

The new  
BMW X3

Sheer  
Driving Pleasure

# Any road. Any reason. **Any time.**

It's about the freedom to decide how you spend your day. Everyday. We've developed a vehicle that's as versatile as you

are, so you can live your life free of limitations. A vehicle for a day at the beach or a day at your laptop. Or both at once. The BMW X3.

**Sporting design. Powerful character.**

**More versatility. More freedom.**

**Intelligent technology. Driving pleasure guaranteed.**

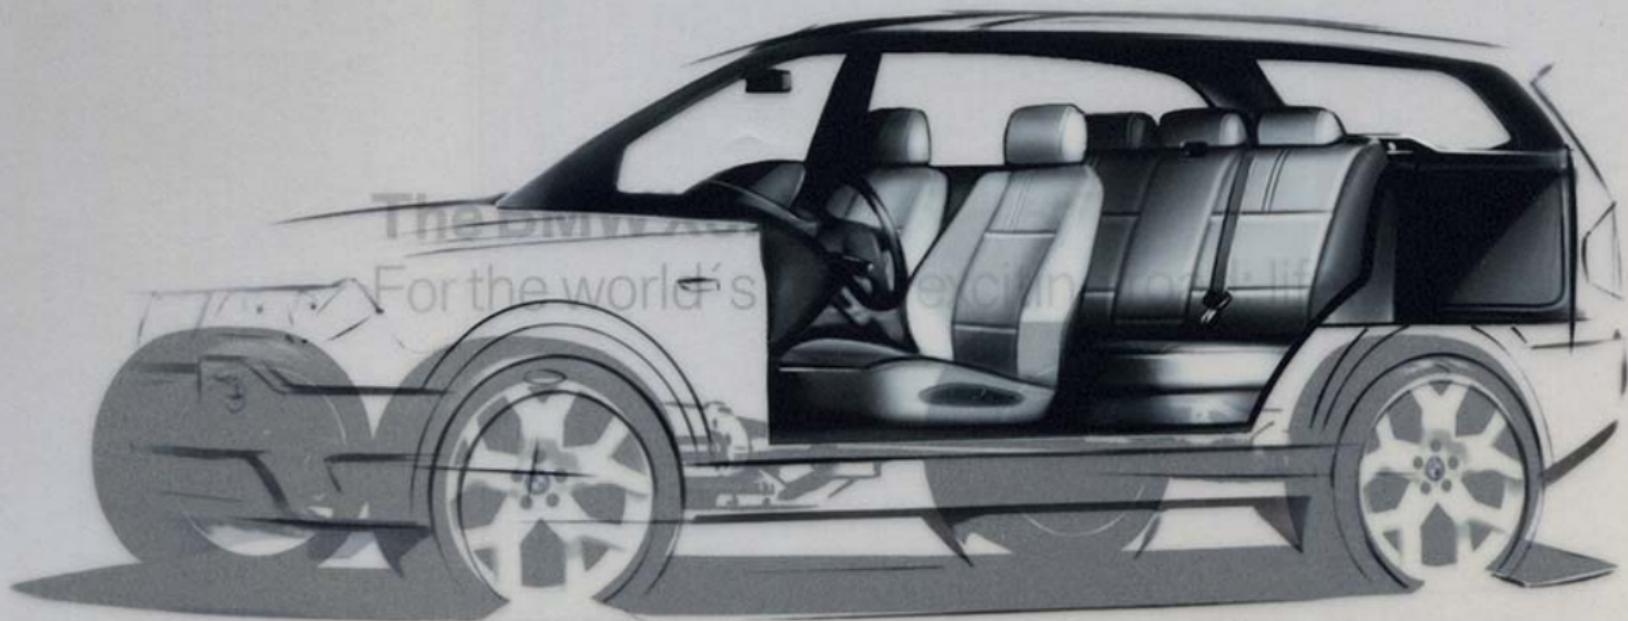

Sporting design. Powerful character.

Any road. Any reason. **Anytime.**

It's about the freedom to move the way you spend your day. The way you live. The way you travel. The way you work. The way you play. The way you are, so you can live your life free of limitations. A vehicle that's built to last.

**More versatility. More freedom.**

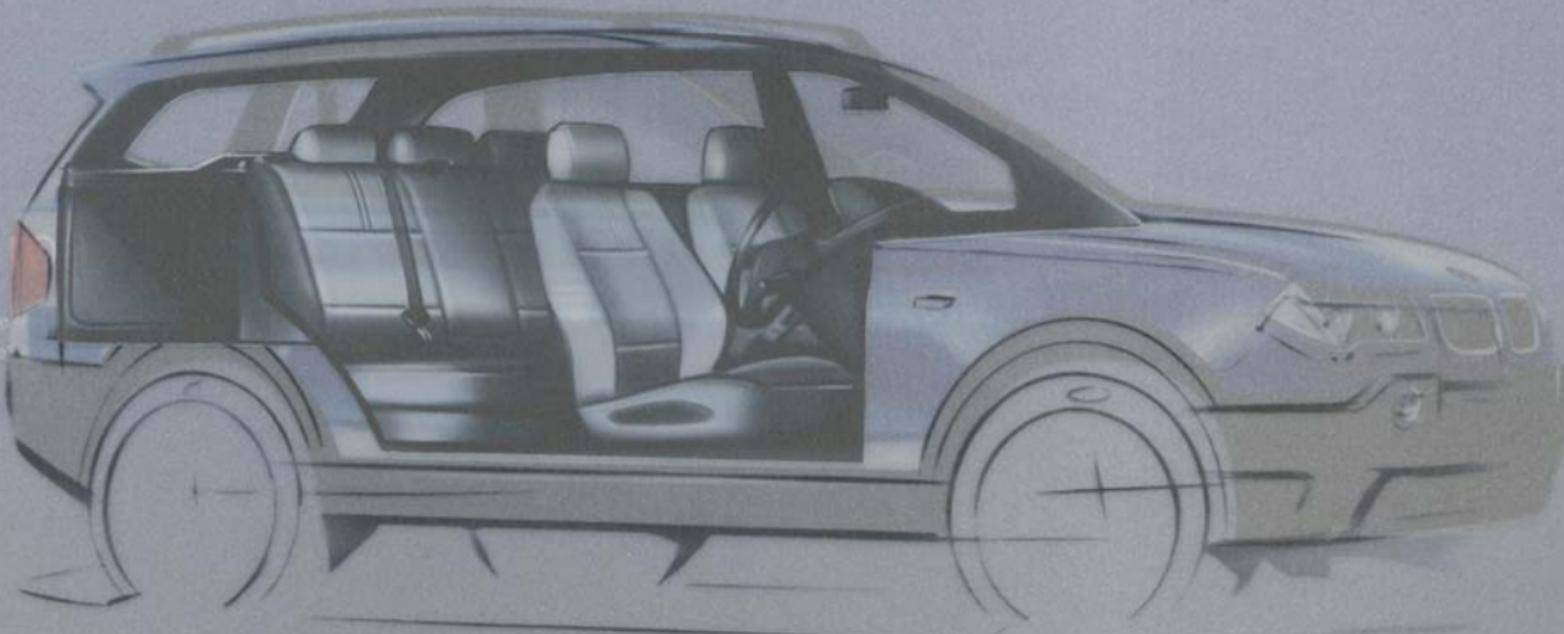

Intelligent technology. Driving pleasure guaranteed.

More versatility. More freedom.

Everyday. We

## The BMW X3.

For the world's most exciting road: life.

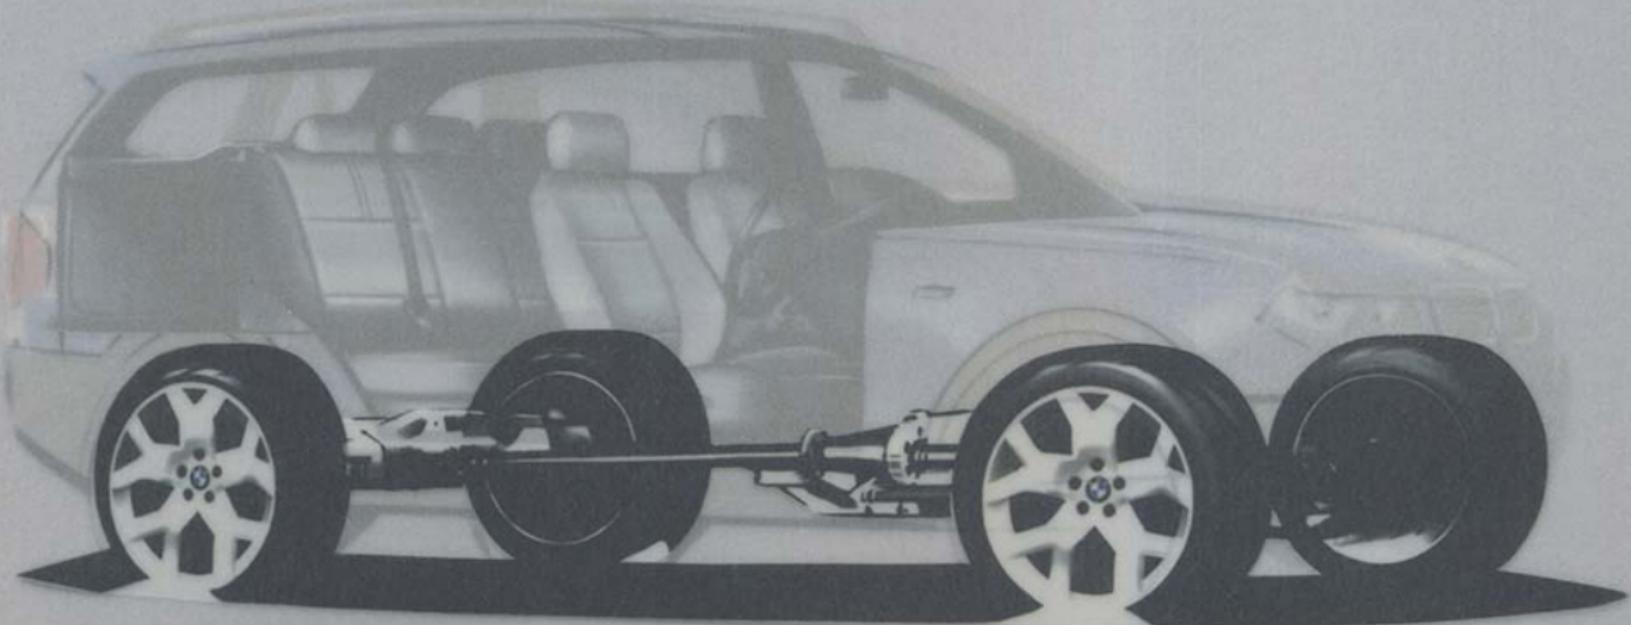

Intelligent technology. Driving pleasure guaranteed.

More versatility. More freedom.

Smooth road. Low fuel consumption.

Any

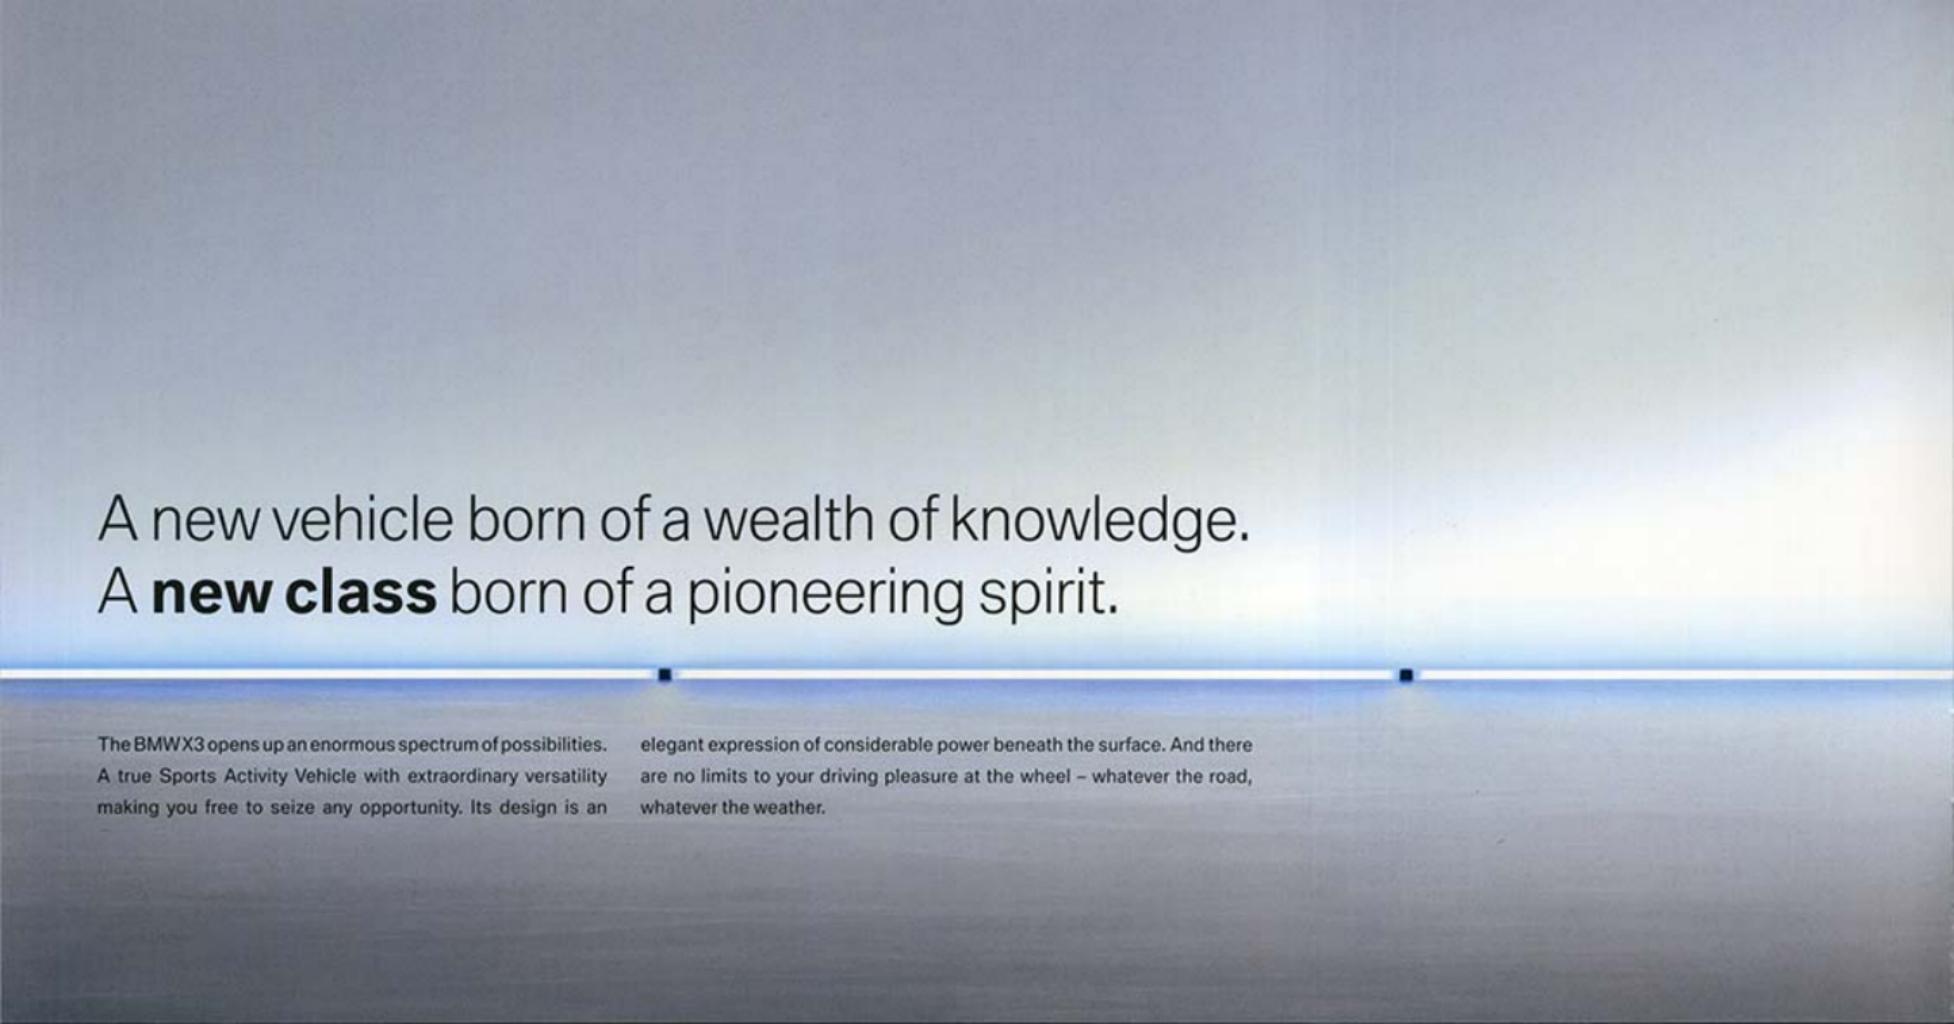

surface

Intelligent technology. Driving pleasure guaranteed.

## **The BMW X3.**

For the world's most exciting road: life.

A new vehicle born of a wealth of knowledge.  
A **new class** born of a pioneering spirit.

The BMW X3 opens up an enormous spectrum of possibilities. A true Sports Activity Vehicle with extraordinary versatility making you free to seize any opportunity. Its design is an

elegant expression of considerable power beneath the surface. And there are no limits to your driving pleasure at the wheel – whatever the road, whatever the weather.

The BMW X3 **moves** you – even at a standstill.

You sense the effect of the BMW X3 well before you drive it. Its lines and surfaces speak a dynamic language; muscular proportions pay tribute to considerable sporting power. From

the trim bumpers and high ground clearance to the rear side windows and sloping tailgate, its unique vocabulary of form makes a powerful impression. The BMW X3 has truly unmistakable character.

Life has too many  
**good sides** to pass one up.

Variety, as the old saying goes, is the spice of life. You're always flexible with the BMW X3. A huge range of intelligent solutions are at your disposal – from the

folding rear seat via handy storage compartments to the large loading bay. Whether it's four passengers or three mountain bikes you're taking along, one thing will always be with you. The appetite for life.

## Technology that challenges the limits **imagination.**

The BMW X3 enables you to be completely spontaneous. Its chassis wrings pleasure from every kind of road you might encounter, the innovative xDrive all-wheel drive concept providing a new dimension in dynamics and ensuring outstanding traction at all times – even on poor surfaces. Over-

and understeer are recognised and corrected on-the-fly, while power is distributed variably between the front and rear wheels with speed and precision – enabling you to enjoy even greater levels of agility. A richly powerful engine and a choice of slick transmissions – a six-speed manual or a five-speed automatic – complete the picture, leaving only one question: When are you going to get started?

On the search for freedom?  
**Start here.**

The high driving position of the BMW X3 gives you a completely new perspective, with tremendous visibility and a commanding sense of the road. Controls are ergonomically

laid out for completely intuitive use; every detail has been carefully thought through and oriented towards the driver. Experience the true meaning of freedom – right from the word go.

The only thing you'll miss **in the back** is the steering wheel.

We can't all sit in the driver's seat. But everyone gets to enjoy the same feeling of space in the BMW X3. Generous legroom ensures that rear passengers will feel comfortable even over long journeys, aided by numerous intelligent solutions such as integrated cup holders and large storage compartments in the doors.

The strength of an idea  
is revealed in the **detail**.

Good design is the sum of many perfectly chosen parts. Colour, form and material work together in a harmony that is both aesthetic and functional, finished with unbeatable standards of build quality. And the details – down to the last switch and seam – blend in beautifully with the overall architecture of the interior. The result is a joy to behold and a pleasure to use.

## The quiet application of **power.**

A sporting concept demands a powerful engine. The BMW straight-six with double-VANOS variable camshaft control is an object lesson in modern power unit design, providing spontaneous power delivery, strong pulling power and silken-smooth operation. Revel in the enormous reserves of torque

and power ready to spring into action whenever you need them. A 3.0 litre petrol unit, its high levels of efficiency enable it to produce a rich 170 kW (231 bhp) while already fulfilling the strictest emissions standards. So it can keep on powering your journeys for many years to come.

You never know what the day will bring. Whatever it may be, with this much **space** you're well prepared.

Flexible people need flexible cars. No matter where you're headed, the BMW X3 provides everything you'll need. The asymmetrically folding rear seats extend your loading bay in an instant, enabling you to take both your gear and your passengers with you. And the optional panorama glass roof ensures that everyone can enjoy the sunshine on the way.

**At your fingertips.**

■ Important controls right where you need them. Multifunction leather steering wheel.

**Cultural Fidelity.**

500W delivered through 10 loudspeakers. The HiFi system Professional.

■ Standard equipment    Optional equipment

- Seat heating for driver and front passenger	<input type="checkbox"/>	Headlight washing system	<input type="checkbox"/>		
- Sports seats for driver and front passenger	<input type="checkbox"/>	Individual high-gloss Satin Chrome	<input type="checkbox"/>		
- Standard seats, manual seat adjustment	<input checked="" type="checkbox"/>				
Steering wheels:					
- Leather steering wheel	<input checked="" type="checkbox"/>				
- Multifunction for steering wheel, incl cruise control	<input type="checkbox"/>				
- Sports leather steering wheel	<input type="checkbox"/>				

<sup>1</sup> Available in combination with sports package only.

# Technical specifications.\*

Dimensions		3.0i
Vehicle length/width/height	mm	4565/1853/1674
Rim dimensions	mm	2795
Luggage compartment capacity	ltr	480-1560
Weight		
Unladen EU <sup>1</sup>	kg	1835 [1840]
Permitted load	kg	500
Engine <sup>2</sup>		
Cylinders/Valves		6/4
Capacity	cm <sup>3</sup>	2979
Max. output	kW (PS)/1/min	170 (231)/5900
Max. torque	Nm/lb·ft/min	300/3500
Performance		
Top speed	km/h	210 (224[221]) <sup>4</sup>
Acceleration	s	7.8 [8.1]
Fuel consumption <sup>3,5</sup>		
EU urban/extr-urban/combined	ltr/100 km	16.0 [17.4]/8.7 [9.1]/11.4 [12.1]
CO <sub>2</sub> emissions	g/km	276 [293]

1 Figures are based on a 90% tank filling, driver's weight of 68kg and 7kg of luggage. Unladen weight applies to vehicles with standard equipment. Optional extras may increase these figures.

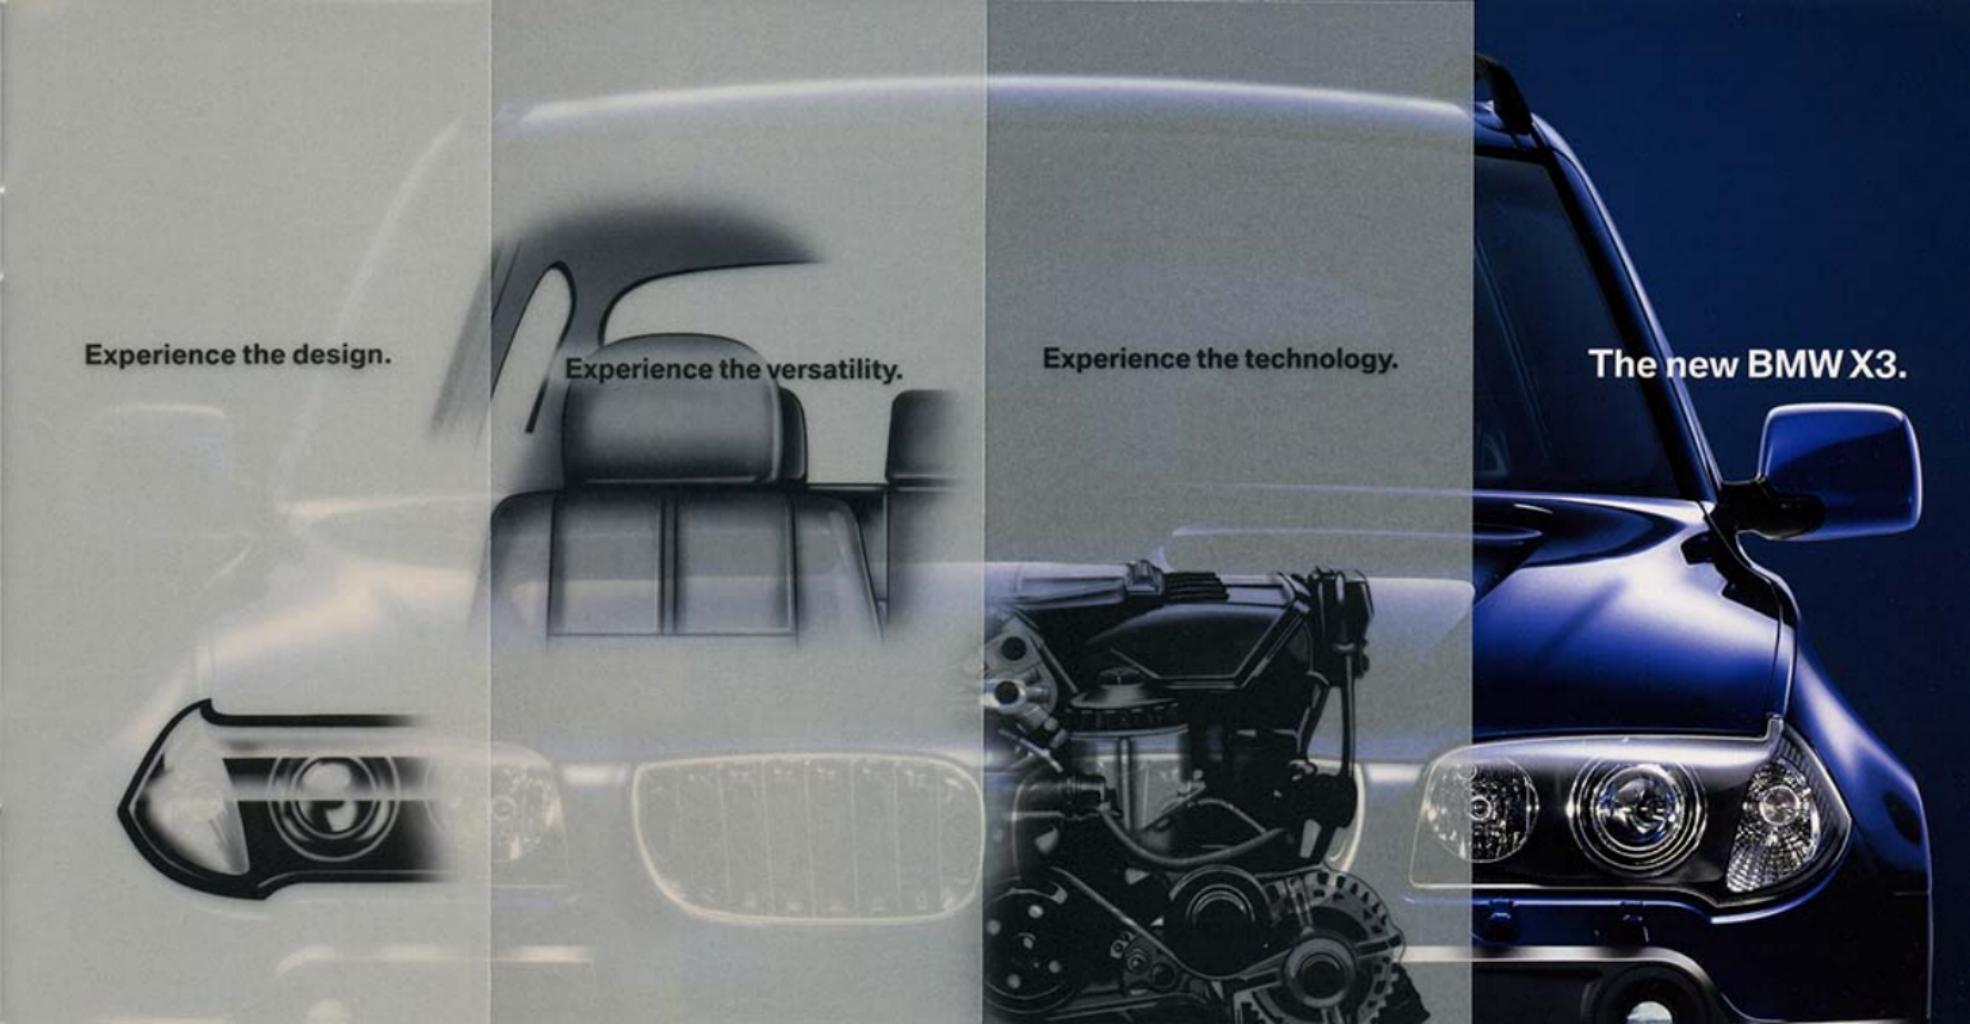

2 The petrol engine is designed for RON 98 fuel. It may be run on RON 91 fuel with a possible decrease in engine output and increased fuel consumption.

3 The petrol engine conforms to the EU3 emission standard. Fuel consumption is determined according to the ECE combined driving cycle in which approx. one third of the distance covered is in urban traffic and two thirds are extra urban driving. CO<sub>2</sub> emissions are measured in addition to fuel consumption.

4 In combination with optional sports package.

Figures in ( ) in the sectional diagram apply to vehicles with Panorama glass roof.

Figures in [ ] apply to models with 5-speed automatic transmission.

2 The petrol engine runs on UNLEADED PETROL (RON 98) and can run on RON 95. The engine has a maximum torque output and increased maximum power at 5900 rpm.

3 The petrol engine conforms to the EU3 emission standard. Fuel consumption is determined according to the ECE combined driving cycle in which approximately 40% of the distance covered is in urban traffic and 60% in extra urban driving. CO<sub>2</sub> emissions are proportional to fuel consumption.

4 In combination with the optional Panoramic glass roof. Figures in [ ] apply to models with a manual transmission. Figures in [ ] apply to models with an automatic transmission.

A front-three-quarter view of a dark blue BMW X3 SUV. The car is set against a solid black background, creating a dramatic and sophisticated look. The lighting highlights the sleek lines of the vehicle, particularly the kidney grille, headlights, and the side profile. The windows are dark, obscuring the interior. The overall composition is minimalist and focuses on the car's design.
