# GRAND VITARA

Way of Life!

# For Those Who Want it All

Follow your road – regardless of where it may lead you – with the 2012 Suzuki Grand Vitara. Whether navigating campground trails or getting yourself or the kids to practice, this authentic SUV is designed to move at your speed of life. The fuel efficient 4 cylinder engine offers unparalleled flexibility. A versatile cargo area, a refined, spacious interior, and class-leading towing capacity – Grand Vitara has it all!

## 2012 GRAND VITARA

- An authentic SUV designed to impress
- 4-mode 4WD offers unrivalled control
- Powerful 4 cylinder engine
- Highest towing capacity in its class

#### Reclining rear seats

Grand Vitara front and rear passengers have the luxury of reclining their seats.

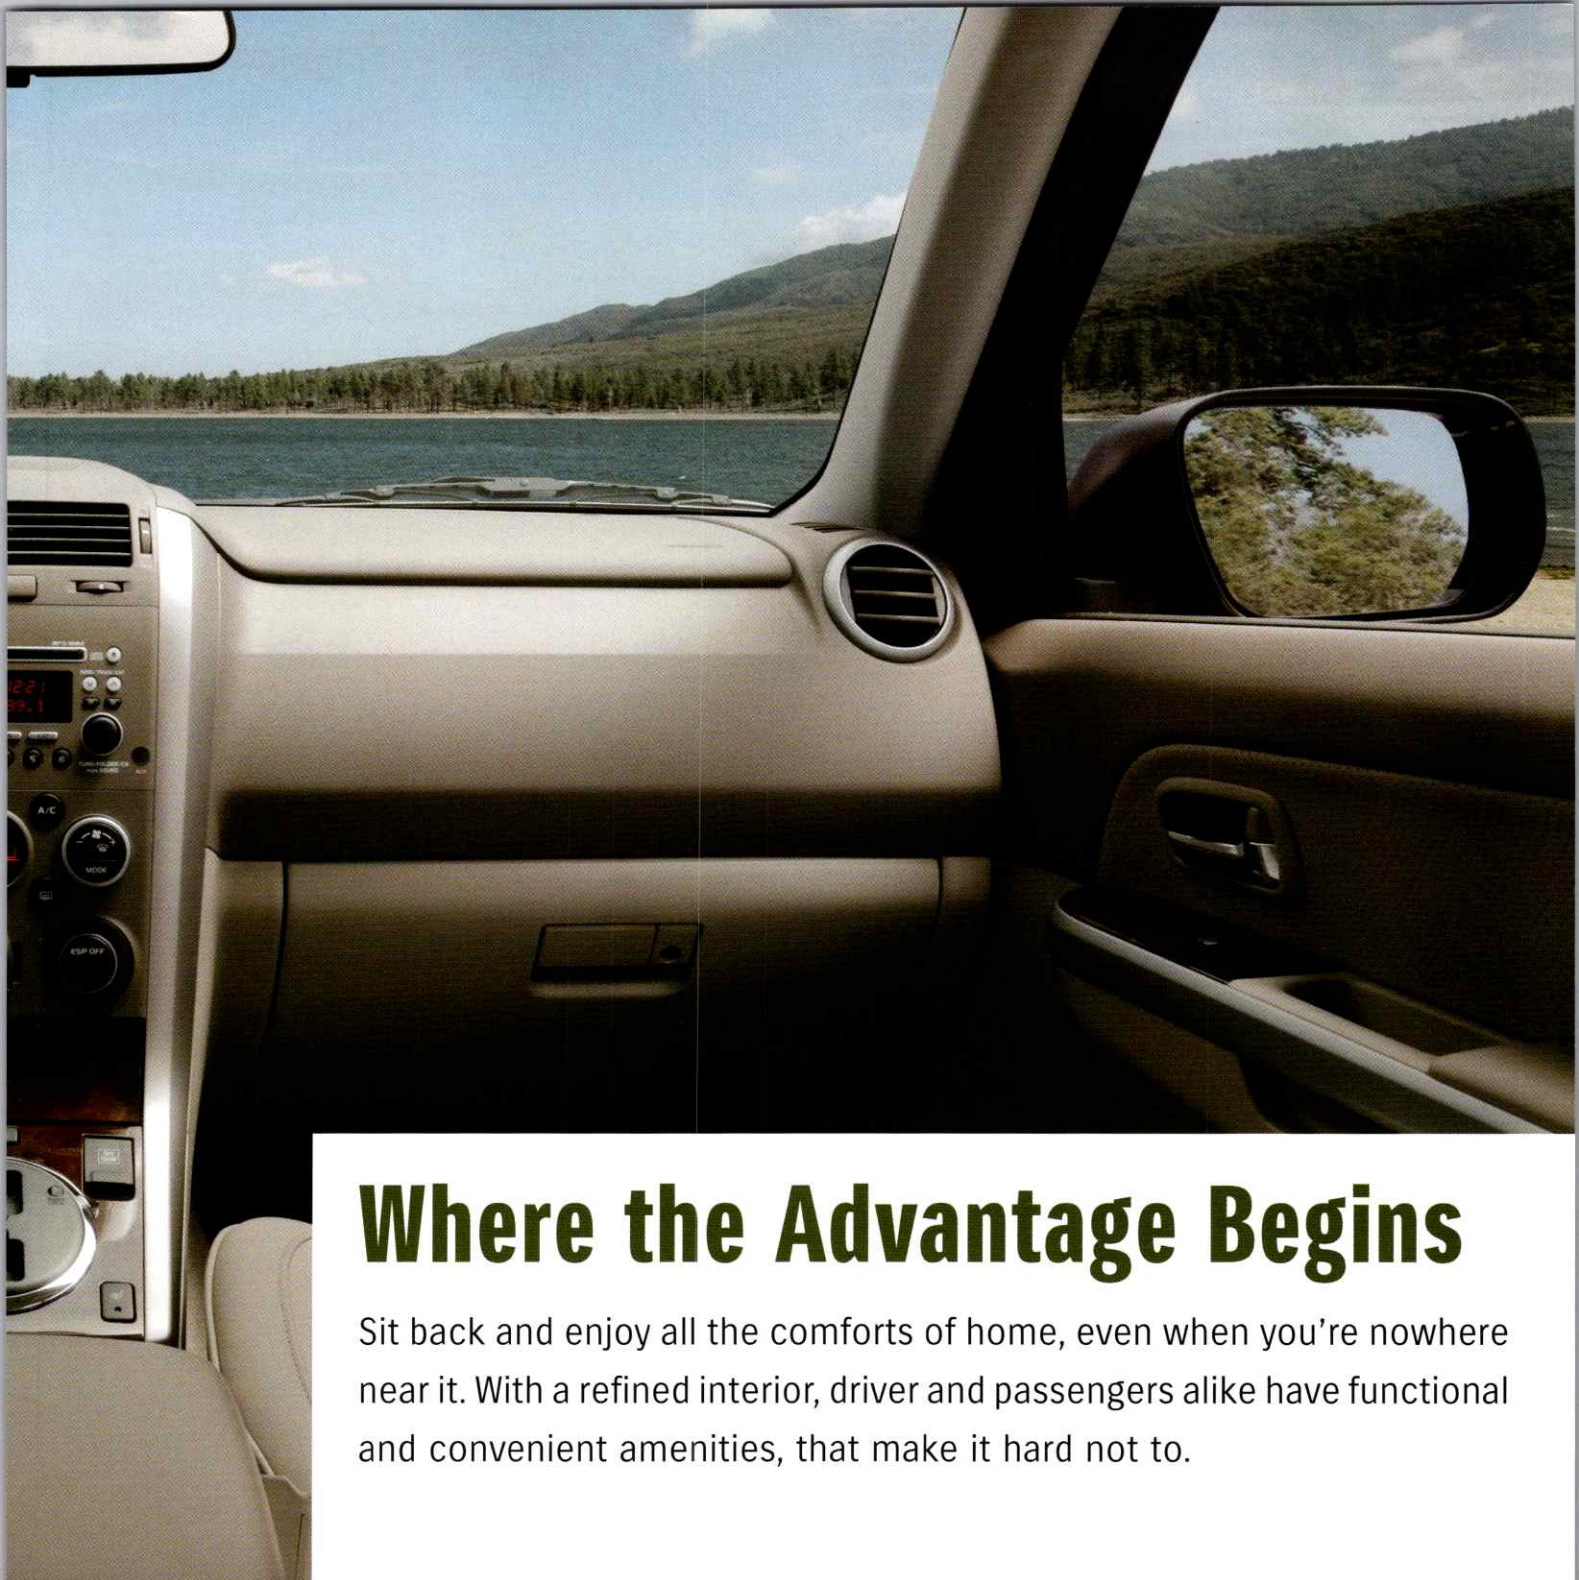

#### 60/40 Split-folding seats

When needed, the rear seats fold and tumble forward, creating up to 1,620mm/63.8" of carrying room.

Go keyless, with our standard SmartPass™ system. Lock and unlock your Grand Vitara, even start and stop the engine without touching the key.

## Where the Advantage Begins

Sit back and enjoy all the comforts of home, even when you're nowhere near it. With a refined interior, driver and passengers alike have functional and convenient amenities, that make it hard not to.

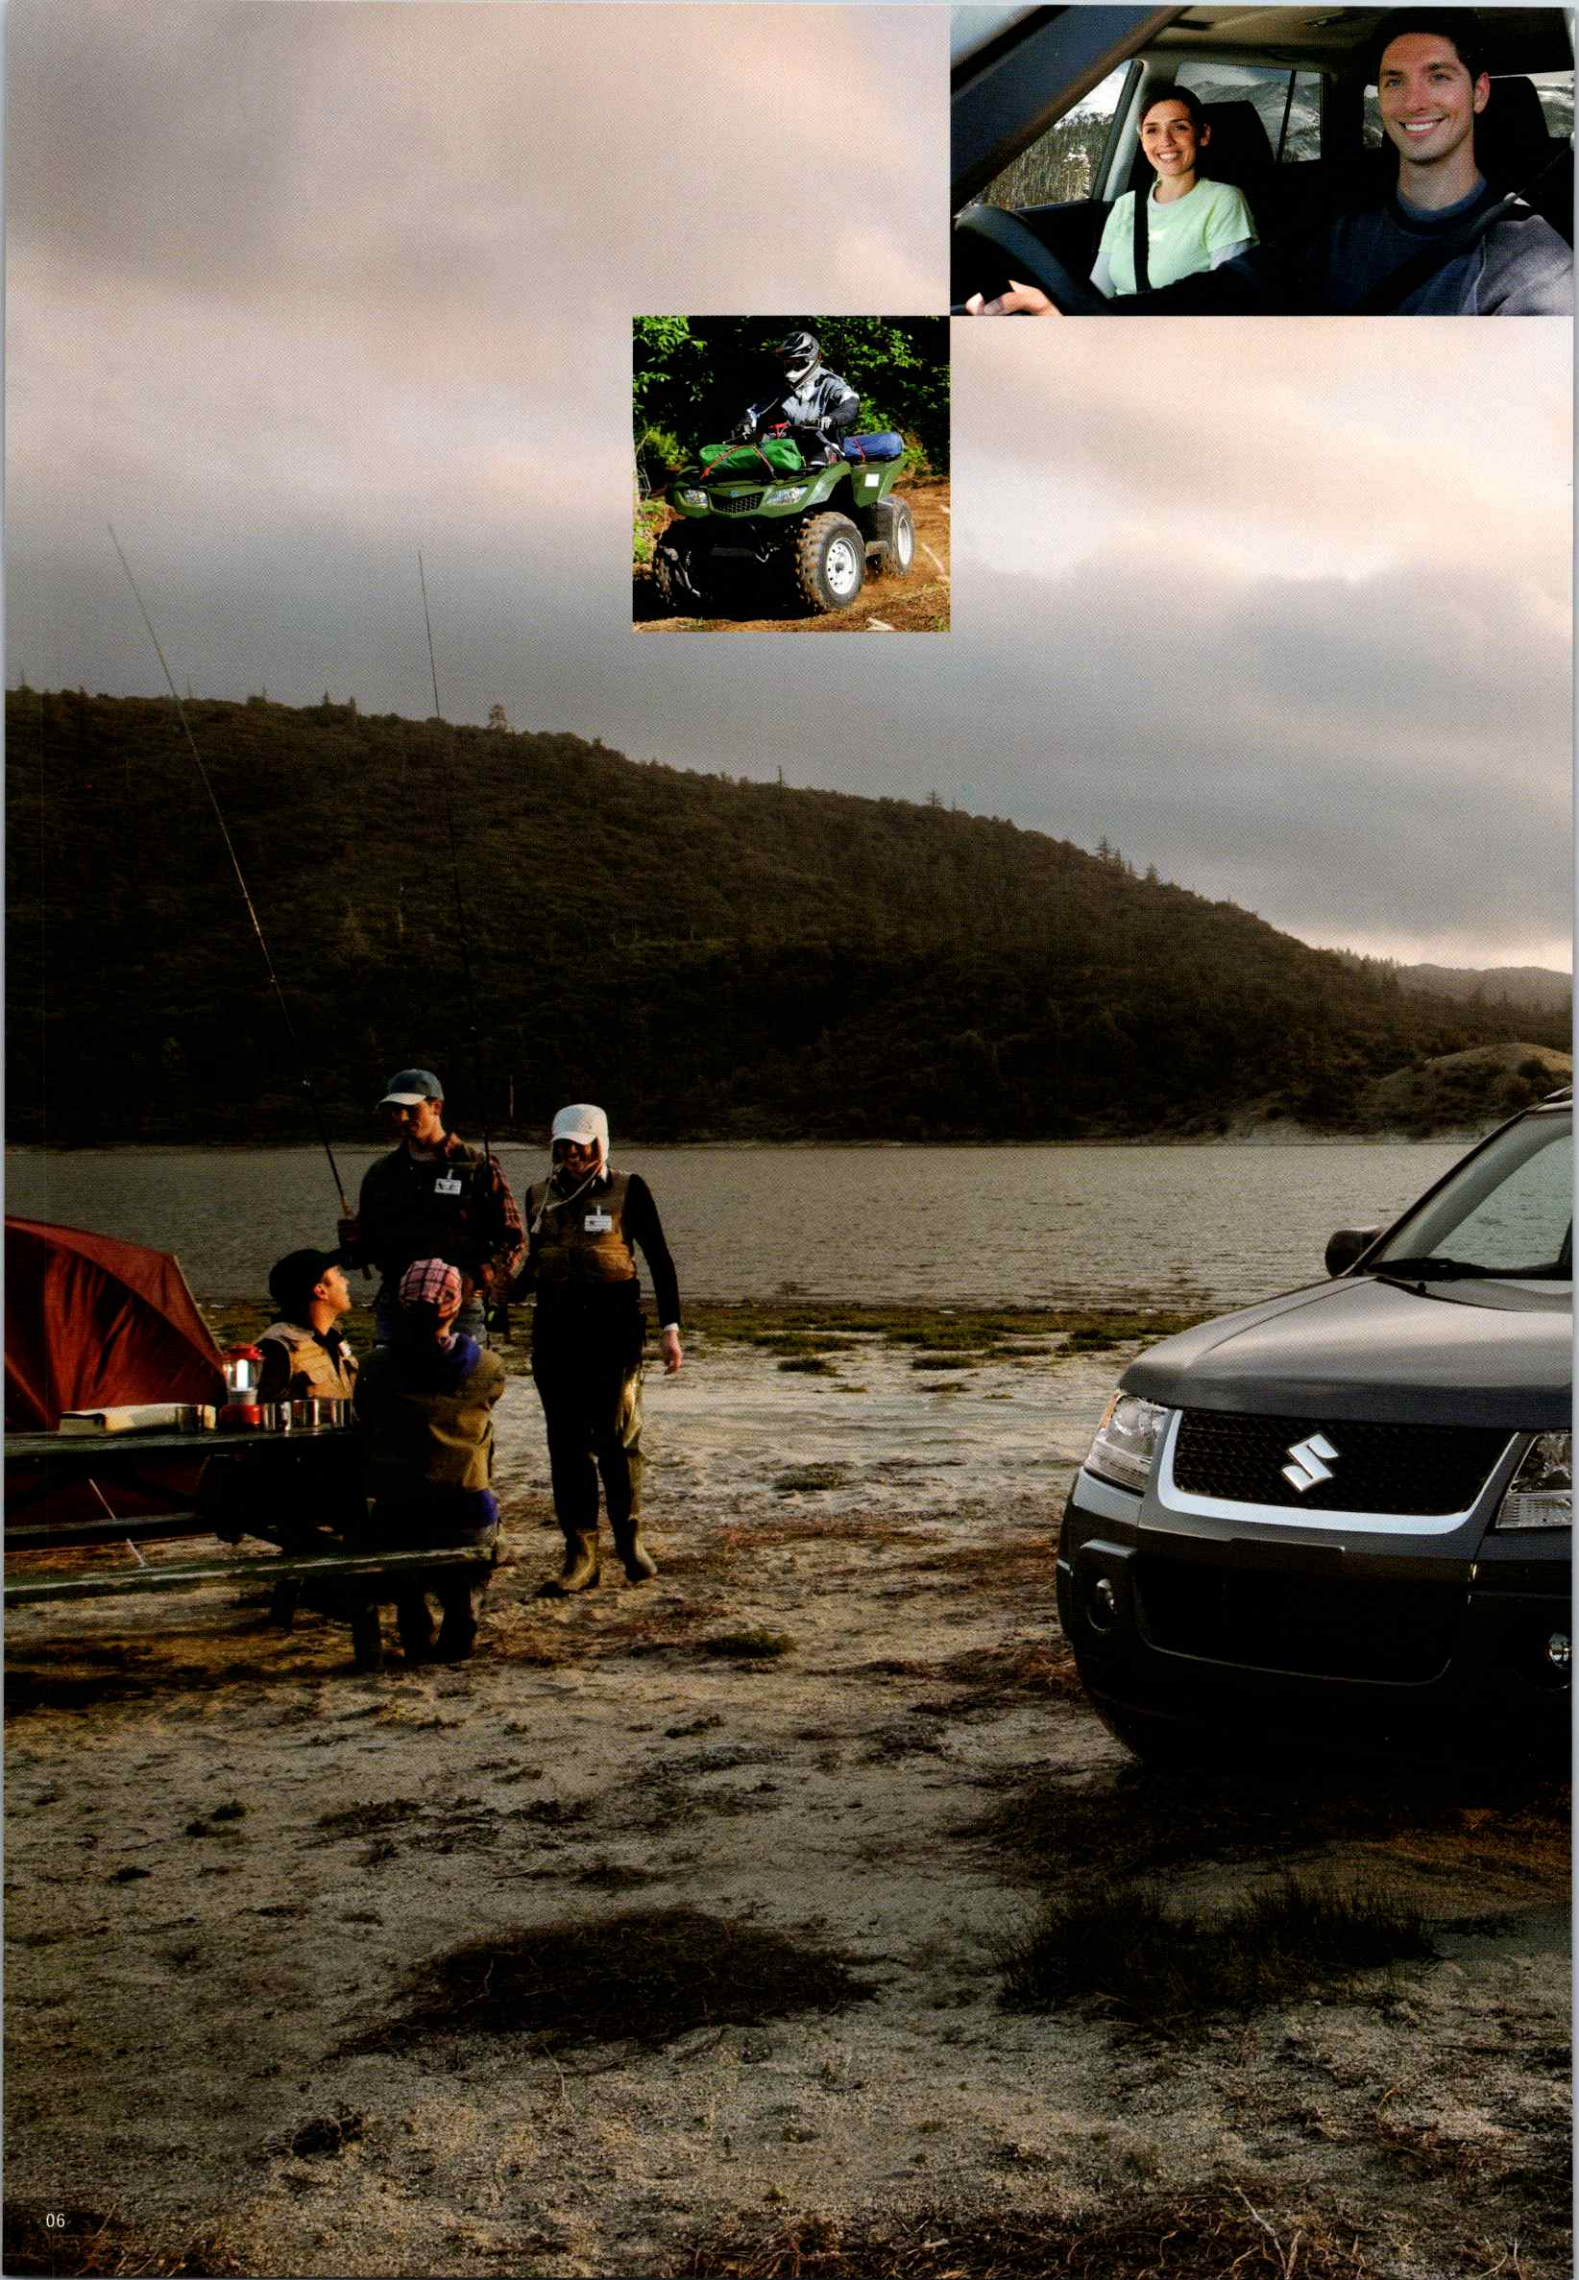

Usable space surrounds you. You have several options for your way of life with Grand Vitara. Up front, the convenient sliding centre armrest opens to reveal space for items such as maps, while a flip open door in front of the gear shift is great for cell phones, wallets or keys, plus, each of the front doors have a pocket to hold a water bottle, on top of the dual cup holder located in the centre console. For items you may want to lock up, you have the generous sized glove box.

In the rear passenger area there are door and seatback pockets and 2 centre cup holders. There are also storage pockets in the cargo area and tailgate. For more secure or less visible storage there is a cargo area cover, which doubles as an added shelf.

The available power sunroof enhances cabin spaciousness, while allowing all occupants to better experience and appreciate their surrounding environment.

# Control at Your Fingertips

Arriving at your destination is only a small part of the overall drive – experiencing an enjoyable journey is just as important. In the 2012 Grand Vitara, it's only an arm's reach away.

Fully automatic climate control maintains the ideal cabin ambience for increased driving comfort. Cloth (JLX) or leather (JLX-L) heated front seats are standard.

The premium in-dash sound system can be controlled via the illuminated audio controls integrated into the steering wheel. Up to seven speakers, plus a subwoofer, create a full range of sound that's levelled by speed sensing volume control.

The CD player accepts MP3 and WMA audio files, is XM Satellite Radio ready, and includes an AUX port to connect your MP3 players to the speaker system.

Highway driving is made easier with standard cruise control functions placed on the spoke of the steering wheel, right where you need them.

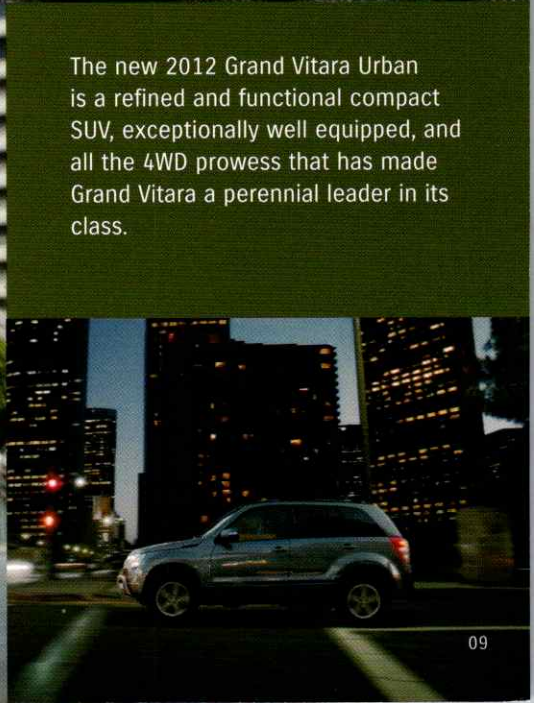

## Grand Vitara Urban 4WD

For 2012, we are pleased to announce a new member of the Grand Vitara family: Grand Vitara Urban. With sophisticated chrome accents and an ultra streamlined profile, this refined and functional compact utility vehicle is at home on any urban street or cruising down the road less travelled. For the times when you need to leave the bright lights and city sights behind, it's Grand Vitara Urban for you!

The new 2012 Grand Vitara Urban is a refined and functional compact SUV, exceptionally well equipped, and all the 4WD prowess that has made Grand Vitara a perennial leader in its class.

# Built to Perform

A true SUV, the Grand Vitara never experiences performance anxiety. This is due to the fact that it was designed with you – the driver – in mind. Because let's face it, sometimes life has you taking the road less travelled.

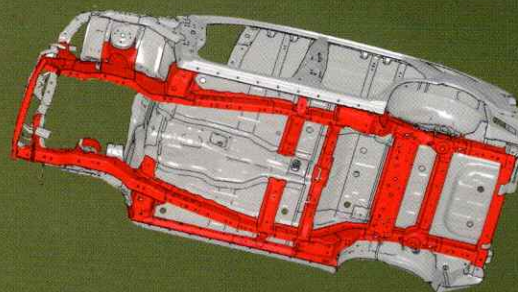

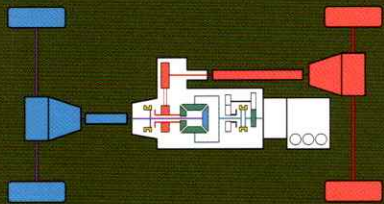

European model shown.

#### 4-mode 4WD

The Grand Vitara's 4-mode 4WD system transmits power to all four wheels at all times, ensuring positive traction regardless of the road surface. A switch built into the centre console lets you quickly and easily change modes between **4H** for most driving conditions, **4H Lock** for serious off-roading, **4L Lock** for extreme surface conditions, and **N** (neutral) mode, specifically intended for motor home owners wishing to take along an SUV on camping trips to use as a runabout. Switching to N-mode frees the transmission for safe and effortless towing of the Grand Vitara without adding kilometres to the odometer.

With its "Built-in Ladder Frame" increasing rigidity and durability without significantly adding to overall weight, the monocoque body with integral frame also reduces annoying body squeaks. This lightweight, one-piece body also reduces overall and floor heights, increasing cabin space despite its high ground clearance. Adding in the fully independent suspension further enhances resistance to twisting and flexing while contributing to linear handling response for smoother on-road cruising and impressive off-road traction. The bottom line for drivers and passengers alike is the freedom to go where you will and the stability to enjoy every minute of it.

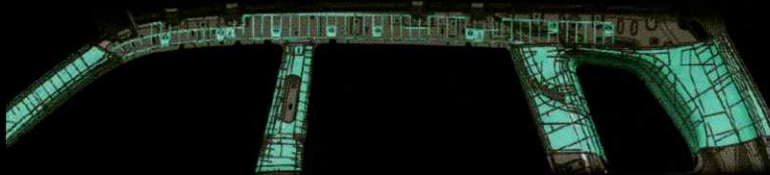

The engine is designed to suit your need for performance with the Grand Vitara. The 2.4 litre, 4 cylinder engine features advanced variable valve timing (VVT) technology. The VVT offers increased power and torque and it widens the performance range while reducing fuel consumption, maximizing cost performance.

# Safety and Security

Experience the freedom of true peace of mind – the kind that comes with protection no matter what the road has in store.

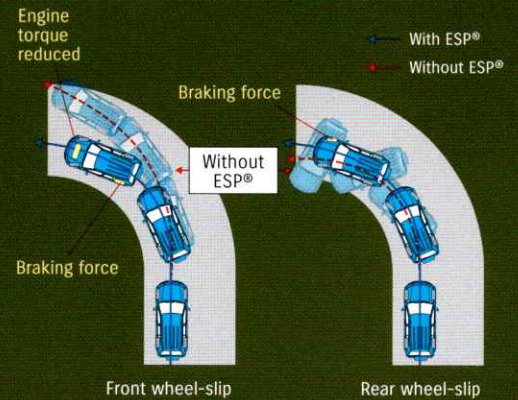

Head-impact protection is built into all pillars and upper cabin surfaces to help minimize head injuries in the event of an accident.

Rear-seat occupants have three 3-point ELR seat belts.

Included on all Grand Vitara, ESP<sup>®</sup>\*\*\* (Electronic Stability Program) supplements the Suzuki Grand Vitara's inherent stability with three major functions: ABS with EBD, traction control and stability control. ESP<sup>®</sup>'s ECU uses various sensors to determine and hold the intended cornering line, greatly increasing traction and stability control while reducing front and rear wheel-slip for enhanced safety.

High levels of occupant protection are comprised of standard driver's and front passenger's SRS dual front airbags with seat belt pre-tensioners and force limiters, plus available SRS side and SRS curtain airbags.

Note: The SRS airbags are shown inflated for descriptive purposes.

Front and rear ventilated disc brakes help ensure safe stopping power. Anti-lock braking system (ABS) with electronic brake-force distribution (EBD) and brake assist function are standard for all models.

# ACCESSORIES:

## Exterior

### BODY SIDE MOULDING

Set of 4 with Suzuki logo. Durable polyurethane moulding sets help protect your paint. Mounts quickly and easily.

### MOULDED SPLASH GUARDS

Moulded Splash Guards help protect the finish of your Suzuki from minor road debris. Custom engineered for a perfect fit.

Not for use with 990B0-24003 Front Fender Flare Set.

### WINDOW VISOR SET

Window Visors help keep out the wind and rain allowing fresh air in. Made of tough, durable acrylic. Set of 4.

### TRAILER HITCH

Add to the versatility of your Grand Vitara with a 3,000 lb. limit 2" draw bar Trailer Hitch. Great for hauling around your Suzuki motorcycle or Suzuki outboard motor-equipped boat.

Hitch ball and Harness not included. Refer to vehicle Owner's Manual for complete towing instructions and capacities.

### ROOF RACK CROSS BARS

Removable cross bars. Maximum loading capacity 70 kg. NOTE: Fits only models with standard roof rails. Will not fit Grand Vitara Urban model.

For full Accessories listings see your Suzuki dealer or [www.suzuki.ca](http://www.suzuki.ca)

## Interior

### ALL WEATHER FLOOR MATS

Heavy duty rubberized vinyl All Weather Floor Mats will help keep dirt, ice and mud from damaging your Grand Vitara carpet. Cleans easily with mild soap and water.

### CARBON DASH TRIM

Custom trim kit with UV protective polyurethane topcoat provides a protective rich finish that conforms to your dash and console perfectly. 3M adhesives ensure the parts will stay put and look great for years to come.

### iPod® INTERFACE KIT\*

Provides seamless connection and charging for your iPod. iPod functions from your radio and/or steering wheel controls.

### AUXILIARY AUDIO INPUT CABLE

With this cable you can connect virtually any audio device - iPod®, MP3 player, portable CD, cassette player and more, to your factory stereo via a standard 3.5mm headphone jack.

### INTEGRATED BLUETOOTH® PHONE SYSTEM

The Suzuki Integrated Bluetooth Phone System is a hands-free system which features a clean installation, fresh look and works with most Bluetooth-enabled cell phones. Quality sound plays through the vehicle's factory stereo and speakers.

-----------------	----------	--------------

**SUZUKI SECURE ADVANTAGE PROTECTION:** We are proud to deliver each 2012 Suzuki with Suzuki Secure Advantage Protection warranty coverage at no additional cost. The Suzuki Secure Advantage Protection plan features a 5-year/100,000 kilometre Powertrain Warranty, a 3-year/60,000 kilometre New Vehicle Limited Warranty and a 5-year unlimited mileage Anti-Perforation warranty. All warranties are zero deductible and fully transferable at no cost. **ROADSIDE ASSISTANCE:** For added peace of mind, SUZUKI SECURE ADVANTAGE PROTECTION includes numerous roadside assistance benefits. Wherever you may be in Canada or the continental United States, should you require roadside assistance for towing due to collision or mechanical problems, battery boost, if you have run out of fuel, or locked your keys in your car, have a flat tire or require winching or extrication to get you back on the road, Suzuki Secure Advantage Roadside Assistance has you covered, at no additional cost to you. Just call our toll-free number and a bilingual Suzuki Secure Advantage Roadside Assistance counsellor will help you on your way, 24 hours/day, 365 days/year. This plan also features Trip Interruption benefits so if you are more than 100 kilometres from home and your vehicle is undrivable for any reason, you can make alternate arrangements and request reimbursement for expenses incurred within 3 days and up to \$300. Suzuki Secure Advantage Roadside Assistance covers your 2012 Suzuki for 3 years with no mileage limitations. **SUZUKI PROTECTION PLAN:** Should you plan to drive your new Suzuki farther or longer than the coverage provided by the Suzuki New Vehicle Limited Warranty, the Suzuki Protection Plan will be of special interest to you. Suzuki Protection Plan provides you with the ability to enhance and extend coverage already provided by the new vehicle limited warranty. Suzuki Protection Plan offers you affordable, cost-effective peace of mind in the event of unexpected mechanical failure or other roadside

emergencies for up to 7 years or 140,000 kilometres. Suzuki Protection Plan offers a vast choice of coverage levels, terms and deductibles allowing you to select the specific plan best suited to your ownership requirements. Ask your Suzuki dealer for a complete explanation of the benefits, coverages, limitations and exclusions of Suzuki Protection Plan, to better assist you in choosing the coverage that best suits your needs.
