

2022

WRX

The all-new WRX. The rally legend for the next generation.

SUBARU

How to spell victory with three letters.

WRX. The street car shaped by motorsports. After 14 United States National Rally Championship titles,¹ this all-wheel drive legend is sharper and quicker than ever—but you could probably guess from the sound of its new turbocharged SUBARU BOXER® engine. So experience the all-new WRX for yourself. Then you'll truly know what it's all about.

¹ Subaru Motorsports USA has won overall Rally America and American Rally Association (ARA) championship titles 14 times between 2006 and 2021.

WRX GT in Magnetite Gray Metallic and WRX Limited in Solar Orange Pearl.

Precision tool.

Quick

With its new 2.4-liter turbocharged SUBARU BOXER® engine and improved torque curve, the WRX puts power right where you need it. No matter how you shift, the connection is immediate, thanks to a six-speed close-ratio manual transmission or the newly available Subaru Performance Transmission with paddle shifters.

Responsive

The WRX delivers more of what it's already built its name on: precision and control. Its point-and-shoot 13.5:1 dual-pinion steering system works in unison with standard Subaru Symmetrical All-Wheel Drive to make maneuvers feel intuitive.

Fine-Tuned

Meticulous engineering went into honing the WRX. The latest Subaru Global Platform provides improved rigidity for better handling and safety. This is paired with a re-engineered track-tuned suspension to deliver stability and confidence.

WRX Limited in Solar Orange Pearl.

Intensely **chill.**

The all-new WRX GT

Push your custom-tailored experience even further with the WRX GT and its wide range of innovations. With its Drive Mode Select feature, you can personalize the dynamic of your drive by choosing from four preset options—or by going rogue in Individual Mode. Precision and performance are heightened by features including electronically controlled dampers and the new Subaru Performance Transmission, engineered to upshift and downshift with immediacy. You'd be on the edge of your seat, but its exclusive Recaro® front seats have you locked in place.

WRX GT in Magnetite Gray Metallic.

WRX GT with Black Ultrasuede®.

WRX Limited with Black Ultrasuede®.

Connected performance environment

It's comfortable, but it also gets your heart pumping. Inside the WRX, every detail caters to the driver's intuition—from its soft-touch materials to the D-shaped steering wheel. You'll feel this connection in the available Black Ultrasuede® seats,¹ keeping you centered through tight turns. And you'll interact seamlessly, thanks to standard SUBARU STARLINK® Multimedia with Apple CarPlay® and Android Auto™ integration, along with an available 11.6-inch touchscreen.¹ Ease and versatility extend beyond the driver's seat to the spacious cargo area and 60/40 folding rear seats, making the WRX capable of much more than weekend joy rides.

Interior Comfort

60/40-split Flat-folding Rear Seatback

¹ Availability varies by trim level. See your retailer for details.

28%+

More Torsional
Rigidity³

75%+

More Suspension
Mounting-Point Rigidity⁴

Splitting hairs to raise yours.

To make the 2022 WRX truly “all-new,” we looked at everything—down to its core. That’s why it’s built on the latest Subaru Global Platform, which offers a 28% increase in torsional rigidity³ and a 75% increase⁴ in suspension mounting-point rigidity for tighter handling. With the Subaru Performance Transmission, upshifts are 30% quicker¹—and downshifts a blazing 50%². The system’s shift logic gives it the ability to downshift before a turn, hold a gear through the turn and upshift at precisely the right moment—all automatically. Even the rally-inspired styling of the WRX is functional, with its air vents, cladding texture, and underbody covers all helping to improve aerodynamics.

1 Subaru Performance Transmission comparison to 2021 model when shifting from 2nd gear to 3rd gear. 2 Subaru Performance Transmission comparison to 2021 model when shifting from 3rd gear to 2nd gear. 3 Torsional static rigidity comparison to 2021 model. Reference values based on internal studies. 4 Suspension mounting-point rigidity comparison to 2021 model. Reference values based on internal studies.

An extra set of eyes
every time you drive.

The WRX features the latest Subaru EyeSight® Driver Assist Technology,¹ now with Automatic Emergency Steering.² EyeSight® also includes Advanced Adaptive Cruise Control with Lane Centering, Pre-Collision Braking, Lane Departure and Sway Warning, and Pre-Collision Throttle Management. With these systems, EyeSight® is designed to watch the road ahead, alert you or even intervene if necessary.

EyeSight® reduces the rate of rear-end crashes with injuries by up to 85%.³

WRX GT in Sapphire Blue Pearl.

Subaru is a five-time Best Performance Brand winner, according to Kelley Blue Book.⁴

14 United States National Rally Championship Titles.⁵

Subaru has the highest Overall Brand Loyalty in the automotive industry for three years in a row.⁶

95% of Subaru WRX vehicles sold in the last 10 years are still on the road today.⁷

2022 WRX | Trim Levels

WRX

Subaru's most powerful engine, a 2.4-liter boxer engine with 248 horsepower and 247 lb-ft of torque, is standard on all WRX models. The WRX also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

The WRX also features a standard 181-hp turbocharged 2.0-liter boxer engine with 247 lb-ft of torque. The WRX also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

The WRX also features a standard 181-hp turbocharged 2.0-liter boxer engine with 247 lb-ft of torque. The WRX also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

The WRX also features a standard 181-hp turbocharged 2.0-liter boxer engine with 247 lb-ft of torque. The WRX also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

WRX Limited

The WRX Limited features a standard 181-hp turbocharged 2.0-liter boxer engine with 247 lb-ft of torque. The WRX Limited also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

The WRX Limited also features a standard 181-hp turbocharged 2.0-liter boxer engine with 247 lb-ft of torque. The WRX Limited also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

WRX Limited X

The WRX Limited X features a standard 181-hp turbocharged 2.0-liter boxer engine with 247 lb-ft of torque. The WRX Limited X also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

The WRX Limited X also features a standard 181-hp turbocharged 2.0-liter boxer engine with 247 lb-ft of torque. The WRX Limited X also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

WRX Limited XT

The WRX Limited XT features a standard 181-hp turbocharged 2.0-liter boxer engine with 247 lb-ft of torque. The WRX Limited XT also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

The WRX Limited XT also features a standard 181-hp turbocharged 2.0-liter boxer engine with 247 lb-ft of torque. The WRX Limited XT also features a standard 6-speed manual transmission and a standard 10-speed automatic transmission with Sport Shift Control.

2022 WRX | Specifications

Engine and Drivetrain		WRX	WRX GT
Engine Power Torque	2.4-liter DOHC Direct Injection Turbocharged (DIT) intercooled aluminum alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS). 271 hp @ 5,600 rpm 258 lb-ft @ 2,000-5,200 rpm	●	●
Intake System	twin-scroll turbocharger with intercooler Maximum boost pressure: 12.0 psi	●	●
SI-DRIVE Engine Performance Management System	Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU), fine-tuning the electronically controlled throttle and adjusting the Subaru Performance Transmission shift characteristics.	●	
Drive Mode Select	Drive Mode Select on the WRX GT allows the driver to manage the operating characteristics of the vehicle by selecting one of four preset modes or a customizable individual mode that adjust the behavior of the engine management, steering, suspension, All-Wheel Drive, EyeSight™ and climate controls.	—	●
Transmission	Fully synchronized 6-speed manual with Incline Start Assist	●	—
	Subaru Performance Transmission with 6-speed manual mode, paddle shifters and Auto Vehicle Hold (AVH)	●	●
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
Vehicle Dynamics Control (VDC)	VDC, electronic stability control, utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path. Includes standard off- and track mode.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC to apply braking power to the inside wheels, resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed Traction Control System, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●
Fuel			
Fuel Economy	city/highway/combined ^a	Manual: 19/26/22 mpg Automatic: 19/25/21 mpg	Automatic: 19/25/21 mpg
Fuel Requirement	Premium unleaded gasoline (91 octane) required.	●	●
Fuel Capacity	16.6 gallons	●	●

2022 WRX | Specifications

Chassis		WRX	WRX GT
Steering	Electric power-assisted quick ratio rack and dual pinion (EPAS). Ratio: 13.5:1. Turns lock-to-lock: 2.5. Turning circle: 36.8 feet (36.74 feet for models with 18-inch wheels).	●	●
Suspension	Sport-tuned 4-wheel independent suspension. Front: Strut-type, Aluminum alloy lower L-arm with pillow ball joint mount, Stabilizer bar. Rear: Double wishbone, Stabilizer bar.	●	
	Sport-tuned 4-wheel independent suspension with variable electronically controlled dampers with preset Comfort, Normal and Sport modes. Front: Strut-type with electronically controlled dampers, Aluminum alloy lower L-arm with pillow ball joint mount, Stabilizer bar. Rear: Double wishbone with electronically controlled dampers, Stabilizer bar.	—	●
Brakes	4-wheel disc, ventilated front. Dual-piston front and single-piston rear calipers. 4-channel, 4-sensor ABS with Electronic Brake-force Distribution (EBD).	●	●
Brake Discs (front/rear)	12.4 inches/11.4 inches (11.8 inches with Subaru Performance Transmission).	●	●
Brake Assist	When emergency braking is detected by how quickly the brake pedal is pressed, maximum brake pressure is immediately applied.	●	●
Brake Override System	If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration.	●	●
Wheels and Tires			
Wheels	WRX: 17 x 8.0-inch aluminum alloy, Gray finish.	●	—
	WRX Premium and WRX Limited: 18 x 8.5-inch aluminum alloy, Dark gray finish.	●	—
	WRX GT: 18 x 8.5-inch aluminum alloy, Matte gray finish.	—	●
Tires	WRX: 235/45 R17 92W, Summer performance.	●	
	WRX Premium, WRX Limited and WRX GT: 245/40 R18 92Y, Summer performance.	●	●
