

CULTUS

**NEW BEGINNING
DIFFERENT ATTITUDE**

Way of Life!

IT'S BRIGHTER – IT'S BETTER – IT'S BOLDER

Introducing the All-New Suzuki Cultus. A complete new look that fits the modern world and beckons for a drive in the city. Climb aboard and experience all that's new.

DEFINE YOUR SPACE

When it comes to interior space and comfort, the New Cultus is head and shoulders above the rest. With ample room for legs and big ideas, you can stretch out and relax while driving to your destination.

GET ON THE ROAD TO YOUR SUCCESS

A COMPLETE NEW LOOK

While the easy-to-read meters are sleek and stylish, there is much more to the New Cultus. The high seating position and expanded visibility increases the sense of freedom, while the interior design exudes superior comfort and space. The Aerodynamic exterior combined with the power of the K-Series engine makes driving through the city easy and extremely stylish.

READY FOR THE LONG ROAD

Behind the wheel or just going for the ride, with the New Cultus, know that you are in good hands. A combination of technology, design and safety features ensure that you are always in control.

K10B Engine
The K10B 1.0-litre petrol engine offers dynamism in a lightweight design. Not only do you get to enjoy the quick, vigorous drive, the weight-reducing innovations to the engine unit, mounts, radiator and fuel tank offer better fuel performance.

New 5-speed Manual Transmission
A new 5-speed manual transmission provides comfort in traffic and smooth acceleration through all five gears. Numerous innovations help save fuel by minimising torque loss.

Newly Developed Front and Rear Suspension
The suspension has been designed with ride comfort and handling in mind. Beyond achieving great performance, The New Cultus also incorporates weight- and space-saving innovations.

Minimum Turning Radius
Even with room for five, The New Cultus's compact turning radius makes navigating even tight city streets effortless.

Airbags
Front airbags mitigate the impact to driver and front passenger in the event of a frontal collision.

High-rigidity, Low-weight Body
Making effective use of high-tensile materials, Suzuki Total Effective Control Technology (TECT) realises a high-rigidity, low-weight body that improves collision safety.

Brakes
Enhancements to pedal ratio and booster properties optimise pedal force, deceleration and stroke for smooth braking while innovative weight-reduction measures contribute to fuel saving.

Anti-lock Brake System (ABS)

In an emergency braking situation, an Anti-lock Brake System (ABS) keeps tyres from locking up and adds stability to evasive maneuvers. In addition, Electronic Brake force Distribution (EBD) helps maintain control by sending the optimum amount of force to the front and rear wheels.

EXCITING ACCESSORIES

The New Cultus has great presence on the road. But you can enhance it further by adding some trendy accessories.

Top Cover

Lower Grill Garnish Set

Mud Flap

Steering Cover

Floor Mat

Seat Cover

Rear Upper Spoiler

* Accessories are not included in standard variants.

EXPLORE YOUR WORLD

With luggage space that's larger than ever before, there is no need to worry about what to bring. New Cultus's low-to-ground tailgate opens wide, offering easy loading and unloading for everything you could possibly need. So head out with confidence, pride and power.

MORE LUGGAGE SPACE

The New Cultus offers more than enough luggage capacity to fit your lifestyle, including convenient hooks for holding shopping bags in place. For large and odd-shaped cargo, the rear seats offer a variety of setups.

Rear seat raised

Rear seat split folded

Rear seat folded

Accessories socket

Shopping bag hook

Front door pockets

Glove box

Rear door pockets with bottle holder

Front bottles holder

Sun visor with vanity mirror and ticket holder (driver's side)

Center bottle holder
