Smarter WagonR. For the smarter you.

Presenting the smarter WagonR with new and improved features which is a step above the smartness it has always possessed. From style to comfort and performance to efficiency, the smarter WagonR is made exclusively for the smarter you.

Available in

Petrol

|

CNG

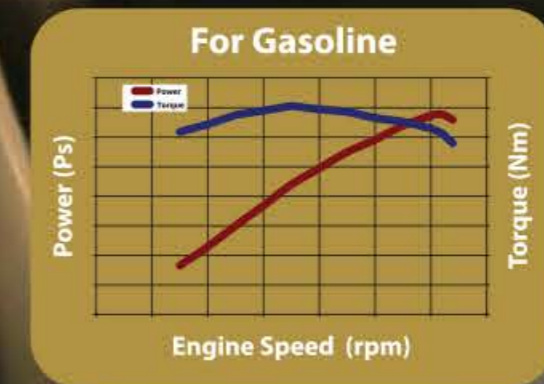

Smarter Design.

The moment you step inside the new WagonR, you'll feel that you have entered a smarter world. Being the tallest in its class with a distinct sloping stance, imposing look and improved design, it not just enhances your smartness but also helps you grab all the attention.

Smarter Style.

The bold statement and the refreshed exteriors of the new WagonR create an aura of its own. The newly designed front bumper and the chrome accentuated front grille don't just make the car look smarter, but also bring out the smarter you.

Smarter Performance.

Whether you cruise along at your own pace or burn up miles on the highway, the power and increased fuel economy of 8.5%* of the new WagonR make you look a lot smarter than everyone else.

* Gasoline Variant (18.9 kmpl to 20.51 kmpl)

Smarter Interiors.

Indulge in the world of elegance with the luxurious dual tone interior colour scheme of beige and black that comes with the ergonomically designed Instrument Panel for easy accessibility. And the Eagle wings audio system with integrated USB adds a touch of class.

Styling

Sporty fog lamp bezel design

Chrome engraved celebration plate

Chrome accentuated new grille design

Headlamps with unique blue lens

Newly designed front bumper

Crystal effect tail lamps

Comfort

Electric ORVM & power-window controls on driver's arm-rest

Day/night inside rear view mirror

Tilt adjustable steering

Innovative front passenger under seat tray

Dual tone interior colour scheme

Inclined rear seats for better lumbar support

New Eagle wings audio system with integrated USB

Wide opening doors for easy entry-exit

Push type Instrument Panel storage box

Conveniently located push-type cup holders on dash board

Digital fuel indicator with double trip meter

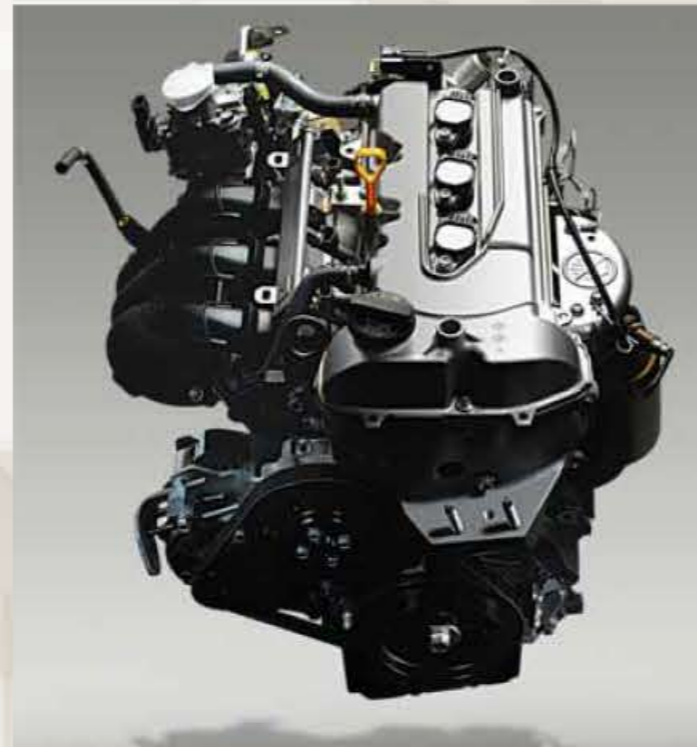

Foldable rear seats for extra storage

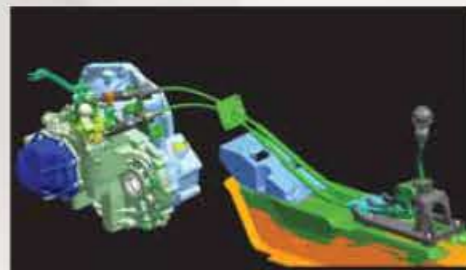

Rear parcel tray for convenient storage

Performance

Because smarter people deserve better technology, the new WagonR is fuelled by the passion of the K-series engine to deliver improved fuel efficiency. What's more, cable type gearshift mechanism, frame type front suspension, three point control arm and gas filled McPherson struts lead to better stability and riding comfort.

All aluminium light weight, K-series engine for better performance and fuel economy

Cable type gearshift mechanism for effortless gear shifting.

Frame type front suspension system for smoother drives

20.51*
kmpl

*Test results of Rate 115 of OMVR, 1999

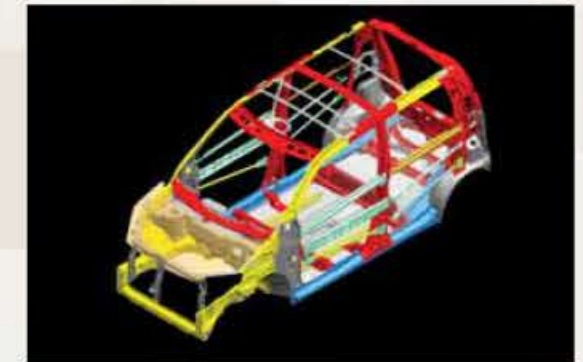

OBD-II compliant to keep the emissions in check

ELV (End-of-Life Vehicle) enabling high degree of raw material recycling for a greener environment

Safety

Your safety is of utmost importance and that is why the new WagonR comes with driver side airbag, ABS, front & rear fog lamps and engine immobilizer. After all, it's smarter to be safer.

Energy absorbing body structure for safer drives

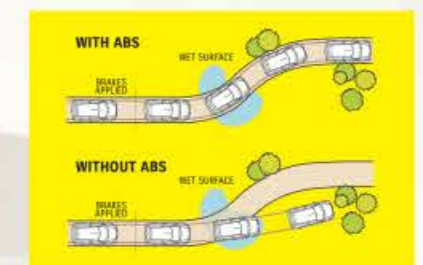

Rear wiper, washer & defogger for enhanced visibility

Central locking with security alarm

Safer drive with driver side airbag

Anti-lock braking system for slippery surfaces

Seat belt indicator

CNG Variant

The new WagonR Green comes with the state-of-the-art factory fitted CNG technology featuring Gas Port Injection system(i-GPI) that is fully compliant with BSIV norms. This powerful and fuel efficient WagonR Green is the car for the smarter you.

i-GPI

The i-GPI system injects CNG into different ports of the engine near the combustion chamber, resulting in a homogenous combustion. Besides this, the quantity of CNG injected into the engine, as well as the changeover from petrol to CNG are both intelligently controlled.

The new WagonR Green is a smarter choice in many other ways as well. It offers higher levels of reliability, safety and convenience, complete with advanced technology.

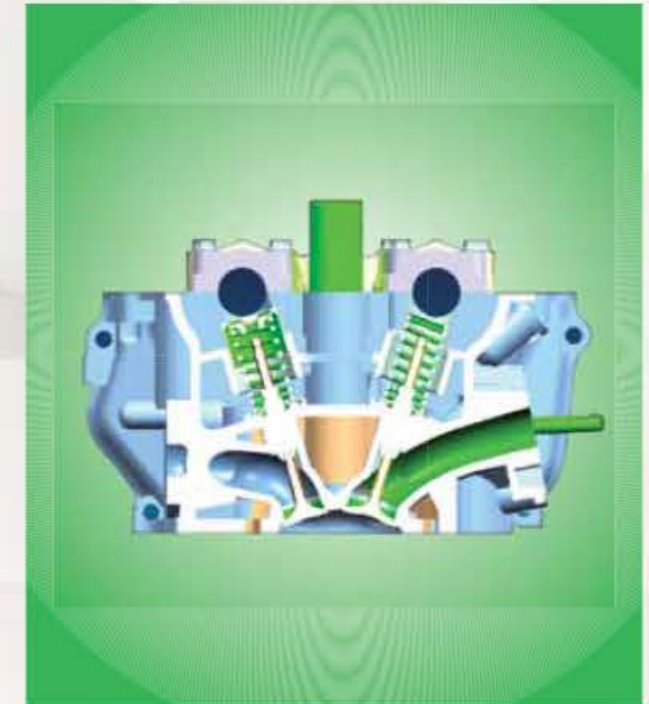

CNG is the least expensive fuel option available, and gives you the lowest running cost compared to conventionally fuelled cars.

Modified suspension

Easy changeover switch

Special material Valve Seats for better durability

Smarter colours for the smarter you.

Be it the Breeze Blue inspired by the clear blue sky, the Glistening Grey that reflects the techno world or the Ecrú Beige that lends a touch of class, they all catch your attention. The choice of colours doesn't end here. The richness of the Bakers Chocolate and Superior White, the sparkle of Silky Silver and the dynamism of Passion Red, all add to make your personality smarter.

Passion Red

Ecrú Beige

Bakers Chocolate

Breeze Blue

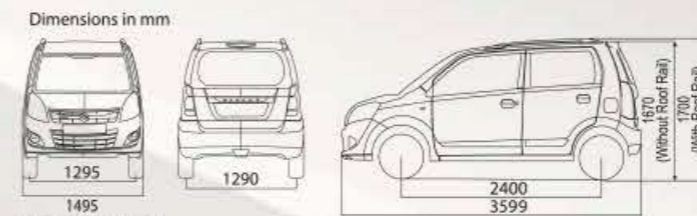

Glistening Grey
