OUR NEW LUXURY

SPORTS COUPE IS MORE THAN

EXHILARATING TO THE EYE.

IT'S SOOTHING TO THE SOUL.

INTRODUCING THE NEW

ACURA 2.2CL.

# P h i l o s o p h y

# C o m f o r t

*Canadian model instrumentation shows km/h and C°.*

A fine luxury sports coupe should do more than radiate an air of elegance.

It should also transport its driver and passengers in a pleasing, person-

alized cabin environment that caters to the mission of driving while it

engages the senses with graceful

shapes, appealing textures and

amenities that are the pinnacle

of sophistication.

The spacious cabin of the  
Acura 2.2CL achieves this unique

balance by integrating ergonomically correct controls, thickly padded,

highly supportive seats, tastefully coordinated materials like elegant

wood-grain-style trim and a comprehensive array of creature comforts.

**Supple Leather-Trimmed Seats** are featured in Premium Package complementing the standard adjustable headrests and 6-way power adjustment in the driver's seat.

**Automatic Climate Control** - Designed to maintain a selected interior temperature regardless of ambient temperature or weather conditions for exceptional comfort.

**AM/FM Stereo System With In-Dash CD Player** - This Premium System has an 80-watt amplifier, six acoustically engineered speakers and programmable anti-theft feature.

All this is designed to treat the Acura 2.2CL's occupants to a driving experience that rewards both driver and passengers alike to a rare degree of composure and sophistication.

In creating the brand new 2.2CL, the designers and engineers at Acura were inspired to meet a compelling directive: build a personalized two-door coupe that combines the gratifying comfort and captivating visual expressiveness of a classic luxury coupe with the stimulating performance, safety and sophistication of a state-of-the-art sports touring machine.

The result of their considerable efforts is a breakthrough automobile. The Acura 2.2CL blends bold design cues like an elegant, "neoclassic" front grille and sculptured taillights with an impressive level of standard amenities and proud workmanship, setting a new benchmark of style and refinement in the luxury sports coupe class.

The unique style of the Acura 2.2CL is guided as much by a regard for the driver as it is by the eyes of our designers. The

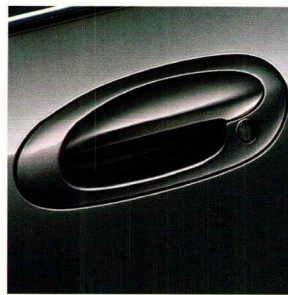

standard keyless entry system, for example, allows the driver to lock or unlock the doors or trunk by touching a remote control,

while also eliminating the need for a trunk-key cylinder. This increases the security of the trunk's contents and preserves the smooth, gracefully flowing appearance of the rear deck lid.

This same fruitful harmony of purpose is evident in the remarkable horsepower and fuel efficiency of the 4-valves-per-cylinder VTEC engine, in the durable yet beautiful body shell, and in an inviting interior where rich materials and advanced systems create a warm yet sophisticated ambience.

With its distinctive, engaging style and rare fusion of performance and luxury characteristics,

the Acura 2.2CL provides an entirely new driving experience, one that redefines the expectations for a sophisticated sports coupe.

***Tamper-Resistant Door Handles*** - The door handles of the 2.2CL are carefully shaped to fit the hand and specially reinforced to help prevent break-ins.

***Slim Rear Roof Pillars*** - For excellent visibility, Acura engineers designed thin yet strong roof pillars that help reduce the rear "blind spot".

# Features

The inviting atmosphere of the Acura 2.2CL is heightened by its wide array of standard amenities including power windows, side mirrors and door locks; tilt steering column; keyless entry system with an integrated remote control "panic button" feature and advanced theft-deterrent system; and a fine leather-wrapped steering wheel.

To further enhance the driving experience are features

that are less apparent to the eye, yet no less important to the gratifying feel of quality and breeding. From the lavishly applied sound insulation and vibration-absorbing engine mounts to the reassuring security of a

highly rigid, computer-designed structure, the Acura 2.2CL succeeds abundantly in exuding an environment that is as steady and serene as it is comfortable and luxurious.

**Convenient CD Storage** – Located close at hand in the centre console, this covered storage protects and holds up to nine CD boxes.

**Handy Two-Cup Beverage Holder** securely carries standard cups and beverage cans and hides away discreetly in the centre console when not in use.

**Locking Trunk Pass-Through** allows the trunk to accommodate extra-long items like snow skis. Includes a ski sack to keep interior clean and dry.

# E n g i n e e r i n g

At Acura, the advanced systems and innovative technologies in our automobiles exist to elevate the experience of driving to the highest possible levels of enjoyment, refinement and security.

In the Acura 2.2CL, this commitment to engineering excellence has created a coupe of remarkable sophistication. The all aluminum engine, for example, uses 4-valves-per-cylinder technology and the VTEC system that was pioneered on the Acura NSX, to deliver a spirited 145 horsepower and impressive fuel efficiency. And, for a forgiving ride and highly

precise road handling control, the suspension in the 2.2CL is a racing-inspired, 4-wheel independent double-wishbone design.

Similarly, the standard 5-speed manual transmission is engineered

**VTEC Engine System** –  
For abundant low rpm torque and high rpm power, the engine has the Variable Valve Timing and Lift Electronic Control (VTEC) system.

to suit the special characteristics of the high-revving VTEC powerplant. The available electronically controlled 4-speed automatic transmission comes equipped with the Grade Logic Control System that provides for smooth shifting action on steep inclines, tight and twisty roads and other driving conditions that present a challenge to the driver.

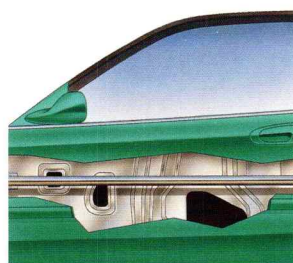

# S a f e t y

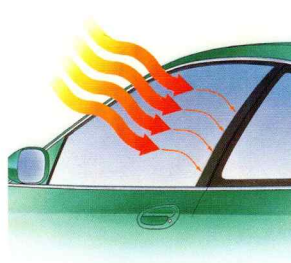

Acura's obsessively high standard of engineering is used not just for sheer performance, but also to ensure that the Acura 2.2CL is a uniquely secure and durable automobile. It is our belief that the safety of both driver and passengers should never be a luxury. Therefore, a dual front air bag

Supplemental Restraint System (SRS) is standard, as are 4-wheel disc brakes equipped with our most recent Anti-Lock Braking System (ABS). In the unfortunate

event of a collision, you'll be pleased to know that the computer-designed unit body structure is crafted with front and rear crumple zones for additional impact protection, while the side-impact door beams and side-intrusion hip and shoulder pads enhance cabin protection. On the out-

***High Strength Steel Door Beams** provide the driver and passengers with peace of mind and added protection in the event of a side impact.*

***New Super-Heat-Reflecting Solar Green Glass** on all windows aids the cooling system performance and reduces glare.*

***A Panic Button** is featured on the standard keyless entry remote of the Acura 2.2CL in the event of an emergency.*

side, the body shell of the Acura 2.2CL wears a specially developed primer coating designed to produce a glass-smooth exterior finish that is as long lasting as it is beautiful.

# Specifications

## ENGINEERING

Engine Type	2.2-litre, 4-cylinder, 16-valve, SOHC
Horsepower, SAE net	145 hp @ 5500 rpm
Torque, SAE net	147 lbs-ft @ 4500 rpm
Redline	6300 rpm
Fuel Cutoff	6500 rpm
Bore & Stroke	85.0 mm x 95.0 mm
Displacement	2156 cc
Compression Ratio	8.8:1
Induction System	Multi-point Programmed Fuel Injection (PGM-FI)
Valvetrain	4-valves-per-cylinder, with Variable Valve Timing and Lift Electronic Control (VTEC) system
Engine Block	Aluminum alloy
Cylinder Head	Aluminum alloy
Ignition System	Full electronic system
Emission Control	3-way catalyst
Alternator	12V 90A
Battery	12V, 65A maintenance-free
Drive System Type	Front engine/front wheel drive
Manual Transmission	5-speed
Automatic Transmission	4-speed with lock-up torque converter

## BODY / SUSPENSION / CHASSIS

Body Type	All-steel unit body
Suspension	Independent double-wishbone, front and rear
Shock Absorbers	NWS-type (New Wide Setting), front and rear
Front Stabilizer Bar	27.2 mm diameter (hollow)
Rear Stabilizer Bar	15.0 mm diameter (solid)
Steering Type	Rotary valve, variable power-assist, speed-sensitive, rack-and-pinion
Steering Ratio	17.0:1
Steering Wheel Turns, lock-to-lock	3
Turning Circle, curb-to-curb	12.0 m
Tires	P205/55 R16 All Season
Wheel Type	Aluminum alloy, 16 x 6.0 JJ, 6-spoke
Braking System	
Front Discs	Power-assisted, ventilated (260 mm)
Rear Discs	Power-assisted (260 mm)
Anti-Lock Braking System (ABS)	Acura-designed system with 4-wheel speed sensors

## CAPACITIES

Crankcase	5.6-litre refill capacity, including filter
Cooling System	6.9 litres MT / 6.8 litres AT
Fuel Tank	65 litres
Interior Volume	2398 litres
Cargo Volume	339 litres

## SAFETY FEATURES

4-wheel Anti-Lock Braking System (ABS)
Driver's and front passenger's air bag Supplemental Restraint System (SRS)
Side-impact door beams
Side-intrusion hip pads
Side-intrusion shoulder pads
3-point outboard rear seat belts
Front and rear crumple zones
5 mph bumpers
Theft deterrent system
Keyless entry system

## EXTERIOR FEATURES

Heat-absorbing green tinted glass
Printed radio antenna
Keyless entry system with panic feature and trunk open
Theft deterrent system
Body-coloured front and rear bumpers
Body-coloured door mirrors
Body-coloured side mouldings
Rear window defroster with timer
Front mud guards

## EXTERIOR DIMENSIONS

Wheelbase	2715 mm
Overall length	4830 mm
Overall width	1780 mm
Height (unladen)	1390 mm
Track, front	1515 mm
Track, rear	1500 mm
Minimum Ground Clearance	110 mm
Curb Weight	
(Manual)	1365 kg
(Automatic)	1390 kg

## INTERIOR DIMENSIONS

Front	
Head room	951 mm
Leg room	1090 mm
Hip room	1310 mm
Shoulder room	1383 mm
Rear	
Head room	913 mm
Leg room	788 mm
Hip room	1210 mm
Shoulder room	1349 mm

## COMFORT & CONVENIENCE

Automatic Climate Control  
Cruise control  
Power windows and door locks  
Power sunroof  
Front dual beverage holder  
Passenger's seat back pocket  
Driver's seat back pocket (Premium Package)  
Acura AM/FM high power audio system with in-dash CD player and anti-theft feature  
6-speaker system  
Tilt steering column  
Front door storage  
Lighted ashtray, cigarette lighter, and ignition switch  
Overhead map lights  
Dual front illuminated vanity mirrors  
Remote trunk release  
Remote fuel-filler-door release  
Digital quartz clock  
Maintenance interval reminder

## SEATING & TRIM

Leather-trimmed seats and door panels (Premium Package)  
Leather-wrapped steering wheel  
6-way power driver's seat  
Driver's seat adjustable lumbar support  
Centre console with armrest and 9-CD storage capacity  
Adjustable front headrests  
Rear headrests  
Rear seat centre armrest  
Trunk pass through with ski sack  
Manual walk-in passenger seat  
Simulated wood trim instrument panel

## WARRANTIES

Major Component	5-year/100,000 km limited warranty
Vehicle	3-year/60,000 km distributors limited warranty
Rust Perforation	5-year/unlimited distance limited warranty
Accessories	3-year/60,000 km limited warranty*

Regular maintenance items, parts subject to normal wear and replacement, and certain other items are excluded. *See your Acura dealer for the terms and conditions of limited warranties.*

\*When installed at the time of new vehicle delivery.

## ACURA LEASE

Our goal is to offer superior service and innovative financial products that will allow you to drive away in the vehicle of your choice as well as staying within your monthly payment "comfort zone".

Contact your local dealer to see how an ACURA LEASE can be tailored to meet your individual needs.

\*A genuine service of Honda Canada Finance Inc. Conditions, restrictions and pre-payment requirements might apply O.A.C.

## ACURA PLUS

### Roadside Assistance

24-hour Roadside Service:

- Dispatch Emergency Roadside Service
- Emergency Lockout Service
- Winching
- Mechanical Breakdown Towing
- Emergency Transportation Allowance
- Trip Interruption Benefits
- Traffic Accident Services
- Emergency Message Relay Service
- Tire Road Hazard
- Car Rental
- The Acura Trip Planning Service
- Dealer Locator Service

### Extended Service Contracts

- Comprehensive\*
- Major Component\*

\*Up to 7 years/160,000 km (whichever comes first).

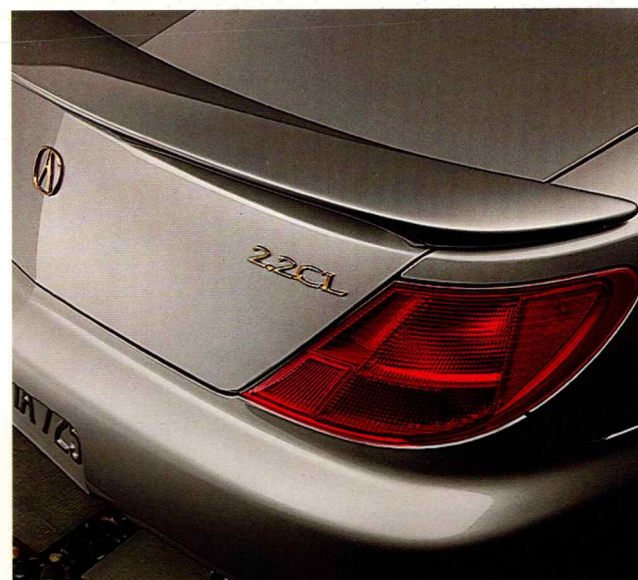

# A c c e s s o r i e s

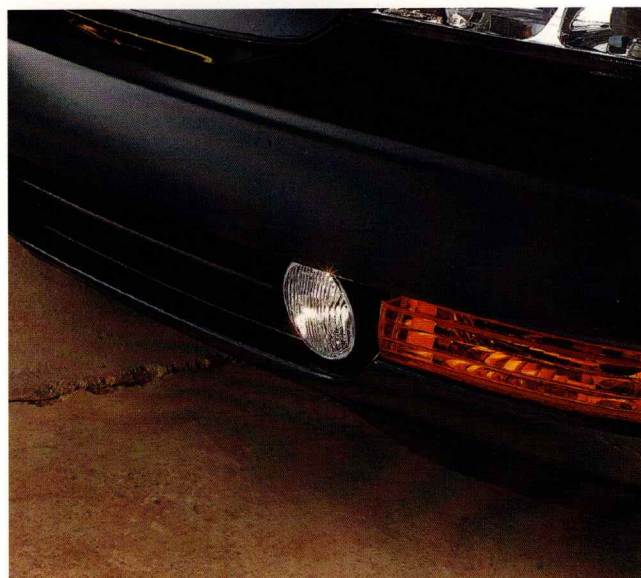

*Genuine Acura Accessories are designed to complement, accentuate and personalize your Acura automobile.*  
*Ask your dealer for details on: CD changer • Cassette player • In-dash cellular phone • Leather-wrapped shift handle (manual & automatic) • Cargo net • Splash guards (rear) • Carpeted floor mats • Engine block heater*  
*• Nose mask, full and half • Wheel locks • Fog lights • Rear wing spoiler • Sunroof visor • Gold-finish kit*

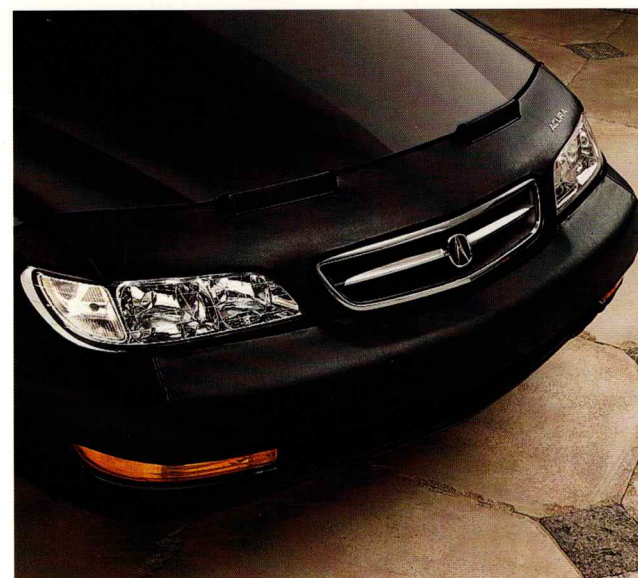

*A six-disc, trunk-mounted CD changer is available to improve the performance and convenience of the impressive standard Acura Premium Music System.*

*Complement the performance image with an aerodynamic rear spoiler while gold-plated appointments such as grille, emblems and exhaust finishers add a touch of elegance to your 2.2CL.*

*Fog lights create more peripheral light for enhanced visibility at night and in poor weather conditions.*

*Our custom-fitted nose mask protects the front end from abrasion and road debris.*
