

MARUTI 800

Change your life

The Maruti 800 is fully loaded with a range of exciting features. It's a perfect complement to your evolved taste. And the best way to take your lifestyle to an all-new high.

First Choice

Outstanding fuel efficiency. Smart maneuverability. Excellent comfort. And reliable performance. The Maruti 800 is a driving experience that's simply beyond compare. Making it, unarguably, India's all-time favourite drive.

Low Cost of Ownership.

High Fuel Efficiency.

The Maruti 800 is the best value for money car on Indian roads. Unmatched fuel efficiency. Unbeatable purchase price. Hassle-free maintenance. Amazingly low cost of ownership. And many more such qualities make it a dream drive come true.

Exhilarating Performance

The Maruti 800 is perfect for Indian roads. With sleek, slim dimensions and a short turning radius of 4.4 m, the Maruti 800 is a delight to manoeuvre - in town, around town, highways, busy streets, narrow lanes... anywhere... everywhere.

Hi-Tech Engine

Ultra-refined. And capable. The Maruti 800's engine with 32-bit ECM is unmatched in fuel efficiency and performance.

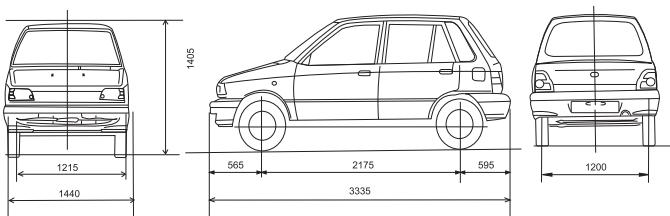

Cool Comfort

Get ready to be pampered. The Maruti 800 comes with a powerful AC to soothe your senses, even in the hottest of summers.
