

Way of Life!

THE SUZUKI SPLASH

HAVE TO
have it.

SOME THINGS YOU WANT

the moment you see them.

Like the Splash. The compact car that's surprisingly big on space. It's also surprisingly big on detail, with loads of super-practical features. As for big looks? You'll get plenty of those too.

And just like all Suzuki cars, the Splash has been designed to perform as effortlessly in the city as it does in the country. Its small turning circle makes it one of the most manoeuvrable cars on the market. While parking is made easier thanks to its neat design and short overhangs.

Its high driving position offers superb visibility, so the road ahead is always in full view. While great fuel economy comes as standard, along with low CO₂ emissions.

The Splash is agile, safe and, when it comes to practicality, full of smile-inducing surprises. In fact the only surprise you won't get is feeling like you have to have one. That just happens naturally.

The more you get to know it, the more you have to have it.

STOP. LOOK.
STARE. SMILE.

FORWARD THINKING DESIGN

that's built to impress.

First and foremost, the Splash is a practical and versatile compact car. But while substance matters, so does style. And the Splash has more than enough.

At first glance you'll notice its streamlined design. Every inch has been built with a symmetry that flows and curves beautifully. Then there's its long wheelbase which, despite a compact overall length, maximises floor space giving you plenty of room. Clever.

Step closer and you'll also notice the Splash's short overhangs, designed to make parking a doddle. While its small turning circle makes it one of the most manoeuvrable cars available. Of course, you can't miss the high roofline, making getting in and out easy. Then to top it all off there's a high seating position, giving you plenty of visibility too.

Brains and beauty? Form and function? The Splash has both.

DETAILS YOU'LL WANT to make the most of.

Every last detail of the Splash has been meticulously considered because when it comes to those extra design touches, each and every one counts.

Take the body coloured exterior door handles and mirrors. These flow seamlessly into the Splash's profile, enhancing its smooth silhouette. Then there's a set of handsome 15" alloy wheels*, nestled neatly under tidy arches.

At the front of the Splash, fog lights* gaze forwards, offering greater visibility when the road up ahead is uncertain. While at the rear, distinctive combination lamps are clustered together and set up on each corner, making them easier for other drivers to see.

Rear privacy glass* comes in handy too, shielding you and your passengers from the sun's glare or the many admiring glances. Of course, you can never have too many.

*SZ4 models only

ACCESSORISE WITH:
REAR UPPER SPOILER

AN INTERIOR

you'll feel right at home in.

FAR MORE SPACE

than you ever expected.

Some things in life have to be seen to be believed. Like the Splash. Because for a compact car it's got such a spacious interior, it'll leave you more than just a little pleasantly surprised.

Front and back there's ample room for passengers and luggage. In fact, if we're talking in numbers there are 573 litres of space with the back seats folded (that's plenty of space for all your luggage), or 178 litres with the seats up. Plus, the rear seats offer the added flexibility of a 60:40 split folding mechanism. So you can move them to fit around what you're transporting, which is especially handy for long pieces of luggage.

And that's not all. The Splash also has a nifty under floor luggage compartment and a myriad of clever storage solutions dotted around the cabin. These include a sunglasses holder*, two cup holders, two front bottle holders and a storage pocket craftily concealed in the dashboard. So much space, you'll find an ingenious little spot for everything and anything that travels with you.

*SZ4 models only

A DASH SO LOVELY

it puts the pleasure back into driving.

Ready to check out the Splash dashboard? There's plenty about it that you'll want to get to grips with. Starting with the 3-spoke leather-covered steering wheel.

The remote controls for the MP3/WMA compatible CD tuner are neatly included on it, which means you're in control of the road and your music at the touch of a button. While the Splash's speakers amplify every beat, perfectly.

The instrument panels are concentrated in two zones for easy visibility of key information and the illuminated dials ensure nothing is missed. While the silver tint finish gives everything a premium look and feel. To accompany your journey, if the world outside seems a little heated, air conditioning* brings the temperature down to cool, calm and collected.

Feel like you have to experience the Splash straight away? A quick call to one of our friendly Suzuki Dealers and everything can be arranged.

*SZ3 and SZ4 models only

EXTRA, EXTRA yes there really is more.

The compact Splash is big on style, space, practicality and ideas. So here are a couple more you'll feel you simply have to have.

Like the dashboard's built-in rev counter. It not only looks great but helps you keep your eye on engine speed and control your fuel economy.

Then there's the Splash's keyless entry and start system*. Provided the keyfob is in your bag or pocket, the engine starts with a simple turn of the ignition switch.

*SZ4 models only

**PERFORMANCE
AND SAFETY**
the two go hand in hand.

NIMBLE PERFORMANCE

on shopping trips,
day trips and road trips.

The Splash isn't just big on space, it's big on performance too. After all, a car that's built to carry passengers and luggage in absolute comfort needs an engine that can cope with every load and every road, as economically as possible.

Whether you choose the highly economical 1.0 litre VVT engine or the nippy 1.2 litre petrol engine, you can expect plenty of agile handling and responsiveness. There's the option of 5-speed manual transmission or 4-speed automatic transmission* on the 1.2 litre. Both are designed to be brilliantly economical with up to 60.1mpg[†] combined fuel economy, meaning a long way between stops at the petrol pumps. And with CO₂ emissions of just 109g/km on the 1.0 litre version, road tax stays low in Band B. (Just £20 a year if you're wondering.)

The Splash offers great performance, great handling and great manoeuvrability. And it's pretty great on the pocket too.

*SZ4 models only

[†]1.0 litre models only

FEEL SAFE IN YOUR SPACE

with a host of features.

The Splash is easy to manoeuvre and has clever interior space. But safety features highly too. Which is why you'll find plenty here.

Like ABS, which comes as standard, and Electronic Brake Force Distribution System. This varies the amount of force applied to each brake depending on which wheel needs it most. Brake Assist combined with the EBD system also helps you to come to a stop quickly and safely in an emergency, acting quickly and seamlessly alongside you. While ESP®*† (Electronic Stability Program) detects any loss of grip and helps keep you on course.

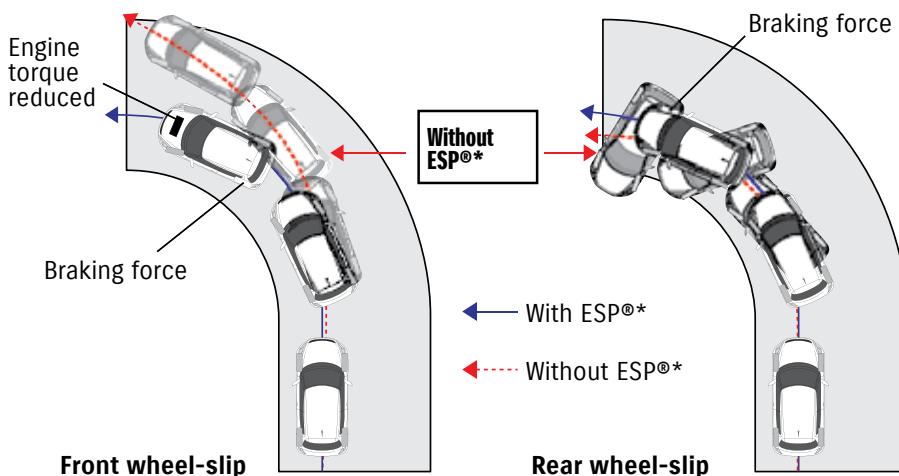

Driver, front passenger, front side and curtain[†] airbags protect you and your passengers. While ISOFIX child seat fastenings help to keep the kids safe as houses. Side impact protection beams do their bit too, enhancing safety in the event of a collision.

Finally, to ensure the Splash is just as safe when you're not driving it, remote central locking, immobiliser, deadlocks and visible VIN are also all included as standard.

There are so many safety features in the Splash you'd expect it to be a much larger car. Now that's clever.

†SZ4 models only

**NO TWO DRIVERS
ARE THE SAME**

**so we have a range of
models to choose from.**

SPLASH SZ2

Here's what you get as standard:

- ABS with EBD and Brake Assist function
- Driver and front passenger airbags
- Front passenger airbag deactivation system
- Side airbags (incorporated into front seats)
- ISOFIX child seat anchorages
- Remote central door locking
- Rear seat with 60:40 split
- 3-spoke leather covered steering wheel
- MP3/WMA compatible CD tuner
- 4 speakers
- Body coloured exterior door handles and mirrors
- 15" Steel wheels with full wheel caps

SPLASH SZ3

As standard with the SZ2:

- ABS with EBD and Brake Assist function
- Driver and front passenger airbags
- Front passenger airbag deactivation system
- Side airbags (incorporated into front seats)
- ISOFIX child seat anchorages
- Remote central door locking
- Rear seat with 60:40 split
- 3-spoke leather covered steering wheel
- MP3/WMA compatible CD tuner
- 4 speakers
- Body coloured exterior door handles and mirrors
- 15" Steel wheels with full wheel caps

And add these with the SZ3:

- Manual air conditioning
- Pollen filter

SPLASH SZ4

As standard with the SZ3:

- ABS with EBD and Brake Assist function
- Driver and front passenger airbags
- Front passenger airbag deactivation system
- Side airbags (incorporated into front seats)
- ISOFIX child seat anchorages
- Remote central door locking
- Rear seat with 60:40 split
- 3-spoke leather covered steering wheel
- MP3/WMA compatible CD tuner
- 4 speakers
- Body coloured exterior door handles and mirrors
- Manual air conditioning
- Pollen filter

And add these with the SZ4:

- ESP®* (Electronic Stability Program)
- Curtain airbags
- Front fog lamps
- Keyless entry and engine start
- 15" alloy wheels
- Rear privacy glass
- Sunglasses holder

OVER A CENTURY OF ENGINEERING MILESTONES.

1909

inspiration

Suzuki founded:
Michio Suzuki founds the Suzuki loom works in the small Japanese village of Hamamatsu.

He creates a loom that is different from the rest. It's faster, more productive and easier for everyone to use. It came from a philosophy about a way of life that no one had considered before. Michio Suzuki believed in innovative technology for people.

1970

original

Jimmy 4x4 debuts & Kosai automobiles plant is born: Bringing the first 'real' 4x4 into the market, Suzuki unveils the Jimmy.

It allows more and more people to explore off-road, and the car soon becomes a keen favourite amongst drivers.

1952

original

First motor vehicles:
Suzuki is now established as one of the world's leading manufacturers and Michio Suzuki turns to everyday life for inspiration.

He discovers the need for affordable and reliable transport. He develops an inventive two-wheeled bicycle powered by an engine, and works on innovative prototypes for a car that is compact as well as practical to drive. Transport now becomes Michio Suzuki's main focus.

1955

ground breaking

The Suzulight: Following the success of Suzuki motorcycles, an even more successful automobile is launched.

The Suzulight breaks the mould with front wheel drive, four wheel independent suspension and rack and pinion steering.

1965

new waters

Suzuki outboard motors:

Suzuki establishes themselves in the outboard motor field by launching their D55 2-stroke outboard motor.

1980

legendary

GSX debuts: Suzuki release the GSX-series.

An evolution of the GS, the GSX contains a powerful 4-valve engine, with the early four-cylinder engines being commonly regarded amongst the most reliable motorcycle engines ever mass-produced.

1979

popular

Alto debuts: The first generation Alto breaks into the automobile market with a competitive price.

Its combination of compact design and value gains it much publicity with it regarded as a 'micro sensation.'

1983

crowd favourite

Swift debuts: Premiering at the 1983 Tokyo Motor Show, the Swift starts life with many different names across the world.

Ranging from Geo Metro to Margalla. Originally classed as a supermini or supercompact, the success of the Swift has evolved into a hatchback, a sedan and even a convertible.

1988

small and tough

Grand Vitara debuts:

Known under a variety of names worldwide, such as Suzuki Escudo, Sidekick, Geo Tracker and simply Vitara, the Grand Vitara bridges the gap between the small car and the traditional 4x4.

1990

development

Suzuki ventures into Europe:

In a bid to continue with expansion and innovation the company begin to expand into Europe. They also change their name to the more internationally friendly and palatable Suzuki Motor Corporation.

2002

celebrity

Suzuki Liana gains fame as Top Gear track car:

The Top Gear test track hosts the Suzuki Liana as their reasonably priced car. Many celebrities grace the wheel including Michael Gambon, Michael McIntyre and Jimmy Carr with the fastest non-professional lap being won by Ellen McArthur, completing the lap in 1 minute 46.7 seconds.

2004

sporty and stylish

Swift compact unveiled:

The second generation Swift makes its entrance at the Paris Motor Show. The Swift marks a significant departure from the 'Cultus-based' model and becomes much more sporty and stylish.

2005

fun

Swift is Car of the Year:

The Swift is presented with a special achievement award as Japan's 'Most Fun car of the Year' in 2005.

2009

centenary

100 years of innovation:

Suzuki reaches its centenary. Remembering its humble beginnings Suzuki commemorates its years of innovation and success.

Good to know, means good to go.
With Suzuki, getting your new car is just the start. Because we'll help you make the most of the journey now and in the future too. Here's a quick heads up of what we can offer.

WARRANTY. IT'S ABOUT TRUST.

Every new Suzuki comes with a comprehensive three year or 60,000 mile warranty (whichever comes first) and a twelve year anti-perforation warranty[†]. The warranty is also transferable to other owners too. So they can also have peace of mind.

ROADSIDE RECOVERY. WE'LL BE RIGHT THERE.

We're always around if you need breakdown assistance too – from the flat tyre, to the unforeseen accident. New cars come with a one year Suzuki Assistance plan provided by the AA Suzuki Assistance team. The cover includes 24 hour Roadside and Homestart cover, with European assistance too.

TALK TO US.

Our Customer Services Team could talk all day about your Suzuki. From the product range to services for drivers, they can fill you in on everything.

So if you've got a question, just get in touch on 0845 850 8800 or at Suzuki GB PLC, Steinbeck Crescent, Snelshall West, Milton Keynes, Bucks MK4 4AE.

[†]Jimny comes with 6 year perforation warranty

Finance

We put as much thought into keeping things easy on your pockets as we do into making cars that are easy on the eye. That's why we have developed a number of affordable finance packages.

1. Finance packages from one to five years. We know you love choices, that's why we let you choose the period that works best for you.¹
2. Fixed interest rates,² which ensure your payments won't change during the loan period, so you'll know where you are at.
3. Fixed payments, allowing you to budget ahead and avoid any surprises.
4. Or fancy driving away a new car every two or three years? Suzuki Finance Driveplan, our Personal Contract Purchase product, gives you this benefit.³
5. And you'll be in good company. Suzuki Finance is part of Black Horse Group which is part of Lloyds Banking Group.

Drop in to your local Dealer, pull up a chair and crunch some figures. The coffee might not be blended to perfection, but you can be sure there will be a finance offer to suit your palate.

Finance is available to persons aged 18 years or over, subject to status. Indemnities may be required. Suzuki Finance, St William House, Tresillian Terrace, Cardiff CF10 5BH.

- 1 Ask your Dealer about the latest offers.
- 2 Ask your Dealer for the latest terms and conditions.
- 3 Car to be returned to your Suzuki Dealer on time, in good condition (fair wear and tear accepted) and within the Permitted Maximum Mileage.

Equipment

Standard with SZ2:

SAFETY

- ABS with EBD and Brake Assist function
- Driver and front passenger airbags
- Front passenger airbag deactivation system
- Side airbags (incorporated into front seats)
- Energy-absorbing trim on pillars and roof-side rails
- Front 3-point ELR seatbelts with pretensioner, force limiter and height adjuster
- Rear 3-point ELR seatbelts
- Foot-protecting brake and clutch pedals
- Side impact protection beams
- High mounted stop lamp
- ISOFIX child seat anchorages
- Child seat tether anchorages
- Childproof rear door locks
- Temporary spare wheel/tyre

SECURITY

- Immobiliser
- Remote central door locking
- Deadlocks
- Freewheeling key cylinders
- Visible VIN

COMFORT & CONVENIENCE

- Driver seat height adjuster
- Front passenger seat height adjuster
- Electric front windows with drivers side auto-down
- Rear seat with 60:40 split
- Front accessory socket
- Front sun visors with vanity mirrors
- Front passenger side assist grip
- Rear assist grips x2, with coat hooks

- Power steering
- Tilt-adjustable steering wheel
- Tachometer
- Digital clock
- Outside temperature display
- Fuel consumption display (average/instantaneous) and range display
- Remote fuel lid opener
- Low fuel warning lamp
- Lights-on and key-in reminder
- Driver's seatbelt warning lamp & alarm
- Door ajar warning lamp
- Front map light (3-position)
- Luggage area lamp

HEATING & VISIBILITY

- Front wiper with intermittent
- Rear wiper with intermittent
- Halogen multi-reflector headlamps
- Headlamp levelling
- Electrically adjustable, heated door mirrors

STORAGE

- Glove box
- Passenger side storage pocket
- Dash storage pocket
- 2 cup holders (front and rear)
- 2 bottle holders (front)
- Upper tray with coin holder
- Storage pockets in front doors
- Ticket holder (on drivers sun visor)
- Luggage area underfloor compartment
- Luggage area convenience hooks x2

ENTERTAINMENT

- MP3/WMA compatible CD tuner
- 4 speakers

- Steering wheel mounted audio controls
- Speed sensing volume control
- Front roof mounted antenna

STYLING

- 15" Steel wheels with full wheel caps
- Body colour exterior door handles and mirrors
- Black-coloured B pillars
- Green-tinted glass
- Silver coloured interior accents
- 3-spoke leather covered steering wheel

Additional with SZ3:

HEATING & VISIBILITY

- Manual air conditioning
- Pollen filter

Additional with SZ4:

SAFETY

- Driver's side foot rest (auto transmission only)
- ESP®* (Electronic Stability Program)
- Curtain airbags

STORAGE

- Sunglasses holder

HEATING & VISIBILITY

- Front fog lamps

STYLING

- 15" alloy wheels
- Rear privacy glass

TECHNOLOGY

- Keyless entry and start
