ELEGANCE

# X5 M

## COMPETITION

In 2009, BMW set a new benchmark with the BMW X5 M. A vehicle that combine supercar performance with SAV qualities. It's there that the elevated seating meets sheer power. Putting the driver in a commanding position, ready to deal with any challenge. Available exclusively in the Competition format, the BMW X5 M will be more desirable than ever.

0-100km/h	3.9 sec	Transmission	8-speed M Steptronic
Engine	8-cylinder	Power/Torque	460kW / 750 Nm

Price incl. GST **\$241,900**

Clean Car Programme (Estimated Rebate / Fee)\* **TBC**

• Standard ◦ Optional **NCO** No Cost Option

Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group New Zealand. E&OE Effective from 1st July 2023. \*Additional ordering time frames apply for BMW Individual. Please contact BMW Group New Zealand.

\* To obtain NZ CO2 figures for vehicles imported by BMW Group NZ in relation to the NZ Clean Car discount or "FeeBate" you will need to contact your preferred dealer. The Clean Car discount figures sourced from your dealer will differ from those listed in the BMW owner's handbook and reported figures as they have been converted by the NZ government to WLTP3 from figures derived through one of the following testing procedures: WLTP4 or NEDC. For more information on the New Zealand Clean Car Programme, please [click here](#).

# — X5 M COMPETITION HIGHLIGHTS —

## ATHLETIC DESIGN.

New front-end design ensures greater presence. Outline of the new headlights is 35 millimetres narrower than on the outgoing models. Headlight units also contain arrow-shaped daytime driving light elements. BMW kidney grille now has an all-black finish. Horizontal kidney bars, larger model badging. Black surface in the middle of the front end formed by the BMW kidney grille and lower air intake creates a dynamic appearance.

## INSTANTANEOUS POWER.

New V8 engine with M TwinPower Turbo technology, cross-bank exhaust manifold and high-revving character. Optimised response thanks to reinforced crankshaft drive and modified turbocharging. Air intake duct, oil supply and oil separation also upgraded. The dynamic acceleration, produces a particularly intense version of the signature M performance characteristics.

## IMPRESSIVE STOPPING.

M Compound brakes with blue callipers as standard or optionally painted in Red high-gloss or Black high-gloss are the latest generation of integrated braking system in M-specific form. Drivers can select from two pedal feel settings.

## AMBIENT LUMINANCE.

The new ambient light bar with crystalline surface structure and highly effective LED backlighting integrated below the trim element in the front passenger area. The M logo is added to the light bar's graphic, which brings another element to the also standard ambient lighting. The light distribution, brightness and a selection of 15 colours for the interior illumination can be configured via the iDrive menu.

## SCREEN TIME.

At the heart of the design updates for the interior of the new BMW X5 M Competition is the Curved Display, giving the M-typical cockpit a modern and exclusive feel. It is formed by a 12.3-inch information display behind the steering wheel. The control display's touchscreen enables digital control of numerous functions, resulting in a significant reduction in the number of buttons and controls.

# BMW INDIVIDUAL

The expression of personality.

Accentuate your own character with genuine exclusivity: this is precisely what BMW Individual aspires to. Whether you are seeking a special colour or exclusive materials, you can provide a perfect figure for your inspirations. With an automobile that matches your preferences precisely, down to the finest detail. BMW Individual – an expression of personality.

## LIMITLESS.

From Dakar Yellow to Nardo Grey: BMW Individual offers you a wide range of exclusive paint finishes to choose from. More than 120 different colours are available, allowing every character to find its own personal expression. Matt paint finishes by BMW Individual boldly emphasise the powerful design language of every BMW.

## UNMISTAKABLE.

In designing the details of the interior with immaculate fine-grain Merino leather, BMW Individual leaves you a completely free hand. From the choice of colours to the composition of impressive leather coverings in Bicolour, everything is possible. Masterly contrasting stitching produces an exclusive character. Personalised signets and monograms form highlights of individualisation.

## LIMITLESS.

All trims have one thing in common: they are made of the highest quality materials. Whether they are made of aluminium mesh, carbon or precious wood - create exciting contrasts in the interior of your BMW M or achieve corresponding effects between the interior and accent trims and the leather upholstery.

# THE BMW CONNECTED DRIVE

## DIGITAL KEY

Why put your key in the ignition if you have your Android smartphone with you? The Digital Key3, 4, 5 allows you to lock and unlock your BMW and even start the engine without needing a physical key. It can be downloaded to your smartphone using the BMW Connected app and shared with family and friends. The term is one year.

## CONNECTED NAVIGATION

The My BMW app can import appointments and addresses from your smartphone straight into the navigation system to begin route guidance. The system also calculates the optimum departure time based on real-time traffic information and informs the driver with an app notification on their smartphone.

## CONNECTED PACKAGE PROFESSIONAL

Remote Services, Real Time Traffic Information, Apple CarPlay® preparation or perhaps In-Car Experiences? Why order individual options when you can have everything together? With the Connected Package Professional, you can enjoy these services from BMW ConnectedDrive.

## DRIVING ASSISTANT

Driving Assistant Professional offers optimum comfort and maximum safety during lots of critical or monotonous driving situation with Steering and lane control assistant incl. support in narrow places, Emergency Stop Assistant, local hazard warning, Lane Keeping Assistant with active side collision protection and other safety functions.

## THE BMW LIVE COCKPIT

The brand new infotainment, navigation and multimedia system (BMW Operating 8.5) provides cutting edge innovations as standard. Incorporating new generations of professional multimedia, BMW Live Cockpit Professional features high resolution control display, fully digital instrument panel and includes the ConnectedDrive digital services

## THE INTELLIGENT ALL-WHEEL DRIVE SYSTEM FROM BMW

# BMW xDRIVE

Weather changes and road situations can change in a flash, whatever the season. But with xDrive, BMW's intelligent all-wheel drive system, your car will respond quickly to allow you to enjoy maximum driving pleasure, even on the most difficult road surfaces. 4WD, all-wheel drive and 4x4 are all terms that are used interchangeably, but all equate to the same thing. BMW xDrive is powered by an extra layer of intelligence, making it one of the most technically advanced all-wheel drive systems in the segment.

The xDrive system is automatically enabled each time the engine is started, so it is permanently engaged to ensure you have maximum grip in all conditions. Therefore, it is not necessary or possible to activate or deactivate the system.

# MY BMW APP

STAY IN THE DRIVER'S SEAT,  
WHEREVER YOU ARE.

Connect your vehicle to your life. The My BMW App keeps you at the wheel with total control of your BMW, whether you're in your vehicle or not.

- **Remote control**  
Lock and unlock your BMW from wherever you are.
- **Location location location**  
Access your car's location remotely and send locations to your car's GPS, so you're always ready for the journey.
- **Driving conditions**  
Set the temperature of your car remotely for the perfect climate the moment you open the door.
- **Great service**  
Let your BMW tell you when it's time for a service, then schedule it with just a touch.
- **It's personal**  
It's MyBMW, after all. Enter your BMW's colour palette, and the app design follows suit.

# THE EQUIPMENT

# X5 M COMPETITION STANDARD EQUIPMENT

## TRANSMISSION AND TECHNOLOGY

- M TwinPower Turbo 48V mild-hybrid 8-cylinder petrol engine
- 8-speed M Steptronic transmission with Drivelogic incl. gearshift paddles
- Active M Differential
- Adaptive M Suspension Professional
- Auto Start/Stop function
- Brake Energy Regeneration
- Brake-pad wear indicator
- Electric power steering with M Servotronic
- Engine cover with 'M Power' designation
- Hill Descent Control (HDC) with electromechanical parking brake
- M Drive, enables driver to program two individual driving profiles
- M Dynamic Mode, M-specific switchable functions for DSC
- M Modes for ROAD, SPORT AND TRACK
- M xDrive incl. 4WD and 4WD Sport modes
- M Sport Exhaust system feat. configurable modes
- Remote Engine Start
- SETUP button, enables driver to configure engine, chassis, steering, brake and M xDrive settings
- Sound Control button, adjustment of exhaust sound level
- Start/Stop button in red

## EXTERIOR DESIGN AND FEATURES

- Metallic paintwork
- M light alloy wheels Star-spoke style 809 M Bicolour, 21" front, 22" rear
- M High-gloss Shadow Line
- M Roof-rails high-gloss Shadow Line
- M specific exterior mirrors finished in black
- 'X5 M Competition' designation on rear in black
- Panorama glass sunroof
- Signature BMW ornamental kidney grille with M double rods and surround in high-gloss Black
- Privacy glass with sun protection glazing for 2nd row and rear windows

## LIGHT AND SIGHT

- Adaptive LED headlights with high-beam assistant
- Ambient interior lighting, featuring interior crystalline ambient light bar and Dynamic Contour lighting, plus exterior Welcome Light Carpet. Includes 15 selectable interior colours
- Electric fold-in side mirrors
- Exterior side mirrors, heated and electrically adjustable with anti-dazzle function for driver side and auto-dipping function on passenger side
- Interior rear-view mirror with automatic anti-dazzle function
- Rain sensor incl. automatic headlight activation

## SAFETY

- Active Protection
- Attentiveness Assistant
- Airbags for driver and front passenger, head airbags for 1st & 2nd seat row, side airbags with seat occupancy detection for driver's and passenger side, side impact protection and knee airbag on driver's side
- Alarm system with Remote Theft Recorder
- Central locking with electronic immobiliser
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS) and Dynamic Traction Control (DTC)
- Emergency spare wheel
- M Compound Brake system, feat. discs cross drilled, inner-vented
- Tyre Pressure monitoring with temperature display
- Warning triangle and first aid kit

## DRIVER ASSISTANCE

- BMW M Head-Up Display
- Driving Assistant Professional, incl. Active Cruise Control with Stop&Go function, Cross traffic warning on the front & rear, Steering & Lane Control Assistant, Lane keeping assistant with Side Collision Warning, Lane Change Assistant, Crossroads warning and Evasion Aid

# X5 M COMPETITION STANDARD EQUIPMENT

- Parking Assistant Professional, incl. Active Park Distance Control (PDC) rear, Reversing Assistant, Surround View, Panorama View, 3D View, Drive Recorder and Manoeuvre Assistant
- Speed limiter, configurable
- Speed Limit Info display

## ENTERTAINMENT, COMMUNICATION AND INFORMATION

- BMW Live Cockpit Professional with 12.3" instrument display and high-resolution 14.9" curved touch-control display
- Navigation system with augmented guidance, split screen function and USB Map Updates\*
- DAB+ digital radio tuner
- Gesture Control
- harman / kardon Surround Sound system, 16 speakers, 464W digital amplifier
- Personal Profile, personalisation of important controls
- USB connection, USB Type A (1.5 A) connection in cup holder area, USB Type C (3 A) connection in centre console storage compartment and double USB type C (3 A) in rear of centre console
- Wireless Charging for smartphone in front storage tray incl. Bluetooth connectivity for up to 2 smartphones

## INTERIOR DESIGN, COMFORT AND EQUIPMENT

- Full Leather 'Merino' with extended contents
- Automatic split tailgate with contactless operation
- Automatic air conditioning with 4-zone control, with Automatic recirculated air control (AUC), microfilter, active carbon filter and solar/fogging sensors
- Automatic soft-close function for doors
- BMW Individual Instrument Panel finished in Leather
- Comfort Access System, keyless entry to front doors incl. automatic proximity unlocking / locking and BMW Digital Key Plus and NFC Key Card
- Cup holder, heated and cooled in front centre console
- Cup holders; rear centre armrest
- Door sill finishers with 'X5 M Competition' designation, front
- Floor mats in velour
- Luggage compartment separating net
- M specific interior content: M gear selector, M leather steering wheel with paddle shifters in Carbon Fibre, M headliner in Alcantara, anthracite, M seat belts, interior trim: Carbon Fibre
- M Multifunctional front seats with: electric adjustment, memory function, massage function, lumbar support, active ventilation, integrated headrests, side bolster adjustment and illuminated 'X5 M' designation
- Seat massage function for driver and front passenger

- Seat heating, front and rear seat rows,
- Heating for front centre console and door armrests, steering wheel
- Through loading system with 40:20:40 backrest split for second row
- 12V power sockets in the front & rear centre console and luggage compartment

# OPTIONAL EQUIPMENT

M Compound brake,  
black high-gloss  
(3M6)

M Compound brakes with brake calipers in High-gloss black achieve outstanding deceleration values and are extremely stable.

NCO

M Compound brake,  
red high-gloss  
(3M5)

M Compound brakes with brake calipers in High-gloss Red achieve outstanding deceleration values and are extremely stable.

NCO

M Carbon engine cover  
(1MD)

The M Carbon engine cover protects important components in the engine compartment. The cover is made from Carbon fibre reinforced plastic (CFRP) which is extremely light. Features an M logo and 'BMW M Power' designation.

\$2,200

Towbar, electrically folding  
(3AC)

The towbar with electronically adjustable tow ball is extremely easy to fold under the rear apron, where it is not visible during rides without a trailer. This feature also includes trailer stability control. The maximum trailer load is 3,500kg.

Pricing does not include local fit safety bracket (Required, additional cost)

\$2,500

M Carbon mirror caps  
(3ME)

Meticulously hand-made from carbon, the striking exterior mirror caps underscore the vehicle's high-tech pedigree. Their dynamic design ensures an eye-catching premium look and adds an individual athletic touch.

\$1,600

# SUSTAINABILITY AT BMW

## ACTIONS AND TECHNOLOGIES THAT HAVE A REAL EFFECT.

No competitor comes close to matching the comprehensive and diverse BMW Group portfolio of electrified models (fully electric BEV, partly electric PHEV), with half a million such vehicles delivered to customers to date.

- In co-operation with ChargeNet, BMWi customers in New Zealand can access the ChargeNow 'electric highway' - 100 fast-charging stations from Kaitaia to Invercargil.
- BMW Group considers sustainability a fundamental aspect of its past, present and future corporate strategy.
- Decades-long history of action to protect the climate and significantly reduce fuel consumption.
- Focus on further electrification of the product roster as the key measure for lowering CO2 emissions.
- Largest range of plug-in hybrids as the most versatile form of electrification.
- Greatest benefit of plug-in hybrids: enabling both customary range and driving without generating local emissions.
- Fully electric BMW i3 is uniquely sustainable, with sales figures still rising six years after launch.
- By 2023: 25 models with electrified powertrains, half of them pure battery electric vehicles.
- Numerous awards for eco-conscious design covering the entire product lifecycle.

## MEET THE ELECTRIFIED BMW FAMILY

For an electric vehicle it is not only important to consider how fast and safely it travels, but also how far it will take you. In this consideration, the range of an electric vehicle also depends on factors such as the speed, driving style and outside temperature as well as the use of the air conditioning or seat heating. These are factors that we cannot calculate. But all the others we can. Here you can find out all about the ranges of our electric cars and plug-in hybrid vehicles.

# BMW OFFERS & SERVICES.

## BMW GROUP FINANCIAL SERVICES

BMW Group Financial Services is your one stop shop for all your Finance, Leasing and Insurance needs.

Each BMW dealership has a dedicated Business Manager who can put together a tailored finance and insurance package, to make getting into your next BMW even easier.

Speak to your Business Manager today about our Finance and Insurance products.

## GENUINE BMW SERVICE

Quality and safety are the essence of a Genuine BMW Service. When you buy a BMW, you can look forward to superb service and comprehensive customer care.

BMW Service Inclusive is complimentary with all BMW's sold new in New Zealand for a period of 3 years, so you don't have to waste a moment thinking about the cost of maintenance for your vehicle.

# FURTHER INFORMATION ON CO<sub>2</sub> DATA

The values of fuel consumptions, CO<sub>2</sub> emissions and energy consumptions shown were determined according to the European Regulation (EC) 715/2007 in the version applicable at the time of type approval. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tires available on the selected model.

The CO<sub>2</sub> efficiency specifications are determined according to Directive 1999/94/EC and the European Regulation in its current version applicable. The values shown are based on the fuel consumption, CO<sub>2</sub> values and energy consumptions according to the NEDC cycle for the classification.

When charging times are shown they can be affected by a number of factors such as type of charger, voltage supplied to the charger/car and type of current (AC or DC) supplied to the charger/car. The car also plays a role in charging times as it can be set by the driver to accept various different amperage and should preconditioning be used to heat or cool the vehicle while charging this will also affect the charging time.

The basis for the calculation of the charging times for 100 km range is the electric consumption of the vehicle based on the use of a high-Powered Charging station (HPC) or charging type and current as indicted in the literature above. The testing procedure measures are based on a 23 degrees Celsius battery start and ambient temperature with certification values excluding additional auxiliary consuming devices and systems within the vehicle such as seat heating, displays, air conditioning.

Individual consumption (fuel economy) may differ due to driving profile, vehicle load profile, auxiliary consumer usage, temperature, and ambient conditions. Consumption is based on WLTP or NEDC (whichever is indicated) best case conditions and is independently tested for BMW Group. If you are comparing this range with other models or brands make sure they are stating the same WLTP or NEDC testing regime. These results can be used to compare vehicles on a close to "like for like" basis but are unlikely to be achieved in real world conditions for reasons including temperature variation, driving conditions and the use of the auxiliary systems referred to above.

Information provided and images displayed in this brochure include overseas models and may show some features not available in New Zealand. Please contact an authorised BMW dealer for specific information on vehicles and features available in New Zealand. Product changes may have been made since production of this content.

Note: To obtain NZ CO<sub>2</sub> figures for vehicles imported by BMW Group NZ in relation to the NZ Clean Car discount or "FeeBate" you will need to contact your preferred dealer. The Clean Car discount figures sourced from your dealer will differ from those listed in the BMW owner's handbook and reported figures as they have been converted by the NZ government to WLTP3 from figures derived through one of the following testing procedures: WLTP4 or NEDC.

For more information on the New Zealand Clean Car Programme, please visit [www.nzta.govt.nz/vehicles/clean-car-programme](http://www.nzta.govt.nz/vehicles/clean-car-programme)
