Standard Features & Specifications

Warranty

24 month/40,000 km Power train warranty. See warranty booklet for details. Suzuki and Samurai are registered trademarks of Suzuki Motor Co., Ltd., Suzuki Motor Co., Ltd. and Suzuki Canada Inc. reserve the right to change without notice, equipment, specifications, colours, materials and other items to apply to local conditions. Each model may be discontinued without notice. Please inquire at your local dealer for details of any such changes. Actual body colours may differ slightly from the colours in this brochure. Some items appearing in photographs may be optional at an extra cost. Some items may vary to conform to Canadian law.

Please be advised the Samurai handles and manoeuvres differently than a conventional passenger car. Avoid sharp cornering, abrupt manoeuvres, and always wear your seat belt. For specific information, read your owner's manual.

1 Hassle free shifting into 4 wheel drive. The transfer case lever is literally inches away from the five speed gear lever, allowing speedy and convenient on-the-go drive shifting.

2 Recalibrated leaf spring and tuned shock absorbers let the Samurai handle the rigours of off-roading, while providing a very comfortable highway performance.

3 Over 8" of ground clearance allows your Samurai to ride high above it all. And Samurai's front spring shackle design provides an approach angle to negotiate the roughest terrain with ease.

4 The Samurai interior. Surprising roominess and flexibility for a high level of comfort on or off the beaten path.

SAMURAI SERIES SPECIFICATIONS

	MODELS	SOFT TOP	HARD TOP
ENGINE	Displacement	1.3L - 1298 cc (79.2 cu. in.)
