

# ESTEEM

Welcome to the **BIG** world!

# ESTEEM MEANS BIG STYLE

The Esteem is blessed with head-turning looks. A muscular stance, a raised noseline and an aerodynamic shape come together to give a contemporary dimension to style. The plush upholstery, brushed silver interiors and an angular rear just add to the irresistible visual appeal.

# ESTEEM MEANS BIG POWER

Advanced Japanese technology turns the Esteem perfect for a power trip. Roaring off the starting blocks, it attains 0-100kmph in just 11.49 sec\* - thanks to the awesome power delivered by a 1300cc All Aluminium Engine (ACE) combined with MPFI, and 32 bit Electronic Control Module (ECM). And with the highest power to weight ratio of 97.7bhp per ton in its class, it's guaranteed to stay lean and mean. Add the new generation tubeless tyres and you are assured of a performance that is simply breathtaking.

| Acceleration (0-100kmph in sec.) |       |
|----------------------------------|-------|
| Esteem                           | 11.49 |
| Accent                           | 13.12 |
| Indigo (petrol)                  | 14.01 |
| Ikon                             | 14.54 |
| Fiesta                           | 13.18 |
| Aveo                             | 13.42 |
| Honda City                       | 13.11 |

## ESTEEM MEANS BIG SPACE

One thing you'll never get inside an Esteem is the cramped-up feeling. Instead, there's ample space to loosen up and sit in utmost comfort - whether you are at the wheels or the back seat. The boot space is large enough to accommodate huge luggage volume without a bother. Even the low fatigue seats and controls are meticulously designed to leave out ample spaces for the surroundings. Add up the illuminated guages and a supercool air-conditioning and you are in for a good time.

## ESTEEM MEANS BIG ASSURANCE

The Esteem is safe as a fortress. Vacuum booster assisted brakes ensure it comes to a stop smoothly and without skidding. A unique headlamp levelling device enhances visibility and a collapsible steering column absorbs impact in case of a frontal collision. A rugged monocoque chassis with crumple zones and side impact beams makes Esteem doubly resistant to mishaps.
