

Way of Life!

# ERTIGA

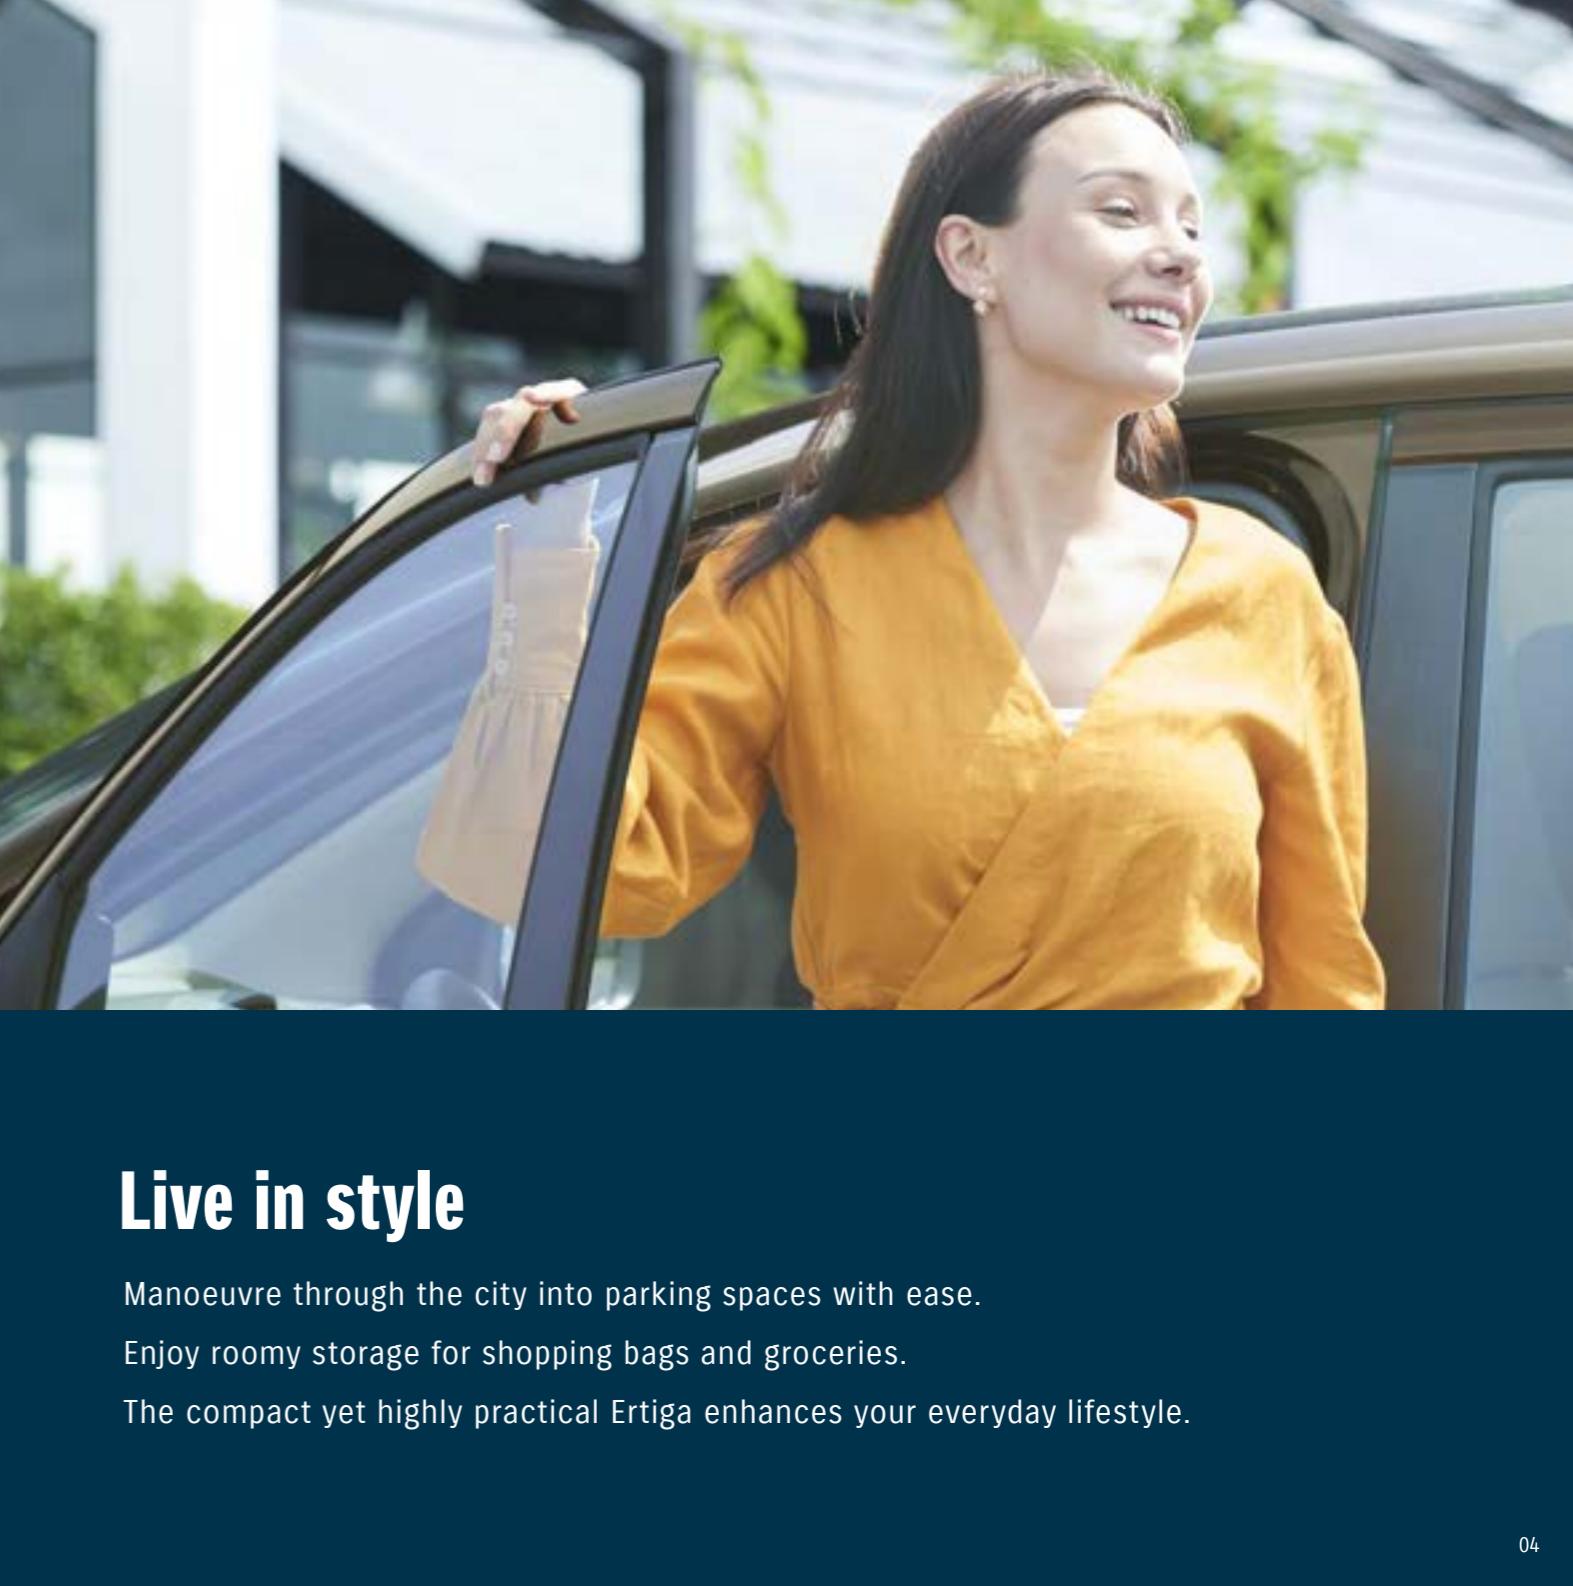

## Your days in style

Make every moment count in the Ertiga.  
Feel comfortable and indulged.  
Encouraged to experience more together.  
Proud to be seen visiting restaurants and  
travelling the neighbourhood in style.

## Live in style

Manoeuvre through the city into parking spaces with ease.

Enjoy roomy storage for shopping bags and groceries.

The compact yet highly practical Ertiga enhances your everyday lifestyle.

## Relax in style

Feel like escaping the crowded city?

The Ertiga supplies the sanctuary you seek. Just you and your friend.

Far from the concrete jungle. In comfort that keeps you refreshed

and relaxed. Adventures every bit as satisfying as arriving at your destination.

## Drive in style

Driving is one of life's genuine pleasures.

The Ertiga is sure to never let you down. Feel your passion rise when pressing the pedal. Handle twisting, turning mountain roads with ease.

Every immediate, accurate response earns a smile while keeping you in total control.

## Driving is always a pleasure

Behind the wheel of the Ertiga, your driving pleasure is heightened by class-above quality, convenient amenities and user-friendly controls that support comfort and driving ease.

### ■ Easy touch panel audio system ■

Listen to the radio or play your favourite tunes from a Bluetooth®-connected smartphone. The user-friendly touch panel with familiar icons lets you change the radio station or adjust the volume with a smartphone-like swipe of your finger.

\*Bluetooth is a registered trademark of Bluetooth SIG, Inc.

### ■ Stylish meter cluster ■

The handsome speedometer, tachometer and centre information display keep you clearly informed of vital information. Subtle details and a precision finish contribute to driving pleasure, while continuous backlighting ensures easy reading night and day.

### ■ D-shaped steering wheel ■

The D-shaped steering wheel increases legroom and makes it easier to enter and exit the driver's seat. Leather-wrapped with a wood grain design and chrome accents, it contributes to a higher level of comfort, quality and luxury than in everyday PVs.

## Seven seats adapt to your needs

The flexible seating can easily be adjusted to comfortably accommodate friends, family and large amounts of luggage. When new needs arise, the Ertiga provides a practical solution.

### Ample space, flexible seating

The comfortable seating accommodates seven people or flexibly configures to meet changing demands.

- 1 Fold one third-row seatback down to increase luggage space while comfortably seating six people.
- 2 All seatbacks in the second and third rows can be folded down to carry large amounts of luggage.
- 3 Accommodate extra-long objects by folding down the front passenger seat and both rear seats on that side.

\*Items are loosely placed in the rear storage area for illustrative purposes only and should be properly secured while driving.

### ■ Generous luggage space

The rear luggage area offers a generous 199 litres\* of luggage space even when passengers are seated in the third row. A large tailgate opening simplifies loading and unloading, and a 50:50 split luggage board expands storage versatility.

\*Measured with the luggage board lowered using the German Association of the Automotive Industry (VDA) method.

The luggage space is tall, wide and deep with a large opening.

50:50 split luggage board.

## Easy-to-use luggage space

Effortlessly carry shopping bags, suitcases and more in the roomy rear luggage space with handy 50:50 split luggage board.

The large tailgate opening helps simplify loading and unloading of everyone's belongings.

# Every feature is refined for comfort and convenience

User-friendly features anticipate every need. They keep all passengers comfortable and refreshed on long journeys.

## Comfort in functional cabin

### Ventilated cupholders

Help prevent your cold beverages from becoming warm by using these ventilated cupholders and selecting the appropriate settings\*.

\* Air conditioner: Face mode or Face/Foot mode. Cupholder vents: open

### Keyless push start system\*

While carrying a remote-control key, you can lock or unlock the doors with the press of a door button, or start the engine by pressing the engine start button.

\* Available in GLX grade model

# Confident motoring. Responsive performance.

Enjoy smooth and powerful response, as well as high fuel efficiency – a pleasingly practical combination supported by a newly developed engine and transmission.

## More powerful and efficient 1.5 petrol engine

Spirited response meets high fuel efficiency in a compact petrol engine producing impressive torque. Performance is smooth with minimal noise and vibration for a pleasingly quiet ride.

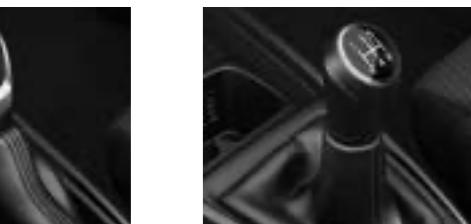

Engine model	K15B
Displacement (cc)	1,462
Compression ratio	10.5
Max. output (kW/rpm)	77/6,000
Max. torque (N·m/rpm)	138/4,400

## 4-speed automatic or 5-speed manual transmission

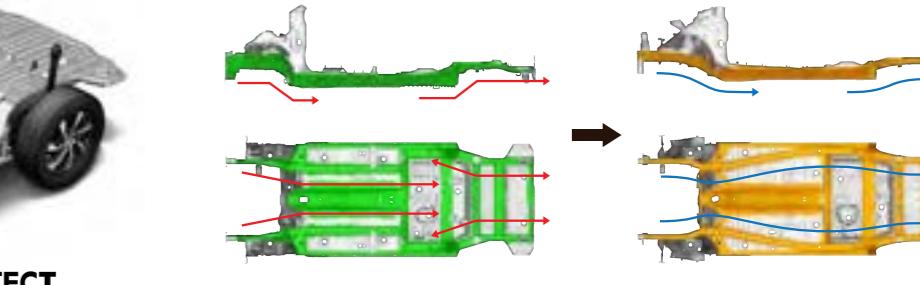

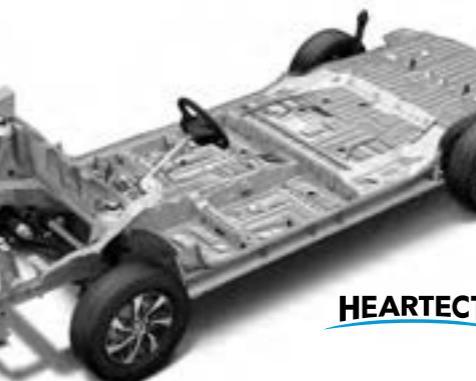

Indulge in the stress-free luxury of smooth shifting 4-speed automatic transmission. Or choose the 5-speed manual transmission for more spirited response. Both deliver excellent fuel efficiency.

\*For details on equipment availability, please refer to Major specifications and Equipment.

## New-generation platform HEARTECT

The heart of the Ertiga is passenger safety. Its new smoothly curving frame is more integrated and rigid for enhanced driving performance and reduced noise and vibration. It also raises fuel efficiency by lowering weight, and disperses energy more efficiently for greater passenger protection.

Current Ertiga's platform

New Ertiga's platform

## Aerodynamics

Computer-aided engineering and wind-tunnel testing realized aerodynamics that heighten performance and fuel economy. The Ertiga offers exceptional aerodynamics for an MPV.

## Lightweight, robust suspensions

Over bumps and around corners, enjoy a stable and comfortable ride – even in the third row – thanks to high-tensile steel suspensions with front MacPherson struts and rear torsion beams.

Front

Rear

# Solid safety measures bolster peace of mind

From protective body to SRS airbags and intelligent warnings, the Ertiga is fully designed to safeguard you, your travel companions and pedestrians.

## SRS airbag system

The Ertiga comes standard with front SRS airbags for the safety of the driver and front-seat passenger in case of a frontal collision.

## Reverse parking sensor\*

Ultrasonic sensors in the rear bumper detect obstacles while the driver is reversing the car. Warning sounds help keep the driver informed of the distance to the obstacle.

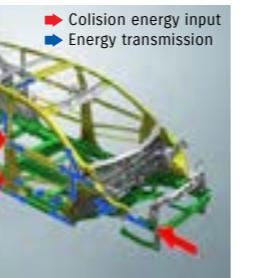

\*For equipment availability details, please refer to the Major Specifications and Equipment page.

## Highly protective body

Suzuki's advanced TECT (Total Effective Control Technology) body extensively employs ultra-high-tensile steel to increase rigidity, lower weight despite larger overall dimensions, and more efficiently absorb and disperse impact energy in the event of a collision.

New load paths beneath the engine compartment further mitigate damage in the event of a frontal collision at high speed.

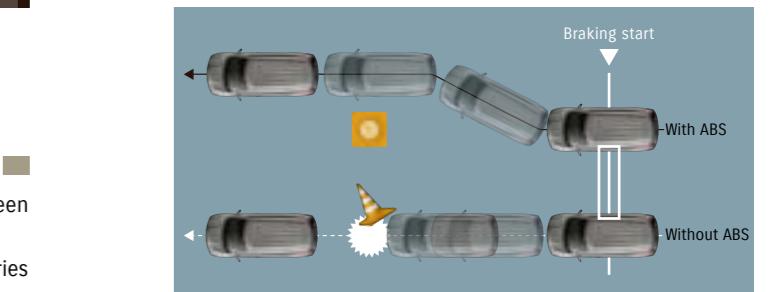

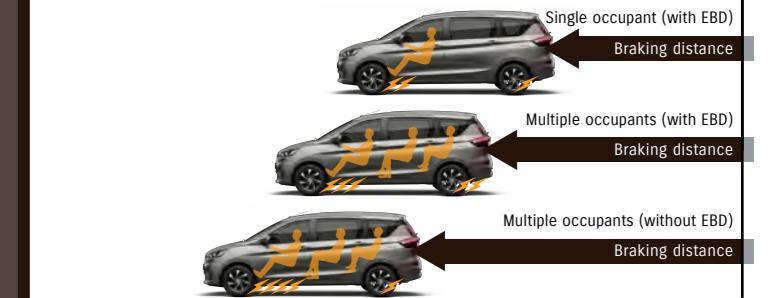

## Pedestrian injury mitigating body

The structures of the Ertiga's bonnet, front windscreen wiper area, front bumper and other parts absorb impact with the aim of mitigating head and leg injuries in the event of a collision with a pedestrian.

## ABS with EBD

In an emergency braking situation, the Anti-lock Brake System (ABS) keeps tyres from locking up and supports the driver to maintain steering ability. In addition, Electronic Brake force Distribution (EBD) shortens the braking distance by optimally distributing force to the front and rear wheels if there is a large load, such as when the car is full of passengers.

\*ABS is a device that assists the driver during braking. It does not eliminate the need to drive safely. For example, you should slow down when approaching a corner.

## Child seat anchorage

ISOFIX-compatible lower anchorage for easily securing child seats and top tether anchorage are standard on second-row sets.

# Share Life's Journey in Style

You and your friends have great memories to look forward to.

Share everyday outings and exciting adventures together in the stylish, comfortable and convenient Ertiga.

Suzuki's "Way of Life!" is the heart of our brand - every Suzuki vehicle, motorcycle and outboard motor is built to create excitement so customers can enjoy everyday life.

Standard and optional equipment available may vary for individual markets. Please enquire at your dealers, as specifications and illustrations may refer to models not available in your region.
