

THE NEW  
*Ciaz*

# CREATED TO INSPIRE ELEGANCE

Created with brilliance in its design and perfected with innovations that stand out. The striking new grille to the LED projector headlamps with DRL and LED fog lamps give it an all white brilliance.

Engineered with the new K15 petrol engine with Progressive Smart Hybrid Technology at its core, ensures that it is packed with power and ready for the future.

This is no ordinary car. This is the New Ciaz.

**CREATED & PERFECTED FOR INSPIRATION.**

CREATED TO INSPIRE

NEW K15 PETROL ENGINE

# CREATED TO INSPIRE THE FUTURE

smart HYBRID

## PROGRESSIVE NEXT GENERATION SMART HYBRID

- **IDLE START STOP**

The engine automatically stops when idle and silently starts when the optimal conditions are met in manual and automatic transmissions. This helps in increasing the fuel efficiency.

- **BRAKE ENERGY REGENERATION**

Braking charges the special high capacity batteries, which in return assist the engine's idle start stop and the torque assist functions.

- **TORQUE ASSIST FUNCTION**

The energy stored in the Lithium-ion battery assists during acceleration. This helps the engine in providing optimal acceleration and performance.

### MULTI-INFORMATION DISPLAY

The Ciaz comes with a new 10.67 cm TFT Multi-information Display that makes it convenient for you to keep a track of your car's vital information. This includes fuel consumption, energy flow, trip details, driving range and gear shift indicator.
