

MARUTI  SUZUKI

Way of Life!

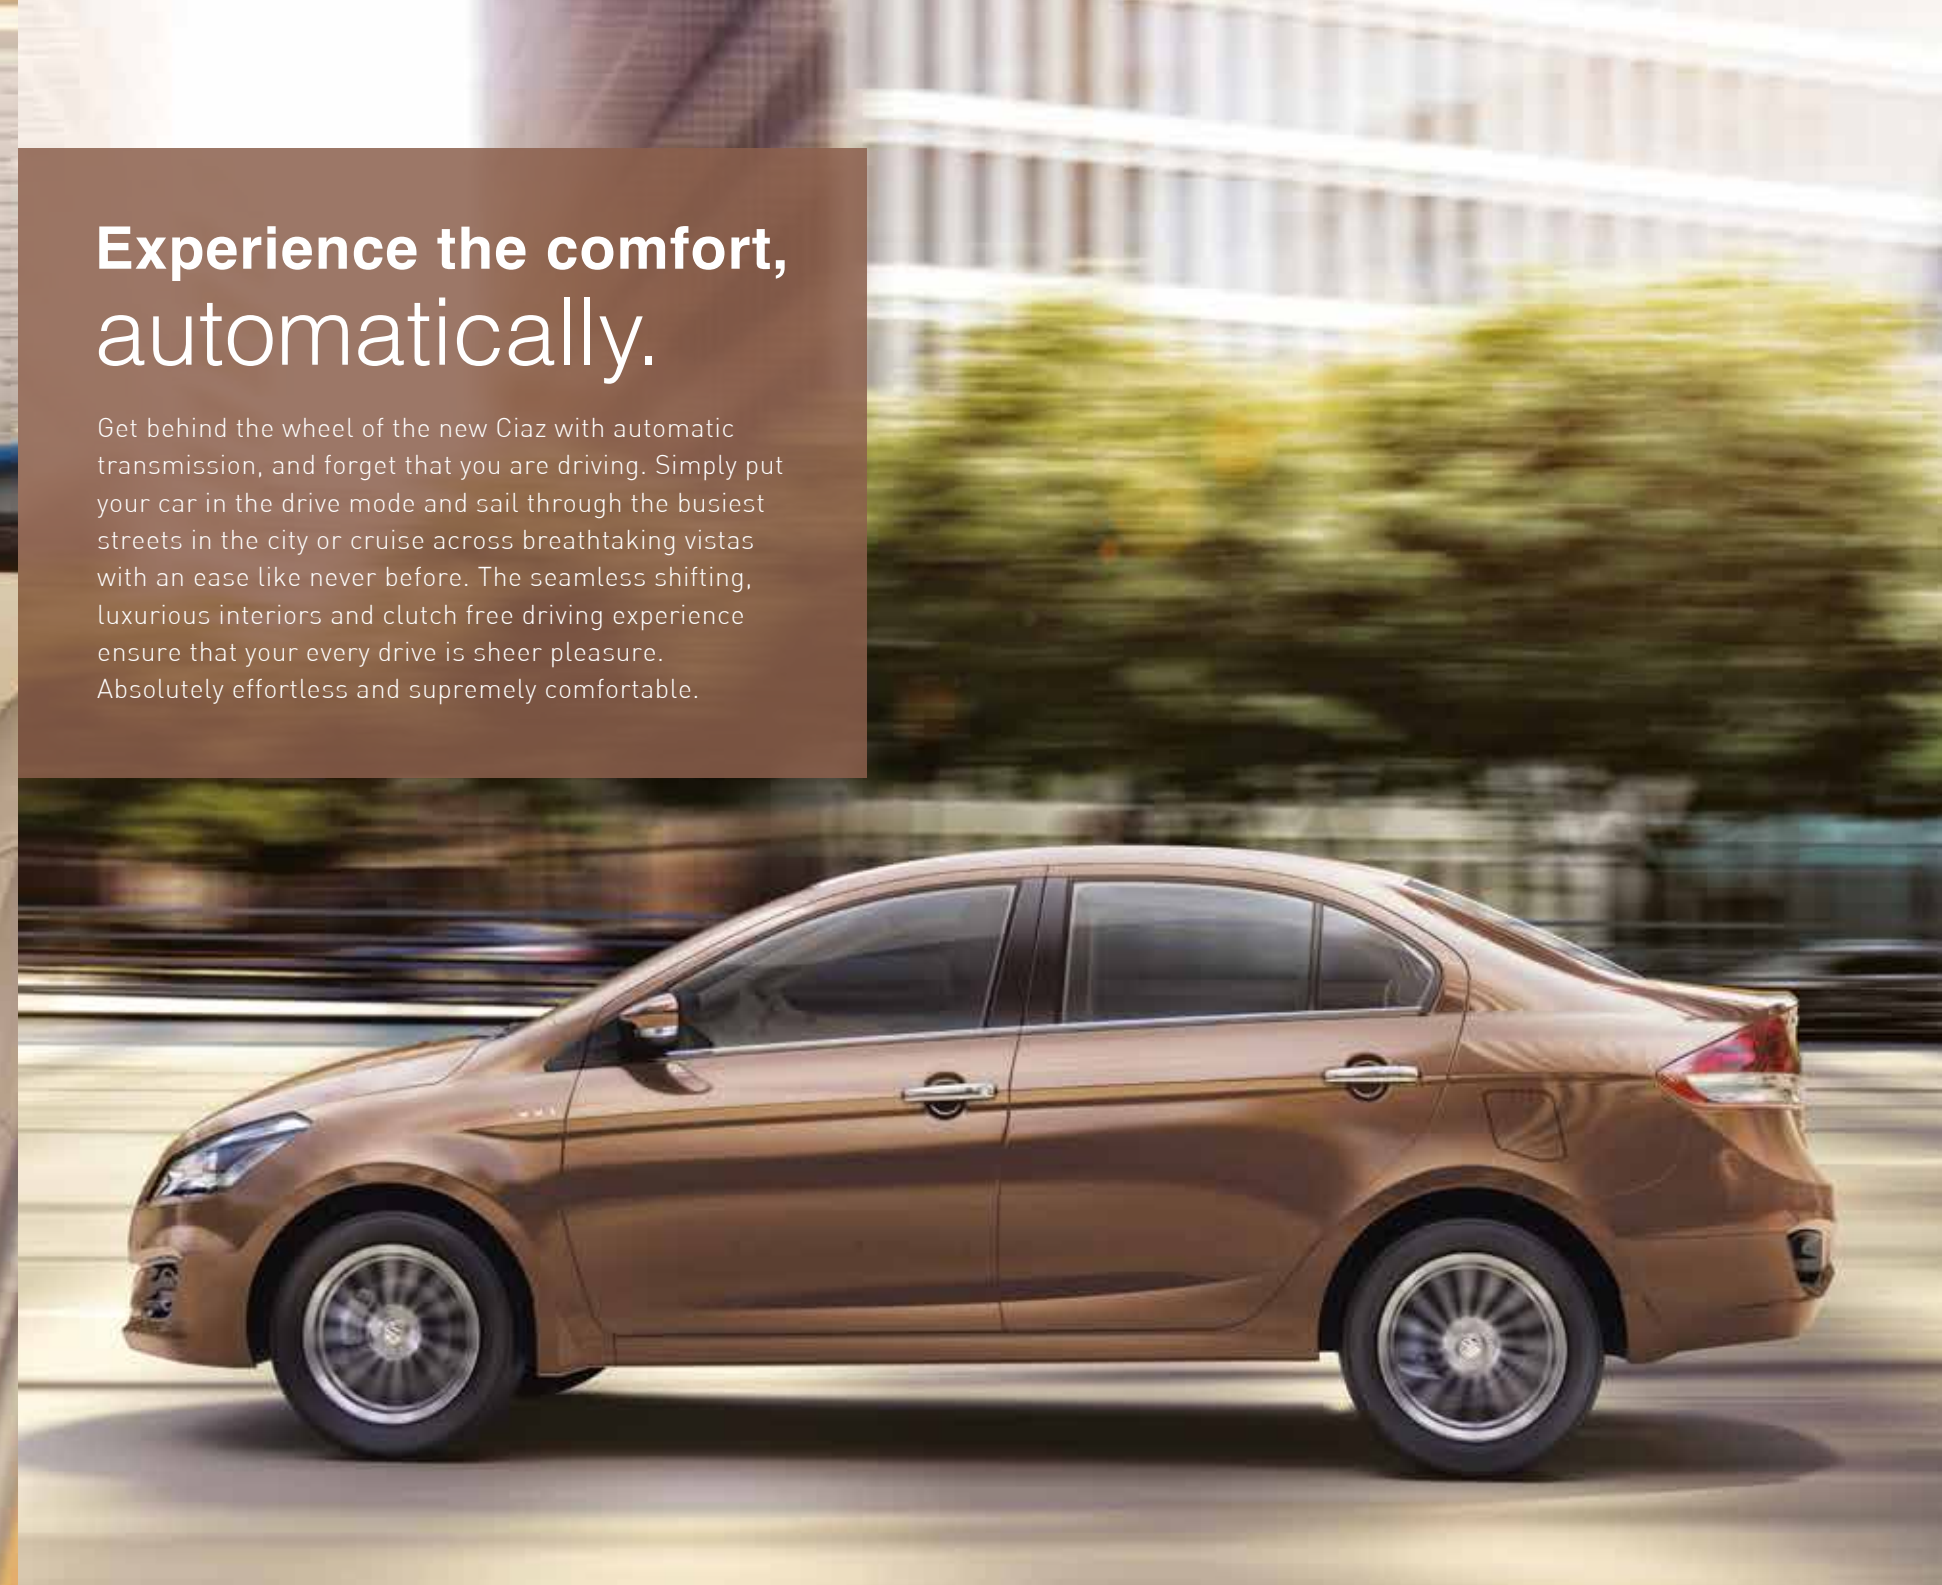

Ciaz
AUTOMATIC

Makes you forget
you're driving.

Experience the comfort, automatically.

Get behind the wheel of the new Ciaz with automatic transmission, and forget that you are driving. Simply put your car in the drive mode and sail through the busiest streets in the city or cruise across breathtaking vistas with an ease like never before. The seamless shifting, luxurious interiors and clutch free driving experience ensure that your every drive is sheer pleasure. Absolutely effortless and supremely comfortable.

Technology for a seamless drive.

The Ciaz Automatic is designed with the latest technology that ensures an easy and smooth drive all through the way. Its key driving force is a 4-speed automatic transmission with optimum torque capacity. This incredible machine is created using new control technology which boasts of better fuel efficiency, thanks to a lightweight and compact transmission.

Most significant of all, the Ciaz Automatic not only promises great mileage, but its simplified gear train and buoyant design ensures exceptional performance and gives you the smoothest ride. So you can truly enjoy every drive.

Smooth style that turns heads.

With its bold stance and smooth, elegant curves the Ciaz is nothing short of stunning. Exceptional elements like Projector Headlamps add a touch of sophistication while its lean yet expansive body creates a distinct impression.

Step inside a new world of affluence.

The smooth contours of the interiors of Ciaz come from an in-depth study of modern design. Concealed Front Passenger Airbag, Plush Upholstery, Dual Tone Dashboard with Wooden Accents and Optimally Designed Doors ensure that you feel more comfortable on four wheels than ever before. The elegant interiors show the interplay of aesthetics and design that create an ambiance that is truly incomparable.

Loaded with luxury.

The Ciaz is equipped with highly advanced features like Camera Assisted Reverse Parking, Keyless Push Start System and Smart Key. Along with that, intelligently designed features like Rear AC Vents, Personal Reading Lamps and Rear Sunshade ensure that every time you get in, you have the most comfortable drive.

Effortless entertainment.

When you're driving the Ciaz, keeping yourself entertained requires little effort. Thanks to the revolutionary SmartPlay Infotainment System.

It's loaded with a range of features that add a new dimension to infotainment on the move.

- WVGA TFT display with IR based touchscreen
- Bluetooth and Media Connectivity
- Voice Command
- Navigation System
- Reverse Parking Display
- Smartphone Connectivity via:
 - Apple CarPlay®
 - MirrorLink®

Apple CarPlay® is the smarter way to use your iPhone through the SmartPlay system. It features Siri to make and receive calls, send and receive messages, and listen to music in a way that lets you focus on the road ahead. MirrorLink®** allows you to access compatible applications on your MirrorLink® enabled smartphone, simply by using the SmartPlay system.
