB+) streams crisp, clear sound, while *Bluetooth*<sup>®3</sup> wireless technology, and handy USB-A and USB-C connection keeps everyone fired up.

Subaru Crosstrek AWD 2.0S

Subaru Crosstrek AWD 2.0S

## WIRELESS CHARGING<sup>5</sup>

New wireless Qi charger<sup>5</sup> keeps you powered up by enabling convenient smartphone charging without the need for a charging cable.

## COMMAND CENTRE

Featuring the advanced, multi-function infotainment command centre, which can be controlled with the power of your voice or the flick of a finger, to select different audio options and adjust the dual zone air-conditioning.

## HARMAN KARDON<sup>®4</sup> SPEAKERS

The 10 Harman Kardon<sup>®</sup> speakers and amplifier<sup>4</sup> on Subaru Crosstrek AWD 2.0S and Subaru Crosstrek AWD Hybrid S helps you groove to the beat of your own drum.

The Subaru Crosstrek command centre sets a new benchmark in tech [www.subaru.com.au/crosstrek](http://www.subaru.com.au/crosstrek)

1. Compatible Apple® or Android™ device required. 2. Digital radio reception not available in all areas. 3. Requires compatible *Bluetooth*<sup>®</sup> enabled phone to be paired with the infotainment system. 4. Harman Kardon<sup>®</sup> is a registered trademark of HARMAN International Industries, Incorporated. Only available on Subaru Crosstrek AWD 2.0S and Crosstrek AWD Hybrid S. 5. Compatible Qi enabled and compliant device required.

Subaru Crosstrek AWD 2.0S

Subaru Crosstrek AWD 2.0S

The all-new Subaru Crosstrek is ready for all new adventures with its impressive off-road capability, legendary Symmetrical All-Wheel Drive and the advanced control of X-Mode.

## X MODE

Activated via a touch of a button on the new centre information display, X-Mode helps moderate wheel spin and maximise traction.

## take on epic adventures

With Symmetrical All-Wheel Drive distributing power simultaneously to all four wheels, Subaru Crosstrek has an innate sense of balance from the ground up even in some of the most challenging terrain.

Activated at the touch of a button, X-Mode is standard across the range to enhance off-road driving by delivering traction in response to the conditions. This intelligent electronic system constantly monitors the traction available to each wheel and centralises the control of key components including the engine, transmission and brakes to help manage slippery conditions.

In Subaru Crosstrek AWD 2.0R, Crosstrek AWD 2.0S and Crosstrek AWD Hybrid S you can choose from two X-Mode settings, to dial up the traction to suit the driving conditions – from loose gravel, to deep snow.

Learn more about the unique features of the terrain taming X-Mode at [www.subaru.com.au/crosstrek](http://www.subaru.com.au/crosstrek)

## heart and soul

Having rigorously honed the all-new Subaru Crosstrek to help you move to the beat of your own drum, the creators were unanimous that some things remained sacrosanct.

Symmetrical AWD

Boxer Engine

The heart and soul of the all-new Subaru Crosstrek owes its vitality to the intersection of two irreplaceable forces – the iconic horizontally-opposed Boxer engine and Symmetrical All-Wheel Drive system. Designed to sit lower and flatter in the engine bay than traditional engines, the Boxer's unique design delivers less noise and vibration to the cabin, while the low centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru Crosstrek's symmetrical drivetrain, this configuration delivers innate balance from the ground up while driving engine power to all four wheels. With simultaneous power distribution, the Subaru Crosstrek boasts twice the grip capacity, compared to two wheel drive vehicles, resulting in better balance, superior handling confidence on slick city streets and overwhelming freedom to approach every drive your way.

 Safety and performance are built into the very core of Subaru Crosstrek, learn more about the advanced engineering at [www.subaru.com.au/safety-active](http://www.subaru.com.au/safety-active)

## hybrid takes the high ground

Powered by Subaru's robust e-Boxer, the all-new Subaru Crosstrek Hybrid delivers a dynamic lower emissions driving experience. With a healthy dose of responsive acceleration humming beneath your foot, Crosstrek Hybrid uses electric power from a compact battery and electric motor, to assist the petrol engine. Characterised by impressive low speed acceleration and torque, the dynamic drive is enhanced by Subaru Motor Assist, which automatically combines power sources under certain conditions, to improve the driving experience.

The powerful performance and sharp handling is underpinned by Subaru's legendary Symmetrical All-Wheel Drive, which integrates seamlessly with advanced hybrid technology to optimise driving efficiency.

Subaru Crosstrek AWD Hybrid S

Subaru Hybrid  
**e-BOXER** Technology

#### INTELLIGENT HYBRID ON THE GO

e-Boxer combines an electric motor and high voltage battery with a petrol engine for an exhilarating driving experience and lower fuel consumption. The intelligent hybrid technology captures kinetic energy while braking to recharge the battery.

# hybrid hero

The future is now, with Subaru e-Boxer technology driving the all-new Subaru Crosstrek Hybrid variants. The dynamic plug-free hybrids seamlessly team power from a compact battery and quiet electric motor, with the petrol engine for the ultimate in driving efficiency.

Subaru Crosstrek AWD Hybrid S

Subaru Crosstrek AWD Hybrid S

## A PERFECT MATCH

Power from the compact battery and electric motor, assist the petrol engine – changing between Electric only, Motor Assist and Engine only driving modes to match the conditions.

## 3-WAY POWER

In certain conditions, such as when gently pulling away or driving slowly the electric motor can power the car. When cruising, the petrol engine is the most suitable power source. Meanwhile, e-Boxer's Motor Assist can engage both power sources for an improved driving experience.

## FRAMED TO DELIVER

Delivering a linear, highly responsive drive with excellent handling and stability, the all-new Subaru Crosstrek Hybrid variants incorporate structural changes to enhance overall torsional and rear suspension rigidity.

## LOCKED AND LOADED

The electric motor's battery and other electrical components are positioned under the cargo floor, so they do not compromise cargo space, height or versatility.

**SUBARU**  
**HYBRID**  
**e-BOXER**

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

## **towards zero fatal road accidents by 2030<sup>1</sup>**

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet – working towards zero fatal road accidents in a Subaru vehicle by the year 2030<sup>1</sup>. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, the all-new Subaru Crosstrek aims to provide inherent safety and peace-of-mind, so you can confidently forge your own path.

 Road user safety is expressed in the design of countless Subaru innovations [www.subaru.com.au/safety](http://www.subaru.com.au/safety)

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit [www.subaru.co.jp/en/csr/subaru\\_csr/sixpriority/peace.html](http://www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html).

The fourth generation EyeSight® Driver Assist system, with enhanced functionality and collision avoidance features, is standard on the all-new Subaru Crosstrek.

EyeSight® Driver Assist

## second pair of eyes

This world-renowned preventative safety system operates like a second pair of eyes - to provide warnings, plus braking and steering intervention that is designed to help reduce driver burden, prevent accidents and save lives.

The EyeSight® Driver Assist system incorporates a host of primary functions – Pre-Collision Braking System, Pre-Collision Throttle Management, Adaptive Cruise Control, Lead Vehicle Start Alert, Lane Departure Warning, Lane Departure Prevention, Lane Sway Warning and Emergency Lane Keep Assist.

Enhanced features include Lane Departure Warning if the vehicle is about to depart from its detected lane. Lane Centring Function works with Adaptive Cruise Control to provide steering assistance, accelerator and brake functions to maintain position in the detected lane.

Autonomous Emergency Steering, using EyeSight® cameras and the rear radar system, assesses the presence of other vehicles before taking evasive automatic steering control. Speed Sign Recognition displays the detected speed limit in the Multi-Information Display (MID) unit, while the Intelligent Speed Limiter can automatically set the speed limiter to match the detected limit.

 You'll look at safety with new eyes when you learn more about Subaru's advancements at [www.subaru.com.au/safety-preventative](http://www.subaru.com.au/safety-preventative)

The all-new Subaru Crosstrek sees the world through a different lens, with Subaru's Vision Assist using embedded cameras, advanced monitors and radar technology to detect vehicles and obstacles you can't see. Combined with the forward vision features of EyeSight®, Subaru's Vision Assist empowers drivers with a sixth sense to support preventative safety.

Vision Assist

EyeSight® Driver Assist

#### PANORAMIC 360 DEGREE VIEW MONITOR<sup>1</sup>

Available on selected variants, the new Panoramic 360 Degree View Monitor<sup>1</sup> provides added visibility and precision to help with that perfect park.

1. Panoramic 360 Degree View Monitor available on Subaru Crosstrek AWD 2.0R, Crosstrek AWD 2.0S and Crosstrek Hybrid S. 2. Front View Monitor and Side View Monitor standard on Subaru Crosstrek AWD 2.0R, Subaru Crosstrek AWD 2.0S and Subaru Crosstrek AWD Hybrid S.

## all knowing, all seeing

Subaru's Vision Assist can help give drivers a greater awareness of the world around them. The new Panoramic 360 Degree View Monitor<sup>1</sup> on selected variants, provides front, side and rear view for precision manoeuvrability. Blind Spot Monitor uses sensors to make lane changes safer, by warning of vehicles detected in the blind spot. While Lane Change Assist can detect fast approaching vehicles and warn the driver of their presence when changing lanes. Rear Cross Traffic Alert can warn the driver that another car is approaching when reversing out of a parking space. Meanwhile, if the vehicle detects an obstacle behind the vehicle while reversing, Reverse Automatic Braking can apply braking if the driver doesn't react first.

Front View Monitor<sup>2</sup> uses a front grille mounted camera to capture images of the area immediately in front of the vehicle to help avoid damage when parking. The Side View Monitor<sup>2</sup> camera shows the front side quarter view, eliminating this blind spot when manoeuvring the vehicle. While, High Beam Assist automatically adjusts the headlight beam to prevent dazzling other nearby road users, while maintaining a high level of light and visibility.

Read more about the way Vision Assist innovations are keeping Subaru owners safe at [www.subaru.com.au/safety-preventative](http://www.subaru.com.au/safety-preventative)

An SUV that really has got your back, the all-new Subaru Crosstrek constantly monitors the driver's attention to help reduce the chance of accidents.

With the Driver Monitoring System – Driver Focus (DMS)<sup>1</sup> standard across the Subaru Crosstrek range, this intelligent Subaru innovation tackles driver distraction and fatigue.

Driver Monitoring System<sup>1</sup>

## always alert

Whether your journey is long or short, Subaru recognises that at times the driver may be distracted. Which is why Driver Monitoring System – Driver Focus (DMS)<sup>1</sup> has been developed to offer another layer of safety, coupled with personalised driver convenience.

The all-new Subaru Crosstrek's DMS<sup>1</sup> uses near infrared LEDs and a camera to recognise when the driver's attention is waning or if they start to fall to sleep. An alert can then warn the driver, reminding them to refocus on the road ahead.

The system's intelligent facial recognition can also identify five separate drivers and then automatically personalise the cabin to their preferences - adjusting the climate control and Multi-Information Display (MID) screen.

 Learn how the DMS watches out for signs of driver distraction at [www.subaru.com.au/safety-preventative](http://www.subaru.com.au/safety-preventative)

1. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details.

Subaru Crosstrek AWD 2.0S

Designated crumple zones direct impact energy away from the ring-shaped passenger safety cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

# peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero fatal road accidents in a Subaru vehicle by the year 2030<sup>1</sup> represents Subaru's ambitious future target, decades of astute observation, structural development and design research has informed the remarkable safety advances built into the all-new Subaru Crosstrek.

The Subaru Global Platform and ring-shaped passenger safety cell absorb and direct impact force around the cabin, rather than through it.

Drive to the beat of your own drum, knowing Subaru Crosstrek delivers a unique level of protection that is underpinned by a carefully engineered body structure and the Subaru Global Platform, including the ring-shaped passenger safety cell.

The ring-shaped passenger safety cell that cocoons occupants has been designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the symmetrical layout of the All-Wheel Drive system and horizontally-opposed Boxer engine is designed to allow the engine to 'submarine' under the floor during a severe frontal collision – protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. Plus ISOFIX anchor points help to remove the complication when installing ISOFIX compliant child car seats and provides added peace of mind. While Subaru can't control every variable on the road, the inclusion of nine SRS<sup>2</sup> airbags in the Subaru Crosstrek, including the front passenger seat cushion airbag, can help reduce the possibility of serious injury in the event of a serious accident.

Discover more reasons why Subaru Crosstrek gives you peace of mind protection at [www.subaru.com.au/safety](http://www.subaru.com.au/safety)

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit [www.subaru.co.jp/en/csr/subaru\\_csr/sixpriority/peace.html](http://www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html). 2. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

## embrace your wanderlust

Adventure takes many forms and the all-new Subaru Crosstrek is up for them all, with accessories that inspire you to move to the beat of your own drum. Load up all your gear and see where the road takes you. Discover unknown trails and surf that pristine beach break. Reinvigorate your lust for adventure, while styling, protecting and enhancing your SUVs capability. For the full list of accessories available see the following pages.

<b>Owner Benefits</b>					
5 Year/Unlimited Km Warranty <sup>9</sup>	•	•	•	•	•
12 Month Roadside Assistance Program <sup>10</sup>	•	•	•	•	•

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. Bluetooth<sup>®</sup> is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the Bluetooth<sup>®</sup> wireless technology specification of individual device. 3. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 4. Harman Kardon<sup>®</sup> is a registered trademark of HARMAN International Industries, Incorporated. 5. Compatible Apple<sup>®</sup> or Android<sup>™</sup> device required. 6. Digital radio reception not available in all areas. 7. Requires compatible Siri<sup>®</sup> enabled Apple<sup>®</sup> device to be paired with the infotainment system. 8. Compatible Qi enabled and compliant device required. 9. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 10. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit [www.subaru.com.au/roadside-assistance-program](http://www.subaru.com.au/roadside-assistance-program).

# welcome to the family

When you move to the beat of your own drum the possibilities are endless and that's why the all-new Subaru Crosstrek does so much more than just get you from A to B. While empowering you to embrace life with both hands, Subaru welcomes all new owners into an exclusive family that gives you access to a number of benefits.

## SUBARU NEW CAR WARRANTY – 5 YEAR/UNLIMITED KILOMETRES<sup>1</sup>

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty) or ask your Subaru Retailer for more information.

## SUBARU CAPPED PRICE SERVICING<sup>2</sup>

With our 5 Year/75,000 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing)

## 1 MONTH HEALTH CHECK AND CHAT

The 1 Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

## SUBARU'S MAP UPDATES<sup>3</sup>

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 2. Every eligible Model Year 2024 onward Subaru Crosstrek comes with Subaru's 5 Year/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing). 3. Subaru's Map Update Program is available on 2024 Subaru Crosstrek variants purchased with the factory line fit Gen4 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit [www.subaru.com.au/servicing/subaru-map-update-program](http://www.subaru.com.au/servicing/subaru-map-update-program).

## SUBARU ROADSIDE ASSISTANCE<sup>1</sup>

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

## SUBARU CERTIFIED COLLISION REPAIRER NETWORK<sup>2</sup>

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

## GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru Crosstrek accessories visit [www.subaru.com.au/crosstrek/accessories](http://www.subaru.com.au/crosstrek/accessories). For more information on Genuine Subaru Accessories, visit [www.subaru.com.au/accessories-information](http://www.subaru.com.au/accessories-information).

## SUBARU INSURANCE<sup>3</sup>

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

## SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 120-point quality inspection giving you peace of mind – from participating Subaru Certified Used Car Retailers.

## AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 month/15,000km service intervals and 5 Year/Unlimited Km Warranty<sup>4</sup>. Affordable SUV ownership gives you the freedom to enjoy where the fun takes you.

## SUBARU FINANCIAL SERVICES<sup>5</sup>

When you fall in love and know it's the one, you don't want to wait. So why should you? Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit [www.subaru.com.au/roadside-assistance-program](http://www.subaru.com.au/roadside-assistance-program). 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit [www.subaru.com.au/retailers](http://www.subaru.com.au/retailers) to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 5. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
