- Handling package. Includes heavy-duty springs and shock absorbers, plus rear sway bar.
- Rear sway bar.
- Engine block heater (600 watt).

1973 New Car Guarantee

When you buy a new 1973 AMC car from an American Motors dealer, American Motors (Canada) Limited guarantees to you that, except for tires, it will pay for the repair or replacement of any part it supplies that is defective in material or workmanship.

This guarantee is good for 12 months from the date the car is first used or 12,000 miles, whichever comes first. All we require is that the car be properly maintained and cared for under normal

use and service in the 50 United States or Canada and that guaranteed repairs or replacements be made by an American Motors dealer.

This guarantee is, to the extent not prohibited by law, in lieu of all other guarantees or warranties, express, implied or implied in law, of American Motors (Canada) Limited or others, including implied warranties of merchantability or fitness for a particular purpose.

Certain equipment items and features, illustrated or described in this catalog, are optional at extra cost unless otherwise specified. Certain equipment items and features may not be available for all models. American Motors, whose policy is one of continuous improvement, reserves the right to discontinue or change specifications, models, equipment or prices at any time without incurring any obligation whatsoever.
