

The 2000 Suzuki Sport Utility Program

V6 Grand Vitara

ENGINEERED BEYOND BELIEF™

Vitara 4-Door

Vitara Convertible

Engineered beyond belief.™

*At some companies, separate divisions
are responsible for the design of each type*

of vehicle. Which can be somewhat

Welcome to the 2000 Suzuki Sport Utility Program. As the name suggests, our *limiting. The Suzuki engineering* engineers have embarked upon a focused engineering program to bring you the *philosophy brings together our expertise* most capable, innovative line of compact sport utility vehicles in the industry. *from all of our divisions: automobiles, to*

The resulting SUVs, the Vitaras, are quite simply in a class of their own. motorcycles, to outboard engines, to our

The number of "firsts" you'll find in our vehicles will amaze you. The first world-beating racing programs. Which is compact SUV to offer a V6 engine. The first compact SUVs to be based on a rugged why many of the innovations you'll read ladder-box frame, just like larger, more expensive SUVs. The first to have shift-on-about in this brochure originate outside the-fly four-wheel drive. Which we've lovingly dubbed Drive Select 4x4. These are of automobile engineering.

but a few of the engineering innovations you'll find in the Vitaras. You'll also find numerous advances in stability, ride, safety and comfort. So many advances, in fact, that you may think they're beyond belief. Which is what our new theme line, "Engineered beyond belief," is all about.

Grand Vitara World Champion Hill Climbing SUV

The sport ute engineers are connected
to the motorcycle engineers.

The motorcycle engineers are connected
to the outboard motor engineers.
And they all have hip bones.

It's a whole weird connected thing.

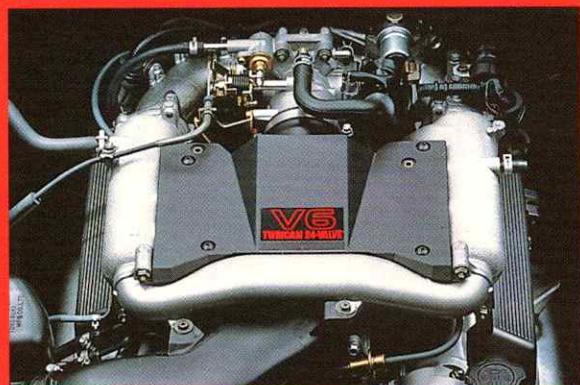

Our engineers are rather proud folks.

So when they were challenged to create THE V6 GRAND VITARA. CHANGING THE FORMULA. The compact sport utility category will never be the same. The new standard of power in this class is a 2.5 litre, 24-valve, quad cam V6 engine that pumps out 155 horsepower and a responsive 160 lb-ft of torque. For the uninitiated, torque is that low-end grunt that pulls you out of three feet of wet Canadian snow in January. Our engineers also decided it was time for compact SUVs to be built like real SUVs. Dissatisfied with improving the current formula, they created a new formula, which is why all Vitaras are designed on a rugged ladder-box frame, making them not only tougher than any other compact sport ute, but noticeably more refined in ride.

Full Frame 4x4

Grand Vitara V6 Engine

To become an engineer, you spend years studying formulas. To engineer beyond belief, you start by throwing them out.

INNOVATIONS, INNOVATIONS AND YET MORE INNOVATIONS: The Vitaras are the first compact SUVs with Drive Select 4-wheel drive. A next-generation safety system that goes beyond seat belts, dual air bags and side impact beams to include a four-sensor, three channel ABS braking system with quicker response and reduced pedal pressure. Multi-reflector halogen headlights increase nighttime visibility. A sophisticated micron air filtration system removes dust, pollen and other environmental irritants. Plus a cabin that comfortably seats five and features 18 storage compartments as well as a host of amenities normally reserved for luxury-class SUVs.

Grand Vitara Dashboard

Boxed Ladder Frame

5-Link Rear Suspension

THE VITARA 4-DOOR is designed for people who want all of the comfort, engineering innovation and practicality of the Vitara sport utility program in an economical package. Power is supplied by a smooth-running 2.0-litre, double overhead cam engine with multipoint electronic fuel injection. Suzuki engineers embarked upon a breakthrough "human engineering" program, in which vehicle use, driving needs and favourite features were intensely studied. A result of this

Superior engineering means

new way of thinking is the Vitara's incredibly comfortable and intelligent cabin, not only achieving technical excellence

with seating for five, tilt steering, auto-on headlights, 50/50 fold-down rear but solving real human problems.

seat, front door pockets and a new raised-gauge package in the dashboard. And, We believe in focusing our R&D efforts

of course, our class-redefining innovations, such as the rugged ladder-box frame on bringing practical innovations to

and Drive Select four-wheel drive are present. Again, everything you need. our vehicles. Every innovation

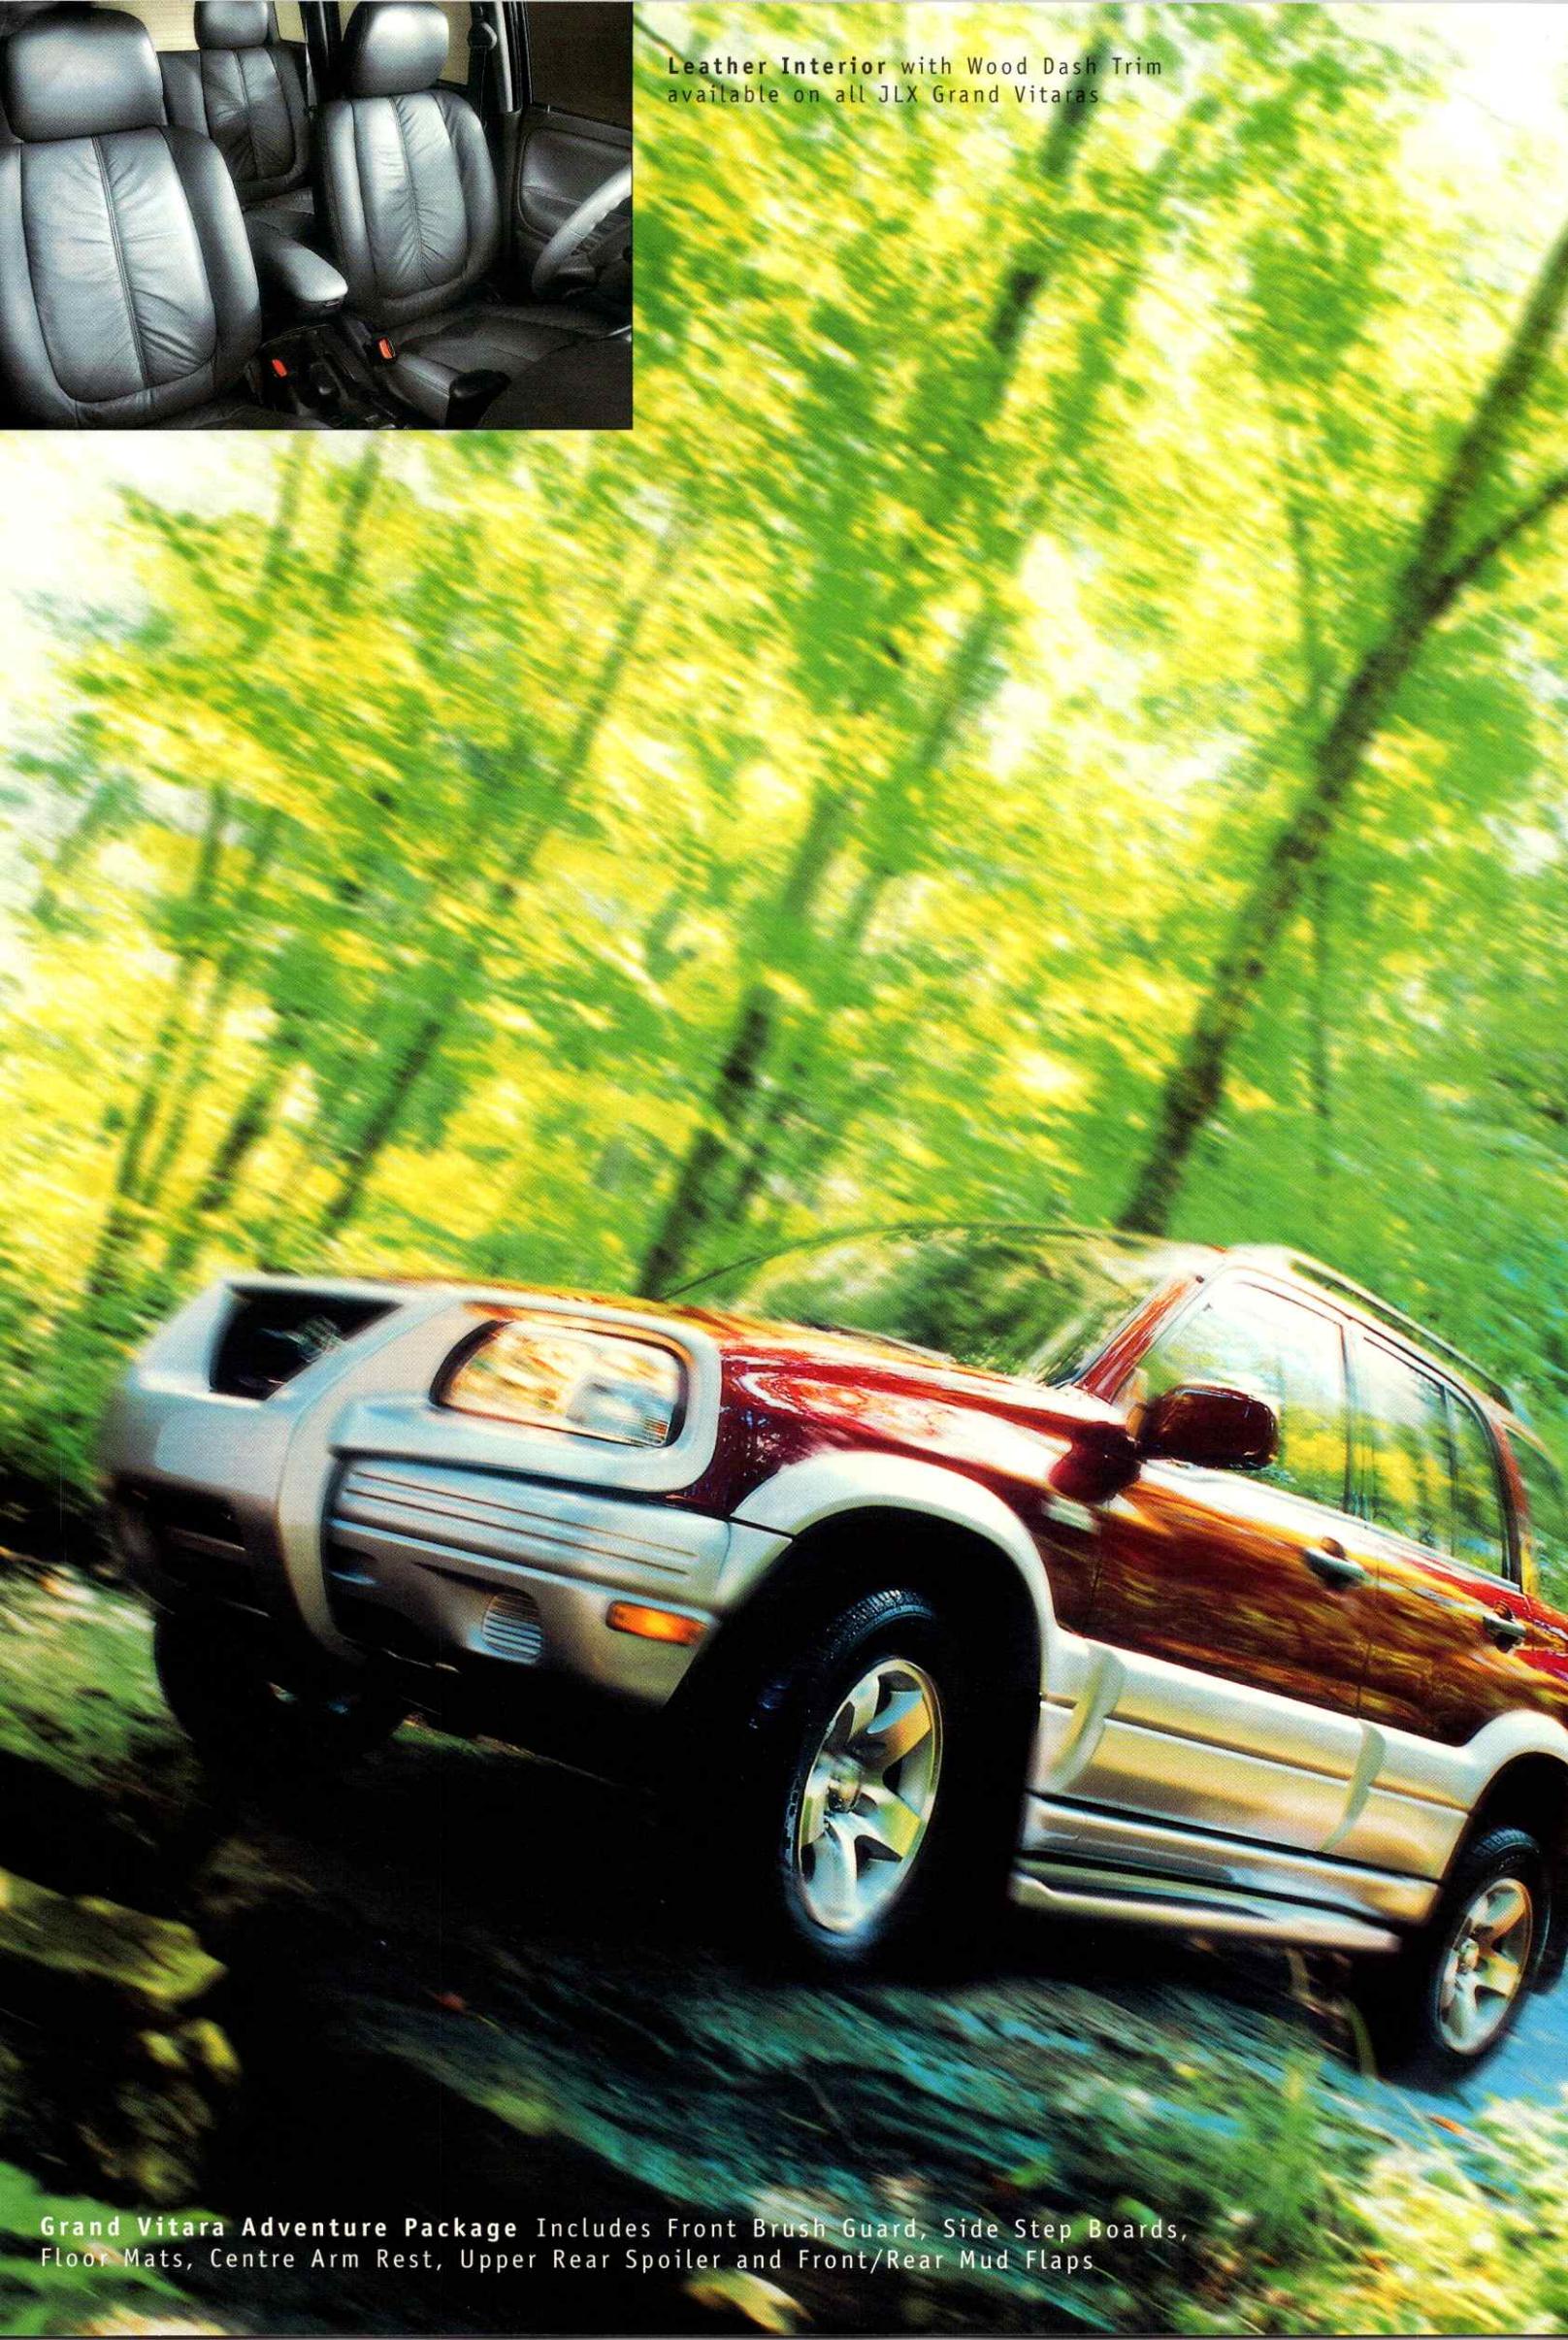

has a purpose. Never will you ask,

"Who needs that?"

Big ideas are just party talk until someone engineers them to life.

THE VITARA CONVERTIBLE. Okay, it looks cool. But the responsible side of you needs a bit of convincing. Let the rationalizing begin.

Status quo. Isn't that some European disco group?

A durable 2-piece canvas top that folds back. A 16-valve engine with

multipoint fuel injection, available in either 2.0-litre twin cam

or 1.6-litre formats. The Vitara rugged ladder-box frame and

Drive Select four-wheel drive. An advanced suspension system featuring

MacPherson struts on the front and a 5-link coil and

rigid axle rear suspension. Our next-generation safety system,

with 3-point seat belts, dual air bags, multi-reflector halogen headlights with

Our engineers have no

auto-on feature and side impact beams. All quite rational reasons

idea what status quo means.

for putting yourself in a Vitara Convertible. But the best reason?

And if they did, they certainly

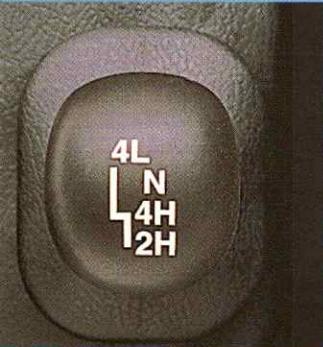

Let's be honest — supreme hipness.

wouldn't have any

respect for it. Witness the

Vitara convertible.

Drive Select 4x4

Engine/Drive Train

Engine type	V6, 24-valve, quad cam
Induction system	Multipoint electronic fuel injection
Displacement	2,494 cc
Bore	84 mm (3.31 inch)
Stroke	75 mm (2.95 inch)
Horsepower (SAE net)	155 hp @ 6,500 rpm
Torque (SAE net)	160 lb.ft. @ 4,000 rpm
Transmissions	5-speed manual (4-speed automatic)

Exterior Dimensions

Overall length	4,180 mm (164.6 inch)
Overall width	1,778 mm (70.0 inch)
Overall height	1,740 mm (68.5 inch)
Wheelbase	2,480 mm (97.6 inch)
Tread	Front: 1,500 mm (59.1 inch) Rear: 1,500 mm (59.1 inch)
Min. running ground clearance	202 mm (8.0 inch)

Interior Dimensions

Headroom	Front: 1,013 mm (39.9 inch) Rear: 1,006 mm (39.6 inch)
Legroom	Front: 1,051 mm (41.4 inch) Rear: 912 mm (35.9 inch)
Shoulder room	Front: 1,341 mm (52.8 inch) Rear: 1,336 mm (52.6 inch)
EPA interior volume index	2,937 litre (103.7 cu.ft.)

Engine/Drive Train

Engine type	4-cylinder, 16-valve, DOHC
Induction system	Multipoint electronic fuel injection
Displacement	1,995 cc
Bore	84 mm (3.31 inch)
Stroke	90 mm (3.54 inch)
Horsepower (SAE net)	127 hp @ 6,000 rpm
Torque (SAE net)	134 lb.ft. @ 3,000 rpm
Compression ratio	9.7 : 1
Transmissions	5-speed manual (4-speed automatic)

Exterior Dimensions

Overall length	4,140 mm (163.0 inch)
Overall width	1,710 mm (67.3 inch)
Overall height	1,740 mm (68.5 inch)
Wheelbase	2,480 mm (97.6 inch)
Tread	Front: 1,460 mm (57.5 inch) Rear: 1,460 mm (57.5 inch)
Min. running ground clearance	202 mm (8.0 inch)

Interior Dimensions

Headroom	Front: 1,013 mm (39.9 inch) Rear: 1,006 mm (39.6 inch)
Legroom	Front: 1,051 mm (41.4 inch) Rear: 912 mm (35.9 inch)
Shoulder room	Front: 1,341 mm (52.8 inch) Rear: 1,336 mm (52.6 inch)
EPA interior volume index	2,937 litre (103.7 cu.ft.)

Engine/Drive Train 1.6L

Engine type	4-cylinder, 16-valve, SOHC
Induction system	Multipoint electronic fuel injection
Displacement	1,590 cc
Bore	75 mm (2.95 inch)
Stroke	90 mm (3.54 inch)
Horsepower (SAE net)	97 hp @ 5,200 rpm
Torque (SAE net)	103 lb.ft. @ 4,000 rpm
Compression ratio	9.5 : 1
Transmissions	5-speed manual

2.0L

Engine type	4-cylinder, 16-valve, DOHC
Induction system	Multipoint electronic fuel injection
Displacement	1,995 cc
Bore	84 mm (3.31 inch)
Stroke	90 mm (3.54 inch)
Horsepower (SAE net)	127 hp @ 6,000 rpm
Torque (SAE net)	134 lb.ft. @ 3,000 rpm
Compression ratio	9.3 : 1
Transmissions	5-speed manual (4-speed automatic)

Exterior Dimensions 1.6L

Overall length	3,855 mm (151.8 inch)
Overall width	1,710 mm (67.3 inch)
Overall height	1,690 mm (66.5 inch)
Wheelbase	2,200 mm (86.6 inch)
Tread	Front: 1,460 mm (57.5 inch) Rear: 1,460 mm (57.5 inch)
Min. running ground clearance	202 mm (8.0 inch)

Interior Dimensions

Headroom	Front: 1,038 mm (40.9 inch) Rear: 1,003 mm (39.5 inch)
Legroom	Front: 1,051 mm (41.4 inch) Rear: 912 mm (35.9 inch)
Shoulder room	Front: 1,345 mm (53.0 inch) Rear: 1,336 mm (52.6 inch)
EPA interior volume index	2,739 litre (96.8 ft.)

Suzuki Parts, Accessories and Service have been satisfying even the most demanding customers for over 19 years. We're proud of the high standard of our quality products and reputable service. Service that you can depend on. When you purchase Suzuki accessories, you're guaranteed a high-quality, competitively priced product that has been specifically designed for your vehicle. Nationwide, our dealers are there to make sure that your vehicle gets the best possible care. Our highly trained technicians know your vehicle inside out. Be sure to insist on Genuine Suzuki Parts: then you know you're getting great value without compromising quality.

Suzuki, Grand Vitara and Vitara are registered trademarks of Suzuki Motor Corporation of Japan. DRIVE RESPONSIBLY; BUCKLE UP FOR SAFETY - DON'T DRINK AND DRIVE. NOTE: Sport utility vehicles handle differently than ordinary passenger cars. Caution: avoid sharp turns and abrupt manoeuvres, and always wear your seat belt. For specific details, please read your Owner's Manual for on- and off-road driving tips. Specifications and equipment based on information available at time of printing and subject to change without notice, and may differ in each sales area. Some vehicles shown with optional equipment. For more details on 2000 options, accessories and specifications, contact your local Suzuki dealer. Tread Lightly! On Public and Private Land. Along with concerned conservationists everywhere, Suzuki urges you to preserve your future off-road driving opportunities by showing respect for the environment, local laws and the rights of others. To avoid injury from an inflating air bag: Always place children twelve years old and under in the rear seat; always move both driver and passenger seats as far back from air bag as practical; never transport a child in rear-facing child seat in the front seat; always use the seat belts and buckle up properly.

**Capacities**

Cargo volume index	1,264 litre (44.6 cu.ft.)
Fuel tank	.66 litre

Weights

Curb weight	1,450 kg (3,197 lbs)
Gross vehicle weight	1,870 kg (4,123 lbs)
Towing capacity	.680 kg (1,500 lbs)

Chassis / Suspension

Body design	Body with steel ladder box frame
Steering type	Power-assisted rack and pinion
Front suspension	MacPherson strut with coil spring
Rear suspension	Rigid axle with 5-link design
Stabilizer	Front
Brake system	Front: Ventilated disc Rear: Drum
Turning diameter	10.6 m (34.8 ft.)
Tires	P235/60R16

SUZUKI LEASE

Interested in a new Suzuki as often as every two years? Then the Suzuki Lease may be for you. With a Suzuki Lease, you pay for the length of time you drive - which can make driving financially convenient. When your lease is up, you can buy your Suzuki outright or get behind the wheel of a brand new one.

Grand Vitara JX Features

- Adjustable front head restraints
- Adjustable rear head restraint
- AM/FM stereo cassette w/4-spkr
- Auto lighting system
- Cargo area cover
- Cargo area power outlet
- Cargo area side storage
- Cargo hooks
- Cargo light
- Centre console
- Child seat anchorage
- Cloth seats
- Coin case
- Colour-keyed front and rear bumpers
- Cup holders
- Dual air bags
- Electric rear-window defogger
- Folding rear seatback (split)
- Front seatback pockets
- Front and rear door pockets
- Full carpeting
- Green-tinted glass
- Overhead map lights
- Power door locks (incl. back door)
- Power mirrors
- Power steering
- Power windows
- Rear-door child-safety locks
- Rear wiper/washer
- Remote fuel filler door opener
- Roof rails
- Spare tire cover
- Storage trays under front seats
- Tachometer
- Tilt steering
- Tripmeter
- Vanity mirror (passenger side)
- 16" all-season radial tires
- 2-sp. + variable intermittent front wipers
- 4-Wheel ABS

Grand Vitara JLX (In addition to JX)

- Air conditioning
- AM/FM CD player w/4-spkr
- Aluminum wheels
- Cruise control
- Hard spare tire cover

Grand Vitara JLX Limited

(In addition to JX and JLX)

- Aluminum wheels with gold colour accent
- Automatic transmission
- Black, hard spare tire cover with gold logo
- Black monotone exterior colour
- Gold emblems and stripes
- Halogen fog lamps
- Leather seats
- Special door trim fabric

SUZUKI SECURE PLUS

SUZUKI SECURE

When you purchase a Suzuki, you're covered by a 3 year/80,000 km, zero-deductible, fully transferrable limited warranty. If any parts should fail due to defects in manufacturing or installation, they will be repaired or replaced free of charge. At no cost to you, Suzuki roadside assistance covers you anywhere in Canada and the continental U.S.A.

If you run into trouble, just call our toll-free number and you'll be connected to a bilingual Suzuki Secure counsellor who will give you the help you need. Your Suzuki will, if necessary, be towed free of charge (up to 30 km) to the nearest Suzuki dealer or CAA/AAA-approved service centre — 24 hours a day, 365 days a year. You're covered for 3 years/80,000 km.

Many Suzuki owners plan to drive their new Suzuki farther or longer than the coverage provided by the new vehicle limited warranty.

Suzuki Secure Plus is an extended protection plan which both enhances and extends the coverage already provided by the new vehicle limited warranty. Suzuki Secure Plus offers an affordable and cost-effective means to assure peace of mind in the event of unexpected mechanical failure or other roadside emergencies for up to 84 months (7 years) or 160,000 kilometres.

From enhanced roadside assistance services, including towing, battery boost, fuel delivery service, flat tire repair assistance, winching, extrication and lockout assistance, to no-nonsense mechanical breakdown protection, Suzuki Secure Plus offers the ultimate protection for a new Suzuki.

Suzuki Secure Plus offers a choice of coverage terms, allowing you to select the specific plan best suited to your ownership expectations.
