

THE ALL-NEW

JIMMY 5-door

BIG ON ADVENTURE

Ready for bigger adventures with the All-New Suzuki Jimny 5-door? —Now with more space to fuel your wildest dreams with comfort. Built for those who crave bigger adventures, this rugged yet spacious SUV offers ample room for your gear and companions.

Big on Space, Big on Adventure!

THE ICONIC 5-SLOT CHROME ACCENTS FRONT GRILLE

Jimny's off-road heritage shines through with its iconic round headlamps and signature 5-slot front grille, highlighted by chrome accents.

4 SPOTS PARKING SENSOR & REAR VIEW CAMERA

Ultrasonic sensors and a rearview camera in the rear bumper detect obstacles while reversing, with audible warning beeps that increase in frequency as you get closer.

NEW 9" HEAD UNIT DISPLAY

A LARGER car comes with a LARGER screen! Enjoy a more pleasurable journey with features like Vehicle Status Display, USB, Bluetooth®, and Smartphone Connection.

CONNECTIVITY AT THE TIP OF YOUR FINGER

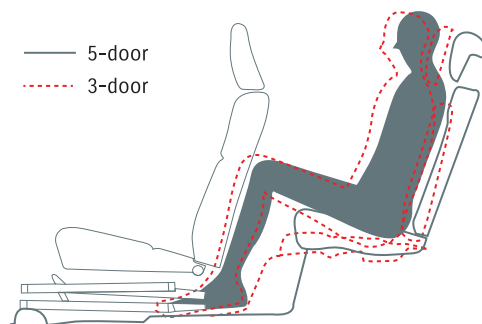

Equipped with new generation display audio with a large 9" touchscreen to make every drive is enhanced. With features like Vehicle Status Display, smartphone linkage, voice recognition, Bluetooth® music playback compatible with Apple CarPlay & Android Auto.

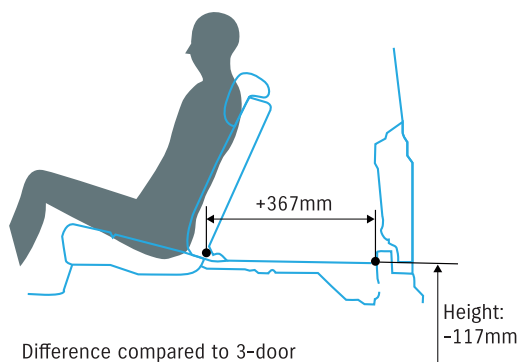

Apple CarPlay integrates with your iPhone and Siri, allowing you to get directions, make calls, play music, send and receive messages using either voice commands or the display audio touch panel interface.

Android Auto™ allows you to use voice commands for sending messages, getting directions, controlling media, and more. Simply say, "Hey Google™" or press and hold the voice control button on the steering wheel to begin.

Experience the ultimate adventure like never before with the Suzuki Jimny 5-door—now featuring extra space, a longer wheelbase, and two additional doors for enhanced comfort and versatility on every journey.

Difference compared to 3-door

With an expanded trunk perfect for unplanned and uncharted adventures, this upgraded icon gives you more space for more companions. Embrace every moment, wherever the journey takes you.

PERFORMANCE

RELENTLESS PERFORMANCE

Its dynamic 1.5L K15B engine delivers consistent torque across the RPM range, ensuring dependable power to tackle any terrain with ease.

ALLGRIP
PRO

MASTER EVERY TERRAIN WITH EASE

Engage the 4L mode via transfer lever when challenges arise, and experience unparalleled torque and traction. With ALLGRIP PRO, the Jimny 5-door excels both on and off-road, ready for your next adventure.

CONFIDENCE IN DRIVING

With its robust ladder frame, this vehicle is built to withstand torsion and excel on rugged terrains. Drive with confidence, wherever your adventure takes you.

UNPARRALLELED GRIP

With its 3 Link Rigid with Coil Spring Suspension, the Suzuki Jimny 5-door's full-width axles ensure exceptional grip on any terrain. When one wheel encounters an obstacle, the axle pushes the opposite wheel down, enhancing tire contact and stability on rough roads.

SAFETY FEATURES

AIRBAGS

Six airbags on-board, including dual front, side, and curtain airbags, this ensures comprehensive protection for you and your passengers.

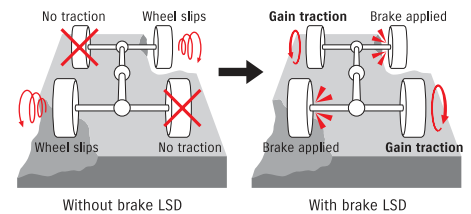

HILL DESCENT CONTROL

With Hill Descent Control, the Suzuki Jimny 5-door handles steep descents effortlessly. It automatically engages the brakes to keep you steady at 10km/h in High Range and 5km/h in Low Range, letting you concentrate on steering with confidence.

HILL HOLD CONTROL

Keeps you steady on uphill starts by preventing roll-back for around two seconds, so you can smoothly switch from brake to accelerator.

BRAKE LIMITED SLIP DIFFERENTIAL TRACTION CONTROL

When navigating slippery surfaces, the Brake LSD Traction Control kicks in. It automatically brakes the slipping wheels and redirects torque to the others, ensuring you stay on track and make a smooth escape.

ELECTRONIC STABILITY PROGRAMME (ESP)

Master every curve and conquer slippery roads with confidence—the ESP system detects wheel slip, regulates engine torque, and applies brakes selectively, ensuring you stay in control and maintain traction wherever your adventure takes you with confidence.

PEDESTRIAN SAFETY

Engineered with care: The Suzuki Jimny 5-door's front bumper, fenders, bonnet, and other front-end components are designed to absorb impact, reducing pedestrian head and leg injuries in the event of a collision. Safety, redefined.

TECT BODY

Every journey is safeguarded. Its advanced frame structure absorbs and distributes impact energy, ensuring your cabin remains intact and secure no matter the bumps along the way.
