Styling

A study in styling.

Pininfarina styling makes the Forenza a real standout in its class...and on the street.

Let there be light.

The powerful fog lamps on the LX and EX improve visibility when you need it. And they look good, too.

"Nice wheels."

Few things influence the look of a car more than the wheels. The Forenza LX and EX come standard with 15" aluminum-alloy wheels. Very nice.

Let the sunshine in.

It's nice to have the sun shining down on you. It's even nicer when you can make it happen simply by operating the power tilt-and-slide sunroof. (Standard on LX and EX)

Comfort

Power at the tip of your finger.

The Forenza comes with a long list of amenities as standard equipment, including power windows, mirrors and door locks.

The key to convenience.

You can quickly lock and unlock the doors from outside the car with the remote keyless entry. It's not only convenient, but safer as well. (Standard on LX and EX)

Fresh air, anyone?

Forenza's air conditioning incorporates a micron air-filtration system that helps cut down on airborne pollen and dust.

Rest your weary arms.

Thanks to a convenient rear-seat center armrest with cupholder, your back seat passengers travel in style, too.

Performance

More power to you.

The Forenza features a solid 2.0-liter, 16-valve, DOHC 4-cylinder engine with 126 hp.

You'll like it automatically.

The Forenza EX comes standard with an automatic transmission. A sleek-looking gated shifter provides precise shifting and good looks. (Optional on S and LX)

See clearly.

Standard heated power mirrors are designed to help keep them fog-free in cold or frosty weather. This helps improve visibility.

Put on the brakes.

4-wheel disc brakes are standard on the Forenza. The optional anti-lock braking system (ABS) provides improved braking in slippery conditions, while enhancing control and your ability to avoid an obstacle or hazard.

Safety

A secure feeling.

The Forenza is equipped with standard front-side airbags, plus an advanced front-passenger-seat airbag that has a weight-sensing feature. It deactivates automatically if the front passenger weighs less than 65 lb.

"Kids will be kids."

Since they all will, Suzuki vehicles have rear-door child-safety locks. You already have a lot on your mind; this doesn't need to be one of them.

How to absorb energy.

The Forenza incorporates built-in, front and rear energy-absorbing zones. In the event of an accident, the vehicle will help control the energy in a collision. The collision forces are absorbed through the vehicle's structure.

AMERICA'S #1 WARRANTY
100,000 MILES • NO DEDUCTIBLE • FULLY TRANSFERABLE

See your local dealer for full details.

Suzuki's 100,000-mile/7-year Powertrain Limited Warranty: Every 2005 Suzuki comes standard with **America's #1 Warranty**, a fully transferable, \$0-deductible, 100,000-mile/7-year powertrain limited warranty. **Duration:** Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. Most competitive warranties cover only 10,000–12,000 miles per year. **Fully Transferable:** Can be transferred from owner to owner, adding value at the time of resale or trade-in. **No Deductible:** If any repairs to covered components are necessary within 100,000 miles or 7 years, there is zero charge for parts and labor.

Suzuki's New Vehicle Limited Warranty: Covers all components of the vehicles as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforation due to corrosion, they're covered for 36 months, with no limit on mileage. Tires are covered by a separate warranty from the tire manufacturer. **Roadside Assistance Program:** Covers any new Suzuki vehicle during the 36,000-mile/3-year New Vehicle Limited Warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. **Courtesy Vehicle Program:** The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to a defect in materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year New Vehicle Limited Warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days through Enterprise Rent-A-Car.

Drive responsibly: Buckle up for safety—don't drink and drive. **WARNING:** Always wear your seatbelt. For specific details, please read your owner's manual. To avoid injury from an airbag, always place children twelve years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits, distribute cargo evenly and secure it from shifting.
