# THE ORIGINAL THRILL.

The BMW M3 and M4 Competition certainly don't conceal their intentions. An aggressive, new kidney grill design asserts an overt statement of motorsport intent from both machines. The sporty interior ambience, found only in M series models, makes their Motorsport DNA even more evident. Powerful aesthetic points of difference are matched by race-tuned suspension and handling dynamics, a staggering 650Nm of accelerative torque, and a 0-100 km/h time from as little as 3.9 seconds. Undoubtedly, your appetite for race-level performance will be satisfied by the M3 or M4 Competition.

## MODEL HIGHLIGHTS

- 19/20" M forged alloy wheels
- Active M Differential
- BMW M Head-Up Display
- BMW Live Cockpit Professional
- Driving Assistant Professional incl. Active Cruise Control
- Harman / Kardon surround sound system
- M Drive Professional
- M xDrive
- BMW Laserlights

Consumption	10.1/ 100km	CO2	233g / km*
0-100km/h	3.5 sec	Transmission	8-speed M Steptronic
Engine	6-cylinder	Power/Torque	375kW / 650 Nm

**Price incl. GST \$191,200**

Clean Car Programme (Estimated Rebate / Fee)\* **TBC**

• Standard ◊ Optional **NCO** No Cost Option

Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group New Zealand. E&OE Effective from 1st July 2023. \*Additional ordering time frames apply for BMW Individual. Please contact BMW Group New Zealand.

\* To obtain NZ Fuel Consumption and Emission figures for vehicles imported by BMW Group New Zealand you will need to contact your preferred dealer. In relation to the NZ Clean Car discount or "FeeBate" the WLTP3 Emission and Consumption figures converted by the NZ government will differ from the WLTP4 figures listed in BMW owner's handbook and reported figures. For more information on the New Zealand Clean Car Programme, please [click here](#).

# M3 HIGHLIGHTS

## UNMATCHED POWER

The BMW M TwinPower Turbo inline 6-cylinder petrol engine features superior power delivery and the striking characteristic M engine sound. Two mono-scroll turbochargers, direct High-Precision Injection, full variable valve control camshaft control ensure outstanding performance.

## M INSTRUMENT CLUSTER

The M Specific instrument cluster offers a particularly precise and focused display of driving data in the SPORT and Track modes. In this way, Values such as boost pressure or tyre pressure and temperatures are always in view, even on the race track.

## M COMPOUND BRAKE

Thanks to the use of various materials, M Compound brakes achieve outstanding deceleration values, are extremely stable and weigh less. The brake callipers in Red high-gloss with M lettering lend this high-performance brake system a distinctively sporty appearance.

## M SPORT SEATS

The multi-adjustable M Sport seat with bucket seat character and partly integrated headrest provide excellent lateral support for you and your front passenger. In addition, the backrest width can be individually adjusted. Their special design with illuminated M3 logo highlights the vehicle's athletic capabilities.

## INTELLIGENT DRIVING

Remote Services, BMW Maps, smartphone integration incl. Apple CarPlay and Android Auto or even In-Car Experience. With the connected package Professional, you can get these services from BMW ConnectedDrive.

# THE M4

THE ALL-NEW BMW M4 COMPETITION

Aesthetics, meet athleticism. The BMW M4 is born of the track and raised in the city, with powerful torque and a high-performance BMW M TwinPower Turbo power unit fit to take you straight to first place. Maximum driving dynamics aren't just for the circuit anymore.

# M4 HIGHLIGHTS

## UNMATCHED POWER

The BMW M TwinPower Turbo inline 6-cylinder petrol engine features superior power delivery and the striking characteristic M engine sound. Two mono-scroll turbochargers, direct High-Precision Injection, full variable valve control camshaft control ensure outstanding performance.

## CFRP ROOF

As part of BMW's intelligent lightweight construction, the carbon roof made of carbon fibre reinforced plastic (CFRP) help to reduce the car's mass, and shifts the car's centre of gravity lower. This leads to an increase in agility and dynamics when taking a bend, accelerating and braking.

## M STEPTRONIC TRANSMISSION

The 8-speed M Steptronic transmission with Drivelogic offer numerous shifting options: extremely dynamic, particularly comfortable and smooth, fuel-saving. You can shift manually using the gear lever or gearshift paddles on the steering wheel or select one of three automatic programmes using Drivelogic.

## M SPORT SEATS

The multi-adjustable M Sport seat with bucket seat character and partly integrated headrest provide excellent lateral support for you and your front passenger. In addition, the backrest width can be individually adjusted. Their special design with illuminated M3 logo highlights the vehicle's athletic capabilities.

## INTELLIGENT DRIVING

Remote Services, BMW Maps, smartphone integration incl. Apple CarPlay and Android Auto or even In-Car Experience. With the connected package Professional, you can get these services from BMW ConnectedDrive.

# BMW INDIVIDUAL

The expression of personality.

Accentuate your own character with genuine exclusivity: this is precisely what BMW Individual aspires to. Whether you are seeking a special colour or exclusive materials, you can provide a perfect figure for your inspirations. With an automobile that matches your preferences precisely, down to the finest detail. BMW Individual – an expression of personality.

## LIMITLESS.

From Dakar Yellow to Nardo Grey: BMW Individual offers you a wide range of exclusive paint finishes to choose from. More than 120 different colours are available, allowing every character to find its own personal expression. Matt paint finishes by BMW Individual boldly emphasise the powerful design language of every BMW.

## UNMISTAKABLE.

In designing the details of the interior with immaculate fine-grain Merino leather, BMW Individual leaves you a completely free hand. From the choice of colours to the composition of impressive leather coverings in Bicolour, everything is possible. Masterly contrasting stitching produces an exclusive character. Personalised signs and monograms form highlights of individualisation.

## LIMITLESS.

All trims have one thing in common: they are made of the highest quality materials. Whether they are made of aluminium mesh, carbon or precious wood - create exciting contrasts in the interior of your BMW M or achieve corresponding effects between the interior and accent trims and the leather upholstery.

[Start BMW Individual Visualiser](#)

# THE BMW CONNECTED DRIVE

## DIGITAL KEY

Why put your key in the ignition if you have your Android smartphone with you? The Digital Key3, 4, 5 allows you to lock and unlock your BMW and even start the engine without needing a physical key. It can be downloaded to your Android smartphone using the BMW Connected app and shared with family and friends. The term is one year.

## CONNECTED NAVIGATION

Trying to find a parking space close to your destination? This is an easy task with Parking Space Assistant. It suggests vacant spaces in large parking facilities or on the street and based on your selection, finds the best route for you with the highest likelihood of an available space. You can also pay for parking cash-free using PARK NOW. The term is three years.

## CONNECTED PACKAGE PROFESSIONAL

Remote Services, Real Time Traffic Information, Apple CarPlay® preparation or perhaps In-Car Experiences? Why order individual options when you can have everything together? With the Connected Package Professional, you can enjoy these services from BMW ConnectedDrive.

## DRIVING ASSISTANT

Driving Assistant Professional offers optimum comfort and maximum safety during lots of critical or monotonous driving situations with Steering and lane control assistant incl. support in narrow places, Emergency Stop Assistant, local hazard warning, Lane Keeping Assistant with active side collision protection and other safety functions.

## THE BMW LIVE COCKPIT

The brand new infotainment, navigation and multimedia system (BMW Operating 7.0) provides cutting edge innovations as standard. Incorporating new generations of professional multimedia, BMW Live Cockpit Professional features high resolution control display, fully digital instrument panel and includes the ConnectedDrive digital services

# BMW xDRIVE

Weather changes and road situations can change in a flash, whatever the season. But with xDrive, BMW's intelligent all-wheel drive system, your car will respond quickly to allow you to enjoy maximum driving pleasure, even on the most difficult road surfaces. 4WD, all-wheel drive and 4x4 are all terms that are used interchangeably, but all equate to the same thing. BMW xDrive is powered by an extra layer of intelligence, making it one of the most technically advanced all-wheel drive systems in the segment.

THE INTELLIGENT  
ALL-WHEEL DRIVE SYSTEM  
FROM BMW

The xDrive system is automatically enabled each time the engine is started, so it is permanently engaged to ensure you have maximum grip in all conditions. Therefore, it is not necessary or possible to activate or deactivate the system.

# MY BMW APP

STAY IN THE DRIVER'S SEAT,  
WHEREVER YOU ARE.

Connect your vehicle to your life. The My BMW App keeps you at the wheel with total control of your BMW, whether you're in your vehicle or not.

- **Remote control**  
Lock and unlock your BMW from wherever you are.
- **Location location location**  
Access your car's location remotely and send locations to your car's GPS, so you're always ready for the journey.
- **Driving conditions**  
Set the temperature of your car remotely for the perfect climate the moment you open the door.
- **Great service**  
Let your BMW tell you when it's time for a service, then schedule it with just a touch.
- **It's personal**  
It's MyBMW, after all. Enter your BMW's colour palette, and the app design follows suit.

# STANDARD EQUIPMENT

## ENGINE, POWERTRAIN AND TECHNOLOGY

- 8-Speed M Steptronic transmission with Drivelogic Active M Differential
- Adaptive M Suspension
- BMW M TwinPower Turbo 6-cylinder petrol engine M Drive Professional
- M xDrive

## LIGHT AND SIGHT

- BMW Laser headlights
- Follow-me-home function, if the headlight flasher is activated after the ignition is shut off, the low-beam headlights continue to shine for a set time
- High beam assistant
- Interior and exterior mirror package Rain sensor

## EXTERIOR DESIGN AND EQUIPMENT

- 19"/20" M forged wheels with performance tyres
- BMW Individual high-gloss Shadow Line with extended contents
- BMW Individual Lights Shadow Line
- Carbon fibre roof
- M Compound Brakes, Blue with M lettering
- Metallic paintwork

## INTERIOR DESIGN, COMFORT AND EQUIPMENT

- 1 x USB ports Type A, 1 x USB Type C Automatic climate control, 3-zone control BMW Individual headliner Anthracite
- Comfort Access incl. BMW Digital Key Floor mats
- Full leather 'Merino' upholstery
- Interior trim finishers 'Carbon Fibre'
- Heated seats for driver and front passenger
- Seat adjustment, electric with memory for driver's seat
- Steering wheel heating

## SAFETY

- Active Protection
- Airbags, 8 in total: front airbags for driver and front passenger, side airbags for driver and front passenger integrated in the seat backrest bolsters, head airbags for all 4 outer seats
- Automatic Stability Control (ASC), Dynamic Stability Control (DSC), Dynamic Brake Control (DBC), Cornering Brake Control (CBC), dry braking, fading support, pullaway assistant
- Central locking with electronic immobiliser Dynamic braking lights
- Warning triangle and first aid kit

## ENTERTAINMENT, COMMUNICATION AND INFORMATION

- BMW Live cockpit Professional\* with 12.3" instrument display and high-resolution (1920x1080) 10.25" Control Display incl. split screen function and BMW Intelligent Personal Assistant

- DAB+ digital radio
- Extended Bluetooth connectivity
- harman / kardon Surround Sound System
- Storage for wireless smartphone charging

## DRIVER ASSISTANCE

- BMW Head-Up Display
- Driving Assistant Professional, incl. Active Cruise Control with Stop&Go function, Cross traffic warning on the front & rear, Steering & Lane Control Assistant, Lane keeping assistant with Side Collision Warning, Crossroads warning and Evasion Aid
- Parking Assistant Plus, incl. Parking Assistant with Active Park Distance Control rear, Reversing Assistant, Surround View, Panorama View, 3D View
- Speed Limit Info
- Speed Limiter

## CONNECTED DRIVE FEATURES

- Connected Package Professional incl. Remote Services\*, Real Time Traffic Information (RTTI) and Apple CarPlay/Android Auto, ConnectedDrive Services\* incl. BMW Connected+ and includes free usage of vehicles apps via BMW Online (News and Weather) Connectivity via in-built SIM card, 4G LTE network compatible
- Intelligent Emergency Call TeleServices (\*3 year subscription)

ROADSIDE ASSIST

- Emergency Hotline, 24/7, 365 days a year.
- Includes onward travel and accommodation.
- Includes lock-out or lost key assistance.
- Includes emergency fuel.
- Valid for 5 years/unlimited kms.

3 YEAR  
FREE SERVICING\*

- Includes scheduled servicing and maintenance tailored to the NZ market.
- Includes all warrant of fitness checks.
- Includes oil top-ups and wiper blades.
- Valid for 3 years/unlimited kms.

3 YEAR CONNECTED  
DRIVE SERVICES

- BMW Connected App for iOS and Android.
- Includes free map updates.
- Real-time traffic information.

# SUSTAINABILITY AT BMW

## ACTIONS AND TECHNOLOGIES THAT HAVE A REAL EFFECT.

No competitor comes close to matching the comprehensive and diverse BMW Group portfolio of electrified models (fully electric BEV, partly electric PHEV), with half a million such vehicles delivered to customers to date.

- In co-operation with ChargeNet, BMW i customers in New Zealand can access the ChargeNow 'electric highway' - 100 fast-charging stations from Kaitaia to Invercargil.
- BMW Group considers sustainability a fundamental aspect of its past, present and future corporate strategy.
- Decades-long history of action to protect the climate and significantly reduce fuel consumption.
- Focus on further electrification of the product roster as the key measure for lowering CO2 emissions.
- Largest range of plug-in hybrids as the most versatile form of electrification.
- Greatest benefit of plug-in hybrids: enabling both customary range and driving without generating local emissions.
- Fully electric BMW i3 is uniquely sustainable, with sales figures still rising six years after launch.
- By 2023: 25 models with electrified powertrains, half of them pure battery electric vehicles.
- Numerous awards for eco-conscious design covering the entire product lifecycle.

MEET THE ELECTRIFIED  
BMW FAMILY

For an electric vehicle it is not only important to consider how fast and safely it travels, but also how far it will take you. In this consideration, the range of an electric vehicle also depends on factors such as the speed, driving style and outside temperature as well as the use of the air conditioning or seat heating. These are factors that we cannot calculate. But all the others we can. Here you can find out all about the ranges of our electric cars and plug-in hybrid vehicles.

# IMMERSE YOURSELF IN THE WORLD OF BMW

Keeping up with the Ultimate Driving Machine has never been easier. Connect with us online and stay up to date with the latest from BMW.

[www.bmw.co.nz](http://www.bmw.co.nz)

## FURTHER INFORMATION ON CO<sub>2</sub> DATA

The values of fuel consumptions, CO2 emissions and energy consumptions shown were determined according to the European Regulation (EC) 715/2007 in the version applicable at the time of type approval. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tires available on the selected model.

The CO2 efficiency specifications are determined according to Directive 1999/94/EC and the European Regulation in its current version applicable. The values shown are based on the fuel consumption, CO2 values and energy consumptions according to the NEDC cycle for the classification.

When charging times are shown they can be affected by a number of factors such as type of charger, voltage supplied to the charger/car and type of current (AC or DC) supplied to the charger/car. The car also plays a role in charging times as it can be set by the driver to accept various different amperage and should preconditioning be used to heat or cool the vehicle while charging this will also affect the charging time.

The basis for the calculation of the charging times for 100 km range is the electric consumption of the vehicle based on the use of a high-Powered Charging station (HPC) or charging type and current as indicated in the literature above. The testing procedure measures are based on a 23 degrees Celsius battery start and ambient temperature with certification values excluding additional auxiliary consuming devices and systems within the vehicle such as seat heating, displays, air conditioning.

Individual consumption (fuel economy) may differ due to driving profile, vehicle load profile, auxiliary consumer usage, temperature, and ambient conditions. Consumption is based on WLTP or NEDC (whichever is indicated) best case conditions and is independently tested for BMW Group. If you are comparing this range with other models or brands make sure they are stating the same WLTP or NEDC testing regime. These results can be used to compare vehicles on a close to "like for like" basis but are unlikely to be achieved in real world conditions for reasons including temperature variation, driving conditions and the use of the auxiliary systems referred to above.

Information provided and images displayed in this brochure include overseas models and may show some features not available in New Zealand. Please contact an authorised BMW dealer for specific information on vehicles and features available in New Zealand. Product changes may have been made since production of this content.

Note: To obtain NZ CO2 figures for vehicles imported by BMW Group NZ in relation to the NZ Clean Car discount or "FeeBate" you will need to contact your preferred dealer. The Clean Car discount figures sourced from your dealer will differ from those listed in the BMW owner's handbook and reported figures as they have been converted by the NZ government to WLTP3 from figures derived through one of the following testing procedures: WLTP4 or NEDC.

For more information on the New Zealand Clean Car Programme, please visit [www.nzta.govt.nz/vehicles/clean-car-programme](http://www.nzta.govt.nz/vehicles/clean-car-programme)
