

**A-star**

STOP @ Nothing

## The making of A-star

In the endless sea of humanity only a few are born to shine. And for the one who shines the brightest, here is a star companion that drives along. A-star – a marvel, a true star in the making. It's here not just to create an impact in India but to excite car lovers across the world.

## Presenting A-star with Penta Drive

If there is anything that sets you apart, it's your attitude. An unstoppable force that knows no boundaries. A car made in India to meet European standards, A-star symbolizes the beginning of a revolution. With unbelievable performance and unmatched looks, it's one machine that reflects the unstoppable you. Go ahead, take on anything, stop at nothing.

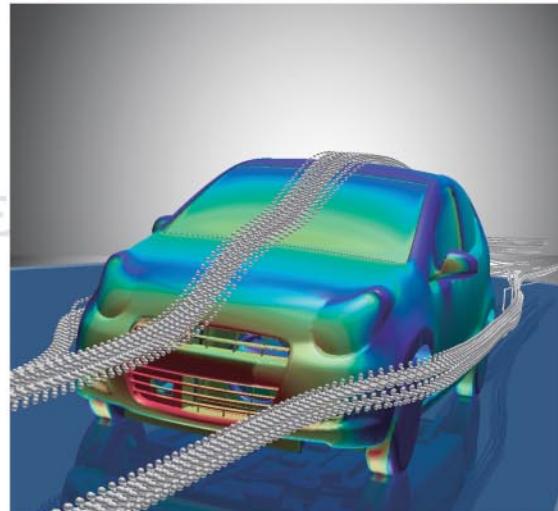

When technology meets innovation and passion, the creation is nothing short of a phenomenon. A-star's superior engineering effortlessly combines performance and safety. It has the most irresistible looks while taking care of the environment as well. Driven by Penta Drive, a culmination of five world-class features, A-star stands as an unstoppable force.

## Engage Drive

To attain perfection, you need to evolve technology many times over. A-star's Speed Sensitive Power Steering and low centre of gravity will engage you to the max, for the best drive ever. A blend of these new age technologies will always keep you ahead of the rest.

Wind tunnel tested for low coefficient of drag providing aerodynamic efficiency

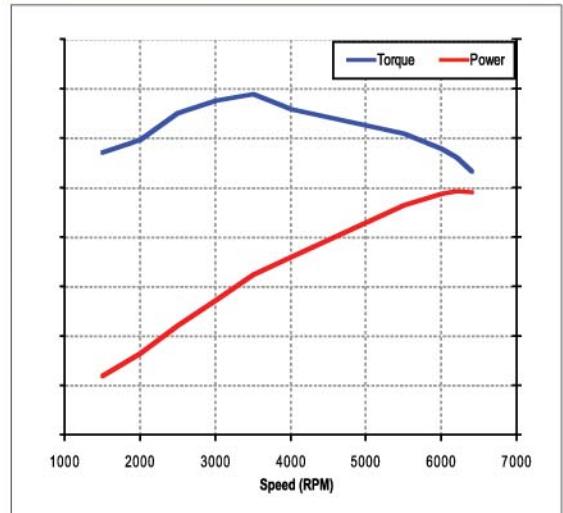

Speed Sensitive Power Steering for better control

Wideest track width in segment for higher stability

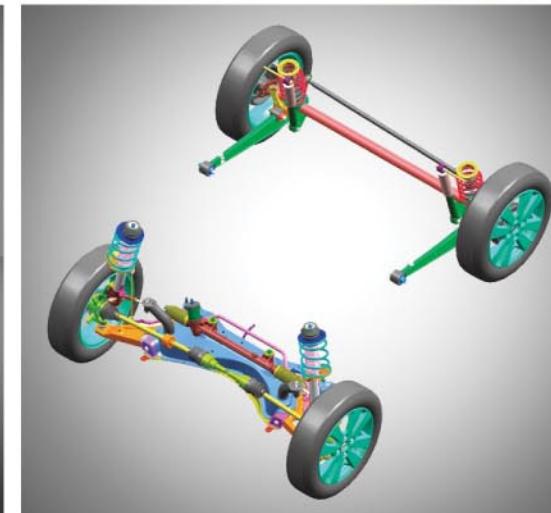

STAY UNSTOPPABLE WITH  
**PentaDrive**  
POWERED BY KB-SERIES ENGINE

KB-Series engine delivers highest torque of 90Nm at 3500rpm

Low turning radius of 4.5 m for better maneuverability

Maximum ground clearance in its segment with refined suspension system for better comfort and driving pleasure

## Ergo Drive

Imagine a car that reflects your personality. A-star's all aluminum light weight KB-Series engine has been developed to give the best-in-class fuel efficiency. The smart DLI system (Distributor Less Ignition) with semi-return fuel system provides optimized combustion for better power and performance. Now, experience automobile engineering at its finest.

Large, supportive, comfortable front and back seats

Spacious and comfortable seats ensure that the driver and co-passengers enjoy their drive.

#### Seat Upholstery

Standard\*

Premium\*\*

\* Lxi \*\* Vxi/Zxi

## Foldable rear seat for more luggage room

Rear seatback provides greater luggage-carrying flexibility. Now you can easily carry whatever you need.

## Customized accessories for more convenience

Integrated Audio CD with Aux-in unit\*

Illuminated centre tray for better visibility and night time convenience

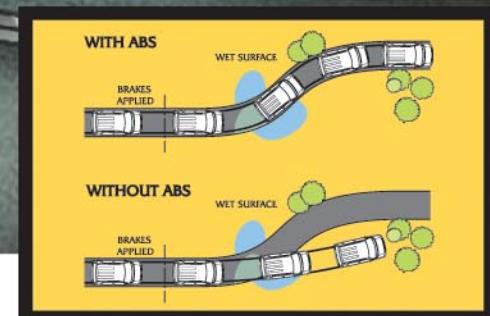

Multi-utility glove box with ample capacity

\*In Vxi / Zxi

## Assure Drive

Safety has always been technology's biggest challenge. A-star's advanced safety system ensures that your drive is virtually risk free without compromising on design. A-star comes with the unique TECT, to keep you and the occupants safe. The new remote embedded key with iCATS takes care of the car's security as well. Stress-free drive has found a new meaning.

### ANTI-LOCK BRAKING SYSTEM\* (ABS)

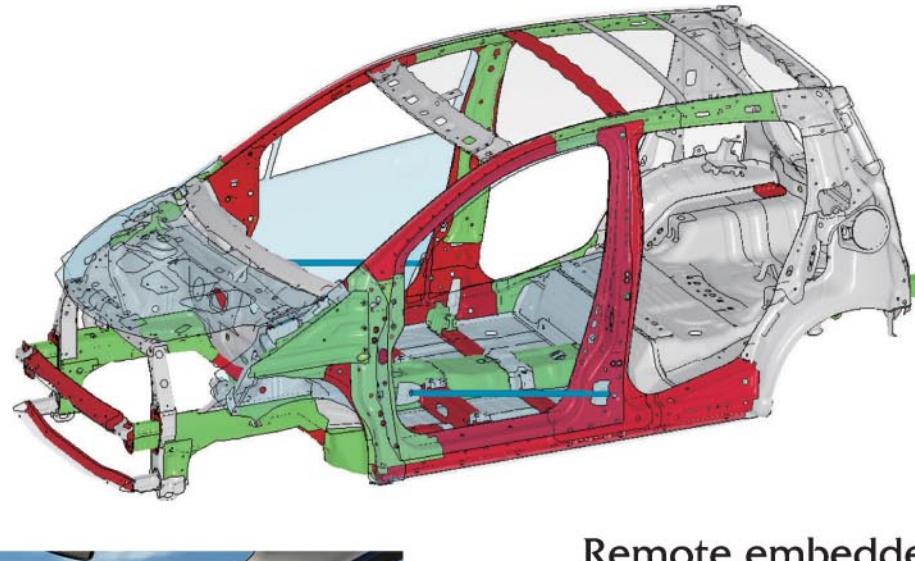

- Complete control while braking on slippery surfaces
- No chance of wheels getting locked
- Better maneuverability of the vehicle on sudden braking

\*in Zxi, optional in Vxi

# TECT

TECT=Total Effective Control Technology

Made of crushable structures that absorb impact energy, thus ensuring the safety of occupants

High rigidity suspension frame imbibed in the strut mounting areas ensures superior handling and increased driving comfort

Dual airbags\* provide maximum protection by reducing the impact on the driver and occupants in case of a mishap

Remote embedded key\* for higher security

- Pre-fitted with iCATS making your vehicle safe and secure
- The vehicle starts with an original key only
- Pay less on your insurance premium

POWERED BY KB-SERIES ENGINE

## Aero Drive

When technology supersedes itself, it creates history. A-star's aerodynamic design gives it an attitude that matches your persona. The aero theme design has been superbly blended into the exterior as well as the interiors of the car. A-star's interior features a pop-up tachometer that will give you the ultimate sporty edge. The stylish speedometer, digital engine temperature indicator, digital fuel gauge and digital clock along with low fuel warning indicator simply makes the console breathtaking. Forget the present, drive into the future.

Crimson illuminated IP for better visibility

POWERED BY KB-SERIES ENGINE

Euro 4 and Euro 5 ready

**ELV**  
End-of-Life Vehicle

ELV (End Of Life Vehicles) enabling high degree of raw material recycling for a greener environment

Best-in-class fuel efficiency with lower CO<sub>2</sub> emissions conserving precious fossil fuel

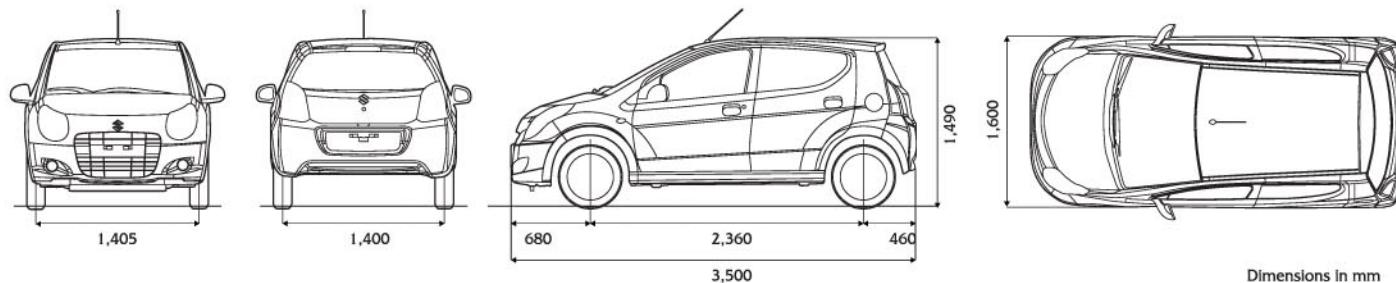

## Green Drive

In a world that's all concerned about global warming, A-star comes as a breath of fresh air, as it is Euro 4 and Euro 5 ready. The E10 compliant engine emits lower amounts of CO<sub>2</sub> causing minimal pollution, thus keeping you closer to nature. A-star's brilliance lies in the ELV (End of Life Vehicle) that ensures maximum recyclability of all parts when they reach end of life. Enjoy a greener drive with eco-friendly technology at its best.

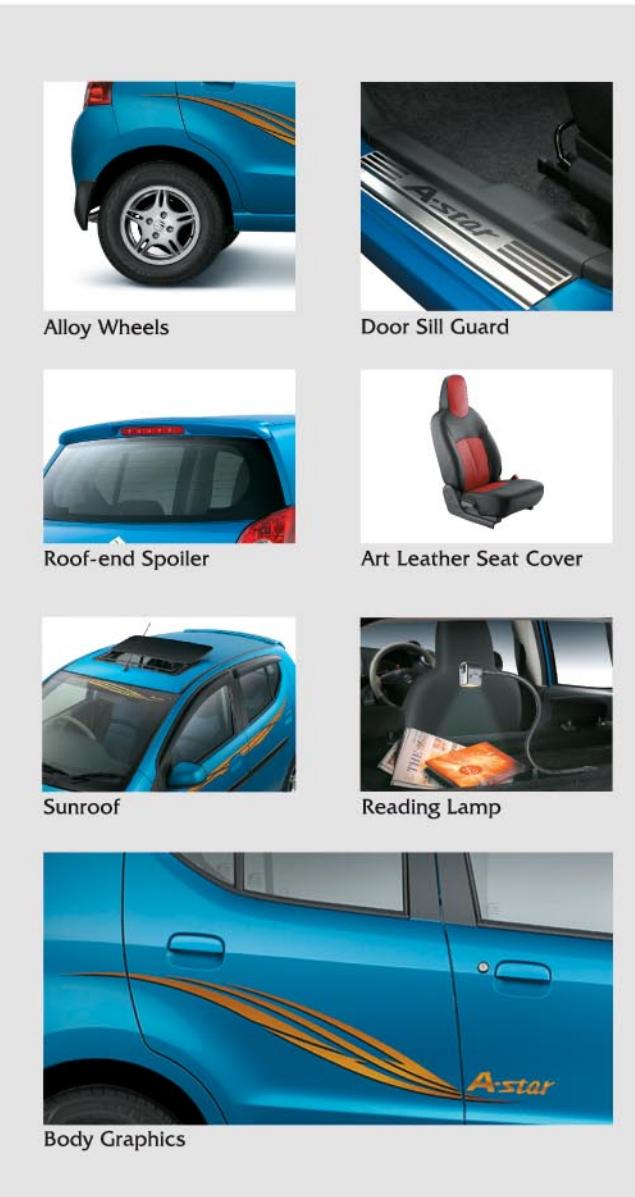

## Technical Specifications

Dimensions		
Overall length	mm	3,500
Overall width	mm	1,600
Overall height	mm	1,490
Wheelbase	mm	2,360
Track width	Front	mm 1,405
	Rear	mm 1,400
Minimum turning radius	m	4.5
Minimum ground clearance	mm	170
Capacities		
Seating capacity	persons	5
Fuel tank capacity	litres	35
Engine		
Type	KB-Series	
Number of cylinders	3	
Number of valves	12	
Capacity	cc/cm <sup>3</sup>	998
Bore x stroke	mm	73.0 x 79.5

Compression ratio	10:1
Maximum power	PS/rpm 67/6,200
Maximum torque	Nm/rpm 90/3,500
Fuel distribution	Multipoint Injection
Transmission	
Type	5-speed MT
Chassis	
Steering	Rack & Pinion, Power assisted
Brakes	Front Ventilated discs
	Rear Drums
Suspension	Front MacPherson strut & coil spring
	Rear Isolated trailing link & coil spring
Shock absorbers	Gas filled
Tyre (tubeless)	155/80R13
Weights	
Kerb weight (min. with full options)	kg 860-880
Gross vehicle weight	kg 1,320
