

**THE  
SUZUKI  
GRAND  
VITARA**

**HAVE TO**  
*have it.*

# TAKES THE ORDINARY OUT OF EVERYDAY

**The Grand Vitara is the rugged yet refined SUV from Suzuki. Always ready to tackle the road ahead, it's built to handle the great outdoors. It adapts to any adventure with genuine go-anywhere capability – and does it in plenty of style.**

If you're looking for performance that grabs you from the word go, you'll find more than enough in both the 3 and 5 door models. Because while the Grand Vitara has been built for everyday life, its tough chassis and 4-wheel drive system with three driving modes make it ready for every terrain at the turn of a dial. As you'd expect from Suzuki, clever safety features and interior luxuries are in abundance.

When it comes to handling, the small but mighty 3 door glides effortlessly and economically through town or country. While the bold and brawny 5 door has enough power to leave you breathless.

The Grand Vitara is a truly authentic SUV, born with equal measure of strength and style. And whether it's making an appearance on the school run or up a mountain run, it takes the ordinary out of everyday journeys. So if you're finding it hard to get it out of your mind, you know that you have to have one.

**The more you get to know it, the more you have to have it.**

# GO AHEAD

we have the SUV you're after.

**YOU'LL WANT TO DRIVE  
IT EVERYWHERE**

*and who could blame you?*

# STOP. LOOK. LOOK AGAIN

**this bold exterior grabs  
you every time.**

**Some SUVs are built for urban life. Some are built for adventure. The Grand Vitara 3 door is built for both. Its tough, good-looking exterior means it can adapt beautifully to every occasion.**

Its neat 3 door body style exudes practicality. While its compact overall length makes manoeuvring in tight spaces and parking easy. So you get all the benefits of a capable SUV, but with the flexibility and ease of driving a compact car. An additional benefit of its size is the Grand Vitara's light body, which helps provide great handling and great fuel economy.

From a design perspective, nothing has been overlooked and every detail matters. Alloy wheels, roof rails and front fog lights\* all enhance its striking lines and robust appearance.

Ready to jump inside and take a ride? Or perhaps you'd like to admire it for a little longer...

\*SZ4 models only

# SAY HELLO TO AN INTERIOR

*you'll enjoy spending time in.*

At the front and rear, the Grand Vitara 3 door has an interior space you'll love to be in. It's comfortable, flexible and spacious, with loads of touches to make every journey enjoyable.

One glance around the cabin and you'll be amazed at how many clever storage solutions this 3 door SUV has managed to squeeze in. Like a centre console box and door storage pockets. So if you're travelling with lots of stuff, there's a spot for everything. There's a nifty under-floor compartment in the boot too. Ideal for when you need that extra space.

For longer journeys, cruise control\* takes the hard work out of driving, while automatic air conditioning keeps everyone cool. The commanding high-up driving position gives the best possible vantage point, so you can spot whatever is going on around you.

Whether you're off the beaten track or on the high street, the interior of the Grand Vitara 3 door has been designed to make you feel good about it. So good in fact, that you'll end up spending more time together than you'd expect.

\*2.4 SZ4 models only

# WHEN IT COMES TO PERFORMANCE

this SUV gets a standing ovation.

Off road performance, practicality and safety. That's what you get when you drive the Grand Vitara 3 door. Because whether you find yourself winding through city streets or country lanes, this SUV has the versatility to adapt.

It's all thanks to the Grand Vitara's 4-wheel drive system. With three driving modes selectable via a switch on the dash\*, this system ensures it's ready for any terrain.

1. **4H:** High range 4x4 mode for driving in most conditions. Torque sensing differential improves on-road response, while delivering the superior traction benefits of 4WD
2. **4H Lock:** High range 4x4 mode for driving in deep snow or mud. Locks the centre differential to provide a permanent even torque split between front and rear wheels
3. **4L Lock:** Low range 4x4 mode for driving in very difficult off-road conditions. Locks the centre differential and transmits torque via the high-low transfer, boosting the transfer ratio to twice that of the 4H Lock mode

And don't let its compact yet lightweight frame deceive you as this SUV has been built to handle the toughest conditions. Its chassis has been designed with manoeuvrability in mind - its approach, departure and ramp over angles hold every terrain, in the city or in the sticks.

Wherever your journey takes you, the Grand Vitara 3 door is the perfect companion.

\*2.4 models only

# INTELLIGENT SAFETY

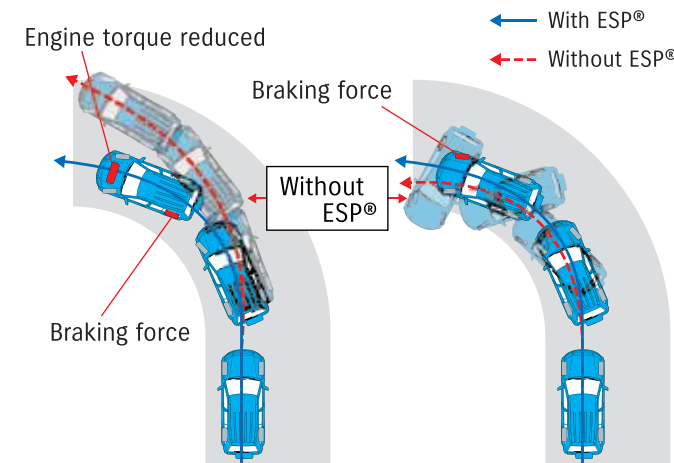

*it's not optional, it's essential.*

**Every journey you make in your Grand Vitara 3 door has to be exciting. But it has to be safe too.**

Driver and front passenger airbags come as standard, as do side and curtain airbags, shielding you and your passengers from every angle.

ABS with Brake Assist Function safeguards you when you need to stop quickly, as does Electronic Brake Force Distribution (EBD) – a system that automatically varies the amount of force applied to each of the brakes. Meanwhile the Electronic Stability Program (ESP®)\* detects loss of traction and acts to help restore it when needed.

When it comes to younger passengers, with ISOFIX child seat anchors you can ensure they're always securely fastened. Although we can't promise they'll be any less excited.

\*ESP® is a registered trademark of Daimler AG.

# ONE GREAT SUV

two great models to choose from.

## GRAND VITARA 3 DOOR SZ3

**Here's what you get as standard:**

- Full time 4WD system
- ABS with Brake Assist function
- ESP®\* (Electronic Stability Program)
- Driver & front passenger airbags
- Side & curtain airbags
- Remote central door locking
- Rear seat with 50:50 split
- Automatic air conditioning
- MP3/WMA compatible CD tuner
- 16" alloy wheels
- Body coloured exterior door handles & mirrors
- Black roof rails

\*ESP® is a registered trademark of Daimler AG.

## GRAND VITARA 3 DOOR SZ4

**And add these with SZ4:**

- Cruise control (2.4 only)
- Front foglamps
- 17" alloy wheels
- Leather covered steering wheel (2.4 only)
- Rear privacy glass

# LOOKING FOR ADVENTURE?

*Look no further.*

# A BOLD EXTERIOR

*you can't help but admire.*

**The Grand Vitara 5 door has got everything you'd want from an SUV. Its strong frame means it's tough when it needs to be, while its sleek exterior gives it a sophisticated road presence that exudes confidence.**

Five doors needn't be bulky, as the Grand Vitara's neat body style proves. It's tough and robust with plenty of muscle, yet classy lines and curves enhance its elegance.

Short front and rear overhangs plus a high ground clearance of 200mm\* not only look the part, but also deliver outstanding ability on all road surfaces even in severe conditions. While clever design features such as roof rails, front fog lights and alloy wheels beautifully boost its versatility.

From whichever angle you're admiring it, the Grand Vitara 5 door boasts an exterior that deserves a longer look.

\*190mm on DDiS models

# A STYLISH INTERIOR

*you'll relish getting to know.*

**The Grand Vitara 5 door lends itself to adventurous journeys. Long distance or short. Urban or rural. And with an interior that's been crafted with comfort in mind, you'll savour every moment.**

In the front its commanding high-up driving position takes driver confidence to a different level, and there's an abundance of legroom at the front and rear. While the leather interior\* with heated seats\* provides a luxurious feel that exudes class.

Look around the cabin and you'll find all the storage you need with nifty solutions in easy reach. And in the back, there's a whopping 758 litres of luggage space and completely flat loading floor with the rear seats folded.

When you're going the distance, cruise control takes the effort out of driving. While the navigation system\* with Bluetooth\* and USB connectivity\* gets you to your destination quickly, efficiently and safely.

Ready to set off? The route ahead has never looked so appealing.

\*SZ5 model only

# TOUGH PERFORMANCE

on every journey.

The Grand Vitara 5 door handles the rough and gives you the smooth, thanks to its robust engines and dynamic design. In fact the rougher the terrain, the more impressed you'll be. Brute force, yet always controlled.

And while this SUV has been built for everyday life, its 4-wheel drive system with three driving modes selectable via a switch on the dash ensure it's always ready for adventure.

1. **4H:** High range 4x4 mode for driving in most conditions. Torque sensing differential improves on-road response, while delivering superior traction benefits of 4WD
2. **4H Lock:** High range 4x4 mode for driving in deep snow or mud. Locks the centre differential to provide a permanent even torque split between front and rear wheels
3. **4L Lock:** Low range 4x4 mode for driving in very difficult off-road conditions. Locks the centre differential and transmits torque via the high-low transfer, boosting the transfer ratio to twice that of the 4H Lock mode

When it comes to off-road performance, this SUV has been built to handle the roughest conditions. Its chassis has been designed with manoeuvrability in mind - its approach, departure and ramp over angles will conquer even the steepest, most rugged terrain. And if you're towing heavy loads, the DDiS model manages up to 2,000kg. Effortlessly.

So if your day-to-day is interrupted with a sudden urge for off-road action, the Grand Vitara 5 door can take it in its stride. Because with its selectable 4-wheel drive system you're ready and safe for whatever the road ahead holds.

# STRONG ENOUGH TO KEEP YOU SAFE

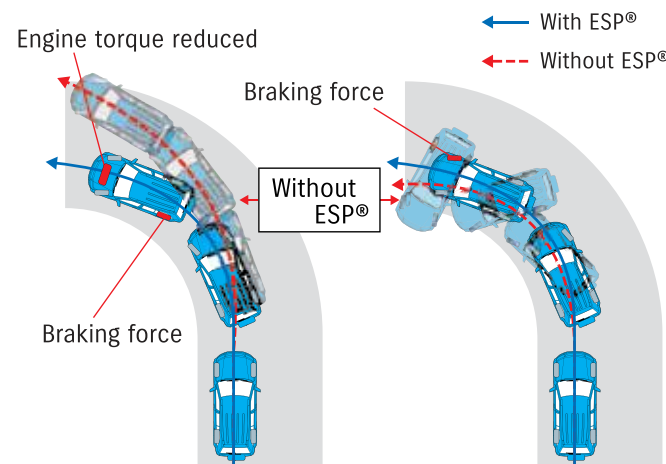

*and reassured.*

**The Grand Vitara 5 door is robust enough to take care of any type of terrain and it's that robustness that takes care of you and your passengers too.**

Driver and front passenger airbags come as standard as do side and curtain airbags. You'll also find ABS with Brake Assist Function and Electronic Brake Force Distribution (EBD) – a system that varies the amount of force applied to each of the brakes when needed. Meanwhile the Electronic Stability Programme (ESP®)\* detects loss of traction and acts to help restore it when needed.

The high seating position offers exceptional driving visibility, whatever the conditions. And for your precious little passengers, ISOFIX child seat anchors ensure they're securely fastened on every trip.

With so many intelligent safety features, it's safe to say the Grand Vitara 5 door makes the most of its strength and 4-wheel drive system to keep you and your passengers secure at all times.

\*ESP® is a registered trademark of Daimler AG.

# DECISIONS, DECISIONS

*the hard part is choosing the model for you.*

## GRAND VITARA 5 DOOR SZ4

### Here's what you get as standard:

# OVER A CENTURY OF ENGINEERING MILESTONES.

## 1909

### inspiration

**Suzuki founded:** Michio Suzuki founds the Suzuki loom works in the small Japanese village of Hamamatsu.

He creates a loom that is different from the rest. It's faster, more productive and easier for everyone to use. It came from a philosophy about a way of life that no one had considered before. Michio Suzuki believed in innovative technology for people.

## 1952

### original

**First motor vehicles:** Suzuki is now established as one of the world's leading manufacturers and Michio Suzuki turns to everyday life for inspiration.

He discovers the need for affordable and reliable transport. He develops an inventive two-wheeled bicycle powered by an engine, and works on innovative prototypes for a car that is compact as well as practical to drive. Transport now becomes Michio Suzuki's main focus.

## 1955

### ground breaking

**The Suzulight:** Following the success of Suzuki motorcycles, an even more successful automobile is launched.

The Suzulight breaks the mould with front wheel drive, four wheel independent suspension and rack and pinion steering.

## 1965

### new waters

**Suzuki outboard motors:**

Suzuki establish themselves in the outboard motor field by launching their D55 2-stroke outboard motor.

## 1983

### crowd favourite

**Swift debuts:** Premiering at the 1983 Tokyo Motor Show, the Swift starts life with many different names across the world.

Ranging from Geo Metro to Margalla. Originally classed as a supermini or supercompact, the success of the Swift has evolved into a hatchback, a sedan and even a convertible.

## 1988

### small and tough

**Grand Vitara debuts:**

Known under a variety of names worldwide, such as Suzuki Escudo, Sidekick, Geo Tracker and simply Vitara, the Grand Vitara bridges the gap between the small car and the traditional 4x4.

## 1990

### development

**Suzuki ventures into Europe:**

In a bid to continue with expansion and innovation the company begin to expand into Europe.

## 1970

### original

**Jimny 4x4 debuts & Kosai automobiles plant is born:** Bringing the first 'real' 4x4 into the market, Suzuki unveils the Jimny.

It allows more and more people to explore off-road, and the car soon becomes a keen favourite amongst drivers.

## 1979

### popular

**Alto debuts:** The first generation Alto breaks into the automobile market with a competitive price.

Its combination of compact design and value gains it much publicity with it regarded as a 'micro sensation.'

## 1980

### legendary

**GSX debuts:** Suzuki release the GSX-series.

An evolution of the GS, the GSX contains a powerful 4-valve engine, with the early four-cylinder engines being commonly regarded amongst the most reliable motorcycle engines ever mass-produced.

## 2002

### celebrity

**Suzuki Liana gains fame as Top Gear track car:**

The Top Gear test track hosts the Suzuki Liana as their reasonably priced car. Many celebrities grace the wheel including Michael Gambon, Michael McIntyre and Jimmy Carr with the fastest non-professional lap being won by Ellen McArthur, completing the lap in 1 minute 46.7 seconds.

## 2004

### sporty and stylish

**Swift compact unveiled:**

The second generation Swift makes its entrance at the Paris Motor Show. The Swift marks a significant departure from the 'Cultus-based' model and becomes much more sporty and stylish.

## 2005

### fun

**Swift is Car of the Year:**

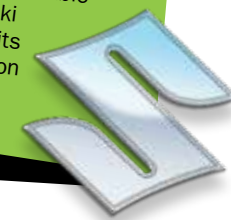

The Swift is presented with a special achievement award as Japan's 'Most Fun Car of the Year' in 2005.

## 2009

### centenary

**100 years of innovation:**

Suzuki reaches its centenary. Remembering its humble beginnings Suzuki commemorates its years of innovation and success.

Good to know, means good to go. With Suzuki, getting your new car is just the start. Because we'll help you make the most of the journey now and in the future too. Here's a quick heads up of what we can offer.

WARRANTY.  
IT'S ABOUT TRUST.

Every new Suzuki comes with a comprehensive three year or 60,000 mile warranty (whichever comes first) and a twelve year anti-perforation warranty¹. The warranty is also transferable to other owners too. So they can also have peace of mind.

ROADSIDE RECOVERY.  
WE'LL BE RIGHT THERE.

We're always around if you need breakdown assistance too – from the flat tyre, to the unforeseen accident. New cars come with a one year Suzuki Assistance plan provided by the AA Suzuki Assistance team. The cover includes 24 hour Roadside and Homestart cover, with European assistance too.

TALK TO US.

The Suzuki Information Service could talk all day about your Suzuki. From the product range to services for drivers, they can fill you in on everything.

So if you've got a question, just get in touch on 0845 606 2220 or at Suzuki GB PLC, Steinbeck Crescent, Snelshall West, Milton Keynes, Bucks MK4 4AE.

¹Jimny comes with 6 year perforation warranty

Finance

We put as much thought into keeping things easy on your pockets as we do into making cars that are easy on the eye. That’s why we have developed a number of affordable finance packages.

- 1. Finance packages from one to five years. We know you love choices, that’s why we let you choose the period that works best for you.<sup>1</sup>
- 2. Fixed interest rates,<sup>2</sup> which ensure your payments won’t change during the loan period, so you’ll know where you are at.
- 3. Fixed payments, allowing you to budget ahead and avoid any surprises.
- 4. Or fancy driving away a new car every two or three years? Suzuki Finance Driveplan, our Personal Contract Purchase product, gives you this benefit.<sup>3</sup>
- 5. And you’ll be in good company. Suzuki Finance is part of Black Horse Group which is part of Lloyds Banking Group.

Drop in to your local Dealer, pull up a chair and crunch some figures. The coffee might not be blended to perfection, but you can be sure there will be a finance offer to suit your palate.

Finance is available to persons aged 18 years or over, subject to status. Indemnities may be required.  
Suzuki Finance, St William House, Tresillian Terrace, Cardiff CF10 5BH.  
<sup>1</sup> Ask your Dealer about the latest offers.  
<sup>2</sup> Ask your Dealer for the latest terms and conditions.  
<sup>3</sup> Car to be returned to your Suzuki Dealer on time, in good condition (fair wear and tear accepted) and within the Permitted Maximum Mileage.
