

IGNIS

Way of Life!

ICONIC DESIGN

Then discover **THE ONLY ULTRA COMPACT SUV**. Bold distinctive styling, combined with urban functionality means there's nothing else like it. Drive it for yourself and make every journey an adventure.

compact yet spacious

Luggage space with adjustable capacity to fit your luggage.

505Liter

when the rear seats are folded down

URBAN PROOF

The Ignis has been designed for the city and is perfect for urban explorers. With its ultra compact body size, it easily manoeuvres through narrow city streets-and with SUV looks and crossover capabilities, driving in the city has never been so much fun

Distinctive Interior | With a sleek, premium look and flashes of funky colour, the interior of the Ignis really enhances its urban style.

Meter Cluster

An information display in the fashionable meter cluster keeps you informed of such basic information as fuel economy, outside temperature, time of day, fuel consumption and driving range.

Audio Control Switches

User-friendly switches on the steering wheel allow control of audio volume, audio modes such as radio and Bluetooth®, and the hands-free phone button

OUTSTANDING DRIVING PERFORMANCE

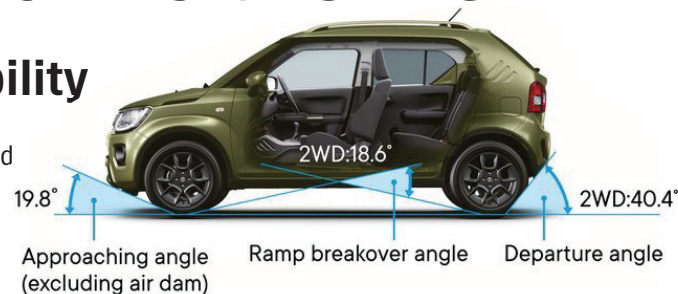

With its responsive engine and hill hold and descent control, the Ignis puts excitement back into driving

Fun, yet functional

Outstanding Manoeuvrability

With a minimum turning radius of 4.7m, the Ignis is easy to manoeuvre on narrow roads and parking lots. Large-diameter tyres and high ground clearance also provide peace of mind when driving over uneven or bumpy roads.

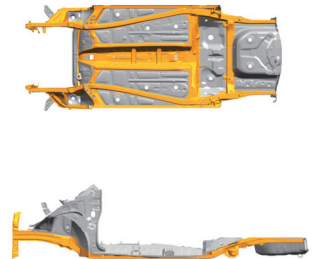

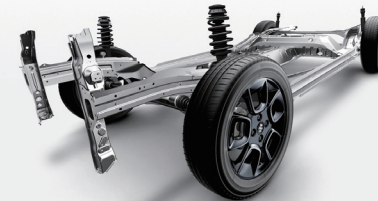

1.2 Petrol engine

The 1.2 litre petrol engine offers the best of two worlds-high output and good fuel economy. Despite the engine's small displacement, its heightened compression ratio results in better thermal efficiency for powerful driving. Knocking, which can result from high compression is suppressed by the engine's augmented cooling performance. For good fuel economy without sacrificing output and torque, fuel combustion has been enhanced, friction has been reduced and efforts have been made to make the engine light and compact

FUEL EFFICIENCY
20.89
KMPL

HEARTECT

Light and Rigid HEARTECT platform

The smoothly curving frame increases underbody stiffness that delivers excellent fundamental vehicle performance while also enhancing collision safety by efficiently dispersing energy.

Suspension

The lightweight, rigidly mounted suspension effectively absorbs road bumps for a smooth, comfortable ride. It also contributes to light steering that feels stable and direct for responsive handling.

INTERIOR / EXTERIOR / SAFETY AND FEATURES

CHASSIS			Audio	Antenna (mounted at rear of roof)	S	
Tyres and wheels	175/60R16 + alloy wheels	S		Speaker x 4	S	
Spare tyre and wheel	135/70R15 + steel wheel (for temporary use only)	S		Tweeter x 2	S	
EXTERIOR				MP3 compatible CD player + Bluetooth®*	S	
Wheel arch extensions		S	INTERIOR			
Roof rails		S	Cabin lights	Front cabin light (3-position)	S	
Front and rear bumpers	Body coloured	S	Sun visors	Driver's side / With ticket holder / With vanity mirror	S	
Front grille	Black with chrome accent	S		Passenger's side / With ticket holder / With vanity mirror	S
