

ACURA 2.2CL

INTRODUCING THE NEW LOOK IN
PERFORMANCE LUXURY COUPES

THE ACURA 2.2CL

- The 2.2-liter CL engine combines four-valve-per-cylinder technology and the innovative Variable Valve Timing and Lift Electronic Control (VTEC) system for excellent power and fuel efficiency.
- The warm, spacious cockpit features leather-trimmed seats and door panels,* rich wood-grain-style trim and a lavish list of luxury amenities.
- A six-way power driver's seat for exceptional convenience and comfort.
- The Automatic Climate Control System maintains preselected cabin temperatures.
- An Acura Premium Music System features an AM/FM stereo, in-dash CD player and six speakers.
- A keyless entry system offers a "panic button" feature and integrated theft-deterrent system.
- The optional four-speed automatic transmission features the Grade Logic Control System.
- A power glass moonroof brings the outdoors inside.
- Increased occupant safety with a dual front air bag Supplemental Restraint System (SRS) and Anti-Lock Braking System (ABS).

BEFORE YOU CLIMB
BEHIND THE WHEEL, YOU
MAY WANT TO UPGRADE
YOUR WARDROBE.

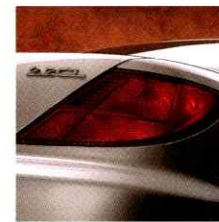

From its bold, neoclassic front grille to its dramatically shaped, 7-function taillights, the all-new 1997 Acura 2.2CL coupe is designed to set a breathtaking new standard of style and elegance in the luxury sports coupe class.

And an engaging new standard of comfort. Standard luxury features include an Automatic Climate Control System, an AM/FM audio system with compact disc player, rich wood-grain-style trim and a power moonroof.

Advanced systems abound. A convenient keyless entry system preserves the smooth beauty of the rear deck by eliminating the need for a conventional trunk-key cylinder. The advanced, VTEC engine combines spirited power with

impressive fuel efficiency. The race-bred double-wishbone suspension delivers precise handling and a comforting ride.

The result is a uniquely personal driving experience. For a test-drive of the new 2.2CL, visit your Acura dealer.
