

# Alto Automatic

## 4 Door Alto Automatic

Two speed fully automatic operation with kick down for rapid acceleration. High performance 4-stroke, watercooled OHC engine front wheel drive specially developed by Suzuki. Easy access 4 door convenience with roomy interior for extra comfort, and full reclining front seats with head restraints.

Rear storage space can be increased using split rear seats, which can be folded down separately and easily accessible through a hatchback rear window.

A full functional instrument panel with large easy to read fully illuminated meters including AM radio as standard.

The Alto Automatic has been engineered to ensure comfortable and safe driving with the minimum of fuss.

Radial ply tyres plus a dual braking system for added safety. Other features include: child safety locks, 3 speed fan for fresh and recirculating heating, 2 speed and intermittent wipers with electric washers, full carpeting, cigarette lighter, lockable petrol cap and heated rear window.
