DISCOVER THE BMW 8 SERIES GRAN COUPÉ

Not a typical coupé but rather an incredible experience: the first-ever BMW 8 Series Gran Coupé introduces a new form of authority with a bold character to the compact class. It is above all the uncompromising, performance-oriented aesthetic that unmistakably reveals its ambitions. Not elegant but extravagant. Not conventional but individual. Not ordinary – but extraordinary. In keeping with high- end technologies and perfectly tuned driving dynamics features, the BMW 2 Series Gran Coupé stands out from the crowd with ease and pursues its very own path.

Consumption	10.7 l / 100km

Price incl. GST **\$294,700**

Clean Car Programme (Estimated Rebate / Fee)* **TBC**

* To obtain NZ Fuel Consumption and Emission figures for vehicles imported by BMW Group New Zealand you will need to contact your preferred dealer. In relation to the NZ Clean Car discount or "FeeBate" the WLTP3 Emission and Consumption figures converted by the NZ government will differ from the WLTP4 figures listed in BMW owner's handbook and reported figures. For more information on the New Zealand Clean Car Programme, please [click here](#).

THE 8 SERIES GRAN COUPÉ HIGHLIGHTS

SPORTY WITH NO COMPROMISES.

Dynamic sports coupé with character: the design language of the BMW 8 Series Gran Coupé with its fascinating aesthetic is a new interpretation of the luxurious sports car. The athletic front and elegant coupé silhouette, distinctively defines the BMW 8 Series Gran Coupé. The breathtaking design, precise contours and powerful proportions produces thrills from the very first moment.

POWERFUL AGILITY.

The efficient BMW TwinPower Turbo petrol engines of the BMW 8 Series Gran Coupé and the perfectly coordinated drivetrain and chassis components are a guarantee of unforgettable driving experiences. After all, this sports car is fast, powerful and extremely agile, reacts with absolute authority in every driving situation and always has reserves. Whether in urban traffic, on the highway or steering around winding roads, the BMW 8 Series Gran Coupé has an answer to everything – and one that guarantees ultimate driving experience.

ULTIMATE DRIVING TO THE POWER OF FOUR.

In the BMW 8 Series Gran Coupé, four passengers get to enjoy the Ultimate Driving Machine. Generous amounts of space in the interior and outstandingly comfortable leather seats with the character of individual seats. The BMW 8 Series Gran Coupé ensures all four passengers will experience outstanding comfort.

GENEROUS AMBIENCE.

In the rear passenger compartment of the BMW 8 Series Gran Coupé, two passengers can enjoy impressive head and leg room. Even on long journeys, supreme comfort and perfect relaxation are guaranteed. The Panorama glass roof additionally reinforces this experience of spaciousness and the feeling of freedom by supplying unique views and ambience atmosphere.

BMW INDIVIDUAL

The expression of personality.

Accentuate your own character with genuine exclusivity: this is precisely what BMW Individual aspires to. Whether you are seeking a special colour or exclusive materials, you can provide a perfect figure for your inspirations. With an automobile that matches your preferences precisely, down to the finest detail. BMW Individual – an expression of personality.

LIMITLESS.

From Dakar Yellow to Nardo Grey: BMW Individual offers you a wide range of exclusive paint finishes to choose from. More than 120 different colours are available, allowing every character to find its own personal expression. Matt paint finishes by BMW Individual boldly emphasise the powerful design language of every BMW.

UNMISTAKABLE.

In designing the details of the interior with immaculate fine-grain Merino leather, BMW Individual leaves you a completely free hand. From the choice of colours to the composition of impressive leather coverings in Bicolour and contrasting stitching, everything is possible. Personalised signets and monograms form highlights of individualisation.

EXPRESSIVE.

All trims have one thing in common: they are made of the highest quality materials. Whether they are made of aluminium mesh, carbon or precious wood - create exciting contrasts in the interior of your BMW M or achieve corresponding effects between the interior and accent trims and the leather upholstery.

THE BMW CONNECTED DRIVE

DIGITAL KEY

Why put your key in the ignition if you have your Android smartphone with you? The Digital Key3, 4, 5 allows you to lock and unlock your BMW and even start the engine without needing a physical key. It can be downloaded to your Android smartphone using the My BMW App and shared with family and friends. The term is one year.

CONNECTED NAVIGATION

Trying to find a parking space close to your destination? This is an easy task with Parking Space Assistant. It suggests vacant spaces in large parking facilities or on the street and based on your selection, finds the best route for you with the highest likelihood of an available space.

CONNECTED PACKAGE PROFESSIONAL

Remote Services, Real Time Traffic Information, Apple CarPlay® preparation or perhaps In-Car Experiences? Why order individual options when you can have everything together? With the Connected Package Professional, you can enjoy these services from BMW ConnectedDrive.

DRIVING ASSISTANT

Driving Assistant Professional offers optimum comfort and maximum safety during lots of critical or monotonous driving situation with Steering and lane control assistant incl. support in narrow places, Emergency Stop Assistant, local hazard warning, Lane Keeping Assistant with active side collision protection and other safety functions.

THE BMW LIVE COCKPIT

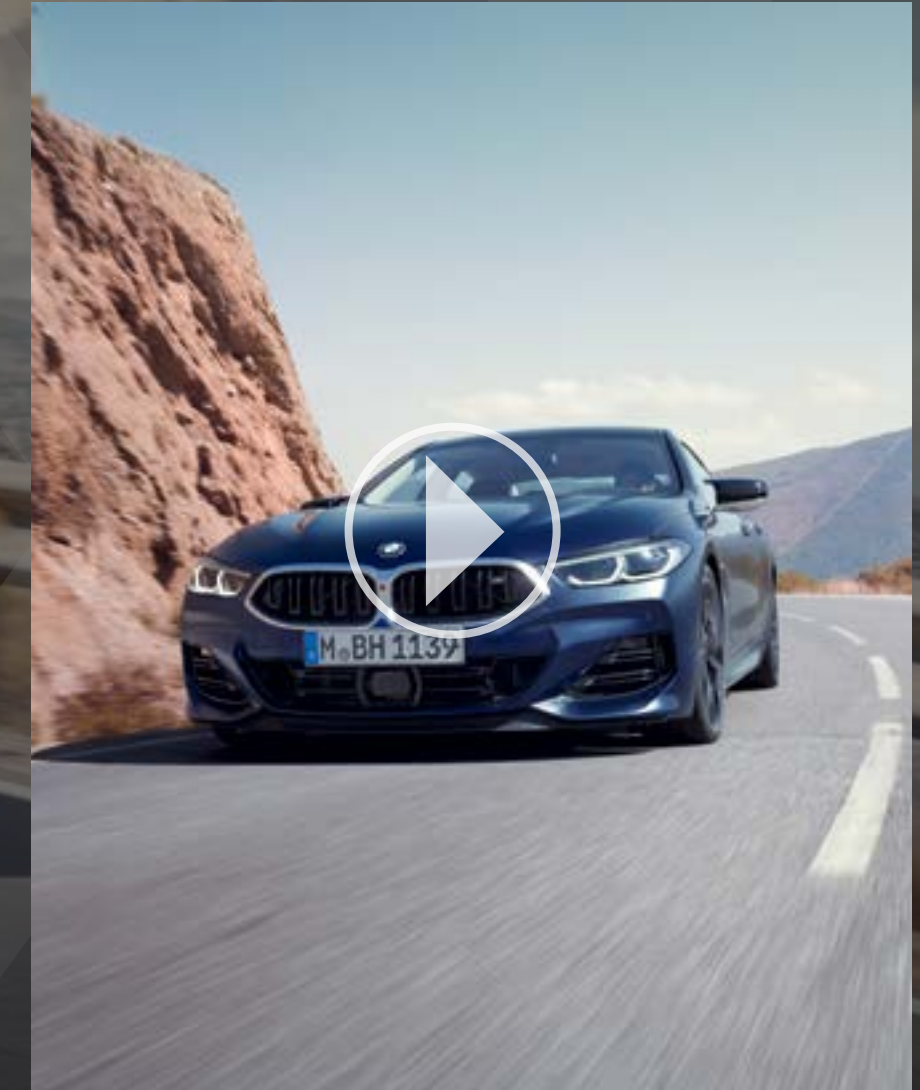

The brand new infotainment, navigation and multimedia system (BMW Operating 7.0) provides cutting edge innovations as standard. Incorporating new generations of professional multimedia, BMW Live Cockpit Professional features high resolution control display, fully digital instrument panel and includes the ConnectedDrive digital services

BMW xDRIVE

Weather changes and road situations can change in a flash, whatever the season. But with xDrive, BMW's intelligent all-wheel drive system, your car will respond quickly to allow you to enjoy maximum driving pleasure, even on the most difficult road surfaces. 4WD, all-wheel drive and 4x4 are all terms that are used interchangeably, but all equate to the same thing. BMW xDrive is powered by an extra layer of intelligence, making it one of the most technically advanced all-wheel drive systems in the segment.

THE INTELLIGENT ALL-WHEEL DRIVE SYSTEM FROM BMW

The xDrive system is automatically enabled each time the engine is started, so it is permanently engaged to ensure you have maximum grip in all conditions. Therefore, it is not necessary or possible to activate or deactivate the system.

MY BMW APP

STAY IN THE DRIVER'S SEAT,
WHEREVER YOU ARE.

Connect your vehicle to your life. The My BMW App keeps you at the wheel with total control of your BMW, whether you're in your vehicle or not.

- **Remote control**
Lock and unlock your BMW from wherever you are.
- **Location location location**
Access your car's location remotely and send locations to your car's GPS, so you're always ready for the journey.
- **Driving conditions**
Set the temperature of your car remotely for the perfect climate the moment you open the door.
- **Great service**
Let your BMW tell you when it's time for a service, then schedule it with just a touch.
- **It's personal**
It's MyBMW, after all. Enter your BMW's colour palette, and the app design follows suit.

SUSTAINABILITY AT BMW

**WE ASPIRE TO BE THE MOST SUCCESSFUL AND SUSTAINABLE
PREMIUM PRODUCER FOR INDIVIDUAL MOBILITY.**

Sustainability is not just a trend for us. We take responsibility – here and today – and we will be taking sustainability to a whole new level.

- Since 2020, the BMW Group only uses renewable energy sources – worldwide!
- The BMW Group lowered the energy consumption per produced vehicle by 55% since 2006.
- 99% of the annual production waste is recycled and used.
- The BMW Group aims to reduce supply chain CO2 emissions per vehicle by 20% from 2019 levels by 2030.
- In South Africa the electricity from a biogas plant covers 31% of the needs of the BMW Group plant in Rosslyn.
- In 2019, several million customers in Europe used the BMW Group's car sharing offer.
- As part of the "Health Initiative", so far 28,500 employees have taken part in health checks.
- Our plant in Regensburg has tested HGVs running on liquefied natural gas as an ideal alternative to diesel, especially over long distances.
- Since the beginning, the BMW Group has been participating in the Responsible Cobalt Initiative (RCI) in order to increase transparency and governance, and implement collective measures to overcome social and environmental risks in the cobalt supply chain.

MEET THE ELECTRIFIED BMW FAMILY

For an electric vehicle it is not only important to consider how fast and safely it travels, but also how far it will take you. In this consideration, the range of an electric vehicle also depends on factors such as the speed, driving style and outside temperature as well as the use of the air conditioning or seat heating. These are factors that we cannot calculate. But all the others we can. Here you can find out all about the ranges of our electric cars and plug-in hybrid vehicles.

THE EQUIPMENT

STANDARD EQUIPMENT

M850i xDRIVE GRAN COUPÉ.

ENGINE, POWERTRAIN AND TECHNOLOGY

- M Performance TwinPower Turbo 8-cylinder petrol engine
- xDrive, permanent all-wheel drive system with fully variable torque split
- 8-Speed Steptronic Sport automatic transmission with gearshift paddles
- Sport exhaust system
- Adaptive M Suspension Professional, includes Adaptive M Suspension with active anti roll stabilisation for optimum driving stability and driving dynamics
- Integral Active Steering
- M Sport differential, electronically controlled limited slip differential
- Driving Experience Control with Adaptive mode, SPORT, COMFORT, ECO and ADAPTIVE modes
- M Technology Package, cooling package with indirect charge air cooling, flow-optimised
- Auto Start/Stop function
- Brake pad wear indicator
- Electric power steering with Servotronic
- BMW Carbon Core, consisting of centre tunnel with carbon elements
- BMW Active Air Stream kidney grille

SAFETY

- Active Protection
- Airbags, 6 in total: front, full-length sides and head protection on the sides and in headliner
- Alarm System
- Central locking with electronic immobiliser
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Braking Assistant, Cornering Brake Control (CBC), Dynamic Traction Control (DTC)
- Warning triangle and first aid kit
- M Sport Brakes

DRIVER ASSISTANCE

- BMW Head-Up Display
- BMW Display Key (Replaces one standard remote key)
- Driving Assistant
- Parking Assistant Plus, incl. Parking Assistant with Active Park Distance Control rear, Reversing Assistant, Surround View, Panorama View, 3D View
- Speed limiter
- Speed Limit Info
- Tyre Pressure Indicator, including tyre temperature display
- Tyre Repair kit

LIGHT AND SIGHT

- BMW Laser headlights including BMW Selective Beam
- High-Beam Assistant
- Ambient interior lighting with 11 pre-defined selectable light designs
- Exterior handle area lighting and door entry/exit lights
- Exterior mirrors with automatic anti-dazzle function electrically adjustable and heated, with electric fold-in function
- Heat protection glazing
- Rain sensor
- Follow-me-home function, if the headlight flasher is activated after the ignition is shut off, the low-beam headlights continue to shine for a set time

EXTERIOR DESIGN AND EQUIPMENT

- 20" M light alloy wheels double-spoke style 895 M Bicolour with performance tyres
- Exterior trim in Cerium Grey: BMW kidney grille frame and struts, mirror caps, model designations, air breather inlay, tailpipe finishers
- BMW Individual High-gloss Shadow Line, window frame and air breather surround in black
- M Aerodynamics package, aerodynamic front and rear bumper trims, side sills
- M rear spoiler in body colour
- Metallic paintwork
- Panorama glass roof

STANDARD EQUIPMENT

INTERIOR DESIGN, COMFORT AND EQUIPMENT

- 3 x USB Type C ports, 1 x USB Type A and 1 x 12V power socket
- Active seat ventilation, driver and front passenger
- Automatic climate control, 4-zone control
- Automatic tailgate operation
- BMW CraftedClarity glass application, handmade glass elements in diamond cut: gear selector with illuminated '8', start/stop button, iDrive controller, volume control switch
- BMW Individual headliner Alcantara Anthracite
- Comfort Access system, keyless entry to all doors
- Door sill finishers with 'M850i' designation, illuminated
- Electric seat adjustment for driver and front passenger, incl. headrest adjustment and memory function for driver and front passenger
- Floor mats
- Heated armrests on front doors and front centre console
- Instrument panel and door upper trim in 'Walknappa' leather
- Interior trim finishers stainless steel fabric
- Lumbar support for driver
- M leather steering wheel with multifunction buttons, heated
- Multifunctional seats for driver and front passenger
- Seat heating, driver and front passenger
- Soft-close function for doors
- Through-loading system with 40:20:40 split
- Roller Sunblinds rear side windows
- Upholstery, BMW Individual Extended leather 'Merino'

BMW CONNECTEDDRIVE

- Intelligent Emergency Call
- Teleservices
- ConnectedDrive Services* incl. BMW Connected+ and includes free usage of vehicles apps via BMW Online (News and Weather)
- Connected Package Professional incl. Remote Services*, Real Time Traffic Information (RTTI)* and Apple CarPlay
- Connectivity via in-built SIM card, 4G LTE network compatible

* 3 year subscription

ENTERTAINMENT, COMMUNICATION AND INFORMATION

- BMW Live cockpit Professional* with 12.3" instrument display and high-resolution (1920x1080) 12.3" Control Display incl. split screen function and natural voice control
- DAB+ digital radio tuner
- Personal Profile, personalisation of important controls

THE PACKAGES

M CARBON EXTERIOR PACKAGE

Content:

- M Carbon Air Curtain intake, front left and right
- M Carbon mirror caps
- Rear diffuser insert
- Single-piece carbon finisher around the tailpipe Finishers

FURTHER INFORMATION ON CO₂ DATA

The values of fuel consumptions, CO₂ emissions and energy consumptions shown were determined according to the European Regulation (EC) 715/2007 in the version applicable at the time of type approval. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tires available on the selected model.

The CO₂ efficiency specifications are determined according to Directive 1999/94/EC and the European Regulation in its current version applicable. The values shown are based on the fuel consumption, CO₂ values and energy consumptions according to the NEDC cycle for the classification.

When charging times are shown they can be affected by a number of factors such as type of charger, voltage supplied to the charger/car and type of current (AC or DC) supplied to the charger/car. The car also plays a role in charging times as it can be set by the driver to accept various different amperage and should preconditioning be used to heat or cool the vehicle while charging this will also affect the charging time.

The basis for the calculation of the charging times for 100 km range is the electric consumption of the vehicle based on the use of a high-Powered Charging station (HPC) or charging type and current as indicted in the literature above. The testing procedure measures are based on a 23 degrees Celsius battery start and ambient temperature with certification values excluding additional auxiliary consuming devices and systems within the vehicle such as seat heating, displays, air conditioning.

Individual consumption (fuel economy) may differ due to driving profile, vehicle load profile, auxiliary consumer usage, temperature, and ambient conditions. Consumption is based on WLTP or NEDC (whichever is indicated) best case conditions and is independently tested for BMW Group. If you are comparing this range with other models or brands make sure they are stating the same WLTP or NEDC testing regime. These results can be used to compare vehicles on a close to "like for like" basis but are unlikely to be achieved in real world conditions for reasons including temperature variation, driving conditions and the use of the auxiliary systems referred to above.

Information provided and images displayed in this brochure include overseas models and may show some features not available in New Zealand. Please contact an authorised BMW dealer for specific information on vehicles and features available in New Zealand. Product changes may have been made since production of this content.

Note: To obtain NZ CO₂ figures for vehicles imported by BMW Group NZ in relation to the NZ Clean Car discount or "FeeBate" you will need to contact your preferred dealer. The Clean Car discount figures sourced from your dealer will differ from those listed in the BMW owner's handbook and reported figures as they have been converted by the NZ government to WLTP3 from figures derived through one of the following testing procedures: WLTP4 or NEDC.

For more information on the New Zealand Clean Car Programme, please visit www.nzta.govt.nz/vehicles/clean-car-programme
