

THE
LittleCar
COMPANY

"I'm thrilled to see this new, exquisite interpretation of what is, perhaps, our most iconic model join the Aston Martin family. Our partners, The Little Car Company have gone into meticulous detail to truly replicate the stunning form of the original DB5. I very much look forward to seeing these fun tributes to the timeless DB5 go into 'service' with owners of all ages around the world."

***Marek Reichman,
EVP & Chief Creative Officer, Aston Martin***

THE BIRTH OF AN ICON

Arguably the most famous car in the world, the iconic DB5 secured its place in automotive history partly thanks to its on-screen role as secret agent James Bond's car of choice. Coveted by car enthusiasts around the world, DB5 ownership remains rare, with just 1,059 made between 1963 - 1965.

THE MAKING OF THE DB5 JUNIOR

In 2020, over 50 years on from its initial launch, the DB5 will be reimagined for the modern era. Just like the original, only 1,059 of the models will be made, providing a rare opportunity for fans of the marque to own a piece of history.

Hand-crafted to allow the love of driving to be shared across generations, the Aston Martin DB5 Junior will be built to 66% scale of the original and feature a rear-wheel-drive, fully electric powertrain and multiple driving modes.

MODEL COMPARISON

THE DB5 JUNIOR

Starting from £35,000

- » Composite bodywork
- » 5kW peak power
- » TBC top speed
- » 1.8 kWh / approximately 30km range

- » Vantage switch (2x power and more aggressive mapping)
- » Four driving modes: Novice, Expert, Race, Vantage

All prices stated throughout this guide are exclusive of shipping costs, taxes, customs and excise charges

As an official Aston Martin model, the DB5 Junior will pay homage to the rich history of the brand. Each of the limited-edition vehicles will feature:

- » Silver Birch paintwork as standard
- » Authentic Aston Martin badges consistent with the era of the original cars
- » Individually numbered chassis plates
- » Mahogany and aluminium steering wheel, true to the original
- » Suspension geometry replicated from the original car, including roll centre, camber gain & bump steer
- » Recreated DB5 dashboard and dials, with gauges produced by Smiths in the original style

SPECIFICATIONS

Each DB5 Junior will come with the following specifications as standard:

POWERTRAIN

- » Rear wheel drive
- » Regenerative braking & four-wheel drum brakes
- » Four wheel suspension
- » Remote e-stop switch allowing the car to be disabled remotely
- » External charging port

EXTERIOR

- » Classic Aston Martin badges consistent with the era of the original cars
- » Working headlights, indicators, brake lights, reverse lights and a horn
- » 10" wire wheels
- » Opening and closing bonnet and boot
- » Silver Birch paintwork

DIMENSIONS

- » Length 2.76m / Width 0.99m / Height 0.80m
- » Approximate weight: 270kg

INTERIOR

- » Recreated DB5 dashboard and dials with gauges produced by Smiths in original style
- » Mahogany & aluminium steering wheel
- » Numbered chassis plaque
- » Black leather seat & trim
- » Main key & spare
- » Speedometer, battery level gauge, power gauge & clock
- » Horn
- » Handbrake
- » Master e-stop

BATTERY & CHARGING

- » Range of 1.5 - 2.5 hours driving time
- » 3-5 hours to fully charge

(dependent on driving style and battery option selected)

ENQUIRE

The DB5 is often heralded as the most beautiful Aston Martin ever made, and now is your chance to own a piece of history. Just like the original, only 1,059 DB5 juniors will be built, and build slots are expected to be in high demand. If you are interested in purchasing one of these limited editions, please visit the '[RESERVE A BUILD SLOT](#)' page where you can pay your £5,000 deposit. This deposit remains fully refundable up until you confirm the final specifications of your DB5 Junior and full order is placed.

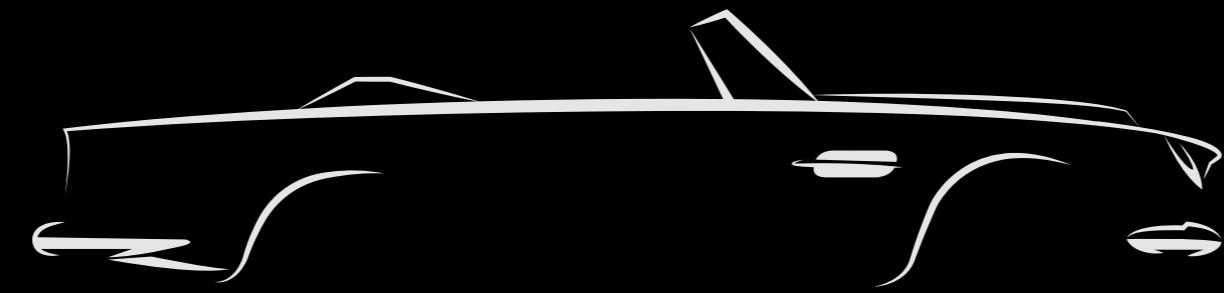

Once all 1,059 build slots have been allocated, a waiting list will be in operation. Should a client on the build list choose not to proceed with their reservation, the next person on the waiting list will be offered the opportunity to purchase a DB5 Junior.

If you have already secured your build slot, the team will be in touch over the coming weeks with additional information relating to the final order process, pricing and production specifications.

Should you have any questions which are not covered in our [FAQs](#), please do not hesitate to contact The Little Car Company team via email, phone, text or Whatsapp using the details listed below.
