

# The new 1987 Suzuki Samurai.™

JUDY GRASCHUK,  
VANCOUVER, B.C.

“ My Samurai's really good on gas. It zips in and out of city traffic, and it's really easy to park. I had a sports car before, and I like my Samurai even better.

CLÉMENT CLÉMENT,  
CHARLESBOURG, QUÉ.

I have the Deluxe model, and I use it for work and pleasure. It's a lot of fun to drive, and it takes me anywhere. I don't put snow tires on it in winter, and it still doesn't get stuck.

GEORGE HAJDU,  
EDMONTON, ALTA.

It gets even better mileage than I thought it would. The heating system is excellent. My Samurai is very fast in the city, and I can park it anywhere.”

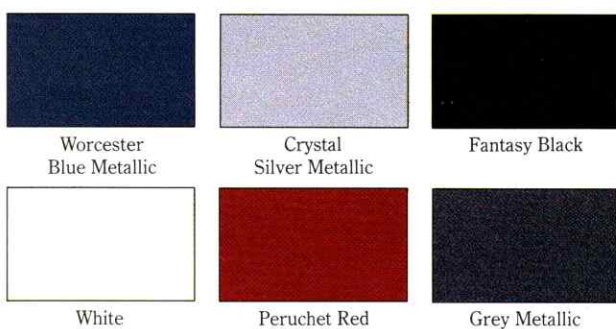

## Samurai series specifications

Models	Convertible	Hardtop	Longbody

Suzuki and Samurai are registered trademarks of Suzuki Motor Co., Ltd.

Wherever you enjoy going. Whatever you enjoy doing. You'll enjoy it more in an '87 Suzuki Samurai.

The Samurai is available in hardtop, convertible or longbody models. And every one comes with an impressive list of standard equipment. Like 4-wheel drive, a 5-speed transmission, a peppy 64 hp 1.3 litre OHC engine and power-assisted front disc brakes. And it's ready for winter with a 3-speed heater, side window defoggers and all-season radial tires - all at no extra cost.

A Samurai's high ground clearance, light-weight and rugged construction take you places where no ordinary vehicle can go. And

its unique styling makes it look right at home anywhere. From a day in the bush to a night on the town.

The Samurai is enjoyable to drive in traffic. It has an extremely tight turning radius. And it can fit into the tightest parking spots... it's even tight on gas!

The only thing the Samurai isn't tight on is space. With the rear seat folded forward, there's plenty of room for camping equipment, groceries... whatever.

Looking for a vehicle that combines fun and versatility? Look at the '87 Suzuki Samurai.

Suzuki Motor Co., Ltd. and Suzuki Canada Inc. reserve the right to change without notice, equipment, specifications, colours, materials and other items to apply to local conditions. Each model may be discontinued without notice. Please inquire at your local dealer for details of any such changes. Actual body colours may differ slightly from the colours in this brochure. Some items appearing in photographs may be optional at an extra cost. Please be advised the Samurai handles and manoeuvres differently than a conventional passenger car. Avoid sharp cornering, abrupt manoeuvres, and always wear your seat belt. For specific information, read your owner's manual.

**24 month/40,000 km**

Power train warranty. See warranty booklet for details.
