## EVERYTHING YOU DESIRE IN THE ALL - NEW DZIRE

#### Engine Push Start / Stop

It gives your journey a smooth start and finish.

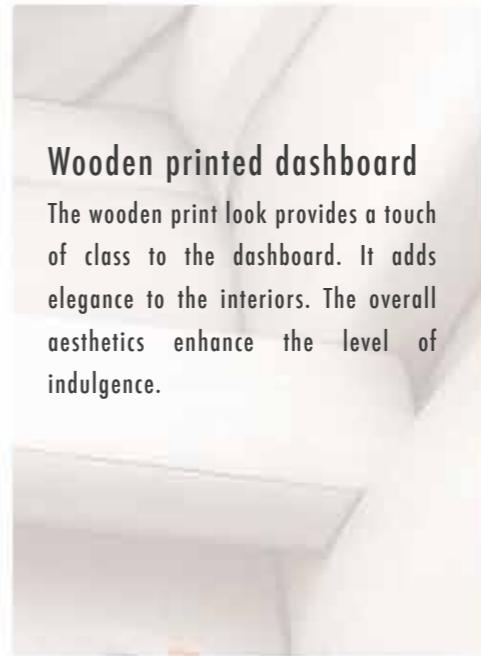

## DESIRABLE INSIDE - OUT

#### Rear accessory socket

The black socket sits prettily, easily accessible to all passengers at the back.

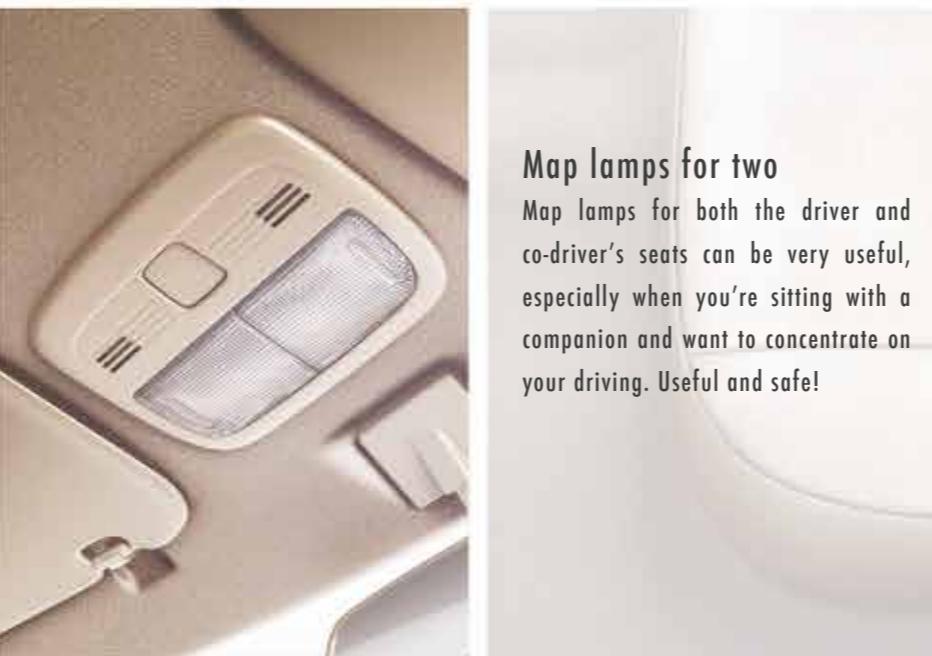

#### Wooden printed dashboard

The wooden print look provides a touch of class to the dashboard. It adds elegance to the interiors. The overall aesthetics enhance the level of indulgence.

#### Bluetooth control on steering

This feature gives you the freedom to attend calls without taking your hands off the steering wheels.

#### Map lamps for two

Map lamps for both the driver and co-driver's seats can be very useful, especially when you're sitting with a companion and want to concentrate on your driving. Useful and safe!

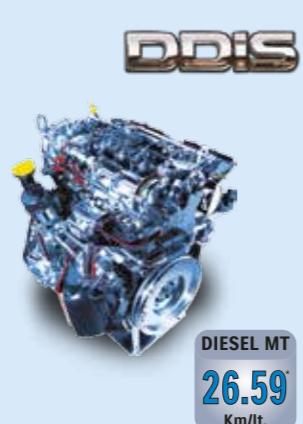

#### Touches of Finesse

Chrome-finish elements have been added to the louvers and door handles while wooden-grain panels extend from the instrument panel to the door, all to give an elegant finish to the interiors.

## BEST-IN-CLASS MILEAGE

### D13A diesel engine

This diesel engine is one of the most evolved and refined ones around. The D13A incorporates a common-rail injection system and an inter-cooled turbo charger for superior performance and efficiency.

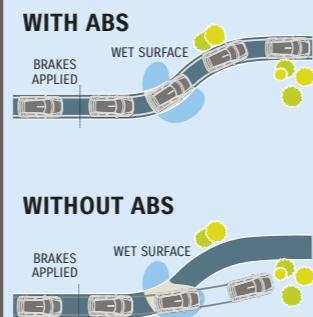

### Efficient braking system

The new 15" ventilated front disc and rear drum brakes, along with Brake Assist System (BAS), give greater braking efficiency even in emergency situations.

### K-12 series petrol engine

The new K-12 engine comes loaded with the impressive Variable Valve Timing (VVT) technology. This mechanism orchestrates valve opening & closing in a way that gives better power and efficiency, smooth acceleration and a quicker response.

### ABS

The Anti-lock Braking System (ABS) with Brake Assist and Engine Drag Control (EDC), prevents skidding and ensures a minimum stopping distance even on the most slippery roads.

ABS & EBD now available in VDI
